

SOUTH PORT

Surf Life Saving Club Inc.

35th Annual Report & Financial Statement

Season 1993-94

NOTICE OF MEETING

SOUTH PORT SURF LIFE SAVING CLUB INC

Annual General Meeting

Notice is hereby given that the Thirty-fifth Annual General Meeting of the South Port Surf Life Saving Club Incorporated will be held at the Club House on Sunday, 5th June, 1994 at 11 am.

AGENDA

- 1 Notice of meeting.
- 2 Apologies
- 3 Confirmation of the minutes of the Annual General Meeting of 6th June, 1993.
- 4 Business arising out of the minutes.
- 5 Correspondence.
- 6 Presentation, consideration and adoption of the Thirty-fifth Annual Report.
- 7 Presentation, consideration and adoption of the Thirty-fifth Annual Financial Statement and Treasurer's Report.
- 8 Motions of which due notice has been given, including Life Membership.
- 9 Election of officers for season 1994/95.
- 10 Consideration and adoption of subscriptions and other amounts payable by members and officers for season 1994/95.
- 11 Determine the maximum amount that the Committee may expend on any one item for the 1994/95 season.
- 12 Consideration of honorarium and reimbursement for season 1993/94.
- 13 General business.

For and on behalf of the Committee.

David Donnelly
Hon. Secretary

PRESIDENT'S REPORT

It never ceases to amaze me, but five minutes after the season has begun, it draws to a close again.

On reflection, it has been a long, hard five minutes, with many highs, a couple of lows and an enormous amount of hard work from a large number of people.

I would take this opportunity to thank all our sponsors for their assistance throughout the year and to personally thank everyone who put in so much effort during the season.

There is not enough space to list everyone, but I would like to acknowledge a few people whose efforts this year kept things rolling.

My personal thanks go to the people we often take for granted, but without the efforts of Beau Lyons in the bar and Kathy Rudd in the canteen, it would be a much poorer (and quieter) club. When you add Emu's culinary efforts into the above mix, you start to realise just how well we get looked after during the year.

Carnivals at South Port are always good, but without the efforts of 'Beeper' and his

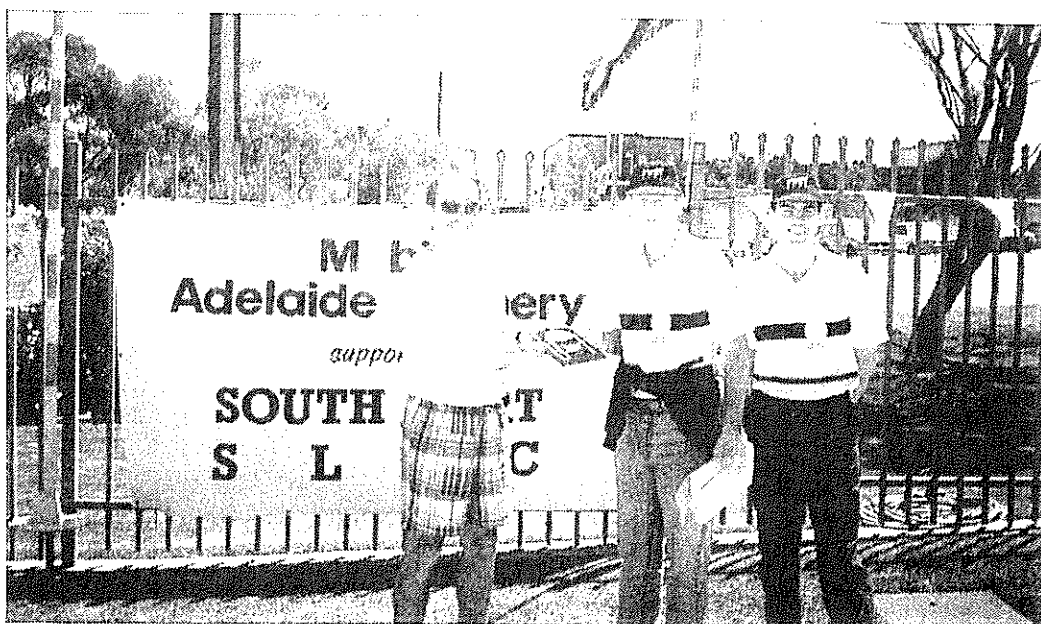

carnival patrol and Brian Steel, Tony Rushby (Seaford Rise) and John 'Devo' Devitt on the tractors, things just wouldn't happen.

I must also thank Jack Holder, the Councillor for this area, for all his efforts and assistance given to the club during the season. Jack not only helped the club to get a bottle recycling area, he also fronts up on Sunday mornings with a trailer and helps with the collection.

Thanks to all the members of the Committee whose efforts made things run smoothly during the year and also to Brian 'Zee' Johns, who, whilst unable to hold an official position within the Club, seemed to be doing a lot of 'unofficial' duties for most of the season.

Kevin McCormack's organisation of a fundraiser for Scott Gordon was nothing short of brilliant, and the way that all the club got behind him and Scott made me feel privileged to be a member of the best surf club in Australia.

Peter Sutton

Thanks Mobil Adelaide Refinery

SECRETARY'S REPORT (AND ANNUAL REVIEW OF CLUB ACTIVITIES)

Ladies, gentlemen and interested parties of the South Port SLSC, it gives me sincere pleasure in presenting this, the 35th annual report and financial statement.

As in previous years, you the members can be proud at what you have accomplished and I trust will continue to do so in season 1994/95.

The seasons activities and accomplishments in brief are as follows:

LIFESAVING

Season 1993/94 was an extremely busy year with many first aid cases; some very serious. Rescues were up on recent years, but still no lives lost.

South Port accredited itself very well through the on-going patrol efficiency testing and all members who participated should feel proud.

INSTRUCTION

As in previous seasons, 'Beeper' (John Nearmy) again provided the impetus for ongoing lifesavers to test themselves and new ones to find out how 'easy' it is to be a lifesaver.

Without John's tutelage our numbers for patrol would be ever decreasing and our skill levels easing. To those who help John and ultimately the public, thank you for your patience and I trust you will continue in this area of profound importance.

COMMITTEE

This year's group endeavoured to carry out those auspices handed down by last year's committee. The five year plan was instigated but is still in the embryonic stages and must be completed as a matter of urgency.

A proactive management style is now being shown by longer serving members, but this must be filtered down through those new to the committee and younger members.

This year a fundraising area was separately set up and that end must be considered at least partially successful. They definitely learned a lot and I firmly believe must be a front running group within our organisation.

FINANCES

The 'Wood Duck' in his own professional style kept us to the task at hand, providing succinct economic appraisals of our condition.

This 1993/94 season saw significant spending with a cash flow through the club of approximately \$130,000. I trust Mark will continue in this position as his invaluable expertise is well appreciated.

COMPETITION

Another good year of notable performances, but these no doubt will be covered by the competition report. However, I must single out Di Wallace-Ward for performances statewide, nationally and internationally as a competitor for South Port SLSC. The successes she achieved showed that it can be done by our members.

SOCIALLY

I am sure that those who attended our 35th anniversary dinner had a great evening (I know I did). It was excellent to see all the old faces and some new ones. To those who attended mid-year functions, thank you for your support. However, to attend these functions is not possible if they are not organised, so to the following people well done and thank you:

Emu and Jacky for cooking and cleaning; Craig and Kylie for organising and any duty they felt necessary; and Beau and Karen for undying devotion to the bar — even if Karen said initially, no, no, no.

I'm sure there are others and to them thank you also.

