## PRESIDENT'S REPORT

*John 'Devo' Devitt*

Another season has drawn to a close, and I'm happy to report "No lives lost" at South Port while we patrolled the beach. This season the SLSSA made a conscious decision to start patrols to tie in with the commencement of the junior activities on the beach for all Clubs. This was to allow for a concerted effort through the media for all Clubs in SA to have their season opening on the same day. Unfortunately it doesn't always fit in with the weather, that's something we cannot control.

The time for writing these reports comes around all too quickly these days, here we are on the verge of a new season, and the last one hardly seems to have finished. I'm very pleased that the extension is completed, thanks to the tireless efforts of Don Alexander. Don's time spent over at the Club during the works can't be overstated. In regard to the extension I would like to thank Facility Management Group (FMG) for the additional funds required to complete the job, this government funding is a godsend to clubs in the rebuild stage and all clubs are thankful of the funds provided by Safecom.

This funding is stage one of our rebuild; stage two is in the redevelopment of the Wearing street precinct. This has been on the Onkaparinga Councils planning table for some time now and is starting with the revamp of Saubier House that you can now see. I've seen the concept plans for the area and they look fantastic. It will be great to be part of the area. We have been allocated a 300sqm building comprising two stories that involves us storing all of our IRB equipment there for the State Emergency Services component of our funding. This will free up space at the Club as well. The building will incorporate our gym and include shower and toilet facilities. It will be in the approximate location our current shed is. Part of this building could also be used by SLSSA as a meeting/training area to lessen our costs overall as well.

There have been changes to the Junior Committee to try and streamline the operation. There is so much information now coming into play that it is difficult to try and disseminate before the next lot arrives. The crossover between junior and senior now is not so wide and we need to stay on top of things that apply to both levels of the Club. This is also something we need to consider for the senior committee, it is a work in progress, and if it doesn't work we can always change it back to the way it was, so I ask that we give it a try and see how it pans out.

This season a rewrite of the constitution was deemed necessary and Don Alexander and Michelle Copley have completed that, it is now in plain English no double speak legalese, even I can understand it. There is one change that you will have voted on at the AGM to bring us into line with the Australian Tax Office's request to get our Deductible Gift Recipient (DGR) registration approved. This means is that we will be able to state that we are DGR charitable organisation on our invoices and receipts.

As usual there are a great many people to thank for their efforts through the season and I'm not going to attempt to name you all, because there is a real danger of missing someone out and that's not a good thing. I would like to thank all the members of both committees for their commitment throughout the year. It's a big job regardless of what role you have taken on, but there are a few who deserve mention; The bar takings and trade started out poorly during the winter, because of the renovations but as the season got under way with the influx of new members this soon turned around and finished well up on last season. This is an essential part of the financial existence of the Club and thanks go to David (Wal) Watt for his work there. The canteen is also a great source of income for the Club thanks to the efforts of Vonnie Olesinski. These two cash streams coupled with grants and various sponsorships are the reason we can exist as a Surf Life Saving Club and supply the equipment to members to be able to patrol and compete. Our thanks must go to Penny McKenzie for the effort put in writing grant applications for the season it is very much

appreciated. Dick Olesinski for the cash draws that he runs through out the year raise funds with the chance of cash prizes, and its always interesting to see what he comes up with next.

Finally our PR/Functions organiser in Laura Greer has done a very good job again this year and we've all enjoyed the different entertainment that Laura has provided throughout the season. Laura is always trying something different to make the Club more entertaining.

This season it was decided to withdraw from the Beach Road Market bbq's mainly due to the fact of no return on our work there, weather plays such a big part and the time of the year we have its just not profitable compared to the Bunnings BBQ that again this year proved to be a great success. Thanks to those that provided assistance and special thanks to Mel Broad and Graham Joyce for the effort they put in to make this happen. The Bunning's BBQ return is much better than the 4 combined Beach Road Markets for less people, time and effort.

Also a huge congratulations to Tiffany Copley on winning a Bronze Medal in U17 Champion Lifesaver at Australian Titles this year - fantastic effort!

To all of our sponsors a big thankyou your donations are very much needed and appreciated. Also thank you to Fred and Vicki Blatchford once again for their very kind donation of again \$1,000.

Thanks to all of our members for the part you play in the success of our Club.

