PRESIDENT'S REPORT

Michael 'Muncha' Campbell

What a start to the 2016/2017 season, due to the environmental challenges, we finally got the chance to get our feet wet.

A big thank you to the Board of Management; with their commitment to get the season underway and to be continually dedicated to ensure that the season went smoothly and all members were kept up to date. It was a great effort from the Junior panel, with their continued effort to also ensure that the development of the Juniors and our future started and continued throughout the season with fun and friendship.

Once again the Starfish program provided integration and inclusion for individuals with disabilities to allow a positive and fun experience.

With the final club score of 5th position, above some of our past rivals, is a credit to the dedication of our coaching staff in all areas to provide the options of various training and tides allowing sustainability in training and structure for our Athletes.

Our small band of Athletes from our Juniors, through to the Squids, Seniors and Masters it is a credit to all that participated whether your part was large or small. For the small band of athletes that travelled to Queensland for the National Titles, I am sure it was a disappointing experience to once again have the environmental challenges that we were faced with at the start of the season.

As a club it is imperative that as volunteers we strive for community inclusion and respect to provide leadership in developing our next generation to ensure a safe environment and beach at South Port. Well done to all members.

Without our members we wouldn't have a club, so a huge thank you to all patrolling members, trainers, coaches, canteen, BBQ, apparel, bar, parents, promotional, fundraising and members in general, you as a united group make South Port the club it is today.

As you are all aware now, I will be stepping down as President due to my work commitments; thank you to all that assisted me throughout this season, your assistance was appreciated.

Michael Campbell

TREASURER'S REPORT

Don 'Bristles' Alexander

The summarised report on income, expenditure and trading for the season 2016-17 have been taken from the 2017 Audit conducted by PCS Accountants, which is included as Appendix "A".

The City of Onkaparinga continues to support us with an Annual Grant of \$12,837. SLSA, for the third year, has provided a Grant of \$5,000 for the purchase of essential lifesaving equipment. The Stronger Communities Programme Grant 2016-17, provided \$10,000 to assist with the kitchen upgrade, with special thanks to Amanda Rishworth MP. Kanini Pty Ltd, which is the SLSA Trust Fund, again distributed \$10,000 to us and all affiliated Clubs in SA as a dividend on their investments.

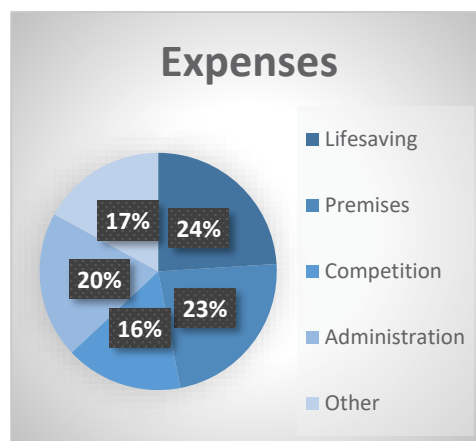

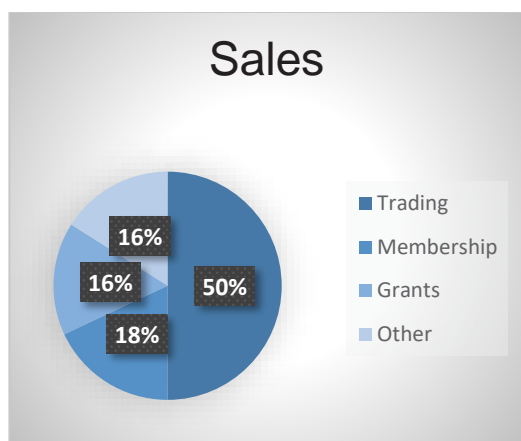

Michelle Copley and Nicole Berry continue to make my job easier with their organisational skills in all areas of the Club and particularly with payments for membership, clothing and Club dinner sales, going through the SLSA Members Portal and the South Port Team App.

