NOTICE OF MEETING
SOUTH PORT SURF LIFE SAVING CLUB INC.
39th. ANNUAL GENERAL MEETING

Notice is hereby given that the Thirty Ninth (39th.) Annual General Meeting of the South Port Surf Life Saving Club Incorporated to be held at the Club House on Sunday, 7th. June 1998 at 11. 00 am.

AGENDA

1. Notice of meeting.
2. Apologies and proxies.
3. Confirmation of the minutes of the 38th Annual General Meeting of the 1st. June 1997.
4. Business arising from the minutes.
5. Correspondence relating to the Annual General Meeting.
6. Presentation, Consideration and adoption of the Thirty Ninth Annual Report.
7. Presentation, consideration and adoption of the Thirty Ninth Annual Financial Statement and Treasurer's report.
8. Notice of Motions:
 - 8.i. Changes to Club Constitution:-
 - (a) Clause 11 - Club Officers Job Descriptions/Duties:-
 - * President: Delete "Deliberate Vote".
 - * Club Captain: Qualifications now required - Bronze Medallion - Training Officers Certificate/Advanced Resuscitation Certificate.
 - * Promotions Officer: Delete the word "Publicity".
 - * Board and Ski Captain: Abolition of position and the creation of two (2) new positions Viz.: Board Captain and Ski Captain. Both positions to have the same job description/duties pertaining to the relevant craft.
 - (b) Clause 12 - Election of Club Officers:-
 - Delete "fundraising Chairperson" as this position is included in the Job Description/Duties of the Deputy President.
 - (c) Clause 14-Standing Sub-Committees.-
 - * Item (d) - Should be item (4) (Disciplinary Committee).
 - * Item (4) - Reference to Clause 9 to be deleted and Clause 6 to be inserted (Conduct of Members).
 - * Item (7) - Insert "The Deputy President who shall be the Fundraising Chairperson".
 - (d) Clause 18 (ii) - Voting:-
 - * Will now read "General Members over the age of Fifteen (15) and who have passed the Annual Proficiency Test or who have one (1) years full membership of the Club.
 - Clause 19 - Visitors to the Club:-
 - * Delete point (c) "Visitors Book" as this is no longer a requirement of the new Licensing Act.
 - (ii) Nominations of candidate(s) for Life Membership of the Club.
 - (iii) Notice of other motions of which due notice has been given.
9. Declaration of all positions vacant.
10. Election of Club Officers for Season 1998-99.
11. Election of Fundraising Committee.
12. Election of Building Committee.
13. Consideration and adoption of subscriptions and other amounts payable by Members and Officers for Season 1998-99.
14. Determine the maximum amount that the Committee may expend on any one (1) item for Season 1998-99.
15. General Business.

PROCEDURES TO NOTE.-

- A. Members acting as a proxy on behalf of other Members must have the Member's permission in writing.
- B. Members wishing to accept a nomination for a position on the Management Committee or a Club Officer's position and are not present at the Annual General Meeting must have their acceptance of the nomination in writing presented to the meeting.

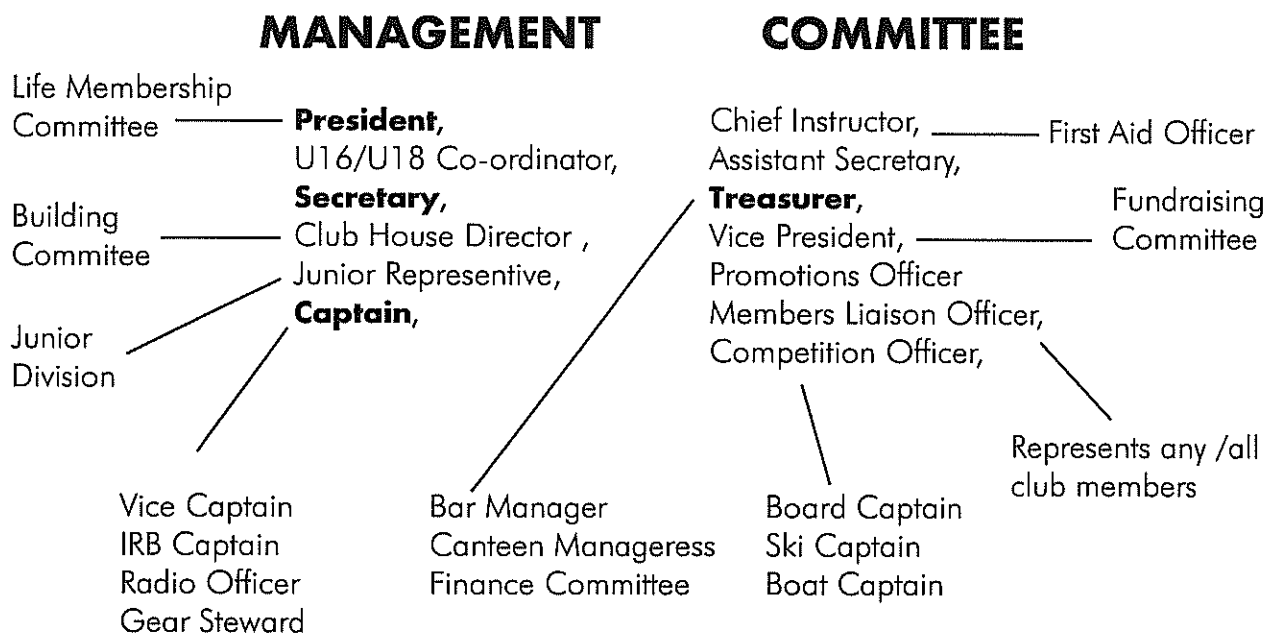

For and on behalf of the Committee,

Christopher Mullins
HON. SECRETARY

MANAGEMENT STRUCTURE

Management of the club is vested in the general committee and its structure is as follows

Executive Committee (in bold)

To deal with emergencies.