John Devitt

## TREASURER'S REPORT

### *Don 'Bristles' Alexander*

The summarised report on income, expenditure and trading for the season 2014-15 have been taken from the 2015 Audit conducted by Edward Jeynes, which is included as Appendix "A".

Current Assets the end of the financial year totalled \$110,555.89, including \$91,870 cash, Non-Current Assets totalled \$322,540 and Total Assets \$433,096, with no Liabilities. Total Members Funds are \$433,096.

Our profit from trading continues improve with all three areas recording a positive result of \$56,173; this is an increase over the previous record year. Considering that there was almost no income during the winter period, due to the extension, this is an excellent result. Thanks again to David 'Wal' Watt, Club House Manager, for his contribution throughout the year, both in the bar and keeping the club house presentable: always a difficult task. Wal took some bookings for functions from non-club members, sometimes an issue, but with his control they all turned into positive events for the customer and the Club. Thanks to all members who gave their time to serve behind the bar and to all those who assisted at carnivals with the BBQ, Canteen and preparing meals for the carnival officials.

Yvonne Olesinski, returned another good result in the canteen. A special thanks to all members who donated their time to help behind the counter on the weekends and the carnivals, your assistance is much appreciated.

We are extremely grateful for her involvement over a number of years. Just for the record Vonnie has contributed \$86,600, since she took over running the canteen in 2001-2002: she was made a life member in 2007 and still continues to give her time to the Club.

Thanks to Katherine and Brad Vogt, took on the task of organising the clothing for the season, making a small profit, which in no way was equal to the amount of time and effort they put in to make sure members were satisfied. As we know clothing is a difficult area to control the expenses but hopefully they will stand again and improve the bottom line.

On the expenditure side, our total costs remained at a controllable level.

The Club received Grants from the:

- City of Onkaparinga Council \$11,097
- Kahini Pty Ltd (SLSSA Trust Fund) \$9,000
- Recreation and Sport \$5,000
- SLSSA for Club Equipment \$5,000
- SLSSA disbursement \$5,000
- Dulux for the supply of render and paint for the Club Extension

I am pleased to report that the Club is solvent.

CAPTAIN/CHIEF INSTRUCTOR/  
IRB CAPTAIN/RADIO OFFICER'S REPORT  
*Andrew Bedford*

Well another season has passed, sitting at this end of it looks easy but as we all know there was a lot of hard work to make things happen.

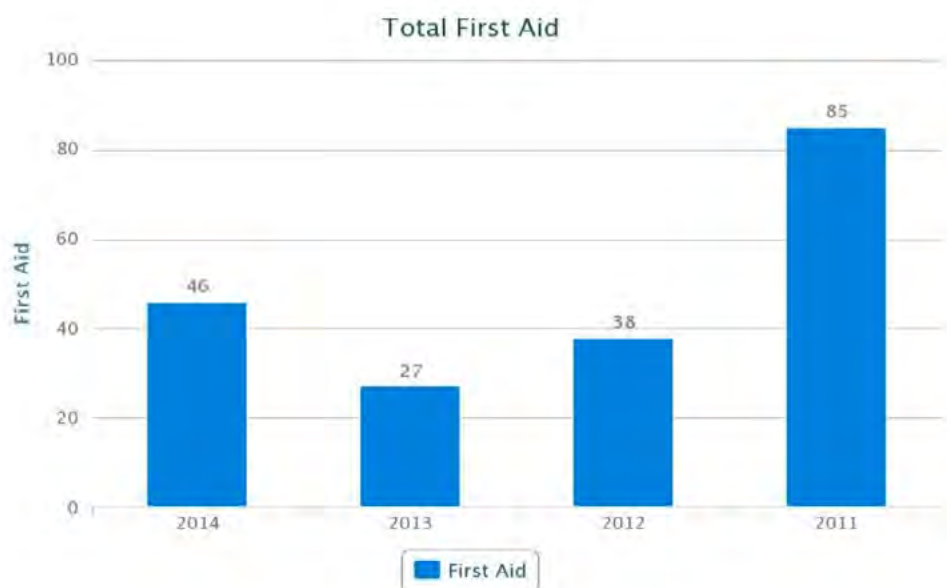

I will start off by thanking the person who was instrumental in making me look like a good Club Captain. Thanks Bernie Tanner, your assistance with patrols, training, water safety and looking after lots of things! (With most of them not in the job description). Your hard work and dedication do not go unnoticed.