David "Wal" Watt has again done a fantastic job as Club House and Bar Manager. Thanks to all members who turned up for their rostered hours behind the bar. Yvonne Olesinski has raised the standard with the variety of clothing on offer and also with an increase in revenue and profit. Michelle Nahlous and Donna Logan managed the Canteen this season and even though we had limited events and some very inclement days on the beach they still managed a profit. Special thanks to Cassandra Stoodley for organising numerous fundraising activities throughout the year and also with introducing the Bernie Lewis Sponsorship to the Club. Thanks to Richard Olesinski for conducting the weekly 100 Club draw and Laura Greer for donating a profit back to the Club with wine sales.

Our income decreased over the previous period, mainly due to the lack of carnivals being held. This impacted on trading in the bar and canteen and also in the area of carnival reimbursements.

Cash and Cash Equivalents totalled \$96,020, up from \$58,705 at the end of last year. The Club invested \$33,000 during the previous period in a Term Deposit and the intention is to invest the same amount again next season and continue annually into the future. Our Income dropped \$28,652 and even though expenses were down \$8,058 on last year, profit for the year was only \$8,373.

I am pleased to report that the Club is solvent.

CAPTAIN'S REPORT

Lyndon Mills

WOW, what a great season! I would like to thank all of our dedicated members for their outstanding effort, commitment and valuable time in protecting everyone using our spectacular beach and making it a safe place for everyone. What we do should by no means be underestimated.

This season, we patrolled with eight great teams and regardless of size, all did a great job. They showed exceptional dedication to lifesaving. It's always a big ask of members but never the less each patrol was always conducted to a high standard and this was greatly appreciated. Let's not forget why we are at the Club. Our core business is to patrol. A BIG thanks to all our patrolling members.

While Senior competition is going through a rebuilding phase, that can't be said for the Juniors and U14/U15's. These groups are punching well above their weight, I can see in the coming years they will be a force to be reckoned with. As a Club, we need to support them as they are our future. A lot of credit must go to everyone involved with Squids. From organising dinners at the Club, movie nights and just hanging out playing games on a Friday night. This has been one of the reasons that 14/15 age group numbers are so healthy. Big thank you on a job well done to all the coaches and their assistants. Well done to all.

In the boat area, a big thank you to Jason McGaffin. Jason has been able to recruit three new womens crews, as well as train them, sweep them, paint the boats and oars and do nearly all the maintenance for the boats himself; terrific job. The effort was reflected in the results.

Another big thank you must go to all who put their hand up to help in some way. Whether it's cooking the BBQ to cleaning the toilets, sweeping sand out the Club room to making (what at the time seemed endless) cups of coffee. All these things contribute to South Port being the Club that it is.

Also, thank you to all the Club members who on top their patrols, also give their time to the State to patrol on jet boats, jet ski's, radio room or helicopter. These people are called out at all hours and all weather conditions.

Quick Fact: We had 141 Members Patrol this season, total patrol hours = 5642.

Dollar value to the community if Council had to pay would be in excess of \$200,000.

Thank you to everyone!

See you next season

Lyndon Mills

Over the past couple of seasons SLSSA has been facilitating several Silver Medallion Aquatic Rescue (SMAR) courses. The following South Port members hold this qualification:

John Charles
Steve Evans
Scott Lines
Lyndon Mills
Travis Nearmy

These members have been trained in advanced search and rescue, including line searches, jetty and rock/breakwater entries, night land search and rescues, retrieving a submerged object from a minimum of 3m, developing plans such as Initial Action Plan and SMEAC plans, using various PPE and rescue/search equipment including sea marker dye, gath helmets, fins, masks etc, working closely with Surf Com, Incident Commanders, Duty Officers and Emergency Operations Group (JRB, RWC etc). A huge thanks to these members for their dedication and commitment to keeping our beaches safe.

Once again, South Port showed that we are a small Club with a lot of punch by finishing 5th at the Senior States with only 39 competitors, most of which were under the age of 19. Well done to those who put in the time to train and compete for the Club this year and especially those who achieved their goals and won medals.

The juniors also did well this year by having a go at competing at carnivals and Junior State Championships.

The Boat area, thanks to Jason McGaffin, showed their rebuilding is on track by winning four medals at Senior States.