Decisions to be ratified by committee

MISSION STATEMENT

To maintain South Port Beach as a safe and enjoyable environment for the public and our members

FORWARD PLAN

Season 1995/96 saw the introduction of a forward plan. Copies of the plan can be obtained from the Hon Secretary. The broad goals of the plan are:

- **To maintain high safety standards of South Port patrols.**
- **To encourage competition as a means to attract and retain members.**
- **To create and maintain a friendly social atmosphere within the club.**
- **To create and maintain an environment in which our members (of all ages) can grow and learn.**
- **To maintain an organisational structure conducive to the smooth on-going operation of club activities.**
- **To maintain good links with local government and the community.**
- **To raise community awareness about the value of South Port Surf Life Saving Club.**
- **To create and maintain a good working relationship with State Centre.**

NAME, AFFILIATION, OBJECTIVES, COLOURS

NAME

The name of the Club is:

"SOUTH PORT SURF LIFESAVING CLUB
INCORPORATED"

AFFILIATION

The Club is affiliated with the Surf Life Saving
South Australia Incorporated.

OBJECTIVES

The objectives of the Club are:

- (a) To minimise the loss of life from drowning by providing patrols and apparatus.
- (b) To adopt the gear, drill and handbooks of the Surf Life Saving Australia, to patrol that portion of Port Noarlunga Beach, south of the reef to the mouth of the Onkaparinga River, or to be on call within the City of Onkaparinga on such days and for such periods as Surf Lifesaving SA shall from time to time determine.
- (c) To promote demonstrations and arrange classes of instruction in lifesaving.

(d) To obtain facilities for lifesaving and to assist the City of Onkaparinga and other public bodies in improving facilities for bathers.

(c) To encourage the physical and social welfare of its members.

(f) To purchase, take on lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges.

(g) To raise funds and borrow monies for the purposes and benefit of the Club upon such terms and such conditions as may be determined.

COLOURS

Club Colours - Navy Blue, White and Green.

Club Badge - A green silhouette of the side elevation of the Standard Reel, the words "South Port" above and "S.L.S.C." below in white lettering, superimposed on a navy blue background.

CLUB TROPHY WINNERS

| | |

| Secretary: | Jackie Eastham | Chief Instructor: | Andy Whitford |

PRESIDENTS REPORT

Last year I posed the question; "Are we heading in the right direction as a Surf Club?" I can honestly say, "I think we are", because I am sure you would have noticed a much happier and a more focused attitude to Surf Life Saving.

The Education and Lifesaving Panel has matured in its ability to delegate and instruct to our high standard, we now have two more EXAMINERS in the club which enables us to assist in Surf Life Saving, and gives us more input into matters at State and National Level. Our core business of Patrolling again had been of our usual high standard, a little hiccup on Christmas Day, but overall well done. Congratulation to the winning patrol – "I wonder who it was?"

The introduction of the Coaching Panel has been a great benefit. Richard Ollesinski brought together an excellent group of enthusiastic members to guide our competitors in training and the administrative side of club policies. Olle's policy of PARTICIPATING I commend, this has got to be our attitude to competition.

The Saturday swims and three Club Champs day were encouragingly supported. I thank Andy Higgs and John Smith for running these events. To all competitors well done! Our two State March Past Teams and Alex Botha, right through to the Under 14's who competed at the Senior States for the first time "IT'S GREAT FUN".

Our Junior Division under Fred Curran's Chairmanship, has contributed to the good name of South Port. Every Saturday a dedicated group of parents guide and encourage our young members in all aspects of Life Saving, Surf Ed, running wades, boards and trying in vain to keep order. I am sure Mike had more hair at the beginning of the season, and I know Emu did.

The Fundraising Committee, well done, you achieved your budgeted target and I'm sure enjoyed fellowship of you fellow committee members. A few functions were not attended as well as we would have liked, but others were.

The Raffle and 100 Club, Chocolates and Wine sales were well supported. I'm sure Zee will go into more detail.

Maintenance of the Clubhouse is an ongoing problem. Mike Etheridge has worked diligently all season but still the Club house looks tired. This coming season we will have to do some major refurbishing and that means money.

Senior and Master State Carnivals were extremely well run and I congratulate Chris Mullins and his organising committee. Special mention to John Devit, John Charles and Chill and to all the members. It was a lot of work but by god we can run a State Champs, SURF AND ALL.

To the committee, I thank you for your efforts this year. There are not too many things we disagree on that proves we all put the Club first and that's good. The Club was represented on most Surf House panels and boards, and this I encourage, we must have our voice heard and these forums are our avenue to this end. The committee nominated members for the Development Camps, and that again should be encouraged.

The Bar Manager David Watt. Thank you! Wal's last year this year and again a great job, a lot of work goes into this position, and all done in Wals usual quiet and professional manner.

The Canteen Manager, Christine Clohessy, Thank you. Chris put her hand up at the beginning of the Surf season and has worked diligently and with great sense of humour all summer. A worthy recipient of our "Most Outstanding Member". To all her helpers I thank you!

Our Sponsors, I thank you, without your support it would be impossible to put a patrol on the beach.

I would also like to take this opportunity to thank the City of Onkaparinga for its support.

To all the members of South Port – support each other, encourage each other, have a go at everything Surf Lifesaving has to offer, think positive and enjoy yourselves.

Chris Foord
President

CLUB SECRETARY

and Annual Review of Club Events

Fellow members and interested persons of the South Port Surf Life Saving Club Incorporated it gives me great pleasure to present to you the thirty ninth annual report and financial statement.

PATROLS

The South Port Patrols performed extremely well again this season apart from one small hiccup. We began the season again with nine patrols but had to cut back due to members work commitments etc. The Club had a new Captain and Vice-Captain who performed extremely well as novices. Well done Greg and Jackie.

AWARDS

Surf Life Saving Awards were down this year compared to last season which was exceptionally high. The Committee needs to constantly review the "Club Forward Plan" to ensure that it is on target for the goals set for the future.

COMPETITION

Congratulations to the Senior March Past Team for yet another Gold Medal at the 1998 State Champs and Bronze at the National Championships. It was most unfortunate that some home town decisions cost the team their fourth consecutive National Gold Medal. Both the Juniors and Seniors again finished mid-field

in their respective State Championships this season. Congratulations to all the competitors involved. The Club did not have a representative in either the Junior or Senior State Teams this season - the first time for quite a number of seasons.

1998 MASTERS STATE CHAMPIONSHIPS

This season saw the Masters State Championships held on a Sunday for the first time and it turned into a major event which will probably be held over two days in future. It was a long day but everyone involved had a great time. Congratulations and thanks to all the Club members who made the day such a great success.