We did hit a hiccup earlier on in the season with the role of Chief Instructor becoming vacant, with that said thanks to all those who stepped up and assisted with training and assessing. Sharon, Janet, Anita, Mandi, Bernie and Steve (&Dee). We did get off to a slow start with the training but finished on a high.

10 x Bronze Medallions (Cert II in Public Safety)  
7 x New Surf Rescue Certificates  
12 x IRB Crew  
12 x ATV Operator Certificates  
71 x Junior Awards  
142 x Junior Activity Awards  
16 x Perform CPR

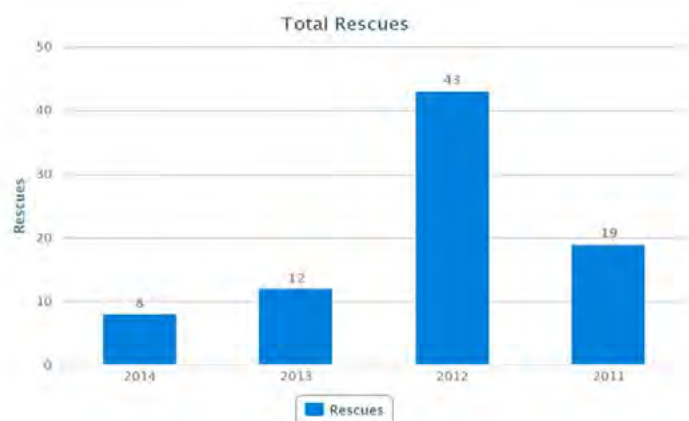

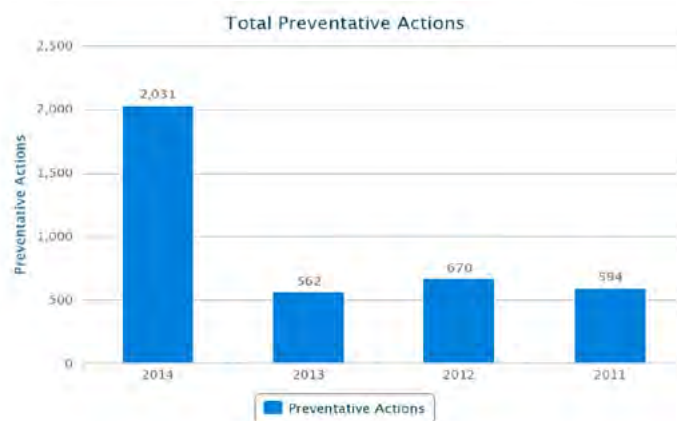

I think the above is a heavy workload for a small team but when you consider that in addition to this we had 248 proficiencies achieved.

The patrol season kicked off in October and went through to the Easter Monday. South Port Patrolled a total of 59 days and the members performed a total of 4,359.75 patrol hours this is up from 3,700 hours last season.

# CAPTAIN/CHIEF INSTRUCTOR/ IRB CAPTAIN/RADIO OFFICER'S REPORT

Looking at the three charts included in this report you can see that rescues are down on last year but preventative actions have increased by nearly four times, this doesn't mean we aren't good at rescuing people, it means we have got a lot better at identifying risks on our beach and making sure that people don't get into trouble in the first place.

As the Club Captain it's great to see the young people in our club stepping up and being role models for the Juniors, whether it's helping out at training, age group assistants or leaders, helping Vonnie in the canteen, doing water safety and patrolling. I'm proud when I see our kids representing us in such a positive manner. Maybe sometimes as the older members we should have a look at our youth and see the example that they are setting for us.

Carnival and State Titles are always hard work, there are so many people who put in 100% at both the carnivals at our own beach but also assisting our competitors by acting as officials, team managers, coaches, water safety and just generally helping out.

No Club could survive if one person did all the work, have a look around and see what you could do, even if it is only for an hour, it can be as simple as taking the bins across the footbridge or getting your Bronze, South Port is what we make it together. One Club One Family.

See you on the Beach – Andy .

## SURF SPORTS MANAGER'S REPORT

*Ray Burnett*

This season I took on the dual role of Junior and Senior Head Coach which was quite daunting at first. The purpose was to observe and learn how the Junior Division worked. The main goals were to improve the transition from Junior to Senior ranks and to implement a strong emphasis on skills and technique. Processes have been documented and a new structure will be in place for the next season. I plan to do both roles again in order to finish what I began.