Our youth competing in boards, swim, iron and beach area had a great year winning more than half of the points won by South Port at the Senior State Championships. Thanks to our coaches and open competitors for providing leadership and mentoring our younger members.

The board area also contributed towards the points tally, and provided a consistent presence around the Club throughout the season. The mantra of 'All welcome', appears to be working with numbers of 20 or more consistently at training, although with the varied levels in ability of paddlers, it made it challenging for coaches. Big thank you to Richie Cunningham for assisting in taking board training when I couldn't be there.

The ski area had a small number training consistently this year, under the guidance and thanks to Simon Linden. With an increasing interest in skis from our youth, this area is sure to provide success in the future for those who want to persevere and train.

The swim area being the basis of all things lifesaving had most of our youth swim training regularly, with various swimming Clubs showing that consistent regular training is fundamental to success. Also, thank you to Nathan and his helpers for the efforts in conducting regular Tuesday night swimming for those who aren't in a swimming Club squad. Our swimmers also donned the Club cap to compete in the State Pool Rescue Championship.

Our beach area, with the assistance of Kerri Proctor and Kyla Glover, had a great year by winning numerous medals in sprints and flags in both Seniors and Juniors.

Well done to our members who competed in Champion Lifesaver. We also had two members represent the Club at the Australian Titles, Tiffany Copley and Sydney McCurrach. Thanks to Michelle Copley for coaching and assistance.

Thanks to Alex Botha for organising a small group of masters to compete for the Club at Masters States, and to Olly for organising the Boat States, most coming away with a medal.

This season has seen a resurgence of interest in IRB competition, which hopefully will grow over the next

season and would be great in providing other avenues of competition for those who aren't as adept in other areas of surf sports.

To the future – Our youth are clearly the Clubs future. With the support of the current Transition Program (Squids), we will hopefully retain our current members, and to gain new members to our Club who want to don the Club cap and compete for the Club.

Areas of competition that the Club could aim at improving its points tally towards are the State Championship for R&R, Champion Patrol and Board Riding.

Finally, the biggest thank you goes to Carla Zeitz for her assistance as the Competition Officer. Without her, our competition entries wouldn't happen and my job would be hell!

SENIOR STATE TITLES & CARNIVAL Photos

SENIOR STATE TITLES & CARNIVAL Photos

This season saw the South Port Boat section build on last year's rebuild. We went from having only 2 crews compete at carnivals and States in 2015/16, to consistently having 4 – 6 crews at carnivals, 6 crews racing at Masters States and 6 crews entered for State Titles.

We rowed away with 5 medals, both at Masters (2 Gold, 1 Silver and 2 Bronze) and Open States (2 Gold, 2 Silver and a Bronze in the Life Saver Relay). At ASRL SA, level our officials John 'Devo' Devitt and Don 'Bristles' Alexander were recognised for their long contribution to the sport as they step away, and I was awarded 'Novice Sweep of the Year'. The medals and awards are great, but not a true reflection of our season and these are the true highlights for me:

- The atmosphere at carnivals. The fun and support from rowers, sweeps, BHU and supporters that were under the tent.
- The support of everyone to help each other out, from filling in for crews with training and carnivals, sweeps supporting each other with Chris as a training sweep and the others happy to sweep whoever at carnivals. Also, the help our Club members provided at carnivals, from hosting carnivals, providing first aid and assisting with carnival pack down.
- Robe, a true club event.
- Our new rowers - young and old, jumping in, improving and finding the love of the sport.

As this is the first year I have been Boat Captain, there are many people to thank for this. It takes a collective effort from many to make this section of the Club work together.

Sara Lane - Without her help this year getting all the information out to crews, entries, Robe trip and general organising of things it would have made my job just about impossible, so from me a huge **Thank You**.

Sweeps – Huge job from all of you, not just for the State Titles, but the whole year. Bradley Vogt, Adam Parkinson and Chris Lowery, without you guys giving up your time, none of the season could have been possible.

Olly – Always passionate about the boat area and helping us find sponsorships to help offset boat repairs/maintenance costs. This allows us to not be dependent on the Club funding everything we do. At the bottom of this report you will find our generous sponsors and hope they continue their support.