GENERAL

To my assistant 'Mork', thanks for the minutes and please continue. To 'Olly' well done on another valuable sponsor year. To our new President Peter Sutton, a job well done and didn't he let State Centre know we were here.

There is of course another special task to be done and that is to thank Jack Holder and the Noarlunga Council. Without Jack's help many a dollar or deal for South Port would not have been done.

Finally to you the members, thank you for being part of South Port and it's traditions.

See you in five months and let's do it all again.

Brian (Zee) Johns
David (DD) Donnelly

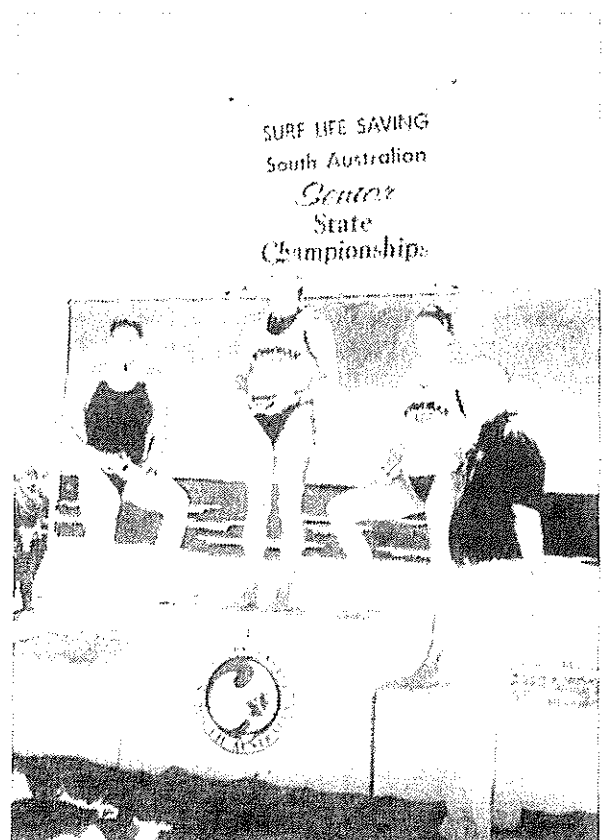

South Port has a history of champion junior iron men. Our first State Junior Iron Man Champion, in 1979, was Shane Wooden. Since that time Scott Wooden, Ian Hodgen, Darren Goldsworthy, Gavin Steel and Simon Martin have all graced the top of the podium in this event.

BUT DO YOU KNOW WHO WAS THE FIRST SOUTH PORT COMPETITOR TO WIN A MEDAL IN THIS EVENT?

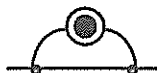

ANSWER: ZEE! Yes, Zee was an Iron Man once (before he went surfing), winning the bronze medal at the 1976 State Titles.

Thanks to Ralph's Pizza Bar

Super Mum — Di Wallace-Ward

CAPTAIN'S REPORT

Season 93/94 didn't really finish off as I expected it would, but nevertheless the South Port Surf Life Saving Club once again patrolled, competed and worked together as a surf club should.

The Club conducted two Senior, one Junior and a Masters Carnival, as well as the State Patrol Competition, and I thank everyone involved with these events. A lot of hard work went into the running of these carnivals; not only on the day, but during the weeks leading up to them.

Special thanks must go to Brian Steel, John Devitt, Dave Rawson and Seaford Rise for the use of their vehicles at these carnivals. Without you people, the club would find it difficult to run them.

Patrolling for season 93/94 was a good standard with some good results coming from the State Patrol Efficiency Competition. Travis must be commended for the work he has done with the patrols; no easy task given we rely on volunteers. Many thanks to all Patrol Captains and patrolling members for their efforts throughout the season — 'NO LIVES LOST' — that's what we are here for. Chris Burton must also be thanked for her work with the first aid room, first aid supplies and the seminars she ran throughout the season.

Our Chief Instructor (Beeper) once again had a busy season instructing instructors on all of the different awards, proficiency testing at the start of the season (John enjoyed that part of the year) and looking after carnival patrols while the rest of the club has the opportunity to compete at the local carnivals.

Competitor numbers are still low but nevertheless, I'm sure every competitor who put on the South Port cap competed to the best of their abilities. The March Past Team once again completed the season with wins in nearly all local carnivals and taking out gold at the State Titles. The Australian Titles saw them achieve a creditable 4th place, just missing out on a bronze medal by a countback. Well done fellas! The boaties worked very hard this year gaining placings in nearly every carnival and

achieving a bronze medal at the State Titles. There were also some very good individual performances throughout the season's competition. Notable here were:

Michael Hegarty — Finalist, Nutri-Grain U16 Ironman, and winner of seven medals at the State Titles; and

Di Wallace-Ward — Top Iron Woman in South Australia and Australian and World Masters Champion.

With young Michael Hegarty as Cadet Supervisor and Richard Olesinski assisting him, the cadets competed well all season. They also put in many patrol hours and provided water safety for the triathalons. Well done to all competitors!

Junior membership was once again quite promising with a lot of hard work done by Chris Mullins, the Junior Committee and age group leaders putting kids through their different awards and training them on weekends. To achieve a strong surf club which South Port has had over many years, there must be a good, hard working Junior Committee so I hope that keeps improving because "YOU", the parents and your children are the future of this Club.

Thanks to a lot of hard work, the bar and canteen have both been very successful this season. The improvement in bar profits has been especially noteworthy. Beau (Milky) Lyons did a great job setting up Friday night sippers which has proved to be both a financial and social success. The canteen has also been busy, especially with three carnivals being held at our beach this summer. The turnover it generates is quite high for such a small shop. Thanks for all your hard work Kath, Vi, Josie and all the other ladies who volunteered their services.

Congratulations Gary (Emu) Eastham on winning the 'Most Outstanding Member' award for season 93/94. I am sure every member would agree that 'Emu' is a deserved recipient of this award for the work he has put into cooking and supplying food for all Club functions. Well done Emu (and not forgetting your wife Jackie).

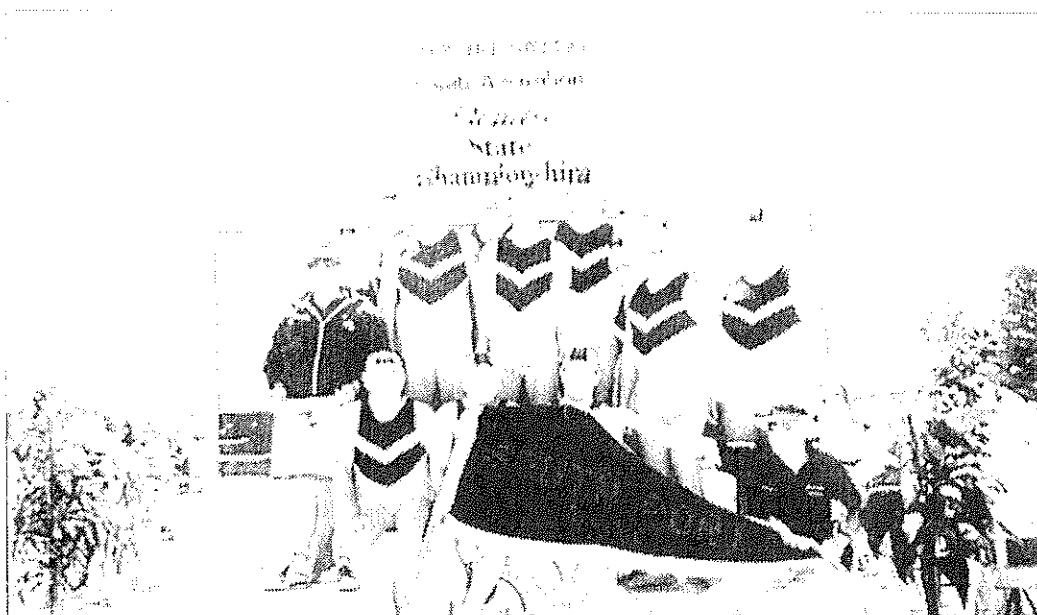

My selection for the Captain's Trophy goes to Craig Wilsmore. Craig, one of the younger members on the Club Committee, held the position of Radio Officer. He has also put a lot of time in behind the bar and cleaning up around the club, and is always willing to lend a helping hand if asked. Thanks for the time you have put in Craig, and hopefully you will stay on the Committee because it's people like yourself that make the club what it is now.