Juniors finished an impressive 5th in the rankings at State Titles with twenty three medals and many finals appearances. Great work by all the kids and their support crews. The Senior Board/ Ski/ Swim team had another successful season with twenty medals and twelve 4th places which resulted in the same ranking as last season.

Congratulations to the Open Female Boat Crews who both medalled in a very close finish and also to the outstanding March Past Team once again.

Congratulations also to those who gained State level representation. Open Female Boat Crew, Kate Krzys, Catherine Clohesy, Lisa Biggs, Rachel Martin & Sweep Adam 'Dougie' Parkinson [Shooters], Shani Copley, Jack Eastwood, Kiara Bedford and Natasha Bedford. Shaun Burnett was appointed as one of the State Team coaches also.

There are too many people to thank and name in this report but you know who you are and I couldn't have done it without you. Sincerely – thank you.

The future is bright and positive and I am looking forward to it.

Ray Burnett

## SURF BOAT REPORT

### *Chris 'Dolla' Foord*

Interesting year in the boat area, some good results interstate and locally. Our Open Men - Snappers, and Open Women - Shooters, again won the right to represent South Australia at the ASRL National Titles this season at Shell Harbour in New South Wales. Both crews performed well, finishing 5th overall in the interstate competition and both crews making quarter finals in the Open division.

Local competition was very even in the men's division all year, with Port Elliot winning this division at States. Our crew won every race leading up to the final, but sadly outgunned to finish 5th, very disappointing.

The Open Women - Shooters performed well all season winning the State Championships with our other Women's Crew the Sprockets coming 3rd, well done to both crews.

Here is a brief summary of each crew:

The Shooters, Catherine Clohesy, Lisa Biggs, Rachel Martin, Kate Krzys and sweep Adam Parkinson. A solid year locally and interstate, at Nationals came 3rd in all 4 round robins but did not get through to next rounds (strange that). A few injuries late in the season and at Tugun did not help their cause, but solid effort all season.

The Sprockets, Katie Dubrich, Sara Lane, Steph Baggalley, Kathryn Vogt and sweep Brad Vogt. A Solid year by the girls, 3rd at the state championships and competed well at Tugun.

The Snappers, Angus Boot, Tom Drought, Jason Cloonan, Jason McGaffin and sweep Chris Foord. Jason Cloonan came into the crew and performed admirably. The crew felt very positive this year making State Team and rowing well at the ASRL National Titles at Shell Harbour. Injuries mainly to backs to a couple of the boys made training testing, crew was still confident at States until final, poor performance coming in 5th. Nationals at Tugun, did not get through round robin, rowed well in a couple of races and poorly in the others. Then into the black beer.

Masters Competition, four crews competed at States with little or no training, but won Gold in the Phantoms, Olly, Wal, Dolla & Howsey, sweep - Douggie (Wal's first Gold in a boat). Two women's crews, Silver - Laura Greer, Mary Carr, Kathryn Vogt & Penny McKenzie, sweep - Brad Vogt and a Bronze - Sara Lane, Megan Syvertsen, Kate Liersch & Nicole Berry, sweep Dolla. We won't mention the other men's crew, they have not finished yet. Thank you time, the Club purchased a new boat this year and John 'Schmidt' Smith was honoured by having this boat named after him, and deservedly so. To Olly who organised the sponsors, well done. And to all sponsors, thank you. To Devo and Schmidt for their towing of our boats to Shell Harbour and Tugun this season, thank you. To Bristles, for his work in gym maintenance and the submitting of forms, which none of us understand, and to all who have helped throughout the year, thank you.

Remember boat on the beach every Saturday afternoon during the season, and it was good to see new people having a go, so come on just do it.

Dolla

## CLUB HOUSE MANAGER REPORT

*David 'Wal' Watt*

The renovation and refurbishment of the Club has been a huge success from the perspective of the bar; in that bar in itself is busier and now has a much improved ability to cater for functions. The bar now is a productive and fluid working environment.

We are seeing a renewed and enthusiastic interest in functions due to the renovations and the resulting ability to cater for such events. Already this year, interest in functions have increased considerably and this is expected to continue as word spreads about our great venue! Just imagine what our capacity to cater will be like when the new kitchen is up and running.