Our officials - Bris, Devo, Siggie and Jason (Cloonan) - you have one of the hardest and thankless jobs on the beach, organising the competition and sport that we enjoy.

Lastly, I need to thank everybody who helped me with the boat repairs. Douggie, Dolla and Devo all chipped in when I needed help and it is very much appreciated.

Below is a brief report of each crews:

South Port Open Women – Spare Parts

Bradley Vogt took on the role of sweeping the girls this year again and a great job he did. Gold medal at States was an outstanding achievement in extremely tough conditions. To add another 1st place in this division to follow on from South Ports proud tradition in winning this title is no mean feat.

Crew: Stephanie Baggalley, Sara Lane, Megan Syvertsen, Kathryn Vogt, Bradley Vogt (Sweep).

South Port Open Women – Rust Bolts

Past open rowers combined with new member Julia, to have some fun this season. It was great to see these girls at carnivals, especially to help out with the young girls offering their experience. At State Titles, they finished 4th, which was a great effort considering the limited time they had in the boat.

Crew: Lisa Biggs, Julia Llewellyn, Kate Liersch, Kate Burnett, Adam Parkinson (Sweep).

Reserve Men

Well what can I say about these boys. They had 1 – 2 rows before States and then turned on the jets in the final to get a silver medal. This makes it really difficult to tell crews to train hard all year when you see how well these boys rowed in the crappy conditions with limited training. Their experience was the key.

Crew: Ben West, Michael “Budge” Goldfinch, Jarad Savage, Gavin Cragg, Bradley Vogt (Sweep).

Reserve Women

Special mention must go to Chris Lowery for training these girls; he did a fantastic job for his first year of sweeping. These girls were the surprise packet of the year; they had 2 brand new rowers combine with 2 girls who had rowed before and to win the gold medal at States was a huge effort.

Crew: Katie Dubrich, Emily Leadbeater, Monika Deptula, Jaimii-lee Duchatenier, Adam Parkinson (Sweep).

U/23 Women – Snappettes

Three girls from last year were joined by Jessie Thiele. While we had our challenges this year, I thoroughly enjoyed sweeping these girls as every session there was a laugh to be had even with a couple of roll overs, bumps, bruises and broken sweep oars. I do hope these girls will row again next season or into the future in another crew.

Crew: Hannah Leadbeater, Taylor Eastwood, Abby Lindley, Jessie Thiele, Jason McGaffin (Sweep).

U/19 Women – Scallywags

This crew started training early in the winter as they were all new to rowing. I could not be prouder of where they came from at the start of the season to where they ended up at State Titles. To row in the conditions they competed in at State Titles and to come away with a silver medal was a truly amazing effort. The girls are already in training for a big next season which I am excited to be involved with. Special mention to Deannah Haddy who did not row at States but was a big part of this crew filling in when needed at training and competitions.

Crew: Megan Sinclair, Amber Smith, Emily Bennet, Emily Goldy, Jason McGaffin (Sweep).

Lastly, to our crews, enjoy your break, but not too long, as the next step for us now is again to be travelling interstate and putting South Port’s name back on the national stage.

MEMBER LIAISON OFFICERS REPORT

Graham 'Double Up' Joyce

Another exciting year for South Port, where I guess for many members, each year just seems to tick along. In fact, there were quite a few major changes in the past season, where positions were filled by Muncha (Michael Campbell) as our new President, Fish (Brett Fisher) as new Chief Instructor and Pup (David Clayton) as new Surf Sports Manager.

After a few months, everyone settled into their new roles with ease with training sessions to arrange, meetings to attend, compliance and rules to meet and relentless hours put into the everyday running of the Club without even stepping a foot in the door.

With the Board beavering away behind the scenes, it was becoming apparent that there were a noticeable shortages of members "stepping up". As harsh as it sounds, we need way more members to help out. This is not meant to be a rant, more to prod a few consciences. We have a fantastic Club with an even better culture, however, as we grow (not only in numbers, but in the way the Club now has to be run), it's vital that everyone steps up and helps out.