1998 SENIOR STATE CHAMPIONSHIPS

The major event of the season for the Club was hosting the 1998 Senior State Championships during March (the week-end after the Masters State Champs.). Everyone worked extremely hard to make the Championships a great success. Thanks must go to Tony Dyer (State Gear Steward) and Peter Hurst (Ben Hur Sound) for allowing their equipment to be stored in South Port's Clubrooms over the two weeks which made the erection of the competition arena and sound facilities etc much easier. Special mention must go to those club members who

CLUB SECRETARY

and Annual Review of Club Events

gave up their time and income (as most are self-employed) on the Friday prior and the Monday following to set up and dismantle the arena etc. Thank you also to Martin Chilman and his tireless work force personnel - Christine Clohesy and her group of helpers who did a marvellous job with the catering and preparing hundreds of officials lunches etc. over the week-end. David Watt and his group who manned the barbecue tent and bar. The Senior March Past Team for cleaning and setting up the lounge bar area for the VIP Luncheon on the Sunday and Danielle Steel for hosting the luncheon which turned out to be more involved than we thought. Sally Scott and her group of girls for their great job as "Presenters" on the week-end. The carnival and public patrols and the IRB crews. The members from other clubs who helped out all week-end driving and crewing IRB's. Also to people we often over look to officially thank and that's those who don't belong to the club or association but willingly give up there week-ends to drive tractors and 4WD vehicles to bring clubs craft trailer and equipment etc on and off the beach via: John Devitt - Tony Rushby - Brian Steel

and others. Also thanks to Metro Holden for once again loaning the Club a brand new Holden Jackaroo as the Club's courtesy vehicle for the week-end. Thanks to everyone - a job well done.

REGISTRATIONS

Registrations were on a par with last season with 253 registered members this season.

COMMITTEE

The Committee has worked extremely well apart from a few members having problems coming to terms with a few small changes designed to streamline the meetings so they run more smoothly and are shorter. Oh well, we will just have to try again next season

In closing I would like to wish the incoming Committee all the best for the coming season and hope that they stand by the convictions of their decisions and move forward into the twenty first century.

Christopher Mullins
Hon. Secretary.

VICE-PRESIDENTS REPORT

First impressions reflecting on the years fundraising efforts appeared average; however analysing the volume of available funds that were transferred to the general account, all in all it was in fact a very successful year.

The year began with a target of \$18,000. How do we do this? Where do we begin? BUT our jolly band of dedicated fundraising fairies resolved to achieve it. And the result? A more than satisfactory \$21,000.

To achieve such heights the work put in by those gallant few is tumultuous. With this in mind, they must be singled out and given applause for their efforts. To Liz Edge & Pam Etheridge for outstanding contribution generally.

To Heather & Mark Nieass for organising the raffles and 100 club, my most heart felt thanks, as collecting money is a laborious task and sometimes painful. To Dollar & Ollie for so much behind the scenes presentation to prospective sponsors and the procurement of them.

To Geoff Moffat for keeping us on the straight and narrow and letting us know when we needed to extricate a digit and find more funds.

And finally to all those members and associates who freely gave up their time to help sell something, buy something or generally did something, THANKS.

The run down of the years fundraising is as follows:

Major Sponsors:

| | |
|-------------------------|--------|
| S.A Govt. Grants Scheme | \$2500 |
| Pt Noarlunga Hotel | \$2000 |
| Northern Plumbing | \$2000 |
| Britax Rainsfords | \$1020 |
| Mutual Community | \$650 |
| IHK Services | \$500 |

City of Onkaparinga Admin Grant \$2000

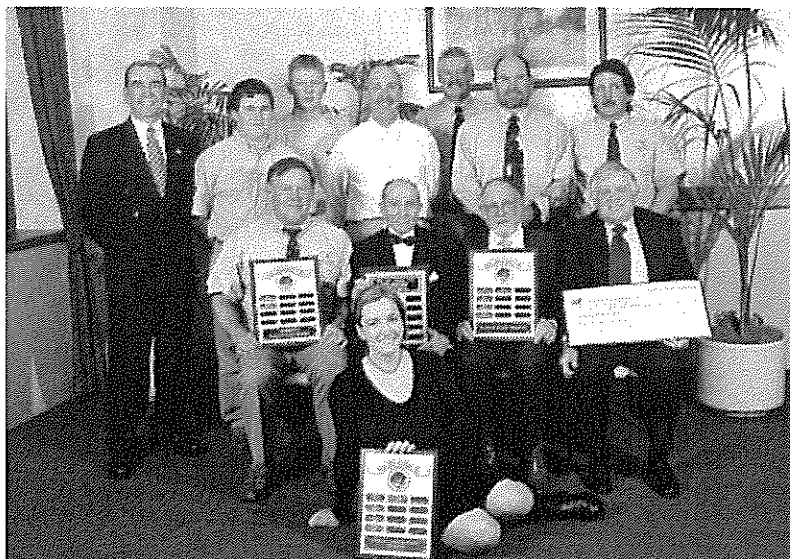

Vice Presidents Scheme: \$3000
Noarlunga Council Dog Scheme \$500

Club Events:

| | |
|--------------|--------|
| Beer raffle, | \$3100 |
| Wine sales | \$1400 |
| Choc sales | \$1300 |
| Misc | \$1630 |

To all of our sponsors and supporters, thank you. We trust you received value for your sponsor dollars. South Port looks forward to continuing its alliance with you and trusts we can continue in season 98/99.

To our members, remember sponsorship and fundraising is a club responsibility as these funds are for all members. Get involved and get serious.

Brian Johns
Vice President

CLUB CAPTAIN

Well done South Port we are moving in the right direction, from the competition area to administration. Thanks to all members and a few non-members for all your efforts. The running of State Titles was the culmination of our hard work in season 1997/98. Special thanks to Martin Chilman and his work force, Chris and Kevin Clohesy and the Canteen Ladies, IRB drivers and crews, the Patrols and everybody else. The effort put in by the club over the two weekends and more is what makes us the best club on the best beach in Australia. Everybody hops in and does their bit to make South Port what it is.

