

SOUTH PORT

Surf Life Saving Club Inc

**38th Annual Report
& Financial Statement**

Season 1996~97

NOTICE OF MEETING
SOUTH PORT SURF LIFE SAVING CLUB INC
38th Annual General Meeting

Notice is hereby given that the Thirty-eighth Annual General Meeting of the South Port Surf Life Saving Club Incorporated to be held at the Club House on Sunday 1 June, 1997 at 11 a.m.

AGENDA

- 1 Notice of meeting.
- 2 Apologies and proxies.
- 3 Confirmation of the minutes of the Annual General Meeting of Sunday, 2nd June 1996.
- 4 Business arising from minutes.
- 5 Correspondence relating to Annual General Meeting.
- 6 Presentation, consideration and adoption of the Thirty-eighth Annual Report.
- 7 Presentation, consideration and adoption of the Thirty-eighth Annual Financial Statement and Treasurer's Report.
- 8 Notices of Motions
 - (i) Nomination of Candidate(s) for Life Membership of the Club
 - (ii) Notice of other motions which due notice has been given.
- 9 Declaration of all positions vacant.
- 10 Election of Club Officers for season 1997/98.
- 11 Consideration and adoption of subscriptions and other amounts payable by Members and Officers for season 1997/98.
- 12 Determine the maximum amount that the Committee may expend on any one item for season 1997/98.
- 13 Election of Sub-Committees for Season 1997/98:
 - (i) Fundraising Committee: of which the Deputy President will be the Chairperson
 - (ii) Building Committee
- 14 General business.

PROCEDURES TO NOTE:

- A. Voting Rights: Life Members of the Club, Proficient General Members over the age of Sixteen (16) years, General Members over the age of Sixteen (16) years who have Three (3) years continuous membership.
- B. Members acting as a proxy on behalf of other Members must have the Member's permission in writing.
- C. Members wishing to accept a nomination for a position on the Management Committee or a Club Officer's position and are not present at the Annual General Meeting must have their acceptance of the nomination in writing presented to the Meeting.

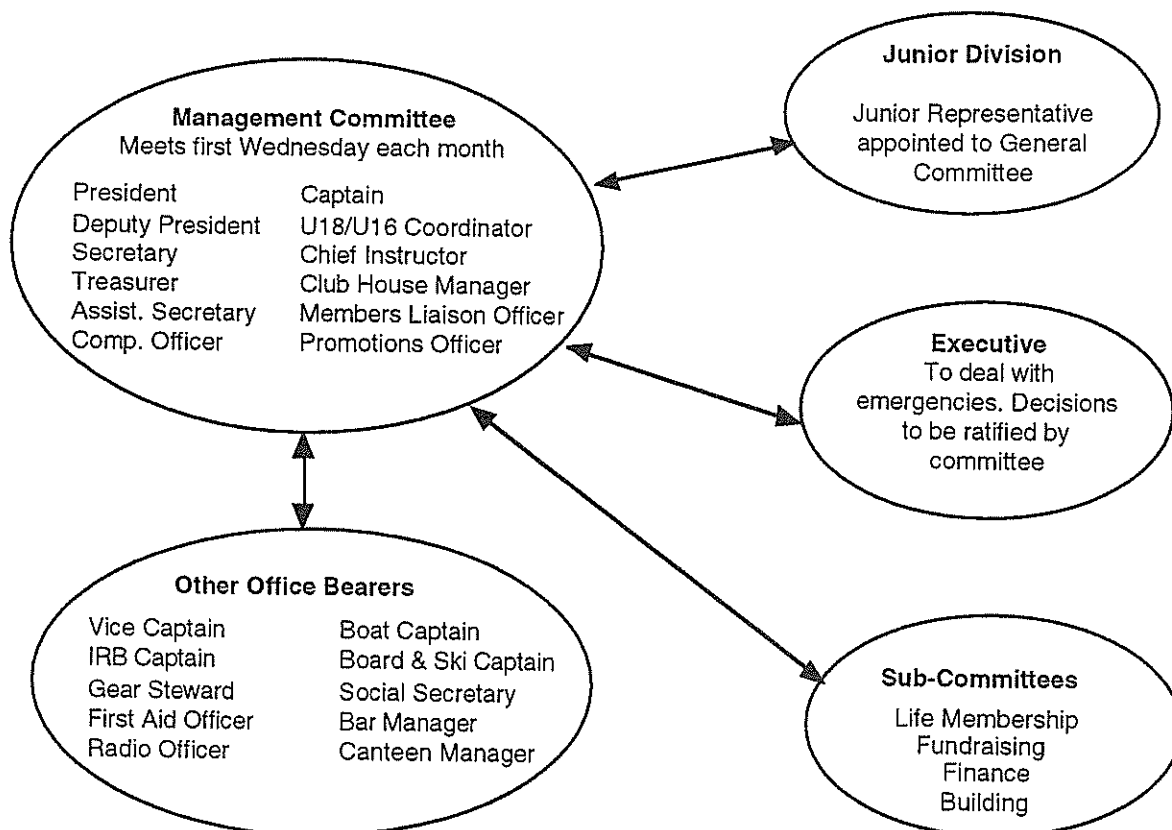

For and on behalf of the Committee

Christopher Mullins
Hon. Secretary

MANAGEMENT STRUCTURE

Management of the club is vested in the General Committee and is structured as follows:

MISSION STATEMENT

To maintain South Port Beach as a safe and enjoyable environment for the public and our members.

FORWARD PLAN

Season 1995/96 saw the introduction of a forward plan. Copies of the plan can be obtained from the Hon. Secretary. The broad goals of the plan are:

- To maintain high safety standards on South Port patrols.
- To encourage competition as a means to attract and retain members.
- To create and maintain a friendly social atmosphere within the club.
- To create and maintain an environment in which our members (of all ages) can grow and learn.
- To maintain an organisational structure conducive to the smooth on-going operation of club activities.
- To maintain good links with local government and the community.
- To raise community awareness about the value of South Port Surf Life Saving Club.
- To create and maintain a good working relationship with State Centre.

NAME, AFFILIATION, OBJECTIVES, COLOURS

NAME

The name of the Club is:

"THE SOUTH PORT SURF LIFE
SAVING CLUB INCORPORATED"

AFFILIATION

The Club is affiliated with the Surf Life Saving Association of Australia (South Australian State Centre Inc.).