A huge level of gratitude to Bob Mayo for making all of this possible.

A tremendous amount of effort and hours have gone into making the Club renovations and bar the success it is! Thanks to Devo and Bristles for their time and dedication.

Thankyou to the following:

Brian Johns 'Zee' for organising the new bar top and helping wherever he could.

Graham Joyce 'Double Up' for battening the walls of the bar in preparation for gyprocking, demolishing the tower and helping wherever he could.

Austin Ceilings 'Craig' for supply and installation of gyprock on the walls of the bar.

Darren Curran for electrical work.

M & S Plumbing 'Muncha' for plumbing work to the bar. His contact with the Onkaparinga Council is invaluable to the Club.

Del-Five Industries 'Dave D' for steel fabrication - tables, stools, sink frame, drinks stand and chips rack.

June and Kevin Watt for their weekly cleaning of the club throughout the season.

A huge thanks to all members who volunteered their time throughout the season to help/ work/ play behind the bar. Outstanding!

The planned new deck and kitchen renovation can only add to our positive and inspired direction as we move into Season 2015/2016. I anticipate that this will increase the renewed interest that has been shown in our Club from the public and local community at large.

## PROMOTIONS OFFICER REPORT

*Laura 'Loggy' Greer*

Woah another year has gone past so quickly! It's been a great year with lots of events making use of the new club facilities that have been a huge asset to the Club.

Again we had some great exposure in the local rag 'The Messenger' with some of the younger generation making a few appearances. All this media coverage is a fantastic way to help promote the Club to the local community and show what we do so well as lifesavers!

With the extension to the Club it has made it easier for me to organise some events throughout the season and to keep people around after carnivals. We've also managed to attract locals and people to come down throughout the off season, making the 'Club their Pub'.

There has been many events over this season which have been great fundraisers for the Club especially since the bar was out of action for most of the off season leading up to the start of the season. We're really starting to notice an increase in the profit over the bar that we know will continue to grow as the Club develops. Also the addition of the coffee machine was a huge success for the hosting of State Titles, this will work well. Annual events continue to be very successful and are vastly growing in attendance year after year including, Australia Day/ Triple J Hottest 100 party, ANZAC Day, South Port Coopers Classic after party & State Titles after party.

Most recently I ran an event over the June long weekend called 'Shiraz to Surf'. This is the biggest event I think the club has seen! We had a huge turn out with close to 200 people through for the day. Some fantastic live music, local Artshow, great wine and burgers and a whole lot of fun. I hope to continue this as a yearly event as we received an outstanding response from not only Club members but the public as well.

The Club presentation day will be held at the clubrooms at the end of July this year where we will be able to celebrate the great results by many. Details to follow in the coming weeks.

The new website was also launched this season and is proving to be a great marketing and promotion tool for me. This is working well with the facebook group that helps me to keep members and the public up to date with what's happening in and about the Club.

I can't thank the people who have helped me run the events at the Club enough. Special thanks to Richard 'Olly' Olesinski & David 'Wal' Watt for their relentless efforts in organising everything with me from the bar to the promotions to running the events on the day. This is a huge task at times and we appreciate any help we get from other members. Next year we plan to organise a group to help run events together. This will be very beneficial when it comes to some of the larger events. Anyone interested please feel free to contact me.

I'm looking forward to another season in this position as I plan to get the Club up and running with regular use of our new facilities (hopefully a new kitchen too!)

Cheers

Laura 'Loggy' Greer

P.S. Look out for the new dart board comps on Friday nights down the Club throughout the off season ;)

## ENVIRONMENTAL OFFICER'S REPORT

### *Richard 'Olly' Olesinski*

South Port members are continually encouraged to respect our relationship with the environment and recognise the need to maintain and restore our local environment.

Members are constantly exposed to a range of environmental posters, messages, etc. with the majority effectively utilising recycling systems currently in place for paper and cardboard as well as bottles and cans.

The Club's Junior members as well as surf rescue patrols are involved in beach clean ups in order to prevent injuries associated with fisher debris, etc.

As South Port was a partner in initiating a Coastcare group for the South Port Noarlunga dune area, members recently took part in planting and weeding around the southern section of the Club's new extension area, in partnership with Council and Coastcare group members.

The Club coordinates numerous statewide carnivals and as a result members are involved with providing ways to ensure the dune environment is maintained by discouraging intrusion into sand dune areas as well as providing rubbish bags and bins to contain waste materials and separate recyclables during carnivals.