There are members, who put in over 20 hours a week every week for nothing, and yes there are also members who put in 1 hour; everyone is equally important. The common factor is we are all unpaid volunteers. For example, the same helpers helped when:

- The kitchen opened
- The canteen opened
- Snags needed cooking
- A carnival was held, starting at 6.30 am

The same helpers (who don't go unnoticed), for this, we thank you. The load needs to be shared and I implore more members to step up. This would gratefully be appreciated by the Board.

Unfortunately, Muncha and Fish have had to step down due to work commitments. We wish them all the best, yet know they will still be a big part of South Port.

Here's looking forward to the next season. David Watt (Wal) is already taking heaps of bookings to hire our fab beachside venue for functions. Also excitingly, the kitchen has been opening more regularly for meals. Remember to tell your friends and family just how great we are at South Port! This will increase membership numbers and all of this in turn, increases revenue which can be spent on new improved equipment and upgrades to the Clubhouse.

Looking forward to catch you all next season.

Cheers

Not even the gloomy weather at the beginning of the season was enough to dampen the South Port spirit.

With over ten events this season, there were plenty of celebrations, shenanigans, laughs and funds raised. Events included Club Presentations, Halloween, Op Shop Ball, Christmas/Santa Lobs/Long Swim, Junior and Senior State Titles, Masters Surf Boat State Titles, Anzac Day, AFL Grand Final and Australia Day.

A new debut on the social front this season saw the introduction of the successful Op Shop Ball. Highlights of the night included karaoke, games and some rather interesting outfit choices.

The very popular Wine Wall Raffle was a massive hit at Santa Lobs. Fifty bottles, worth more than \$1300 were donated by Zonte's Footstep, Finniss River Wines, McLaren Vale III Associates and Leconfield/Syn/ Richard Hamilton Wines.

For the season, approximately \$9000 in funds were raised.

The support from our generous sponsors contributes to many facets of our Club. Special mention to our new sponsors, Bernie Lewis (Andrew and Cassandra Stoodley), ABS Automotive Service Centres and The Seafood Chest. Thank you to our continuing sponsors:

Thank you to those who made an effort to provide support and assist this year. Quite often, support with what are perceived to be small tasks can make the world of difference.

Apologies if I have missed any sponsors and/or helpers.

APPAREL OFFICERS REPORT

Yvonne 'Vonnie' Olesinski

The apparel was a success this season, with a broad variety of stock readily available.

An initial outlay was made on bathers and compulsory hi-vis vests etc, therefore making it available for competitors and members this season and for the coming season.

South Port is aiming for competing members to wear our Club bathers/uniform this coming season as shown in the display in place at the Club.

Looking forward to members promoting our Club through badged items readily available.

Thanks Von

ENVIRONMENT (ECOSURF) REPORT

Richard 'Olly' Olesinski

South Port members are continually encouraged to respect our relationship with the local environment and recognise the need to maintain and preserve the area around the Club, in particular planted areas in front of the Mayo Room.

A range of environmental posters, messages, etc. assist members to 'do the right thing' with the majority effectively using recycling systems currently in place for paper and cardboard, as well as bottles and cans.

The Club's junior members, as well as surf rescue patrols, are involved in beach clean ups to prevent injuries associated with fisher debris and our own littered items.

The Club coordinates statewide carnivals, and as a result, members are involved with providing ways to ensure the dune environment is protected, as well as providing rubbish bags and bins to contain waste materials and separate recyclables during carnivals.

Many thanks to the patrols that used the new bins provided by Surf Life Saving SA as part of the 'Bins between the red and yellow flags' initiative. This is a great way to control our own litter as well as encouraging the community to use the bins as well.

If you're interested in getting more involved in the environment around our Club, please get in contact with Olly.

TRANSITIONS OFFICER REPORT

SQUIDS – The name for the Transition Group was voted for early on at the Friday night monthly meets at the Club which started at the end of last season.

A thank you to Matt Clohesy for donating the T-shirts to the kids, and another thank you to John 'Devo' Devitt, for having the Squids name printed in South Port colours.