OBJECTIVES

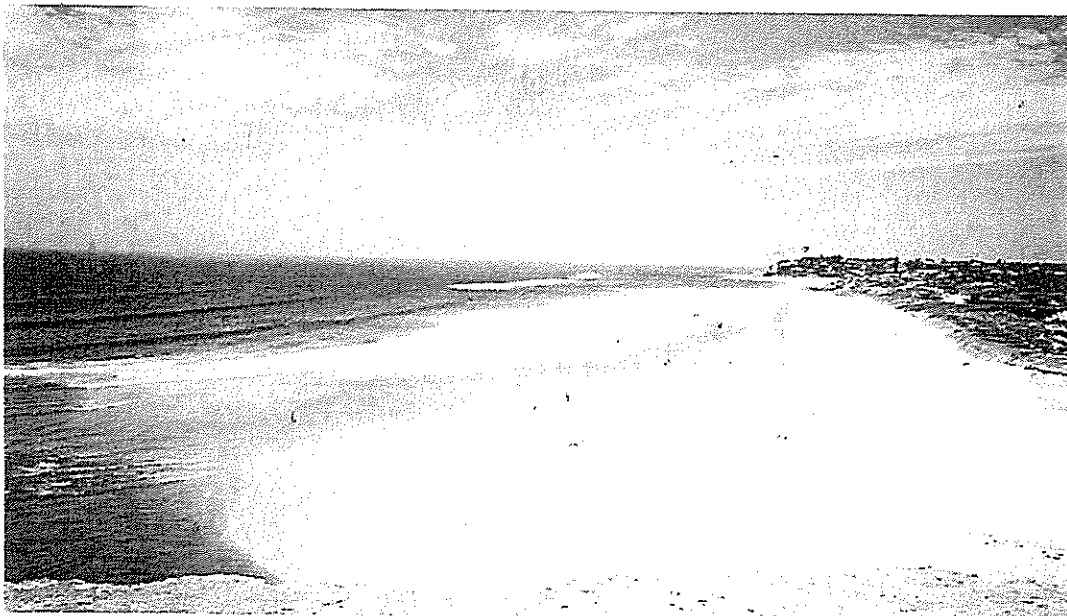

The objectives of the Club are:

- (a) To minimise the loss of life from drowning by providing patrols and apparatus.
- (b) To adopt the gear, drill and hand-books of the Surf Life Saving Association of Australia, to patrol that portion of Port Noarlunga Beach, south of the reef to the mouth of the Onkaparinga River, or to be on call within the Municipality of Noarlunga on such days and for such periods as the Branch shall from time to time determine.
- (c) To promote demonstrations and arrange classes of instruction in life saving.
- (d) To obtain facilities for life saving and to assist the Corporation of the City of Noarlunga and other public bodies in improving facilities for bathers.
- (e) To encourage the physical and social welfare of its members.
- (f) To purchase, take on lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges.
- (g) To raise funds and borrow monies for the purposes and benefit of the Club upon such terms and such conditions as may be determined.

COLOURS

Club Colours — Navy Blue, White and Green.

Club Badge — A green silhouette of the side elevation of the Standard Reel, the words "South Port" above and "S.L.S.C." below in white lettering, superimposed on a navy blue background.

OFFICE BEARERS — SEASON 1996/97

Patron: Mayor Ray Gilbert
Vice-Patrons: Susan Jeanes, Lorraine Rosenberg,
 Jack Holder & Artie Ferguson

President: Chris Foord

Deputy President: Brian Johns

Captain: Samantha Bentley

Secretary: Chris Mullins
 Treasurer: Mark Wooden
 Chief Instructor: Dean Colegate
 Club House Manager: Paul Howse
 Competition Officer: Rob Radcliffe
 Promotions Officer: Richard Olesinski
 U/16 Supervisor (s): Brad Foord and
 Stefan Olesinski
 Members Liaison Officer: Peter Surman
 Hon. Medical Officer: Morrie Peacock

Vice-Captain: Nigel Shelton
 Boat Captain: Andy Lowery
 Board & Ski Captain: Peter Surman
 Gear Steward: Ashley Pitcher
 IRB Captain: David Pummeroy / David Yates
 Social Secretary: Rose Howse
 First Aid Officer: Janet Puplett
 Assistant Secretary: Geoff Moffat
 Canteen Manager: Karen Lyons
 Bar Manager: David Watt

Hon. Auditors: Tilly, Murphy & Hughes

Junior Division Management Committee

Chair: Larry Edge
 Secretary: Jackie Eastham

Head Coach: Ray Martin Snr.
 Chief Instructor: Andy Whitford

PRESIDENT'S REPORT

Have we advanced in the Club this season? I'm not so sure that we have! We have paid our way, we have patrolled our beach to our usual high standard, we have brought new members into the Club and many members have achieved life saving awards, but we have done this every year.

The one area I feel we are lacking in is the competition area. I'm sure you all must be getting sick of hearing me say this, but it has to be said over and over again until we start thinking positively and all members think this way. In competition I don't just mean boats, ski's, boards and beach. There is First Aid, Inter Club Patrols, State Patrol Efficiency, IRB and others. So let's all start thinking COMPETITION.

To our triple Australian Gold Medallist March Past team, congratulations! We all admire your commitment and determination. Well done Mother and Biffo.

Now I have great pleasure in reporting all that is good in our Club. The weather during the telephone delivery weekends was horrific, but we finally delivered them all. If you were in Terry's factory you would have seen Larry Edge and George Gardner dressed in rags and kimonos. These things make light of any situation.

Thanks to Martin Chilman for his work with the Council in getting all of the appropriate permits to finally finish our new gear shed at the Canoe Club. We had some trouble with missing parts, so this shed ended up costing us about \$3,000 more than we had hoped. Well done Chill!

Our redecorating of the Club house — she was in need of a major paint — thanks to Dennis Ferrett from Mitre 10 Happy Valley and True Value, Woodcroft for over \$900 of paint and assorted equipment. She scrubbed up pretty well but on-going maintenance is essential, especially broom-ing.

Our Junior Division is vibrant and was well run by Larry Edge and his committee, age group leaders and assistants. There were a couple of lousy carnivals due to bad weather, culminating with the Birds Eye

Junior States at South Port. The Saturday was fine, but Huey really tested us on Sunday. However I must say we did it very well with much praise from other clubs and carnival officials.

To our patrol captains, you have all conducted your patrols well and I thank you. To all patrolling members, well done. Without your commitment our reason for being here would not be fulfilled.