The Club's Junior members are to be involved next season in Surf Life Saving SA's 'What Lies Beneath' program where members will find out the negative effects of litter on our local coastal and marine environment.

If you're interested in getting more involved in the environment around our Club, please get in contact with Olly.

## TRANSITIONS OFFICER REPORT

*Mark 'Orry' Orr*

Life is good as a member South of the Port!

How good is it walking over the bridge, through the dunes, to our little patch of paradise and leaving the easy access, "grass to the door" folk behind?

Our ongoing quest for inclusion and excellence for those keen enough to make the journey has been fulfilled again this season although this new role within the Club has been challenging. Ultimately the role I have represented is aimed at keeping young people involved in the transition from "Nippers are Rippers" to active senior members.

We have had a long standing tradition of young people filling roles, mentoring our nippers, and staying involved with the club. We aim to make these young people long term contributors and value their connection with the Surf Club.

Some of us fill a role competitively which is great and help us to maintain our growth as a competitive Club. This is evidenced again by our outstanding results at Port Elliott and at our home ground in March.

Some of us prefer to focus our energy on other things and contribute massively to other aspects of Life Saving development. Age group assistants, canteen apprentices, coffee makers, surfers, supporters, patrolling gurus, IRB crew, cheer squad members, boat rowers, BBQ cooks and crew just hanging around. We value and love your involvement!

Early in the season we asked for feedback from the group and of the 70 odd young people identified in the "Transition" range we have engaged with nearly half of them and look forward to doing things better in the future. We hope for a 16/17 camp down Middleton way through winter and also to continue building our "South East" connection with the 14/15 mentoring gig at Robe SLSC in December.

Thanks to the Surf Club for supporting this important role and I hope we continue working hard in supporting our Nipper Program and encouraging the young people to become long term South Port people!

All the best!

Orry.

## JUNIOR CHAIRPERSON'S REPORT

*Brad Vogt*

Sitting on the beach during Junior State Titles, looking around at our nippers, I felt an extreme sense of pride in our Club and its members. Not only were we well represented in all age divisions but the attitude of our members and parents was phenomenal. I saw smiles, laughter, intense concentration and focus, the odd tear, however attitude was the big stand out for me. Attitude between nippers, Officials, Age Group Managers, coaches, parents, team mates and other Clubs was fantastic. The respect shown and earned on the beach was one we can all be proud of.

It has always been our mission to provide a safe, fun environment for our kids to learn more about lifesaving and develop personally. Seeing our nippers become more confident in themselves and their abilities through the season, I believe we have achieved this.

There are so many people to thank for their contributions this past season. As volunteers, the time and effort that these individuals put in is outstanding.

To our Age Group Managers and Assistants, thank you for all your patience and hard work. You have done a fantastic job this season organising, motivating and encouraging our kids, well done. I would personally like to thank Carla Zeitz for taking on the additional role of co-ordinating all of our Age Group Managers each and every week. Your late nights and comprehensive emails were excellent and appreciated by all. Also, to our Cadet members, thank you for standing up as Assistants, you are truly leading by example and are great role models for our kids.

To our Head Coach, Ray Burnett and his team of Area Co-ordinators, what can be said other than great job. The focused training every Saturday and at weekly training sessions was fantastic and our results this season speak for themselves. I look forward to building on this success next season.

To our water cover personnel, come rain or shine you guys came through for us. Without your reassuring presence and words of encouragement, our nippers would not be as great as what they are. Thank you.

To Mandi and Andrew Bedford, thank you for the time and effort you both put in to getting our largest group of nippers ever prepared and through their SRC Award.

To the parents, without all your efforts getting your kids to training, competitions & social functions we would not have nippers. Assisting in BBQ's, fundraising, packing trailers, carrying and washing boards, keeping kids covered in sunscreen, filling water bottles, holding towels... I could go on forever. The job you all do is much appreciated, a big thank you to you all. On a side note it was great to see some of our nipper parents become fully qualified lifesavers with the achievement of their Bronze Awards, great job to all involved.

This year we did not have a Social/Fundraising Officer. To Nicole Berry and Mel Broad, thank you for stepping up filling the gap when required. From Halloween parties, to organising BBQ's, raffles and sponsors, great job.