The Patrols this season were run to our usual high standards with the exception of Christmas day, we'll make sure this does not happen again. I would also like to set a challenge to all patrolling members not in patrol 3 to better these guys in the internal patrol competition. Also a look at the hours this group put in is just superb. Thanks to Dean and Liz Colegate, Andy Higgs, Andy Whitford and Janet Puplett for keeping the Patrols on their toes again this season with internal inspections.

A big thanks to Jackie Rawson for her great work as Vice Captain. David 'Bloody' Yates with the IRBs. Janet Puplett First Aid and Dave Jolly Radio Officer and tractor mechanic. These guys made my job easy.

Dean Colegate as Chief Instructor has been busy with squads all year. A big Qualie squad helped boost patrol numbers, along with new

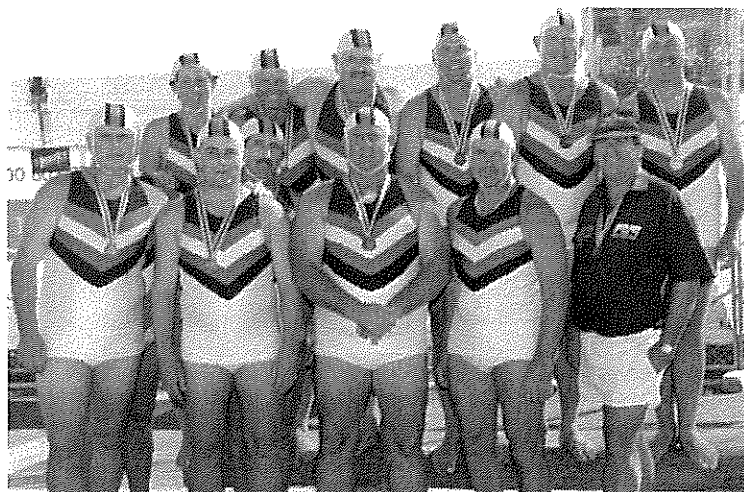

bronze holders later. Congratulations to all involved especially the three involved in the Port Noarlunga case, that is what Surf Life Saving is all about.

Competition this season has moved ahead in leaps and bounds with the formation of the Competition Committee and the have a go policy. Competitors have been coming out of the wood work to do just that and with continued support in all areas South Port is on the road to becoming a force again. Changes to swim times and the three separate days of club champs worked well. The flow of junior members to senior ranks will be made smoother now with the help of Larry Edge Youth Development Officer and I see strong times ahead created from this area. This season we can be very proud of many team and individual performances at Junior and Senior level wearing the navy blue, green and white.

Mike Etheridge Club House Director is my choice for Captains trophy. A tireless worker through out the year fixing things around the clubhouse not to mention his patrol hours, job as Junior Head Coach and work with training courses, a great all round club member.

To all Management Committee members thank you for your wonderful support in running the club. It has been a privilege to be part of such a special organisation. Keep up the good work.

See you all next season.

Greg Higgs
Club Captain

CHIEF INSTRUCTOR

What a great summer this season, our members put in a good effort, gaining new and updating current awards. New candidates were down in numbers this season after last years huge numbers but our standards and effort were no less. It is my pleasure as Chief Instructor to thank all the members who have worked in this area of our club this season.

The Education panel, who are the group of members, I rely on for advice and assistance achieving the clubs goals in training, were this season the following members, Andy Higgs, Janet Puplett, Andrew Whitford, Elizabeth Colegate, Dave Jolly, Mike Etheridge, with John Nearmy always ready to lend assistance when asked. Proficiencies were conducted on a club basis same as last seasons but included an IRB pick up. I reckon this was something new to some of our members, more at home with the belt and reel than a motorised li-lo, but they did it well. This was the first, season that I

have been the clubs Board Liaison Officer, as is John Nearmy (both now called Club Advisers) and it was my time co-ordinating proficiencies. I believe the proficiencies were done well and I thank all members for their patience and dedication in doing it right! Special thanks to those who officiated, Greg Higgs, Liz Colegate, Janet Puplett, (also assistance by Andy Whitford, much appreciated).

Junior Awards, maintain their standard. The age group leader under Andy Whitford's watchful eye as their Chief Instructor, continue to do this work and are to be commended in their role. Special note must be made of Andy Whitford and Keir Puplett who spent great time and effort to train both the Resuscitation and S.L.S.C candidates from the Junior ranks.

Trainers, where would I be without Janet Puplett and Elizabeth Colegate always there and keeping me on track. I would like to thank you both and on behalf of the club, wish you well in your roles as Examiners for the Association.

CHIEF INSTRUCTOR

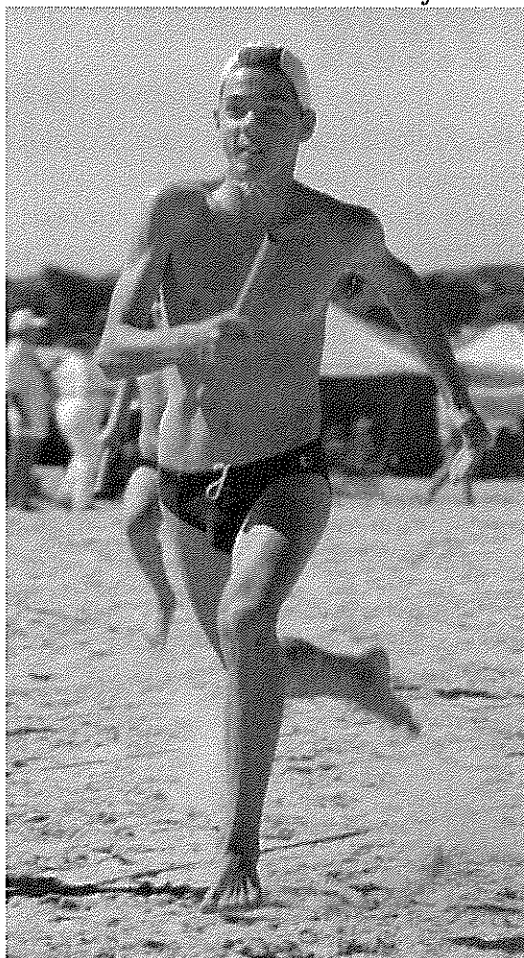

continued

Andy Whitford and Mike Etheridge, top effort guys, what strength the Junior parents bring to the club. Keir Puplett and Sarah Colegate are fine examples of young people's commitment to South Port, both have put through groups this season. Thanks also to Beau Lyons who qualified our IRB Captain this season.