I feel the Committee has worked extremely well on your behalf and I have some special thanks to a few of them. Chris Mullins, our Secretary, has helped and guided me through the year. His workload is enormous and Chris has worked tirelessly on our behalf. On top of his secretarial duties, he also co-ordinated the Junior States and you all know how well that ran. Dean Colegate, our Chief Instructor, has taken this position and has excelled. Dean organised an Education in Lifesaving panel with some highly credentialled members and targeted some new members to enhance our Instruction area.

Thanks to our fundraising area and Dave Watt the Bar Manager. Karen Lyons, our Canteen Manager has done a great job under great pressure. She has worked well and again I thank you very much. Thanks to Heather Nieass, our Apparel Officer. This is a new position in the Club and every Saturday Heather was taking orders and trying to fill them as quickly as possible. Also thanks to Mark for assisting her during the year.

The Fundraising Committee has worked well this year and has achieved good results. Liz Edge (this girl never stops) went from chocolates to wine to raffle books to sausage sizzles to Chicken dinners and is also an Age Group Leader. A worthy recipient of our Most Outstanding Member.

To all the rest of my Committee and office bearers, Mark Wooden, Geoff Moffat, Sam Bentley, Nigel Shelton, Peter Surman, Rob Radcliff, David Yates, Janet Puplett, Richard Olesinski, Paul Howse, Ashley Pitcher, Andy Lowery, Brad Foord and Stefan Olesinski, you have worked

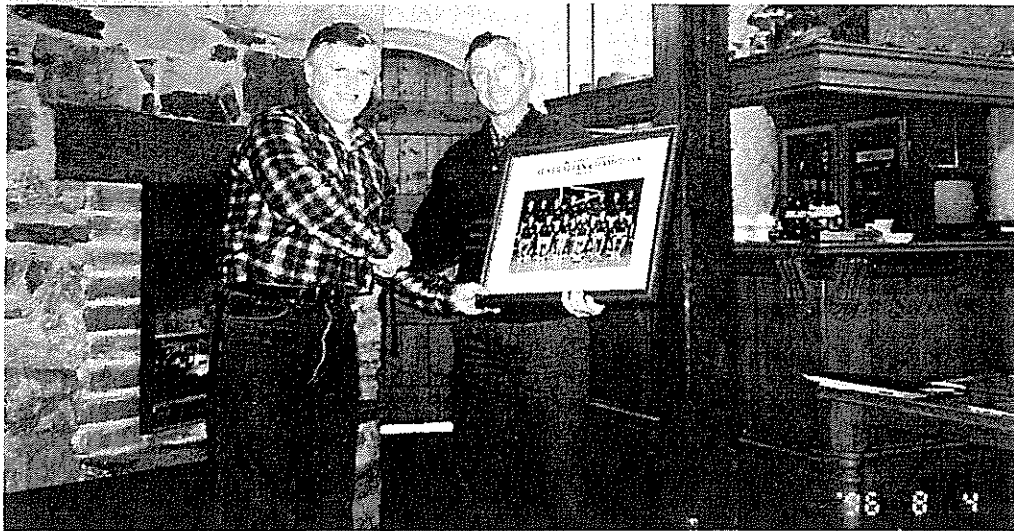

diligently and well with our Club at heart and I thank you for your support and help throughout the year.

Finally, I thank our Patrons and Vice-Patrons for your involvement with the South Port Surf Lifesaving Club.

Without support from our sponsors, our club just would not run. I thank you and hope we can rely on your continued support for the 1997-98 season.

Chris Foord

SECRETARY'S REPORT (AND ANNUAL REVIEW OF CLUB ACTIVITIES)

Fellow members and interested persons of the South Port Surf Life Saving Club Incorporated, it gives me great pleasure to present to you the thirty-eighth annual report and financial statement.

PATROLS

Again South Port Patrols performed extremely well during the season. The Club had nine patrols this season and again should do well in the Patrol Competition.

COMPETITION

Congratulations to the Senior March Past Team on winning their third consecutive National Gold Medal at the National Championships at Kurrawa, Queensland.

Congratulations to Aisha Olesinski and Brett Harvey for their selection in the Senior State Team and Alex Botha for his selection in the Junior State Team — well done!

Both the Junior and Senior sections of the Club finished around mid-field at their respective State Championships this season, well down on previous seasons. Perhaps a little quality work in this area is needed in the coming season.

SCOUTING 'MEGA 10' VENTURE

This season saw the visit to South Port Beach of approximately two thousand Scouts and Adventurers from all over Australia and around the World over four days in January as part of their 'Mega 10' Venture. Thanks and congratulations to all the South Port Members who volunteered for extra patrols and other duties over the four days.

1997 JUNIOR STATE CHAMPIONSHIPS

Despite the bad weather on the Sunday which forced the moving of the water arena further down the beach and the cancellation of some events, the championships were a great success. Congratulations to all concerned, especially the water safety and patrol personnel who performed well above and beyond the call of duty — Martin

Chilman and his workforce personnel who did a marvellous job as always. It's great to see such a great enthusiastic group of Junior parents and others coming through the Club — Karen Lyons and her band of helpers in organising the catering etc., for the weekend. The Senior March Past team for their help with the workforce and cleaning and setting up for the VIP Lunch-eon on the Sunday. Well done to everyone!

REGISTRATIONS

Registered membership is down slightly this season from 261 last season to 252 this season, a decrease of 9.

COMMITTEE

The new restructured Management Committee worked extremely well after a few teething problems. Of course, the Club experienced several committee position change overs during the season.

In closing, I would like to wish the incoming Committee all the best for the coming season.

Christopher Mullins
Hon. Secretary

BEWARE THE BOOGIE BOO

Boogie/surf boards
 surfers into trouble

By SHANNON BEATY

WHILE they might make great Christmas presents, boogie boards, surf boards and other similar gifts are landing inexperienced surfers in deep water, a local lifesaver official has warned.

Surf Life Saving SA spokesman Dick Olesinski said rips and other dangerous surf conditions along the southern coast had claimed a number of victims in the post-Christmas season.

In a recent incident, a man was rescued from the surf at Port Noarlunga by a 13-year-old lifesaver after being caught in a rip.

"The guy was in his mid-30s and he was completely distressed. He had started to cramp up and was in all sorts of trouble," Mr Olesinski said.

"There were warning signs there and this guy just ignored them. They went straight through to the keeper."

Rescuer Alex Botha was patrolling the beach when he noticed the man was in trouble, Mr Olesinski said.

"He just got his Surf Life Saving Certificate about a week or two ago and he's already had to put into work what he learnt. He really is an up-and-coming young star."