Thanks to a great team of helpers, the Squids were able to meet every month and have food, dessert, quiz nights, sleepover at the Club, team building games and much more. We have a cupboard full of board games, basketballs, basketball hoop, volleyball and nets and a beach cricket set to name a few things to keep them busy, all purchased by the Club.

The introduction of monthly hikes at Onkaparinga Gorge through the winter was a great success, finishing with sausage sizzles and homemade soups. Unfortunately, due to bad weather, the last couple had to be cancelled, but they are starting up again with a meet in early June.

The Club has had a huge amount of this group stay together throughout the off season and then through the 2016/2017 season. It has been a wonderful year and they have grown into great mentors for the nippers. They have been supportive at nipper training, from Age Group Manager Assistants, water cover, extra patrols all the way to one taking up an Office Bearers position of Vice-Captain.

Some of the group started new pathways and we had an under 19 womens boat crew for the first time, achieving a silver medal at States. This has led to some interest to hopefully getting a mens under 19 boat crew for next season; watch this space.

We've also had some interest from some for the IRB racing which has been reintroduced this winter.

Squid's camp is going to take place early October. What I think the Squids will be most excited about, is 'an Amazing Race'. This is being planned with lots more surprises by a great bunch of helpers.

Medals have been won, friends have been made, support to others has been given, lessons learnt and true grit and determination along with great effort by everyone has been shown, but most of all, lots and lots of fun with great mates. Thanks you to all for another great year at South Port.

JUNIOR DEVELOPMENT CHAIRPERSON'S REPORT *Anna 'Chips' Fisher*

Another wonderful year! Thank you all so much for your support and encouragement.

To our amazing Junior Officer Bearers, Age Group Managers, Assistants and Coordinators who were again organised, structured, supportive and helpful, this would not have been possible without each person's contribution and effort. Every week, I was wowed by your enthusiasm, initiative, engagement and support. Thank you, and I hope to continue working with many of you in the future.

To the awesome Nippers who attend this season. Weather was not our friend, however, each of you took these challenges on board and enjoyed the swell, tried your best and kept on smiling. Each week, whether you attended Saturday nippers, Monday and Wednesday board training, Tuesday swimming and/or Thursday running training, your dedication was admirable. Your ability to enjoy and laugh at Nippers makes me so proud to be involved with such a wonderful group of young people.

Thank you to Cass and Bobbie-Jean each week for coordinating the BBQ, raffles and weekly prizes. Your support and efforts don't go unnoticed.

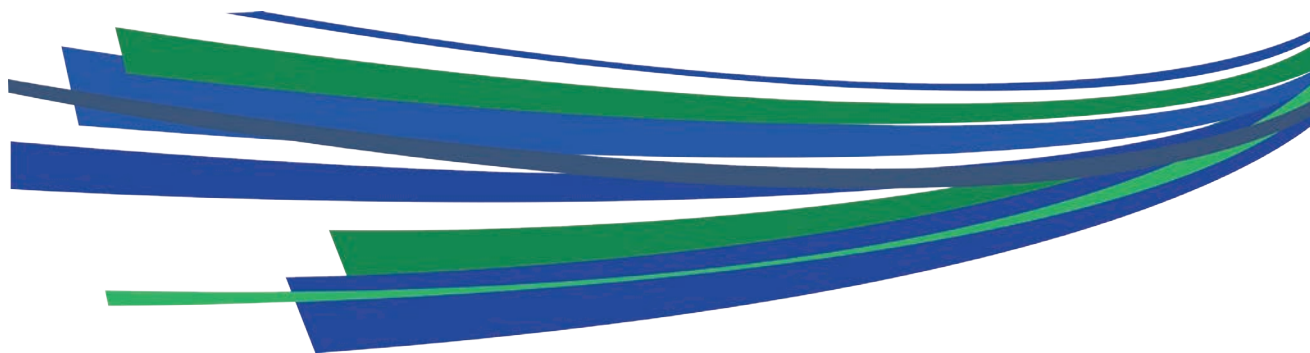

Thank you to our officials who put their hand up, if it wasn't for you our kids could not compete. To the water cover who ensure the safety of our youngmembers each week and at carnivals. Our families who tow the trailer from the shed to the Club to the Carnival to the Club back to the shed. You are always the first at the carnival and the last. To the Team Managers and every parent who loaded boards on the gear trailer, put up the tent and helped at Carnivals, a huge thank you. Michelle Nahlous, Donna Logan and the Canteen team who were there every week, thanks. You are all fantastic and your efforts are appreciated.