Patrol Efficiency Competition at club level is a credit to the club. The willingness of Patrol Captains and all patrol members, to approach this in a professional manner and as a means to improve their effectiveness as rescue personnel is fantastic. Irrespective of the competition associated with this activity, South Port is the winner. Thanks to Andy Higgs, Janet Puplett, Liz Colegate, Andy Whitford, our guest inspectors and our resilient patients.

Congratulations to all those who participated this season. See you in the surf.

VICE CAPTAIN

Well another season has come and gone, and I must say it was a good one. First I would like to thank all the patrol captains for their work this season, you all did a fantastic job and I hope to see you all doing it again next season. To all patrolling members, thank you for your commitment, without it we would not be the club that we are today.

I would also like to thank everyone that helped out at the Senior State Titles, the IRB drivers, the crew, the public patrols and the carnival patrol who all did a great job, it was especially good to see such enthusiasm from the qualies when it came to patrolling. They got quite a few hours clocked up considering

they didn't get their award until half way through the season. Also for those of you, who may not have heard three of these qualies helped out in a big way in a rescue at Port Noarlunga. Well done guys.

We had three patrol inspections this season, which all went reasonably good. It was good to see not many penalties went out this season and that most patrols started on time. We had four rescues this year and none of them were too overly serious. Good effort guys.

Finally my thanks to Chris Mullins for supporting me in my first season as Vice Captain, without his help I would have been lost. Hope to see you all again next season.

Jackie Rawson
Vice Captain

BOAT CAPTAIN

Seaon 97/98 has been another fairly quiet one in the boat arena with only two crews competing. It was great to see a Junior crew competing for the club with Nathan Howse, Michael Scott, Dan Edge, Justin Pitcher, swept by David Yates, Don 'Bristles' Alexander, Beau Lyons and Brian Johns.

Our most consistent crew was the Masters, made up of Beau Lyons, 'Spider' Webster, Paul Howse, Richard Olesinski and swept by Chris '\$' Foord. This crew gained places in all carnivals and were narrowly defeated by old rivals, Semaphore, in the 180 plus Masters State Championships.

This crew also travelled to the Nationals and only narrowly missed out on gaining a place in the final.

South Port also entered crews in the Seagrim's Outback Surf Boat Challenge at Pt. Augusta,

with the Junior crew picking up a 3rd place in their division.

Thanks also go to our major sponsor, the PORT NOARLUNGA HOTEL, for their continued support, as well as John 'Devo' Devitt's TL SCREENPRINTERS. Sincere appreciation also to Shaz and 'Muncha' Campbell's M & S Plumbing & Gas for our new sweep oar.

To the new season, South Port needs to again become a force to be reckoned with in the boat arena and to achieve this we need to recruit and train more rowers as well as keeping the valuable skills of our existing rowers, so let's get together early and make 98/99 a season to remember.

David Yates
Boat Captain

TOURING TEAM MANAGER

This season saw the club send over one of our smallest teams and supporters to the Aussie Titles at Kurrawa on the Gold Coast.

Competitively, the team had mixed results. The March Past team won a bronze Australian Title medal. Even though their fourth consecutive National Title eluded them, congratulations must go to the team, coach Bob Mayo and assistant coach, George Hann for doing such a great job in maintaining the teams standing as the nation's undeniable March Past team of the 90's.

The 180 plus Masters boat crew made it through a couple of races to the semi finals and missed out by one place in making the final.

Aisha and Stefan Olesinski had a go on the beach and on the mal respectively and will be better for the experience.

It seems as if more members are interested

in making the trip to the titles. Besides our March Past team, beachies, craft competitors and boaties, our Under 21 March Past team will have a great opportunity to gain a medal. The Semaphore team won that event this year after being defeated by our own Under 21 combination at the State Titles.

Alternative accomodation is being checked out at the Tallebudgera National Fitness Camp, as well as unit accomodation. So, if you're interested, start saving your dollars.

Special thanks must also go to our hosts Joan and Rhys Morris from Viscount Towers for looking after all our needs. Finally, to everyone who supported the Saturday afternoon fundraising raffles, thank you.

Richard Olesinski
Team Manager

CLUB HOUSE DIRECTOR

We started this season with a clean and a touch up. The one large job completed was the paving of part of the boat shed. Thanks to Beau Lyons and all who helped.

We did complete quite a few small jobs such as the TV stand, hand driers, shelves, outside shower, notice board and a few small racks. I would like to thank Kevin Clohesy for the locks he supplied and fitted, all up there were seven. We had to replace four exit signs, thanks to Peter and Paul Howse for fitting the signs and Fred Curran for suppling one of the signs. With the locks and sign plus fitting it saved the club

quite a few hundred dollars. The finger painting [pointing] on the outside brick work was not a great success, it is not an easy job, thanks to the people who gave it a go.

Over the next few years the building will need quite a large amount of money spent on the interior and exterior of the club to bring it back to a reasonable standard. Thanks again to all who helped during the year.

Mike Ethridge
Club House Director

PROMOTIONS OFFICER

South Port again received great publicity of our broad range of events coordinated by the club. We continued to be involved in environmental issues which provided another area of club activity to be promoted to the general community.

The past season saw the 'Surf Safety & Sports' weekly column in the 'Southern Times' continue to promote surf safety and sports issues. The column provided not only our club, but our neighbouring clubs, with the opportunity to promote a broad range of activities. Due to the other clubs not providing a consistent flow of information, South Port's activities had a good 'airing'. The COMPLETE CYCLE was again happy to support the page.

The club's internal newsletter, the 'South Port Snippets' continued to be the club's major communication link between the committee and members. It is seen as being essential to 'spread the word'. Members are encouraged to take note of all information and event dates promoted in the publication.

This season saw great sponsorship continue

from our major sponsors, NPS NORTHERN PLUMBING SUPPLIES and the PORT NOARLUNGA HOTEL. Thanks to John Shaw for looking after the club's junior development program and to Neil Summersides' PORT NOARLUNGA HOTEL for support of the club's boat crews.