But Mr Olesinski said other people may not be so lucky, with surf lifesavers patrolling beaches only on weekends and public holidays. He said warning signs and flags were put in place to let people know where danger spots were.

"We're trying to make people more aware of their surroundings. They might think we're coming down a bit hard on them sometimes."

Last year surf life saving volunteers performed more than 340 rescues and provided assistance on more than 650 other occasions.

But Mr Olesinski said prevention was always better than cure, and he urged people to think before they hit the waves. "If you're going to go out there then make sure you know what's going on."

Alex Botha, 13, on patrol in the dangerous Port Noarlunga a claimed a man. Alex, who had earned his Surf Life Saving Certificate earlier, rescued the man.

PETER SUTTON

Peter Sutton joined South Port also in 1978, the year in which he obtained this bronze medallion. He subsequently served as a patrol member for 12 years. He was one of those individuals who regularly did more than his share as a patrol member; indeed winning the award as most outstanding patrol member in his first season (1978/79). He also served as patrol captain for a number of years. During the late 1970s and 1980s his most important contribution was in the area of power boats. Peter was instrumental in fastening the acceptance of IRBs within the Club despite the often open hostility towards the introduction of IRBs in those early years. He (along with Robyn Atkinson) was the first club member to obtain his IRB Drivers Certificate and...

Water safety warning after boy rescued

The near-drowning of a five-year-old boy at the mouth of the Onkaparinga River yesterday has sparked a warning for parents to keep a close eye on their children.

The boy was saved by Ms Pam Scott, a member of a Southport Surf Life Saving Club patrol, about 2.20pm.

Club officials later implored parents to be alert to the dangers children faced at the beach.

The club's public relations officer, Mr Dick Olesinski, also said groups of children were risking their lives by ignoring warnings and diving off cliffs at the mouth of the river.

He said unsupervised groups of youngsters aged between about 12 and 16 were congregating at the popular spot and jumping off the 5m cliff into only 2m of water.

"I am imploring parents to keep an eye on their children at all times," he said.

Mr Olesinski said the club provided mobile patrols of the area and officers regularly warned people of the danger, but "we can't be there 24 hours a day".

CAPTAIN'S REPORT

Congratulations South Port! We've had an extremely successful season, in more ways than one. Once again we've done brilliantly hosting two junior carnivals, one being State Titles. Once everybody thawed out I think everybody realised just how well we all worked together. Thank you to everybody who somehow just seemed to know what had to be done and just jumped in and did it. It was unbelievable. It made my job so damn easy. I'm absolutely convinced that a Senior State Titles would be much easier to host, especially with help from another club. What a concept!!

In January we hosted the MEGA 10 which saw 400 scouts/adventurers each day for 4 days. They were from all over the world and had an absolute ball, as we did. Thanks to all who volunteered for the 4 days.

Congratulations to Dean Colegate, without him I'd be in the hugest hole. Dean took over the job as Chief Instructor early in the season. He's done a fantastic job with so many new awards gained this season. Congratulations to all new award holders and a sincere thank you Dean. You've more than earned the Club Captain's Trophy.

This season saw the beginning of a change of 'culture'. Instead of just one person doing a huge job, a group of very dedicated volunteers jumped in to help. I am referring to the award and training area, coordinated by Dean Colegate. Congratulations to the group, a very successful season and keep up the great work.

There are two other main areas this would work, and they are patrolling and competition. (Gee!! who would have thought you could mention them in the same sentence?)

Well done to all patrolling members. Fantastic job and very professionally carried out by everybody. Congratulations to John 'Beepa' Nearmy's patrol, they won South Port's Annual Patrol Competition. Keep up the great work.

Congratulations to all our competitors this season. From Juniors through to Masters, well done! Fantastic to see the March Past team successful in defending their National Champion Title. Way to go!!

Last but not least, I need to thank the committee for their support once again this season. Without that support I'd be in big trouble.

Well, Shag season is quickly approaching. After a week in the warm waters of Queensland I doubt if you'll see me swimming Sunday mornings (that's probably cost me already!!).

Don't be strangers during winter. There'll be plenty of training and socialising during the winter months. Eagerly awaiting 97-98 season.

Samantha Bentley

CHIEF INSTRUCTOR'S REPORT

It's been a busy season, with members putting in a great effort gaining new and updating current awards. It is my first year as Chief Instructor and I wish to thank all the members who have helped me.

The Management Committee wanted the Chief Instructors position supplemented by an Education Panel. This was due to the burn out factor which affects many of our volunteer positions. The 'Prez', "Dollar" Foord championed this idea, and it is my pleasure to have had on this panel the following members: Andy Higgs, Janet Puplett, Mark Nieass, Andrew Whitford, Elizabeth Colegate, special adviser John Nearmy and assistance from Dave Jolly (radio).

Proficiencies were conducted by the Board Liaison Officer, John Nearmy and done on a club basis as opposed to last season's mass meetings. Also the criteria was altered to include a rescue scenario. John conducted these in the professional manner we take for granted from him. Thanks John.

Junior Awards. What can I say? This area of the Club is really motivational. The age group leaders enthusiasm and Andy Whitford's commitment, as their Chief Instructor is commendable. There was little they required of me.

Trainers. There were some great efforts. Thanks to Janet Puplett, Elizabeth Colegate, John Nearmy, Jacqueline Rawson, David Pummeroy, Mark Nieass, Ashley Pitcher, Stefan Olesinski (assistant Brad Foord). Junior Award trainers were: Resuscitation by Andy Whitford and Fred Curran; S.L.S.C. by Ray Martin and Alex Sulda; and Surf Ed by age group leaders.

Patrol Efficiency Competition at club level was a great success. The standard was high and everyone joined in with good spirit. Thanks go to Sam Bentley, Nigel Shelton the Education Panel and the other members who helped out. The Patrol Efficiency Competition at State level was rested on the shoulders of Patrol No. 3, captained by John Nearmy. This took place at the end of the first days proceedings on the State Junior Championships at South Port. The outcome of this competition is not known at this time, but we are in strong contention, just as 'Dollar' who explained out appreciation to the official conducting the competition.

Congratulations to all those who gained awards this season. See you in the surf.

CANTEEN REPORT

Well another busy season behind us, with our Club hosting a Junior Carnival and then the Junior Surf Life Saving Titles. We turned over \$21,726.63 and after paying accounts due, made approximately \$6,539 profit for the year which makes all the hard work worthwhile.

A huge thank you to all the people who helped in the Canteen this season, especially Kath and Vi. Remember the Canteen can only continue to run with the help of volunteers so put your name down next season and help out our Club.