It is my belief that the role of the Board of Management and the Junior Development Panel is to make being part of our Club easy and fun. I hope that the systems we have put in place this year have contributed to this goal. I hope that you can all look back on the year with fond memories and look forward to another amazing year at South Port in season 2017/18.

THANK YOU!

Anna Fisher

PAUL GRAY

1965 - 2016

Paul Gray passed away on 18th December 2016, aged 51.

Paul was the loving husband of Michelle and father of Thomas and Caitlyn (deceased).

He was a long-time member of our Club, getting his Bronze at South Port in 1981. As well as patrolling for our Club, Paul was very active in competing in the boards, skis, and boats both at the State level and at Australian titles picking up a number of state and masters medals. He was also involved in coaching in the board and ski area. He supported the Club by towing boat and ski trailers around the country to Aussie Titles and organising the packing of trailers before and after the Titles.

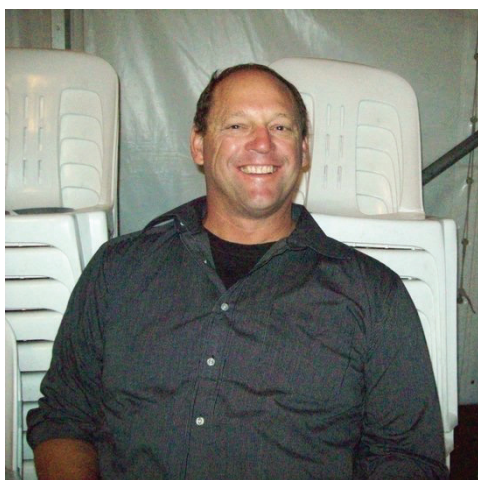

I accompanied Paul towing boat trailers to and from Perth and got to know him very well on these LONG trips. I also stayed with the Gray family over in Perth and it was obvious what a close and loving family they were.

Paul's illness was a shock to us all and in typical Paul fashion, he fought so hard before finally succumbing to it.

Paul's funeral was very large with a Guard of Honour provided by members of the Fire Brigade where he worked for many years. A large number of Club members attended the funeral indicating how well respected and loved this big man was.

Our deepest sympathy to Michelle and Thomas and to all the Gray family – a great man taken well before his time.

JOHN SMITH

JENNY MARTIN**1955 - 2017**

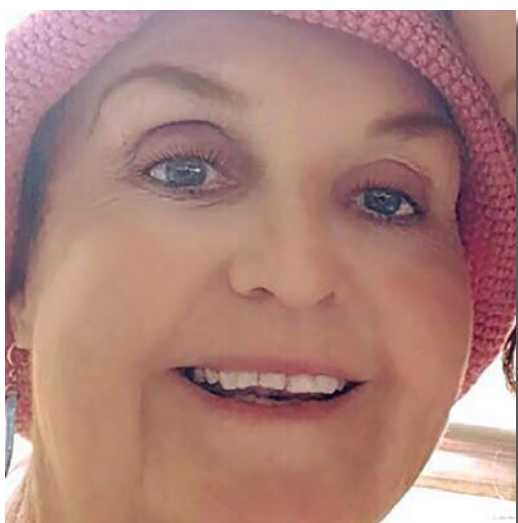

Jenny Martin passed away on Thursday 27th April 2017, aged 62.

Jenny was the mother of Club members Simon, Sarah, Emily and Rachel.

Jenny joined Surf Life Saving at Christies Beach in 1979 when Simon was 7 and then the family went overseas in early 1982. In early 1985 the family returned from overseas and joined South Port. Jenny was a Club Member for more than 10 years and along the way obtained her Radio Operators Certificate in 1992 and her Resuscitation Certificate in 1997.