Well members, after eight seasons, I believe my time is up as Club Captain, and I would like to thank everybody that has assisted me through those years. I've made some great friends along the way and I've also learnt a great deal from my time spent on the Committee.

I wish my successor all the best. I'm sure you will find the task tough at times, but I can assure you that the challenge is worth it

David (Wally) Watt

(Top): Life Members at AGM
(Bottom): March Past State Champions

VICE-CAPTAIN'S REPORT

Looking back on this past season, I can see a lot of times that I required back-up, whether it was with carnivals, triathalons or water safety for state team training, and I'd just like to say thanks to all those people that did help. I'd especially like to thank the cadets for their continued help with the triathalons and water safety and I think they learnt about the non-competition side of the club and became quite an active part of it.

The statistics below will illustrate just how busy the year really was. Unfortunately the statistics, although impressive, do not truly reflect the amount of work done by our patrols due to the simple fact that not all incidents were logged.

In closing, I would like to once again thank all the club members who helped me and gave me support throughout the season.

I hope to see you all next year for another 'full-on' season.

Travis Nearmy

CHIEF INSTRUCTOR'S REPORT

Another season over and this is my seventh and final report. Once again, I would like to thank my many helpers and the Junior age group leaders.

Club proficiencies went well again this season thanks to Dean Colegate, Travis Nearmy, David Jolly, Craig Wilsmore, Andy Higgs, Chris and Ian Burton, David Watt and Chris Mullins, our Club Registrar, who had at his fingertips, all the information on members that I needed to complete the paperwork.

Thanks also to all the following people that helped with the instructing:

Chris Mullins, Liz and Dean Colegate, for the resuscitation certificate;
Ian Burton, Ann-Marie Battista and Kerry-Ann Brindley for the Bronze squads;
Katria Lehmann and Dean Colegate for the Advanced Resuscitation squads;
Kevin McCormack, Chris Mullins, Chris Hegarty and Dean Colegate for Surf Lifesaving Certificate groups;
Peta Bailey and Ian Burton for First Aid squads; and
Kerry-Ann Brindley and Craig Wilsmore for the Radio squads.

Thanks also to Katria Lehman, Mark Wilsmore, Dave Jolly, Mike Hegarty, David Watt, Travis Nearmy, Kerry-Ann Brindley,

Martin Chilman, Danusia Highet, David Pummeroy for water cover at exams; Ian Burton for his continuous assistance; and Heather Dyer from State Centre for cooperation with the allocation of exams.

Finally, I would like to thank all of the instructors and candidates that have attended examinations over the last ten years that I have been instructing for passing the exams, which has allowed me to achieve my goal of NO failures.

You may not recognise me next season, but I'm the one with the new hat and smile.

John Nearmy

The 1993/94 season will go down in Club history as the best ever for awards gained. Twenty successful Bronze Medallion candidates equalled the previous best set in 1980/81, but this season also saw 14 members gain their Surf Life Saving Certificate, which is 4 better than in 1980/81.

Thanks Chill

IRB CAPTAIN'S REPORT

The season started out somewhat hectic, with the sudden departure of the elected IRB captain. This meant that a lot of work was required to get the craft and motors up to patrol standard. However, with the help of Fitch the Rubberman, Adelaide Outboard, Metro Holden and Adelaide Cylinder Head Specialists, we were able to begin the season with operational IRBs.

In December 1993, with sponsorship from Achilles and help from Colin and Gavin Stagg, we were able to purchase a new boat. In addition, a new motor was purchased in January 1994. Together these two acquisitions brought our IRBs back to a standard in line with the guidelines set down by the committee.

All carnivals went well, with those problems that did arise being rectified quickly. Thanks to all members who helped man the boats for these events. Apart from regular patrolling and carnival commitments, the IRBs also assisted with water coverage for two triathlons held in the Southern area.

In conclusion, thanks to the drivers and crews who helped throughout the season. I wish you all a warm winter season and hope to see you all back again in 94/95.

David Jolly

CADET SUPERVISOR'S REPORT

Season 1993/94 saw another successful year for the cadets, with promising results right through the carnivals and at State Titles. Congratulations must go to all of the cadets for the way they competed and conducted themselves at carnivals.

It was also promising to see how many hours the cadets spent patrolling and fundraising. This shows not only their dedication to South Port, but also their dedication to the movement.

Many people must be thanked for their involvement with the cadets. I wish to thank the Committee for their on-going support, Caltex for supplying us with craft and gear and Travis Nearmy for his help throughout the year.

Mike Hegarty

FIRST AID REPORT

We had a full year with a record number of first aid cases — 106 according to the Casualty Reports (as distinct from the Patrol Log), which is one more than last season's figure.

During the season lectures on asthma, spinal injury and use of stiff neck collars by Shane Daw, and on casualty simulation by Debbie Lasscock, were conducted. We also had a resuscitation lecture on an adult and baby mannequin. I am sure all who attended gained something from them.

It was generally pleasing to see the First Aid Room and equipment left tidy after each patrol. However there is always room for improvement, and let's not forget to fill out the casualty report forms for all incidents.

In conclusion, I would like to thank John Nearmy, Club Captain Dave Watt, Vice-Captain Travis Nearmy, all the committee members, all patrols and South Port Club as a whole for their support and help throughout this season.

Keep up the good work and let's make this club continue to succeed and prosper through future seasons.

Chris Burton

DID YOU KNOW that EMU once won a bronze medal at the State Championships for the beach sprint. It was in 1977 and he was a cadet at the time ... and a lot slimmer!

BOAT CAPTAIN'S REPORT

This being my first season as boat captain posed a few problems. To begin with, the only thing I knew about surf boats was how to row them. When it came to repairs and maintenance, I was hopeless!

With a lot of help and patience from many people, we managed to get the 'Geoff Price' seaworthy again. Once this mammoth task was completed, the A's, after last season's success, decided they were too good for old Geoff and that they wanted a *new* boat.

So off I went to maybe my second committee meeting with a request. Well, more of an ultimatum: new boat, or else! The committee readily agreed and it was done. Now that we had a new boat, Bob Mayo made his presence felt at training in a big way. We called ourselves super athletes. Bob was the super coach from hell, with Dollar his right hand man.

Bob was instrumental in getting us the new boat and working with Don Alexander to gain sponsorship from Makita. It was pretty apt then that the boat should be named after him, so congratulations and many, many thanks to Bob Mayo.

This year has seen a women's crew almost up and flying. The girls had a few training sessions under the sweeping skills of Travis (Scaff) Nearmy. They failed to compete this season but are preparing for next season eagerly. We fielded three crews this year — A's, B's and Veterans. All crews rowed consistently throughout the season and there were some outstanding efforts, but when all's said and done, everyone in every crew rowed well and did the club proud. The Aldinga carnival proved to be a real bonus in the boat area. Not only did two crews win their events in very trying conditions, but the A's finished a mammoth 15 seconds in front of the second crew after nearly running head-on into Glenelg (still on their way out) to be greeted by a representative from Southern Plasterboard Supplies to be told: "The cheque for your new trailer is on the way. What else would you like?"