I would like to wish the next Canteen Manager every success and once again, THANK YOU to all the Volunteers!

Karen Lyons

FIRST AID REPORT

I think this year went smoothly, with only some minor hiccups early in the season. I took on this position late in the season and struggled to find my feet. One thing I found was that I was never short of helpers — mainly thanks to Dean and Liz Colegate without whom I would not have managed.

Quite a busy year and we had 120 reported First Aid cases. This does not include cases handled by St Johns at carnivals. We had one carnival and state titles in which all first aid officers were kept busy and performed fabulously. A large group were taken through their first aid certificates and advanced rescues and this is encouraging for next year patrols. We will be running more courses through the winter. Mostly the first aid room was kept clean and first aid kits kept tidy.

I have enjoyed my time as First Aid Officer and have found I have learnt a lot in this position. I especially enjoyed the scenarios and hope that they will be continued next season. I think they taught everybody a great deal. Thank you to Andy Higgs, Dean and Liz Colegate and the juniors that helped in those.

I hope the First Aid Officer next season has as much fun as I did this year and I wish them all the best.

Janet 'Yetti' Puplett

MEMBERS LIAISON OFFICER

An interesting area, this one. This year I introduced a few new members who I found at the pool and from Kayaking and also those who transferred from other clubs. Coming from Moana to South Port myself, might I just take this opportunity to express that South Port definitely has the foundations of a great club - on the best beach - with some, if not the best surf on the mid-coast, combined with a good crew. So if you do have the opportunity to introduce yourself to new members or do a bit of PR for the club, **JUST DO IT!**

Remember that a club is only as good as its members, so it's not always what the club can do for you, but what you can do for the club.

Please ask yourself could you have patrolled more, helped out in carnivals or working bees, competed or done a little more?

Hoping for a good one next season.

Peter 'Gecko' Surman

BOARD AND SKI REPORT

This season was a little disappointing in some areas but we have definitely gained in others.

The Board area was dismal with relatively no training and competitors all season definitely down on the medal count in the 1996 Surf Sports State Championships. With the oncoming season upon us we have secured a board coach, David Jansen from Seacliff, and hopefully with his many years of competition and experience and a new competition panel and training program in this area (which should be in place shortly), combined with new craft, this should and will be an area of growth. If you are interested in paddling a mal, or are seeking a return to this area, please make yourself known to the powers that be.

Secondly, the ski area has been on the up from last season, with Brett Harvey maintaining No. 1 ski ranking from the beginning of the season and achieving a 3rd place in the States in a hotly contested final against 1st place Wyness and 2nd Beavis

from Seacliff. Gav Steel also made the finals, and with Brett gained a bronze in the open mens double ski.

This year saw the introduction of a new double Burton ski which 'powers' and has seen us proud in all carnivals since its purchase.

Myself and Brett entered into a ski purchase program and the new Haydens perform well.

This years training commences in the winter with kayak training definitely helping lift our rankings at carnivals and currently we have 22 members names down at the Onkaparinga Canoe Club for training.

Ski damage was down on last years with allocated skis being locked away (most of the time).

These areas will definitely be a huge growth area in the oncoming season with both male and female areas showing good signs (hope there will be enough craft). We also had a new ski trailer which was much needed to carry our expensive craft. With the new season approaching, to be a competitive force, South Port paddlers and boards and ski areas must diversify and compete in more areas, i.e. Taplin, mixed doubles, women's double, relays, etc. Hopefully with the new numbers this will flow on.

The general use ski area damage was quite good this season, but the general malibu area was not, with major dings to all craft. Please remember that most dings on craft area cost between \$40 and \$100 so a bit of care in these areas wouldn't go astray.

Thanks to Gav, Brett, Cockles, Rob, Flipper and Shooter for their training efforts throughout the year and congratulations to the old boys who picked up a flurry of medals at the State Masters comp. Bad luck I couldn't be there with you to collect a few myself (a disappointing end to a year of training for me personally). I'm wiping back the tears!

On that note, see ya in the soup.

Peter 'Gecko' Surman

BOAT CAPTAIN'S REPORT

Season 96-97 has been fairly quiet in the boat arena with only 2 crews competing at State titles where the young 'old farts' picked up first place in the 120 ... division.

Goolwa carnivals proved to be South Ports strong point again this year with both crews having some fun on the South Coast.

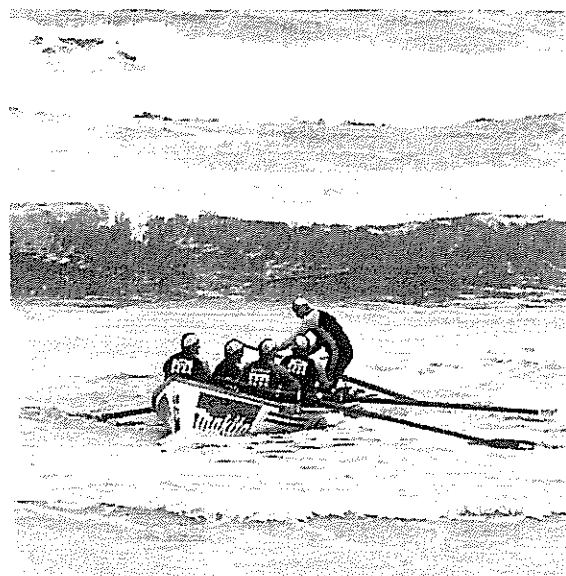

South Port also entered a crew in the Seagrims Outback Surf Boat Challenge at Pt. Augusta, picking up 3rd place in their division.

As this was my first year as Boat Captain, I have to thank a few of the club's older boaties for their help throughout the year.

Thanks also go to our sponsors for their continued support.

To the new season, South Port needs to again become a force to be reckoned with in the boat arena and to achieve this we need to recruit and train new young rowers as well as keeping the valuable skills of our existing rowers, so let's get together early and make 97-98 a winning season.

Andy Lowery
Boat Captain

TOURING TEAM MANAGERS REPORT

This season saw the club send over one of the biggest teams and supporters to the Aussie Titles at Kurrawa, Queensland. The group consisted of 55 members and supporters.

It was great to see some of the club's family members touring away including the Drakes, Gordons and Lyons families. Also for the first time, we saw Nigel Byrne able to relax and have a gargle on the Sunday night without having to tear off to the airport.

Surf condition were a lot quieter this year with surf ranging from 2 foot up to 4 foot - a bit better than the 10-12 foot monsters encountered last year.