To all of our nippers, wow guys, fantastic effort this season. We have had representation in State Development teams, Youth Development camps, medals and placings in competitions and carnivals, Surf Education Awards and trips to Robe and all of this achieved whilst having fun. You can all be proud to be part of our great club. To those of you moving up and out of the Junior group, well done to you all, I look forward to seeing you all on the beach next season.

## JUNIOR CHAIRPERSON'S REPORT

*Brad Vogt*

To the members of the Junior Development Committee, thank you for all your efforts this past season. As a majority of us were new to the committee we have had our ups and downs and have certainly learnt a lot. Thank you for going above and beyond and being supporting of each other.

To the Board of Management and senior members thank you for your support and guidance throughout the season. I would personally like to single out Michelle Copley for her contribution to the JDC, without her we would be lost, thank you.

I look forward to welcoming you all back for more fun and success next season.

The Shags story continues to grown with membership now higher than one could imagine.

A group of winter swimmers whose sole purpose is to have a laugh and generate funds for 'the Club' out of season.

The AGM for 2014 saw the following up standing Shags democratically elected

Schmidt again found himself duly elected as Head Shag. The man's ability to control this group mesmerises the best of us. However he has stated that this is his last year as Head Shag. For the record he has been in control of this raucous bunch for 21 consecutive seasons.

The AGM of 2014 saw the following Shags democratically elected:

Sadly this season saw the passing of our friend Gecko. You will be remembered along with our other mates.

Season 2014 concluded with the South Port Shivering Shags having had another sterling year. Initially we had to relocate due to renovations at the Club. We sincerely acknowledge the hospitality shown to use over the weeks by the Christies Beach Sailing Club. Season end saw us defer our intended donation to the South Port Surf Life Saving Club under the recommendation of the Club's President. Shags have earmarked funds from Season 2014 & 2015 to go towards seeing the Club's Kitchen facilities improved.

The Shivering Shags were conceived in 1985.

During the period 1995 - 2013, 22 March Past Champions of at least National status have been conducted under the direction of SLSC.  
ie: 19 Australian Championships, 2 World Championships (2006, 2012) and the Centenary of Surf Life Saving Championships at Bondi in November 2007.  
No other team has won as many gold medals in a similar defined period.  
(The team did not contest 2011 & 2012 Australian Titles as it had retired for that period.)

## MARCH PAST REPORT

*John Hall OAM / Bob Mayo AM*

The most exciting news relating to March Past and possibly the club was the advice that the multiple gold winning Open March Past team is being inducted into Surf Lifesaving Australia's National Hall of Fame.

This team over a period of 19 years has won a total of 14 Gold medals. A summary picturegram showing all participants is included in this report.

Many thanks to Dave Gardner for the terrific job in constructing the picturegram which will be a memorial of the achievements of this group.

Whilst it has been said before, it is most unlikely that the majority of core members will contest further Australian Championships but may continue on a limited basis by being involved in local competition.

30 people have won one or more of these National and World Championship Gold medals. 17 of that number have won 4 or more of those medals and 5 of whom have won all 14.

It is of interest to note that ,so as to maintain a team over the period, required a total of 30 people, 11 of whom had to be sourced from outside of the Club (from other clubs or solicited as new members), 7 of those achieved 4 or more medals and 2 won 14.

The following team contested and won The State Title.

K Lines, Y Olesinski, R Olesinski, S Clohesy, T Harris, J Whitmee, R Perry, J Attiwill, D Gardner, J Hall, F Drake, G Higgs, R Mayo (Coach).

South Port has now won 29 State March Past Championships.

J Treacy replaced K Lines in the team to contest the Australian Championship but were unsuccessful in a very close competition.

South Port also won the under 17 State Title with a team including many juniors. Congratulations and well done to Kelly Sweeney and Michelle Copley.