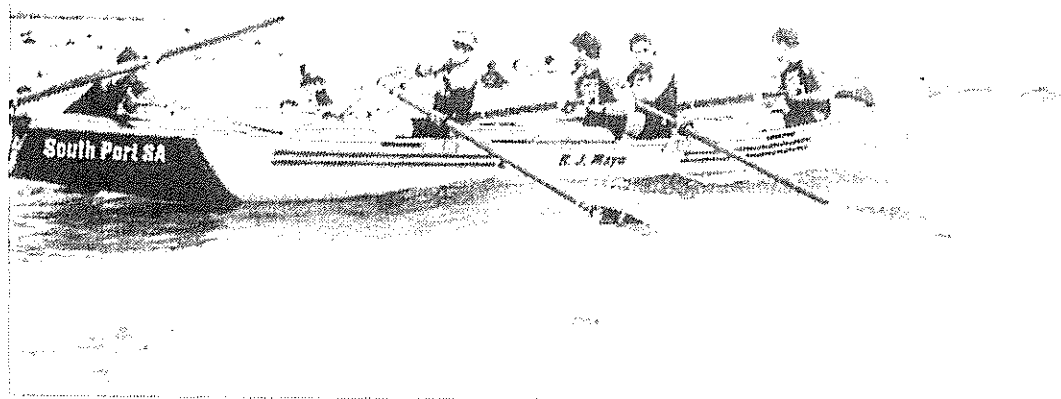

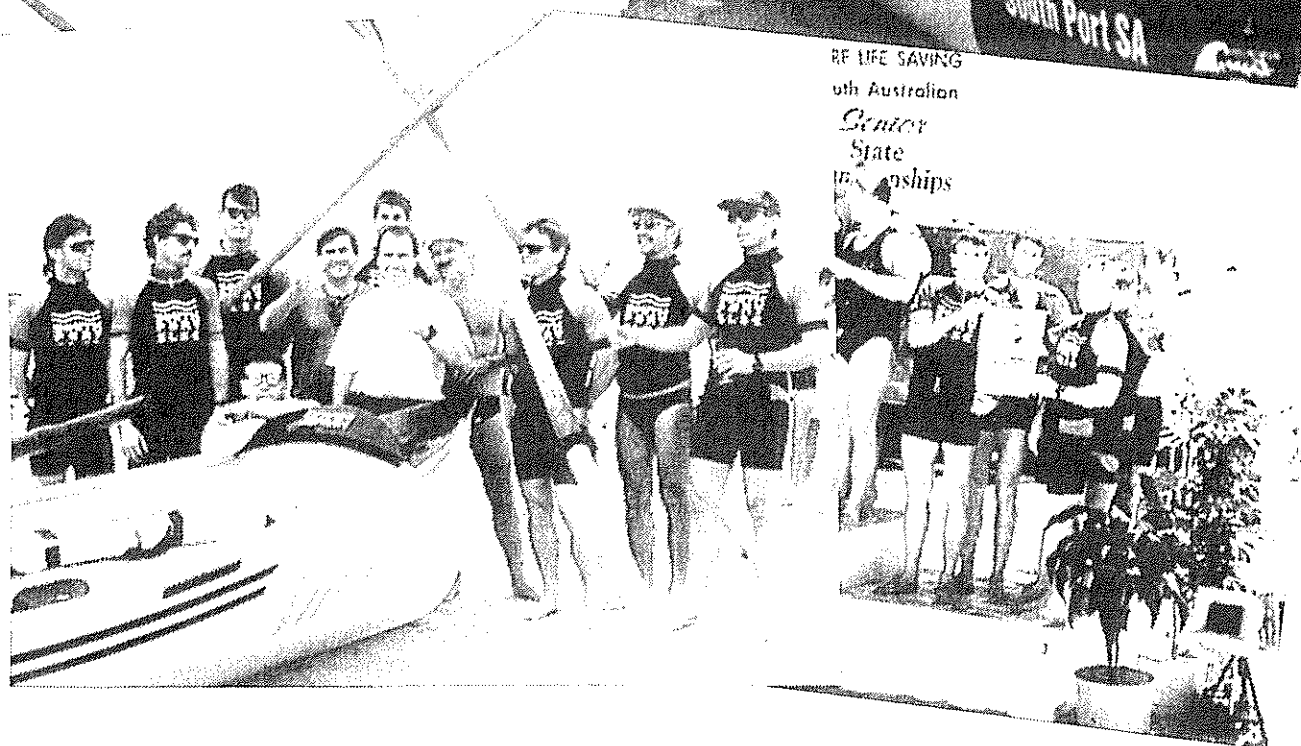

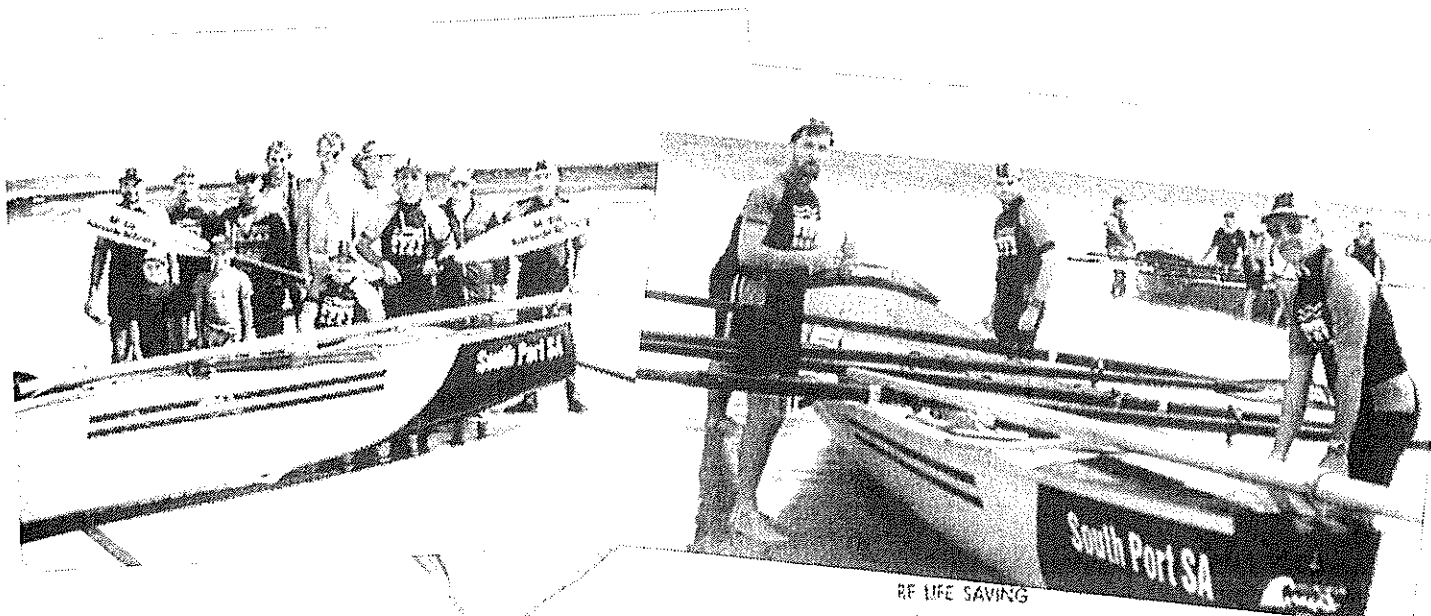

State titles were soon upon us and everyone was down early, except the B's. Arriving with just minutes until their first race, the B crew rowed well, missing out on the final but still deserving of praise. The Veterans rowed exceptionally well all day to be placed 4th in the final and the A's, for the first time since 1971, brought home a medal. The colour of the medal didn't indicate the race we rowed but that's surf boats. Third is still a great achievement.