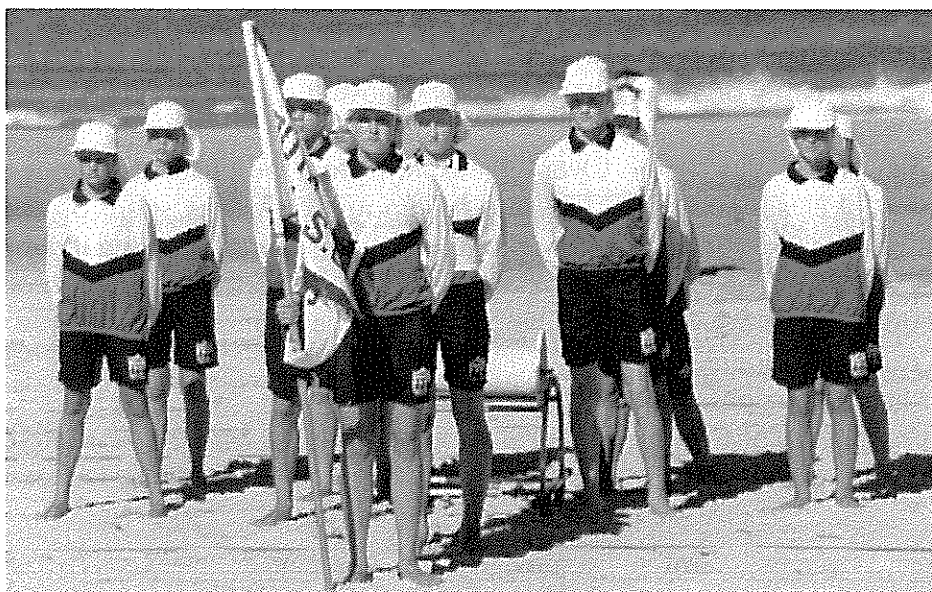

The club also received great support from the City of Onkaparinga, State and Federal governments, State Centre, Buttercup Bakeries, ACI Insulation, IHK Services and continued support from club godfathers, Gavin and Colin Stagg's FITCH RUBBER.

Thanks also to new sponsors, Stuart Baird from CARLTON & UNITED BREWERIES as well as COCA~COLA. We look forward to a long standing, mutually beneficial association in the future.

Our thanks must also go to all of our vice presidents who again assisted in providing much needed funding, goods and services. A recognition list is included in this report.

Let's all continue to work together in promoting South Port as SA's premier surf beach.

*Peter Sutton &
Richard Olesinski
Promotions Officers*

BOARD & SKI CAPTAIN

Off goes another season, the end results medal wise were not as good as last year, but participation was definitely way up, which is a real plus.

This years State and Masters saw South Port beach with prime waves which shuffled the positions around in the heats and the finals.

Medal winners were Alex Botha (Boards), Ashia Olesinski (Ski), Mark Wooden & Peter Surman (Ski), with Rob, Cockle, Gav, Harv's, Warick and Scotty all making it through to the finals. Next year a more concerted effort will be needed from both areas, if we are to be medal contenders.

The good thing is that we competed in 10 times more events than previously. This year the club purchased 4 new Malibu Boards. 1 for Alex, 1 for Stefan and 2 for general use. These craft combined with the Armstrong brothers in the board area now should hopefully lift the competition and training for next season.

On the ski side the club purchased a new Hayden for Gavin Steel (who paddled well in states), a new Burton double (which just made it for states) and an Austflyte for Hooray Martin.

Damage to craft was not quite as high as it was last year, in the general craft area. Members should still take care as your \$50 membership fee is about the cost of a small ding. Most are double that.

Any keen paddlers should contact Nic Tucker at the Onkaparinga Kayak Club to get into winter training, which is beneficial to ski paddlers for training and racing.

Please remember next season when training commences, communication is a key issue to make it work. So if you cannot train, or you wish to train outside training hours, ring someone. The phone numbers are all on the patrol roster.

With more juniors coming through to the senior ranks in the 1998-99 season, please encourage those with potential to enter into the desired craft areas.

Due to work commitments, I will not be standing for this position next season. Thanks to Dollar the committee and competitors for their support.

Peter Surman
Board & Ski Captain

COMPETITION OFFICER

After a couple of quiet seasons in the competition arena, the club targeted this aspect as a major area for emphasis and improvement.

A competition panel was formed and met regularly during the winter and throughout the season. The panel's major thrust was PARTICIPATION. We wanted to ensure that the South Port hat was involved in as many events as we could. I think we achieved that and a marked improvement was more than evident. Thanks to everyone who got involved.

Overall, virtually all areas saw a South Port member involved. The ski area continued to build, the beachies also performed well, with coach, Andy Higgs doing a great job, we even had Taplin teams competing throughout the season and also the board area is improving. Mention must also be made of the boat area where we had an extremely competitive masters crew and right at the other end of the scale, a junior crew for the first time since 1985.

Congratulations to our March Past team who again were undefeated all year in SA, and went on to win a bronze medal at the Australian Titles, Unfortunately they narrowly missed out on their consecutive, record equalling, fourth title in a row.

It was great to see a couple of new areas that we participated in, in particular R & R, Patrol

and First aid competition.

Well done to coaches Vonnice Olesinski and Greg Higgs and the under 21 Marchies for sticking at it and achieving a gold medal at the State Titles.

Congratulations to everyone who had a go at the State Titles, in particular those who gained gold medals. They included Rachel Martin, Alex Botha, as mentioned, both March Past teams and Aisha Olesinski for again winning the Open Women's Board Riding title.

It was great to see such a huge influx of younger members, in particular at the State Titles. The South Port Under 16s are ready to blitz next season.

Finally, congratulations to all the oldies for again doing well at the Masters State Titles. We didn't win as many golds as in the past but competed in all areas. Well done to Mark Wooden and Peter 'Gecko' Surman for powering across first in the 34-39 double ski. However, we did score various other medals in the boat, craft and swim areas. Thanks for PARTICIPATING.

Let's ALL work together and look forward to a bigger and better year in competition next year.