Jenny's funeral at the Seaford Ecumenical Mission was attended by a large number of people with a many Club members present. Wonderful stories were told about Jenny's life as a nurse, mother and grandmother with the children and grandchildren speaking about her.

Our deepest sympathy to the whole Martin family, Jenny will be sadly missed.

RAY MARTIN SENIOR (OLD HOORAY)

1929 - 2017

Ray Martin passed away on Thursday 27th April 2017, aged 88.

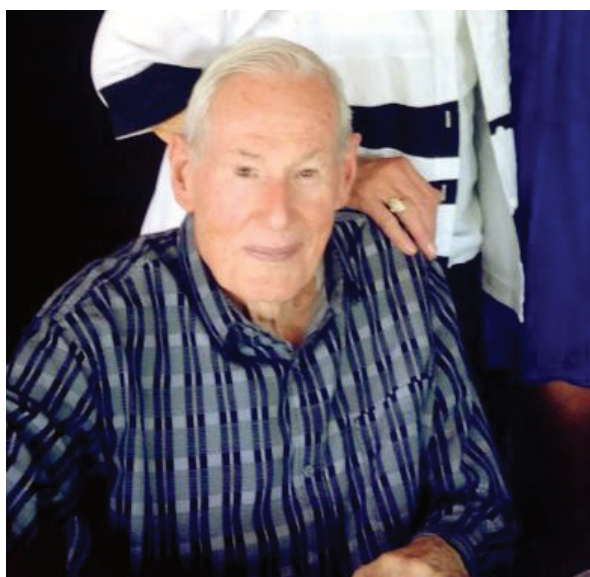

Ray received his Surf Life Saving Bronze medallion in 1964 and joined South Port in 1995 at the age of 67 after serving many years with Royal Life Saving. He coached Junior Life Savers, competed at the Club and State level, patrolled and was the First Aid Officer for the Club for many years.

While this level of involvement in the Club was outstanding, Ray's age makes his contribution indeed remarkable. Ray had been involved as a Coach in the Juniors for over 10 years. He organised coaching for the members at the local swim centre on Tuesday Nights and was Beach and Pool Coach and Head Coach for the Junior Division. The Junior report in our Annual Report consistently praised the time, effort and patience Ray showed when coaching youngsters. Ray was an active member of the Club beach patrols and he was involved in many first aid cases and rescues during that time.

Ray was an inspiration to both the young and the older club members. He competed in the weekly Club swim Saturday afternoons and won the weekly swim competition for over 70's and Club Champion for over 70's for many years. He competed and won medals at the State Life Saving Masters titles and competed in the Annual Long Swim for many years and he won the trophy for Oldest Competitor many times. His enthusiasm and commitment to Club competition persuaded many older members to continue competing and maintaining their fitness levels and gave the Juniors confidence to enter the water. (It was a bit like "if Old Ray can do it then so can we").

Ray was a member of South Port for 20 years and many Club members attended his funeral.

Our deepest sympathy to the whole Martin family, Old Ray certainly will be missed.

HUGE CONGRATULATIONS to John Devitt and John Charles for being made Life Members of Surf Life Saving SA this season. We thank you for your contributions to our Club over the many years and to the Surf Life Saving movement.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2017

The financial statements cover SOUTH PORT S.L.S.C as an individual entity. SOUTH PORT S.L.S.C is a not for profit Association incorporated in SA under the Associations Incorporation Act 1985.

The functional and presentation currency of SOUTH PORT S.L.S.C is Australian dollars.

1 Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1985. The committee has determined that the association is not a reporting entity.

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of Significant Accounting Policies
Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2017

Plant and Equipment

Plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses. Plant and equipment is depreciated on a straight line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

Impairment of Non-Financial Assets

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

**INDEPENDENT AUDITOR'S REPORT

Report on the Financial Report

I have audited the accompanying financial report, being a special purpose financial report, of SOUTH PORT S.L.S.C (the association), which comprises the balance sheet as at 30 April 2017, and the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act 1985 and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.