Competitively, the team had mixed results. It's history now that the March Past team won their third Australian Title in a row. Congratulations to the team and coach Bob Mayo and assistant George Hann for doing such a great job in maintaining the teams standing.

Aisha Olesinski also did extremely well in making the quarter finals of the under 18 flags, down to the last 14 in Australia, and also the semis of the sprints.

Others to do well were Brad 'Louie' Foord progressing through to the second round of the Board riding competition and 'Hooray' Martin flying the flag for the club at the Masters.

I think that quite a few of the newer touring team members learnt from the experience of travelling to the Aussies. This should hold them in good stead for next year.

Special thanks must go to Don 'Bristles' Alexander from MAKITA and John Devitt - TL Screenprinters for our touring shirts and hats.

Thank you also to our hosts Geoff and Kathy Watt from Viscount Towers for being great hosts. Finally to everyone who supported the Saturday arvo fundraising raffles, thank you.

Richard Olesinski
Team Manager

JUNIOR COMMITTEE REPORT

Highlight of the year for the Juniors was having a carnival and the State Titles held at South Port. The children thoroughly enjoyed themselves. Congratulations to Chris Mullens and the organising committee.

We finished 7th overall at the Junior State Championships with a score of 78. Gold medals were won by Alex Botha (2) and Ryan Curran.

This season we purchased 5 new Genesis boards. We are steadily building up a good supply of 'state of the art' boards.

Forty-five children were put through their Surf Education Awards. Eight children completed Resuscitation Awards and three others updated their proficiencies in this award. Thanks to Andy Whitford for overseeing the Surf Ed. and Resusc. Awards. Thanks to Ray Martin and Alex Sulda for assisting 9 Qualies in gaining their Surf Lifesaving Certificates.

The Junior Committee have worked with great enthusiasm in setting up a successful and enjoyable season for the South Port Juniors. Special thanks to Jacky Eastham (secretary); Judith Botha (Junior Development Panel delegate); Andy Whitford (Junior Chief Instructor); Ray Martin Senior (Head Coach); Lyn Staples (Social Secretary); Gary Eastham (Gear Steward); Fred Curran (Parent liaison). The introduction of a special social program, overseen by Lyn Staples, gave the junior program a new dimension this season, with activities such as Splashdown, sleep-overs and the disco.

Our Age Group Managers are especially thanked for their efforts because in addition to their traditional duties, they also had to familiarise themselves with, prepare and teach 10 Surf Education lesson. Special thanks to Gary Eastham for another great effort as board coach and thank you to Greg Higgs for his special effort as March Past coach.

Thank you to the patrols for setting the cans and helping with water cover throughout the season. A big thank you to Janet Puplett for organising the water cover.

Thanks to our captains, Alex Botha and Heidi Sulda for their assistance and congratulations to you both on your selection as Junior Surf Lifesavers of the Year. Congratulations to Alex on his selection to the National Development Team.

A number of our parents have completed courses this year and this will benefit the juniors and the whole Club in many ways.

Level (1) Coaching:

PUBLICITY/PROMOTIONS OFFICER'S REPORT

South Port again received some good publicity of a broad range of our activities. The club is so much easier to promote when members are achieving high standards in competition and maintaining beach safety. We continued to be involved in environmental issues which provided another focus of active club interest to the general community.

My thanks to the 'Southern Times' and 'The Advertiser' for their support in publishing the majority of stories produced this past season. In particular, David Valente, sporting journalist for 'The Advertiser', who was most supportive.

This season saw the introduction of the 'Surf Safety & Sports' weekly column in the 'Southern Times'. Coordinated through State Centre, the column provided not only our club, but our neighbouring clubs, with the opportunity to promote a broad range of activities. Due to the other clubs not providing a consistent flow of information, South Port's activities had a good 'airing'.

The club's internal newsletter, the 'South Port Snippets' continues to be the club's major communication link between the committees and general membership. It is seen as being essential to 'spread the word'. Members are encouraged to take note of all information and event dates promoted in the publication. Feedback would also be appreciated to make the newsletter more interesting for members.

The CPM & S Group of companies continues to support the club with computer equipment for the club's presentation and communication needs. Our thanks again to David Frost and John Burt for their most generous support.

The club's major sponsor for the past season was again the SA BREWING COMPANY. Thanks to Bevan Harris, Graeme Sargent and Grant Warland for their assistance. South Port endeavoured to provide high level exposure for the support through on beach and club signage.

Other major support was again provided by the City of Noarlunga, the state and federal governments, State Centre, Buttercup Bakeries, ACI Insulation and the wonderful support of club godfathers, Gavin and Colin Stagg's FITCH RUBBER. This season also saw a new sponsor come on board in NPS - NORTHERN PLUMBING SUPPLIES. Thanks to John Shaw for looking after the club's junior development.

Our thanks must also go to the list of vice presidents who again assisted in providing much needed funding, goods and services. A recognition list is included in this report.

Thank you again for your support in selecting me to represent this great club as publicity and promotions officer. Let's all work together in promoting South Port as SA's premier surf beach.

Richard "Olly" Olesinski

the past three years. A member of the current STOP State School team, she is currently focusing on the coming Australian Championships to be held down the south coast in early December. Sponsorship from HEALTHY LIFE Colonnades and MID COAST SURF provides her with the surf equipment as well as the opportunity to gain support for a balanced and nutritious diet. Three elements are seen as essential to be successful in the current competitive surf scene. Achieving Surf Life Saving SA's state under 18 overall Women's champion last season as an under 16 competitor, Aisha has set high goals for the coming summer's COCA-COLA Surf Sports Series. Winning 6 gold medals at last year's State Titles in the Open, under 16 and 18 beach area as well as Open Women's Surfboarding competition, she looks forward to passing on her experiences to junior members of the South Port Club.

South Port surf craft improvement

South Port club's surf ski area has made a remarkable comeback to the winner's dias at recent surf carnivals. Under the guidance of Ski captain, Peter Surman, the area trained extensively with the Onkaparinga Canoe Club during the Winter period. The preparation has proved to be a great success and coupled with a scientific training program, the paddlers are now reaping rewards. In particular, Brett Harvey, who is yet to be defeated this Summer at recent surf carnivals. Others who are competing well are Rob Rodcliff, Peter Surman, Richard Byrne and Ashley Pitcher.

Chris Foord

Southport's SLSC's current President, Chris "S" Foord, is a person who, after 28 years of active service to the Southport club, is in a prime position to guide the club into the year 2000. After serving as a member of various committee positions including Social Secretary, Surf Boat Captain, Youth Development Co-ordinator, Senior Vice President and Club President, no one on the management committee can "pull one over" "Dollar".