The A's then continued training for the Aussies at Swansea-Belmont, NSW. Upon arrival, the weather was sh... and the beach resembled Pt Elliot. No worries! Thursday morning training was good. The last wave saw the boat roll over — minor damage — a learning experience. Saturday was upon us. One hundred and forty-eight 'A' crews from around Australia. We made it through to the third round; that is, the final 48 crews. On the way in we were 4th, three go through. Along came this little wave so we took it, and dropped in late onto an almost dry sandbar. The result was a 24 foot boat standing on its nose. We fell; so did the boat. Wal and Dollar met up with the boat in the water, sustaining injuries. Thanks go to the Collaroy boat crew for help with Wal and the SA State Centre for looking after him.

To sum up, I'd like to say thanks to a few of the many, many people who helped out or just made this season a great one in the boat area. David (Snake) Ferret and Chris (Dollar) Foord, for their help in maintaining the two boats; Bob Mayo for training programs and lots, lots more behind the scenes work; the Club's management Committee for backing my decisions and requests; and finally the 'A' crew for making this one of my most memorable seasons of my 15 at the club.

Mark (Lurch) Wilsmore

DID YOU KNOW that South Port boat crews have twice won the Open Boat at the State Championships? In 1966 and 1968.

JUNIOR COMMITTEE REPORT

This summer seems to have come and gone very quickly. In contrast to last season, the Junior Division were blessed with perfect weather for all the Junior Carnivals and most Saturday training days.

Even though the Junior Division is now in a rebuilding phase, South Port Juniors again acquitted themselves extremely well this season, competing well at all the Junior Carnivals. We finished fourth overall at the Junior State Championships, won the Mid-Coast Clubs Junior Carnival for the fifth year in succession and won the overall point score and a new competition board at the inaugural Mid-Coast Nipperthon.

South Port had four 12 year olds selected to attend this year's National Junior Development Camp in Sydney: Kathleen Hegarty, Frances Byrne, Brad Chilman and Scott Gordon. Unfortunately, Scott's accident prevented him from attending the camp. It is great to see that Scott's recovery has progressed so well and has enabled him to go home from hospital much sooner than expected. Good on you Scotty!!! South Port also had seven members attend the second Junior State Development Camp held at Immanuel College in December.

As well as winning a new Junior Competition board at the Nipperthon, we have purchased a further four new competition boards which will enable the Club to build up a stock of good competition only boards. We also purchased ten foamy nipper boards for the use of the younger age groups to enable them to learn board paddling skills and gain confidence in the surf before progressing to the competition boards.

This season we put 55 children through their National Junior Awards (thanks to Dean and Liz Colegate for organising the program and all the age group leaders for their assistance), and 12 children through their Resuscitation Certificates (thanks again to Dean and Liz Colegate for giving up their time to instruct this group). In addition, 14 members completed their Surf Lifesaving Certificates and patrolled for the first time (thanks to Kevin McCormack and Dean Colegate for instructing the squad and

to John Nearmy for examining both the Resuscitation and Surf Life Saving Certificate squads).

NATIONAL JUNIOR AWARDS

7 Year Olds	=	6
8 Year Olds	=	10
9 Year Olds	=	11
10 Year Olds	=	10
11 Year Olds	=	8
12 Year Olds	=	10

RESUSCITATION CERTIFICATES = 12
SURF LIFESAVING CERTIFS = 14

Finally, in closing, I would like to extend my sincere thanks to everyone who has helped during the season, and especially: the age group leaders, assistants and coaches, both on the beach and at the pool (special mention for George Hann, Craig Wilsmore, Kylie Hunter and David Pummeroy); the weekly patrols for their supply of water cover and assistance on training days; Ian Burton (Junior Gear Steward) who gave up many winter Saturdays to repair competition boards; Martin Chilman for conducting Thursday evening junior board training sessions; and Pam Scott and Helen Kruger for all their assistance during the season.

Remember, as I mentioned last year, the success of junior sport depends greatly on parental support and involvement, so perhaps it is now time to stand up and be counted as a constructive contributor and participant instead of a spectator and critic. Once again, thank you to everyone involved throughout the season.

Christopher Mullins
Junior Chairman

The first season for the South Port "Nippers" was 1968/69, but it wasn't until the next season that a South Port Nipper won a State Title — Graeme Drew in the 10 year old beach flags.

JUNIOR CLUB CHAMPS DAY RESULTS

CLUB CHAMP OF THE YEAR	RACHEL MARTIN

PUBLICITY/PROMOTIONS OFFICER'S REPORT

The club's great successes this season in both patrols and competition again provided opportunities to be promoted through the media. John Morrison must again be thanked for his support in arranging publication of articles in the local Messenger Newspaper. Furthermore, this season, for the first time, the Schweppes Mid-Coast Surf column provided clubs in the region with a fortnightly opportunity to publish what was going on in the world of surf life saving. Thanks to Chris Harris and Simon Boots from Schweppes for continued support.

The club also took another approach to the recruitment of new members, placing ads in the 'Southern Times' and 'Southern Market Place'. This met with reasonable success and also provided further exposure of our major sponsors.

The club's "South Port Snippets" newsletter again provided members with up to date information of what is going on around the club. Members are encouraged to use this medium as an effective way of promoting the whole range of activities needed to continue successful operation as a surf club.

Major support was again achieved at all levels of government through Noarlunga Council and through Surf Life Saving SA's coordination of State and Federal government assistance.

Our major club sponsor was again the SA Brewing Company. Sincere appreciation to Graeme Sargent for arranging a very healthy sponsorship package. Our contract expires at the end of this year and we look forward to continuing the high level exposure of that support.

Other major support was gained through Mobil Adelaide Refinery, the Seaford Rise Joint Venture, Buttercup Bakeries, Colonades Regional Shopping Centre, SPS Building Supplies and last, but not least, Makita. The funds provided by these sponsors assisted in the purchase of much

needed equipment for the club. We sincerely thank all these companies for their support.

The club's Vice-Presidents again provided much needed support and the club is also sincerely indebted for that assistance. (A list is included later in this report.)

For the first time this season members were afforded the opportunity to be involved in the Kelloggs Nutri Grain Challenge and we thank the National Council for arranging that competition.

Thanks also to Surf Life Saving SA for support arranged through Foundation SA, Coke, Triple M, Ampol and State Bank.

Finally, thanks to members for choosing me to represent and promote this great club in this position on the management committee.

Richard "Olly" Olesinski

RADIO OFFICER'S REPORT

I was very impressed with the high standard exhibited by our members during the proficiency exams this season. We have also had some very good reports from State level about our radio work. Well done radio operators! And to everyone in the Club, keep up the good work!

Craig Wilsmore

The record medal haul at a State Championship by any South Port competitor is 9. This feat was achieved by Andrew Peacock in 1985. Not far behind are Shane Wooden, Andrew Peacock (again), and Darren Goldsworthy, who won 8 medals in 1979, 1983 and 1984, respectively.