Richard Olesinski
Competition Officer

FIRST AID OFFICER

The last season was much more enjoyable as I was more settled in my role as First Aid Officer. The number of first aid cases was down, recording a total of 115. These were split into cases and 108 minor cases and 7 more serious cases. The most serious being a heart attack and heat stroke casualty.

All members filled in their casualty sheets and noted first aid cases without having to be asked. Our drive for new blankets was astounding with 6 wonderful new blankets being donated to the club. I would like to thank these people.

I am in the process of ordering the new type "stiff neck" collar (adjustable) to make this side of resuscitation easier.

A first aid course will be run through the winter to update people and for any new people who wish to receive new skills.

This year also saw our first entry for a while in the first aid competition, with Sue Stewart

and Keir Puplett competing. As Sue will be in Vietnam for next season we will be looking for a replacement for this coming season's competition. You must have your life saving first aid certificate or another recognised certificate in first aid.

As we hosted the Masters State Titles this year we anticipated a few aches and pains. The ice packs were on the beach and were regularly used.

During the State Titles there were very few first aid cases and this only goes to prove the point that South Port know how to run these events.

Thank to Dean and Liz Colegate who helped to make my job a lot easier and I hope that whoever does this job for the coming season will receive the same support from all club members that I have had.

Janet Puplett
First Aid Officer

JUNIOR COMMITTEE

We had a very busy season with many new faces to fill positions within the Junior Ranks, which culminated with Junior State Titles held at Port Noarlunga in early March. South Port performed extremely well in both water and beach areas.

We finished seventh overall with a score of 94 points. Jackie Staples for U/9 Swim and U/9 Wades and Ryan Curran for U/11 Individual Board won gold medals, for a second successive season. With placings in the top three for the first time for many children.

Again this season we were fortunate to be allowed to purchase another four new Genesis boards which allowed our children to be competitive with the other clubs.

The Junior Committee have also been active with many projects over the winter. Special thanks to Jacky Eastham (Secretary), Andy Whitford (Junior Chief Instructor), Mike Etheridge (Junior Head Coach), Gary "Pink Fin" Eastham (Board Coach), Judith Botha (Junior Development Panel Delegate), Pam Etheridge (Social Rep), Ray Martin Snr (Swim Coach), Rob Morgan (Gear Steward), Peter Strilchuk (Parent Liaison), Janet Puplett (Water Cover Co-ordinator), Liz Edge and Heather Nieass (Fundraising).

Bronze Medallions

Jane McGarry
Paul Edwards

CPR Resuscitation Certificate

Jane McGarry

Advanced Resuscitation Certificate

Larry Edge
Stan Nowakowski
Susan Stewart

Age Group Managers again have done another great job, Pam Etheridge, Mark Wilkins, Beau Lyons, Rob Morgan, Maxine Ruthenberg, Kevin Clohesy, Chris Ruthenberg, Les Brewster, Judith Both, Liz Edge and Peter Strilchuk lasted through a very busy season with six carnivals, the Nipperthon and then Junior States. Outstanding credit to Gary Eastham, Larry Edge, Ray Martin Snr, Andy and Greg Higgs for coaching / training all areas of Surf Lifesaving to our children.

We had forty two children complete their Surf Education Award, nine for Resuscitation Awards and ten children successfully pass their Surf Lifesaving Certificates. Thanks to Andy Whitford, Keir Puplett, Dean and Liz Collgate for looking after this very important area for us.

Again a huge thank you to all the patrols and water cover personnel under the beady eye of Janet Puplett.

Thanks to our Junior Captains Tim Edge and Tara Puplett for their leadership and assistance and congratulations on being selected as South Port's Junior Lifesavers of the Year.

A number of parents completed new awards, which will benefit South Port in many ways,

Radio Officers Certificates

Jane McGarry
Paul Edwards

Advanced Resus Instructors Certificate

Mike Etheridge
Janet Puplett

Thank you to everyone in South Port for helping me through my first year

Well done gang.*

MEMBERS LIAISON OFFICER

Where did this season go? It was busy but a successful year in all areas, thanks to all members both junior and senior.

Midway during the season I took over the position from John Treacy (as John has now moved to Moonta). Although I have been on many committees, it never ceases to amaze me how hard these members on the committee work. Input is never ending and believe it or not they usually finish a meeting with a smile.

Being absent from the juniors for a few years,

we have gained a lot of new faces, so this year I tried to get to know a few and hopefully more next year. The junior parents are such a strong section of the club that participates in all areas which was evident during masters and senior state titles. I would like to congratulate Paul Edwards and Jane McGarry who gained their bronze awards this year. Don't forget a parents squad is great fun so talk among yourselves and we'll get a bronze squad together early in the new season.

Well that's enough from me have a good rest during the winter and we'll see you for a great 1998-99 season.

Liz Colegate
Members Liaison Officer

GEAR STEWARD

Another season goes by. Things went reasonably well. Some of the patrol gear wasn't repaired as quickly as some would like. So in future maybe try and have those things done in the off season.

The tractor is still running and registered, so whoever is on it look after it because we need it.

The IRB trailer finally snapped at about 8pm half way between Southport and Pt. Noarlunga, the night the State Titles finished. "R.I.P." Another one is on the way.

I was pleased with the way most of the gear was looked after and stored, especially the tents.

The boat or gear shed is a bit of a mess but once the paving has been finished that will change. It is not to be turned into a junk storage area. Keep it clean!!!

Special thanks to Devo and Steelo for the tractors at the States and of course M.D. "Chill" Chilman. Thank you from the Club.

Well that's it from me so all the best for next season.

Beau Lyons
Gear Steward

SHIVERING SHAGS

The Shivering Shags had another outstanding turnout of a record 28 tough and gritty ladies and gentleman braving the chilly, winter surf. As always, there much showing off, feeble

excuses, false accusations and dummy spitting resulting in warnings, shallow apologies and an abundance of fines. Fines for bad behaviour enabled us to raise \$500, donated back to the Club for a new Junior Honour Board. (So where is it?)

HIGHLIGHTS:

- Penetrating Probe To Pinnaroo Tour ——— surfing on the dam.
- End of season trip to Goolwa ——— what state was Bones in when he tested his skull bones on the bedside cabinet? Probably showing off.