Besides having an active administrative role within the club, "Dollar" has been, and continues to be, a successful competitive surf life saver. After winning and gaining State medals as a rower in the surf boat arena during the 70's, he took up the arduous task of becoming the club's senior surf boat sweep, the person who gets up the back of a surf boat and steers it straight! Recently, he has swept the club's Open crew to a bronze in the 1994 State Titles and many a club member have had the pleasure to "crack" a big wave with the "Dollar".

Highlights of his surf career include being a Life Member of the club, which whilst in its Jubilee year in 1984, became the State's Premier Surf Club. In particular, he enjoys being part of a unique club that nurtures and encourages long lasting friendships and truly Australian camaraderie.

"Dollar's" vision for Southport's future includes raising community awareness of life saving, in particular, the little club that is needed. He wants to build on consolidating it: a real challenge for any club. Chris "Dollar" Foord is a man with clear vision for the club and he is a community, the Noarlunga Council

was this year's Tower Shag, who tested the icy waters for temperature. He said the water thermostat ranged from a warm 14 degrees, to an icy 10 degrees during the Shag season...

Breaking the hero mould

By DAVID VALENTE

In the age of prime-time ironman series and surf stars turned Olympic heroes, members of South Australia's most successful team at national lifesaving championships do not fit the mould of modern ocean heroes.

But the South Port march past team, after winning its third successive Australian gold medal in Queensland recently, is outstripping the toughest of ironmen, writing itself into the national record books in surf lifesaving's most traditional pursuit. The three gold medals - this year as the only gold medalists from SA - is a record run of wins by any SA individual or team at the Australian titles.

If they can win next year, the precision South Port outfit will equal a record thought almost untouchable - that of four successive titles achieved by Collaroy, Newcastle and most recently by Bundaberg in the 80s. South Port already has a distinction with

Bundaberg in that they are the only two clubs from outside New South Wales that have won even a single national march past title. "New South Wales is the home of surf lifesaving and they guard the traditions jealously. I'm sure it does not give them any joy that we have been successful," coach Bob Mayo said.

Mayo said it was the volume of work the team does and their dedication to the task that has set them apart and the coach gains that dedication by setting an amazing example. Living in Adelaide but working in Sydney, he commutes back and forth every weekend to coach them in the exacting discipline.

Similarly, team member David Donnelly makes a 600km round trip from where he works in Murrayville, Victoria every weekend to attend training. "There's a very strong team spirit, a very strong bond," Mayo said, a testament in a team with ages spanning more than 30 years.

Through the '80s and '90s South Port has established a

position of singular dominance on the beach few could equal, collecting 13 of the past 14 State march past crowns, eight Australian medals since 1985 - three gold and five bronze - and remaining undefeated in the past two seasons at State and national level. Two of the current marchers, pennant bearer Frank Harris and Brian Dixon have been a part of every one of the team's medals since 1983.

"But this has been the most satisfying one because it removes any doubt about the calibre of the team," Mayo said.

"The first two were great but this has been the sweetest because it puts us in a class where other teams recognise us as being something special."

The 1997 championship team was: Frank Harris (pennant bearer), Terry Smallwood (beltman), David Donnelly, Jenny Whitmore, Greg Higgo, Brian Dixon, John Treacy, Richard Oleinski, David Stewart, David Gardner, John Hall, Phil Carter and Frank Drake. Stuart Orr and Peter Sutton marched in the '95 and '96 title wins.

South Port's competition is gaining positions recently. Team selections not far away. Chilcott are vying for place against all states at the Inter February.

Besides ensuring the surfing a danger, South Port surf rescue internal beach volleyball comp. neighbouring clubs to get involved. Various trouble spots along the mid surf rescue patrols. In particular, the attracted youths who are diving into away from this area as it has caused a rescue was recently performed on a by the South Port patrols. Parents are children in all situations within an aquatic

CLUB HOUSE DIRECTOR'S REPORT

The 1996/97 season commenced with a working bee which was supported well by club members. The inside club walls, doors and door frames were painted, the kitchen given a thorough spring clean and fixtures and hooks installed in the Female and Male Toilets. Brackets were also erected to house the portable lights and signs.

Once again this season, the long and tedious job of digging and repairing the septic tank had to be done. Never a pleasant task, but many thanks to Mike Etheridge, Chill and all those who helped.

The raising of the water system from off the floor to make more room for storage of club equipment was completed at the beginning of the season. Thanks Chill for your help and support in completing this task.

I would like to thank Brian Murphy for the excellent job he did in laying new tiles in front of the bar and arranging the donation of these tiles for the club.

I hope we can achieve another successful season in 97/98 with as much support as possible given to the new Clubhouse Director and to the well-being of our great club.

Paul Flurio Howse

COMPETITION OFFICER'S REPORT

The season is finally over and we have several members that we can be proud to say, 'they're in my club'. Firstly I wish to congratulate all those competitors that gave it a go at every carnival, because that's what it is all about.

Congratulations to our March Past team who again were undefeated all year, including the Aussies. Good to see your perfect standards have not dropped (on the beach and at the bar).

Also congratulations to Brett Harvey and Aisha Olesinski who represented the state this year as well as picking up some medals at the state titles at Christies.

The 'A' Veteran boaties deserve a pat on the back for winning gold in their age group. Just goes to show all that training at the bar (and sometimes in the water) didn't go to waste.

Well done to Yvonne Olesinski and her under 21 Marchies for sticking at it and achieving a medal.

Last, but by no means least, a hearty congratulations to all the old farts and their conglomerate of medals. This includes members such as Ray Martin, Martin Chilman, Richard Olesinski, Paul Howse, Mark Wooden and Peter Surman.

Finally I would like to thank Ray Martin and Richard Olesinski for their help with the state title entries and to all the club members for putting up with me in my first year as Comp. Officer.

Let's look forward to a greater year in competition next year.

Thanks!

Rob Radcliffe

BOARD RIDING

South Port Board riders had another good year. In the State competition we faired very well. In fact, South Port won the overall State Board riding competition. We romped it in by 14 points. Well done to all concerned.

Next year we are after more youngsters to continue the tradition of ruling the waves in S.L.S.A.

Medal results for this year are as follows:

Open Women's — Aisha Olesinski - 1st

Open Men's — Stef Olesinski - 4th

Open Mal — Adam Gordon - 3rd

Under 18's — Brad Foord - 1st

— Aisha Olesinski - 3rd

Under 16's — Brad Chilman - 1st

— Heath Hanton - 3rd

Great effort crew!!