CLUB HOUSE DIRECTOR'S REPORT

Another season has gone by and it has been a hectic year, especially with the number of carnivals held at South Port. Keeping the club house in tip top shape continues to be a never ending battle, but has been made a lot easier by the continued help from a willing bunch. In particular, Paula Byrne and Theresa (the 'Dragon'), along with a few others, have managed to present the club sparkling for all functions. Thanks also to 'Chill' and 'Hooray' for your work on the new board racks, to Dave Rawson for his fitting of replacement hot water cylinders at no cost, and to 'DD' and 'Wal' for helping with the rubbish runs in the off-season.

A cautionary note. As much of the fittings and equipment in the Club are starting to reach their 'use-by date', greater effort and care needs to be exercised by all members when using the premises and equipment.

This winter a number of new projects are on the drawing board, including paving, and kitchen and bar renovations. We need a lot of volunteers to help!

Finally, thank you to all members who have helped me during the year. I know everyone calls me 'Grumpy Bum' when I tell them to pick up rubbish and put boards away, but it's only for the good of the club.

David Randall

A driving force behind much of the competitive success of South Port has been the Junior (formerly Nipper) Division, which has consistently supplied the senior club with future champions. Only one current active member, however, can actually say he was a Nipper in South Port's first season. That member is Malcom 'Rambo' Rudd, who was 5 years old when he started. (Needless to say, Kath was around back then too.)

GEAR STEWARD'S REPORT

Here we are at the end of another season, and looking back it is pleasing to note that the patrol gear was generally treated with respect. Perhaps the members recognise that the most important equipment in the club is the patrol equipment — without it, a surf life saving club could not function.

This season a bit more juggling of rack space in the gear shed was required in order to accommodate acquisitions of new equipment. Hopefully, the new shed, when erected, will ease some of the pressure on the club's valuable storage space.

Many thanks to Graham Hanton for keeping the tractor rolling, without which we would be in big trouble.

I would also like to mention the juniors. It's not easy to learn how the sea works and to use it to your own advantage, but the kids at South Port learn fast — great job kids. Thanks also to the guys and girls who helped me at board training. A special mention of Scotty Gordon, who was an up and coming young star — all the very best for the future, Scotty.

Finally, many thanks to all who have helped make this season enjoyable.

Martin Chilman (Chill)

QUIZ: Who was the first South Port competitor to win the Open Single Ski State Championship?

If you thought it was a Wooden you would have been wrong. In 1968 Barry Hancock ('Hank'), then unbeatable in this State in skis, came to South Port for one season and duly won one of his 13 titles. 'Hank' was also the first of three South Australians to win a medal of any colour in the Australian Single Ski Championship. The other two were Greg Juniper (Christies Beach) and our own Wood Duck; the only one of the three to actually win the title.

FUNDRAISING REPORT

The fund raising efforts of the club this season have been channelled into more productive areas than in the past. The emphasis has been to maximise effort while minimising the expense on the club members. To this end, several new fundraising schemes were undertaken and I will briefly outline them for your consideration.

MOVIE NIGHT — This night required member generated funds but was an outstanding success, being a sell-out crowd to Jurassic Park. A repeat is a must.

PHONE BOOKS — Delivery of white and yellow pages. Requires member involvement without a lot of expense and generated excellent returns for man hour involvement. A must to continue.

CHOCOLATES — The sale of chocolates by club members. The timing of this fundraiser would need to be addressed as there seemed to be a lot of chocolates being sold by other groups at the time. Worth continuing with the above proviso.

100 CLUB — This was an excellent fundraiser and possibly could be extended to a 200 Club. Members participation was on request but the prizes made it easy to sell. A must to continue.

BOTTLE DRIVE — A monthly bottle drive was originally rejected, but upon request from the Council to take up a local area it was decided to run with the project. Returns of over \$2,000.00 per annum are normal for little man hour involvement. We are committed to continue with this and must work at making it a success.

MAJOR RAFFLE — Due to the late clarification of prizes and requirements, the Makita Power Tool raffle has been extended into next season. Ticket sales would appear to be slow, probably because of the off-season activity.

In general, the fundraising efforts last season were adequate but could be improved with more seasonal involvement. The income from fundraising is listed in the annual treasurer's report.

Chairman, Fundraising Committee

Club stalwarts try out Beau's Beer Garden

COMPETITION OFFICER'S REPORT

The season in review has seen a reduced but equally committed team of competitors flying the competitive flag for South Port. Due to the transfers of Simon Martin, Mark Sheppard and Jeff Hegarty, our competitive strength was somewhat lower than the previous season, but the obvious strength of our Under 16 and Under 18 competitors augers well for the future.

The expenditure on the new surf boat seems to have been justified by some excellent results in the boat area. For this piece of expensive equipment to be fully utilised, however, there is a need to encourage serious competition in the Reserve, Under 21 and Under 18 areas.

The March Past team, after a rather indifferent start, eventually settled down to its normal formidable style. New recruits, John Treacey and Stuart Orr, acquitted themselves well, both marching at the State and Australian championships. Thanks also to those members who did a "Melba" after announcing their respective retirements.

The Nutri-Grain series saw the March Past team competing at Torquay and Bondi. The seasons results: 1st in the State, 2nd in the overall point score at the Nutri Grain, 3rd in the final of the Nutri Grain and 4th in the Australian Titles.

As mentioned earlier, the Under 18 and Under 16 sections were the strong point of the Club and every endeavour should be made to ensure that these competitors are encouraged in every possible way.

South Port was also well represented in the women's events. Di Wallace-Ward had an outstanding season for the club, winning 4 gold medals at the World Masters, 2 gold medals at the Australian Masters and 2 gold medals at the State Titles, resulting in her being selected as Most Outstanding Competitor for this season. With the likes of Tash Couzner and Aisha Olesinski in the wings, and the possibility of a female boat crew, the women's strength at South Port seems equally assured for the future.

Without wishing to place too much emphasis on the point, there are those in the

club who think that competition is an unnecessary involvement and expense on the club. If competition was not an essential part of life saving, National Council would not bother to conduct carnivals and encourage our sport. Further, spin-off publicity and promotion would not occur. Competition is part of the Surf Life Saving scene and as such, deserves the support of all members whether they are competitively minded or not.

David Donnelly

COMPETITION HIGHLIGHTS — SEASON 93/94

- Arrival of the club's new fibreglass surf boat — the "R J Mayo".
- Di Wallace-Ward becomes South Port's first ever World Champion, winning 4 gold medals at the World Masters Surf Life Saving Championships in New Zealand.
- Dan Aulert and the Boat Crew selected in the State Team Squad.
- At the Aldinga Carnival in January, South Port wins its first Open Boat Race since 1976.
- The March Past team, the Boat Crew and Michael Hegarty (in U16 Iron Man) all qualify for the Nutri-Grain Challenge Series Final at Bondi, with the March Past team eventually finishing 2nd in the series.
- Club takes 19 medals (9 gold, 4 silver, 6 bronze) at the State Championships, with Mike Hegarty the best performed individual, taking home 7 medals (4 of them gold).
- Di Wallace-Ward wins two gold medals at the Australian Masters Surf Life Saving Championships.
- The March Past team loses out on the bronze medal at the Australian Championships in a countback.

1994 STATE CHAMPIONSHIPS, MOANA

GOLD MEDALS (9)

March Past Team
 State Bank Iron Woman – Di Wallace-Ward
 Women's Board – Di Wallace-Ward
 Under 18 Mens Single Ski – Daniel Aulert
 Under 18 Double Ski – Daniel Aulert &

SHIVERING SHAGS REPORT

It's 9.58 am on an icy Sunday in June and those most famous of clubbies — the Shivering Shags — have assembled on the slab and are pensively awaiting the 10 am start.