## YVONNE WOODEN

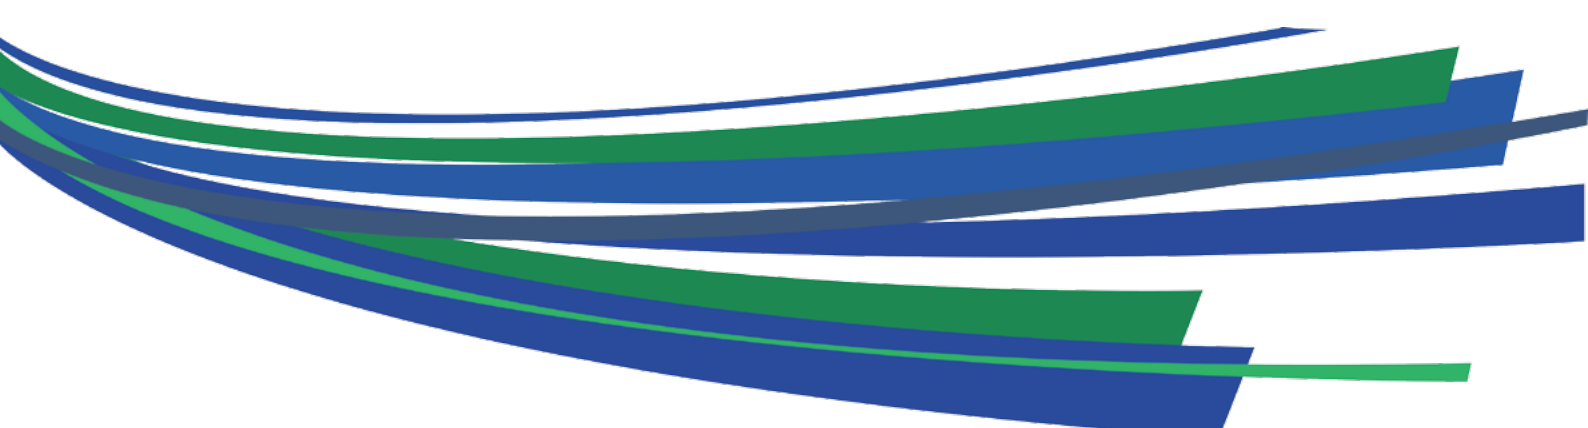

Yvonne passed away on April 13th this year. Yvonne was the wife of Life Member Peter Wooden and mother of the Wooden boys Mark, Shane and Scott. She also had 8 grandchildren and 1 great grandchild.

The Wooden's were members of South Port for over 20 years in the 1970s and 1980s and Yvonne was very much part of the Club scene. She was very supportive of the boys and would take no nonsense from others. I remember the day when she vented her anger on Emu, Gluey and I when we buried Shane up to his neck on the beach and left him there.

She displayed the boys' medals prominently in their home on the esplanade along with her famous owl collection.

A Service was held at The Barn, McLaren Vale Tuesday, 21st April where Bob Mayo AM said a few words on behalf of the Club. Unfortunately a number of members were still in Queensland or driving back and missed the service and a chance to say farewell to a much loved Club member.

Our deepest condolences go out to the Wooden Family on the loss of Yvonne and the whole South Port family is much poorer for her passing.

**PETER (GECKO) SURMAN****1958 - 2014**

In October 2014 our Club mourned the tragic death of Gecko in Bali doing one of the activities he loved – surfing. Gecko joined South Port in 1995 and in 2000 he went up to Queensland where he spent a number of years before returning Club in 2011.

He was a member of South Port for 12 years and in the late 90's was Board & Ski captain for 2 seasons and got that area up and running again after it had languished for a few years. He won a Gold medal at the Masters State Titles in the 34-39 age group on the double ski with Mark Wooden.

Gecko was a member of the Shivering Shags for 11 years and was certainly an entertainer in the group. Tales of his exploits and practical jokes are legendary. Dibber dobber, multiple girly frock winner, first out on numerous occasions, he was the master joker. He was a Club member who was well liked in the whole Senior Group and someone who would come along to all activities and end of season trips with his wife Lou.

A memorial service for Gecko was held at the Moana Pioneers Memorial Hall followed by a celebration at South Port SLSC. At this service we heard from many speakers detailing what a wonderful full and varied life he had. As per the family's wishes, donations at the service went to the Balinese orphanage.

To Lou, Corey and family our hearts are with you.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2015

### 1 Statement of Significant Accounting Policies

#### Basis of preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1985. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following statements accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

#### Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

#### Plant and Equipment

Plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

### **Impairment of Non-Financial Assets**

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment less, except for goodwill.

### **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2015

### **Revenue and Other Income**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

### **Sale of goods**

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

### **Interest revenue**

Interest revenue is recognised using the effective interest rate method.

### **Interest revenue**

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial reports is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