Beau Lyons

SURF RACE

The 1996/97 Surf Race season saw the advent of 4 p.m. start time for the Surf Race. This created a positive reaction for the club. We had 80 different competitors from our club ranks and 18 invited non-club competitors. An increase of approximately 30 competitors. This also gave the Junior Club the opportunity to use all club members for water cover. It made our members stay at the Club for the race and afterwards move to the club rooms and socialise. The other aspect was our Junior Club Members who wished to compete with the Seniors and had the opportunity.

The long swim was once again a great day with 51 starters and 49 finishers.

Congratulations to all the section winners but special congratulations to all the competitors who treated the Surf Races as an area of fun and friendly rivalry. Thanks to all the people who assisted me with Water Cover, Patrols and Recording.

Andy Higgs

SHIVERING SHAGS REPORT

We had another typical season for the club's hardy group of winter swimmers.

For long serving shags it was again great to see the huge numbers that braved the icy seas each Sunday morning in winter. We had 27 members on our books, which I reckon would be a club record.

We averaged out at about 20 swimmers each morning and peaked at 22 at the end of the season trip to Moonta.

There were quite a few highlights in the past season which included:-

- a female elected as heavy shag (again),
- Shag's tour to Semaphore - but no Eskimos to be found!
- donation to the club for a new roller door for the club's gear shed,
- a razz end of season trip to Moonta.

The official 1996 Shags Committee was:-

Patron Shag: Kev Watt
 Head Shag: John 'Schmidt' Smith
 Heavy Shag: Janet 'Yetti' Puplett
 Scribe Shag: Zee, but mostly Olly
 Social Shag: John Treacey
 Bar Shag: Big Wal
 Hospitality: Gary 'Emu' Eastham
 Tower Shag: David 'Randy' Randall

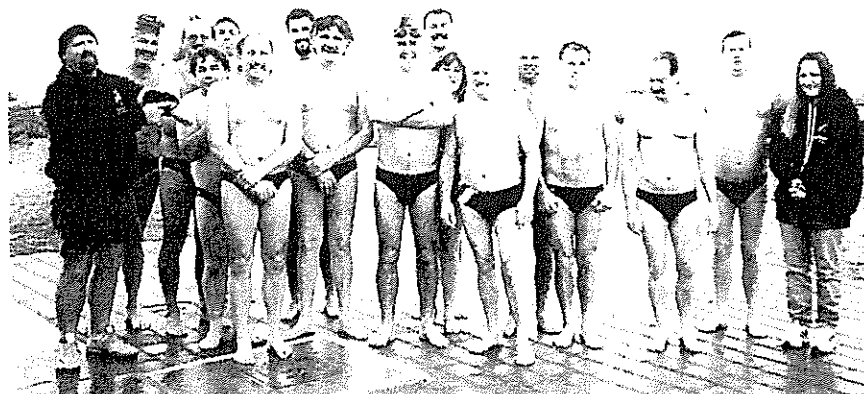

The Moonta trip was a terrific end to a great season. Our thanks to Sam & Bronwyn Treacey for their hospitality, in sometimes 'trying conditions'.

Also many thanks to John Devitt - TL Screenprinters for support with Shags gear.

New members are always welcome and you are invited to join as either a swimmer or social member.

Keep on shagging!

*Richard Olesinski
 (Scribe Shag)*

TREASURER'S STATEMENT

It is the opinion of the Committee that:

- (a) the attached accounts present fairly the results of the operations of South Port Surf Life Saving Inc. for the financial year ended 30 April and the state of affairs of South Port Surf Life Saving Inc. as at the end of the financial year; and
- (b) there are reasonable grounds to believe that South Port Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

Signed at Adelaide this 22nd day of May 1997.

Mark Wooden
Hon. Treasurer

SUMMARY OF FINANCIAL SITUATION AND MATTERS

The 1996/97 season was again another slightly disappointing year financially. While our cash situation improved slightly, with current assets up \$3000 on end of last year, we fell short of our budgeted income target for the year by \$10000. Fortunately, expenditure adjusted downwards to ensure the net budget target was achieved. Nevertheless, if this downward adjustment was the result of deferred expenditure, the pressure on fundraising and other income sources will inevitably increase in 1997/98. I strongly suspect that we have been neglecting capital assets, with depreciation on equipment and buildings outstripping new expenditures, and contributing to yet another deficit on the balance of income and expenditure.

Compared with last season, the main areas of increased revenue were:

- (i) the canteen, where profits were up by 61%, no doubt due in part to the cash bonanza provided by hosting Junior State Titles;
- (ii) clothing, where we actually made a profit for the first time in my tenure as Treasurer (though there is still a fair amount of stock to sell);
- (iii) 'donations', which is dominated by equipment sales and craft subsidies;
- (iv) the grant from the Noarlunga Council; and
- (v) sponsorships (though the figure is still well down on the figure from three seasons ago).

On the down side, profitability in the bar fell by 23%, but then 1995/96 was an extremely good year for the bar.

On the expenditure side, the main features to note are:

- (i) an extraordinary rise in depreciation, reflecting the loss (or non-delivery) of materials needed for the erection of the Wearing St shed;
- (ii) a marked increase in expenditure on the touring team (reflecting the miserly contribution made in the previous season);
- (iii) marked increases in expenditures on telephone and printing, both of which are matters that the incoming committee may need to give attention to.

In conclusion, while our cash reserves have improved slightly over the course of the year, the need to ensure revenue is sufficient to meet planned expenditures remains a constant challenge.

Mark Wooden

AUDITOR'S REPORT

TO THE MEMBERS OF SOUTH PORT SURF LIFE SAVING CLUB INC.

Scope

We have audited the accounts of South Port Surf Life Saving Club Inc. for the year ended 30 April 1997 being the Trading Statements, Balance Sheet and the Statement of Income and Expenditure. The Committee are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on it to the members.

Our audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the accounts. These procedures have been undertaken to form an opinion as to whether, in all material respects, the accounts are presented fairly so as to present a view of South Port Surf Life Saving Club Inc. which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

Given the nature of the operations of South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts so recorded in the books of account of the Club.

Audit Opinion

In our opinion, subject to the above qualification, the financial accounts present fairly the financial position of South Port Surf Life Saving Club Inc. as at 30 April 1997 and the results of its operations for the year ended.

Signed at Adelaide this 21st day of May 1997.