Away they go! A cacophony of sounds and goose pimpled flesh rumbling across the sand. And so begins another season of mayhem and mirth, and what a tumultuous season it was. Kath and Vi were back as hospitality shags, Schmidt and Lurch phantomed the season, DD, Wal and Zee never missed a day. Sister Yeti and her floatation aids nearly made it, and the other brothers came and went. But yes they all made it to the second coming.

The Shags were back at Semaskin, and what a night — first the harrowing bus journey and the loss of Olly on the way (well we didn't find him at the pick up point). Then the arrival and food — copious quantities and the decision that a bain-marie was what we needed. The falling off of the second storey balcony by a semaskin brother who shall remain nameless and the party continued well into the night, but enough of the end of year do.

Season's highlights (extracts from the Shag Book, uncut and unedited)

"DD was unsteady in the shower and failed to toss correctly."

"Schmidt said nya, nya, nya, nya, nya."

"Olly played with the Bunchers."

"The wind was blowing, waves were rising and a magic chill was in the air."

"Emu shafted Sister Yeti and given a round of applause."

"I can't be ***** writing any more and the meeting's turned into a farce."

So as you can see the Shags were back, true to form and lusting after life.

So don't be shy, come and join the brothers and sisters, beginning second Sunday in June. Have a gargle and support your club through winter.

See you there.

Zee (Scribe Shag)

Shags Presentation

ANNUAL FINANCIAL STATEMENTS AND TREASURER'S REPORT

TREASURER'S STATEMENT

It gives me great pleasure to present, on behalf of the Committee, the 35th Annual Financial Statement.

It is the opinion of the Committee that:

- (a) the attached accounts present fairly the results of the operations of South Port Surf Life Saving Inc. for the financial year ended 30 April and the state of affairs of South Port Surf Life Saving Inc. as at the end of the financial year; and
- (b) there are reasonable grounds to believe that South Port Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

Signed at Adelaide this 17th day of May 1994.

Mark Wooden
Hon. Treasurer

SUMMARY OF FINANCIAL SITUATION AND MATTERS

If the accounts are anything to go by, then 1993/94 has been an extremely active year, with more than \$130,000 going through the books during the year. Unfortunately, while the Statement of Income and Expenditure indicates the Club recorded a financial surplus for the year of almost \$9,000, once expenditure on non-current assets is allowed for, the Club actually spent more than it raised.

The new surf boat (\$12,600), a second set of carbon fibre oars (\$2,300), a new surf boat trailer (\$2,300), a new IRB (\$7,400) two IRB motors (\$2,593), 4 Nipper boards (\$1,560) and the shed to be erected on the Canoe Club site at Wearing Street (\$8,450) were the major items of expenditure that entered the accounts during 1993/94.

Other expenditures were generally as expected, though it was pleasing to see marked reductions in both our telephone and electricity bills. Repairs and maintenance were up, but this probably reflects some neglect in previous years. Printing and postage were also higher in 1993/94, reflecting greater use of the Snippets this season.

On the income side, the Club was fortunate to attract a number of major sponsorship deals this year (as discussed elsewhere in this Report). In total, these sponsorships delivered the club in excess of \$17,000, without which the Club could not have acquired the equipment it did this year. Olly, along with DD and Peter Sutton, should be mentioned for their efforts in securing these deals.

The other income highlight of the year has been the bar, which under the management of Beau Lyons, increased its profitability by 52 per cent. Well done Beau.

The Canteen also had a good year, with profits also up by a good margin (though the poor result in the previous season was partly due to stock loss.) Again, well done Kath (and your small band of helpers).

There were also a number of notable fundraising efforts. Chief and most successful among these were the Jurassic Park movie night, the 100 Club Lottery and the delivery of telephone books (included under Labour Services in the accounts). Nevertheless, given the amount of funds it requires to operate a Surf Club, the Fundraising Committee will need to consider increasing fundraising efforts next year, especially during the latter part of the season, when fundraising energies appear to be easily diverted.

Finally, I would like to thank Simon Linden for his invaluable advice and assistance in the preparation of the financial statements.

Mark Wooden

4.38	Other Sundry Expenses	<u>2734.75</u>
\$48538.31	TOTAL EXPENSES	\$66050.20
(1803.32)	NET SURPLUS / (DEFICIT)	\$8940.93

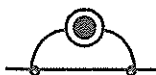

- Notes:
- This is not a Profit figure, but simply income from clothing less clothing purchases.
 - Included under Touring Teams (expenses).
 - Included under Other Sundry Expenses.
 - Provisions for depreciation are higher than in previous years due to a departure from the conventional depreciation schedules in order to bring the depreciated value of surf boat, IRB and gym equipment more in line with their realisable values. This process will be extended to the remaining assets held by the club in next year's financial statements.
 - Included under Patrols - Recurrent Expenditure
 - Included under Repairs & Maintenance - Clubhouse & Misc.
 - The income received from members for telephone calls were not separately accounted for in 1992/93, hence offering part of the explanation for the large decline in Telephone expenses.
 - Touring team expenses are offset by income from Competition Prizemoney and Cans. The total includes \$1000 paid as deposit for accommodation for the 1995 Australian Championships.

AUDITOR'S REPORT TO THE MEMBERS OF SOUTH PORT SURF LIFE SAVING CLUB INC.

Scope

We have audited the accounts of South Port Surf Life Saving Club Inc. for the year ended 30 April 1994 being the Trading Statements, Balance Sheet and the Statement of Income and Expenditure. The Committee are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

Our audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the accounts. These procedures have been undertaken to form an opinion as to whether, in all material respects, the accounts are presented fairly so as to present a view of South Port Surf Life Saving Club Inc. which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

Given the nature of the operations of South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts so recorded in the books of account of the Club.

Audit Opinion

In our opinion, subject to the above qualification, the financial accounts present fairly the financial position of South Port Surf Life Saving Club Inc. as at 30 April 1994 and the results of its operations for the year ended.

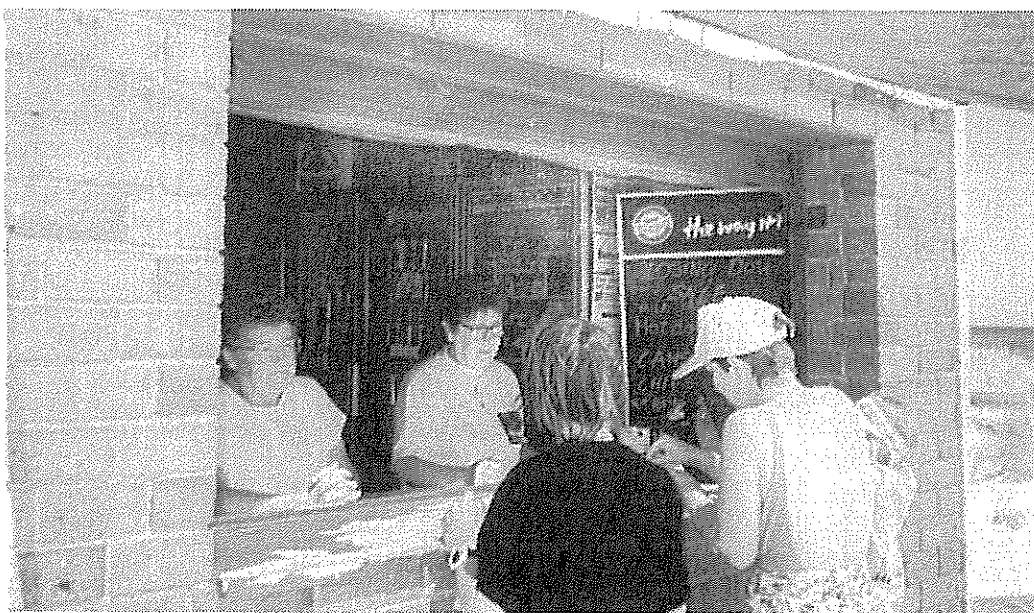

Signed at Adelaide this 23rd day of May 1994.

THOSE NICKNAMES

Baywatch (Travis Nearmy) — If you don't know why Travis is called "Baywatch" then you haven't seen the photo! *[Formerly known as "Scaff" on account of his ability to pick out the judges scaffolding from 400 yards out to sea and proceed to have his crew mow it down — but that was when Baywatch was a boatie.]*

Beeper (John Nearmy) — If you want to get 'Beeper's' attention, then just page him.

Biffo (George Hann) — After those bifocals. Strange thing is, Biffo has only been wearing bifocals for about 10 years or so, but he has been Biffo since before South Port even existed.

Budgie (Michael Goldfinch) — Come on, you can do it. What is like a goldfinch? A budgie of course. Quite pathetic really. *[Sometimes known as "Buster Budge" as a result of his antics in the bow.]*

Chucky (Dave Randall) — What else if you are an ex-Telecom employee? *[Apparently Chucky would prefer to be called 'Grumpy Bum'. Okay, if the hat fits!]*

Cockle (Richard Byrne) — One of the many 'cockles' from the Pt. Noarlunga Football Club.

Damien (???) — Temporary assignation for anyone who rows bow when the crew turns the boat around inside the shore break. And why Damien? Because he was a legend *[even if it was only for 15 minutes]*.

Dill (David Stewart) — Most people get Alzheimer's disease some time after passing 60 or 70. Not Dill! His former clubmates at Christies Beach reckon he had it by the age of 13!

Dollar (Chris Foord) — According to Chris, his mates a long time ago used to refer to him as "Fordy", and schooners then were 20 cents. He regularly bought a round of three drinks using a two dollar note, leaving change on the bar of 'a dollar ford'. *[Now for those of you who think this a rather convoluted story, here is an*

alternative explanation — he got the name 'Dollar' because he was such a miserly, penny-pinching bastard!]

Double D (David Donnelly) — Not hard to work out once you know his full name.

Dragon (Female club members!) — So named because of their 'fire-breathing' skills. Applicable to virtually any wife or girl friend of a male clubbie. *[For some reason single females aren't referred to as Dragons. I wonder why ...]*

Emu (Gary Eastham) — This one goes back to 1979 and the long drive back from Perth after the Aussie Champs. Gary was at the wheel when, much to his surprise, a flock of Emus galloped up and accompanied the vehicle for a while. He has been Emu ever since.

Hairy (Peter Keelan) — Check out his back.

Hector (Bob Pummeroy) — That's what the H stands for in R.H. Pummeroy.

Hooray (Ray Martin) — Yes, this is what Ray finally said when he won the Over 40s Club Championship, but no, that's not where "Hooray" comes from. *[Oh come on, I don't really have to spell it out for you do I?]*

Louie (Brad Foord) — On account he is always hanging around ... like that fly in the ad *(before John Laws got in the act)*.

Lurch (Mark Wilsmore) — One glance at Lurch and the reason for this nickname is obvious.

Milky (Beau Lyons) — For those of you who don't know, Beau actually had his named changed by deed poll — his parents named him Milton! Now what's this got to do with 'Milky' I hear you asking. Well it seems the Shags, in their perpetually inebriated state, kept getting it wrong, and somehow 'Milky' came out!

Mole (George Gardner) — In testimonial to his nocturnal activities *[but then he is no different during the daylight hours either,*

but at least it's better than his former name — Dero!]

Mork (Paul O'Donohue) — Once upon a time Mork was a boatie [*hard to believe I know*] and the crew was discussing training times. Someone suggested Tuesday nights, but this couldn't be accommodated because Paul had to watch 'Mork and Mindy'! The name stuck [*and it would have been politically incorrect to call him 'Minda'*].

Mother (Bob Mayo) — Just ask any of his children in the Marchpast Team.

Olly (Richard Olesinski) — So boring, this one almost didn't make the list.

Poo (Eric Sutherland) — Because he smells! [*But then, he was a boatie.*]

Pres (Geoff Price) — He was The Pres for so long, no one dares take it away from him. [*But does anyone know why he used to be called Dibba?*]

Rambo (Malcom Rudd) — Because of the resemblance! [*You know, like you call the fat bastard "Slim".*]

Sandbars (Nigel Sheldon) — A major obstacle for this trainee sweep.

Scratch (Craig Austin) — Because of Craig's ability to scratch himself in all sorts of places while rowing [*and he doesn't even miss a stroke.*]

Snake (David Ferrett) — This publication has a family audience, so we'll leave this one to your imagination!

Swallow (Terry Smallwood) — Watch this man devour a steak or three and you will know why he is called "Swallow".

Tory (Craig Wilsmore) — Seems if Craig had been born a girl his mum would've named him Victoria (Tory for short), and we reckon he looks like a girl!

Two Bob (Robbie Pummeroy) — Well it's better than Junior. Also known as "Fletcher" (as in Mr Fletcher Christian) on account of his desire to see the surf boat turn back once it got too far out to sea.

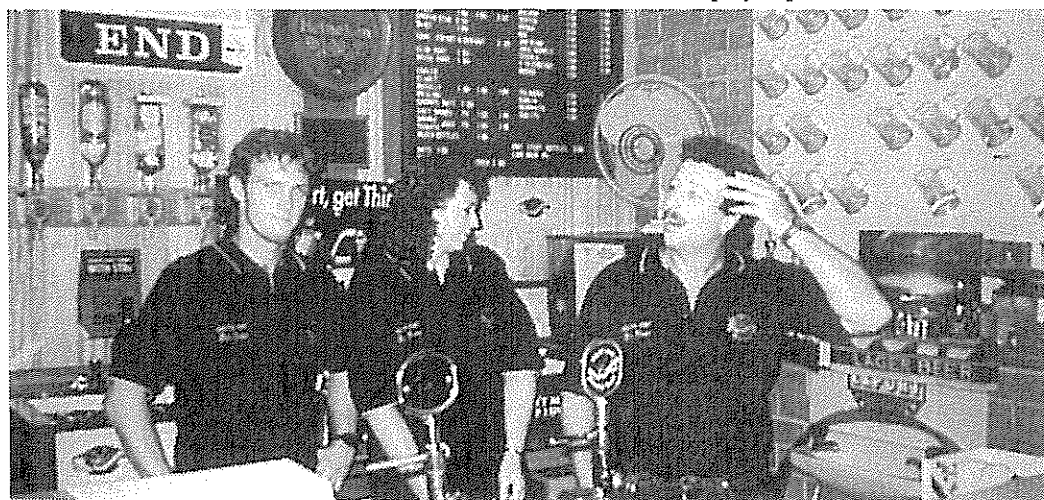

Wal or Wally (David Watt) — Another straightforward derivation from the surname (*but he was a bit of a 'wally' to break his leg at the Aussie Champs.*)

Wimp (David Pummeroy) — Goes back to David's ski paddling days and his intense dislike to having to exert himself.

Wood Duck (Mark Wooden) — Derived from the surname: Wooden — Wood Hen — Wood Duck!

Zach (Wesley Smith) — From Zachary Smith from 'Lost in Space'. [*Now all you mums and dads will have to explain to the kiddies what Lost in Space is!*]

Zee (Brian Johns) — From Johnzee! [*Occasionally known as "Garfish" in tribute to his distinctive physique.*]