AWARDS:

- Yartsey won the coveted 'girlie frock' award but because the sook didn't turn up it was awarded to Treacey who seemed to enjoy showing off his lingerie. Milky refused to wear the runners up dress, a lovely little yellow number.
- Chill won the prestigious 'over the top' award.
- Yetti won 'spit the dummy' for constantly sticking her tongue out. Conduct unbecoming a shag.
- Wal won 'wave of the day'.
- Randy, for convoluted Tower Shag reports won the b — s—t award.

THE COMMITTEE:

- Patron Shag Kev Watt
- Head Shag John 'Schmidt' Smith
- Heavy Shag Janet 'Yetti' Puplett
- Scribe Shag Larry 'Chalky' Edge
- Bar Shag Dave 'Wal' Watt
- Hospitality Shag Gary 'Emu' Eastham
- Tower Shag David 'Randy' Randall

The new season starts 14/06/98, 10a.m., in your bathers, on the slab. All new members are welcome and promised a warm and friendly induction.

See you there,
Larry "Chalky" Edge
Scribe Shag

SURF RACE

During the past season the Surf Race has created a competitive interest for most of our members. This made my job both simple and enjoyable. The start time had to be adjusted twice during the season to comply with training and the Junior Division. Both were well accepted and now we start at approximately 4.45pm on Saturdays. This allows all training to be completed by 4.30pm with the final event of the day being the Surf Race and then our members can retire to the Club Rooms to socialise at the bar or what ever they please. There were 79 individual competitors this season of which 95%

competed more than twice indicating the Club Members are again enjoying a competitive spirit. The Annual Long Swim was successful, the weather was perfect and it was strongly competed. The top swimmers almost broke through the handicaps, which indicates that I am on the right track. The swimmers who are there to enjoy the swim participated keenly. Congratulations to all who participated and my thanks to all who assisted in the form of timekeepers, water cover or laying the cans. The traditional last Surf Race was keenly contested and the fun that each competitor had was pleasing. I will create a tougher course next season.

BEACH RUNNING TEAM

The 1997-98 season has just been completed and was successful. My reason for this is that as the Coach I was determined to have as many Relay teams compete at the State titles as I could. I explained my aim to the competitors at the start of the season when I was seeking their personal aspirations for the season. At the State Titles we competed every Beach relay bar one and that was an administrative mistake not the competitors. It was a pleasing as the Coach, the squads grew as the season progressed. The support from other disciplines was encouraging the Boat, Board and ski Squads worked in close liaison with us. My thanks to Chris Foord, Larry Edge and Mike Etheridge who encouraged the Junior Members to participate in training. I had set a programme, which incorporated both relay and individual training. Training twice a week plus competing on Sundays when there was a Carnival. These sessions peaked for the up and coming events. The Old Boys (Masters) were quite amazing with their training sessions providing the enthusiasm for our U/21's. We had several sessions with over 25 athletes training. Congratulations has to go to the female athletes who at the start of the season did not believe in their own ability but who at the State Titles were so close to winning a medal

and that was inspirational. The most improved runner of the season was Danny Edge who while doing his Year 12 trained exceptionally well and finished of the season with a sixth in the final of the U/18 beach sprint.

Aisha Olesinski had a good season even though she was plagued by injuries. Aisha represented the Club at the Freshwater Carnival in January and was placed fourth in the sprint and the flags. At the Glenelg Carnival she broke a bone in her hand which interrupted her training for at least six weeks. Aisha also completed her Year 12 studies and is now at Uni. At the State Titles she again broke the same bone in her hand. Aisha finished fifth in the sprint. Adam Chilcott had an excellent season with many wins in the Beach Flags. At the State Titles he ran out of luck and was disqualified when down to the last four competitors. There were a series of breaks by other competitors. Adam, who had to have been the favourite, succumbed to a break and he walked, before the judge ruled who led the break. To me that displayed the honesty to which Adam holds himself. To all the South Port Beach-Running Team my congratulations and I am sure the Clubs as well you did yourselves and me proud. I will see you all back on the track for early winter training.

Andy Higgs

TREASURER

AUDIT

By arrangement with our Auditors I was able to have the Club books assessed each month. This was of great assistance as it allowed the finances of the Club to be monitored and advice provided to me to ensure that our obligations were met.

BUDGET

An attempt was made to provide a cash flow budget in which expenditure was allocated to the specific areas of club functions such as life saving, competition etc. with the official in charge of that area responsible for the cash flow. This worked with some success however we tended to look at what we allowed for expenditure and not how we were going to raise the money.

I believe that this is an area that should be improved so that we can manage our cash flow more efficiently.

A new coding system was adopted to identify all the accounts. Income and expenditure has been allocated under these new accounts and because of this a number of items compared to the following year will show some variation or have a nil balance.

The financial statement for the season 1998/99 will reflect this new approach.

BAR ACCOUNT

This is still the main earner for the Club and the turnover has been reasonably consistent.

Managing the bar is a big job and needs a methodical approach to achieve success.

We have been fortunate to have David Watt as manager for the last three years and have benefited from his skills and application.

CANTEEN ACCOUNT

Although turnover is down the canteen functioned well under the management of Chris Clohesy and proved to be a viable income producer. The work in the canteen can be very arduous but Chris and her team put in the effort and were able to produce a creditable result.

CARNIVAL

An analysis of income to expenditure for the Masters and State Carnivals showed little financial benefit to the Club. In round terms the nett gain was less than \$200. Greater financial benefit should be expected if the Club is to manage a carnival again.

ACCOUNT

You will note that the closing stock balance for this account is high. We ordered too many clothes for last season, including patrol wear and had some difficulty with pricing and purchases on credit. It has been agreed that no purchases will be made next year, with the exception of some hats, and that no credit will be given. Vonnie and Reenie undertook a very hard job and acquitted themselves admirably.

COUNCIL GRANT

With the help of Bill Jamieson from Christies Beach SLSC and Rhonda Cunningham of Port Noarlunga SLSC, a submission was made to the Onkaparinga Council to increase their \$2,000 annual grant. This application was made on behalf of the five clubs in the council area.

Recommendations have been made in Council for the grant to be increased to approximately \$7,000 per annum, subject to inflation and we will be advised of the outcome in July.

EQUIPMENT AUDIT

A full equipment audit was completed this year and all gear that was capable of being numbered was treated accordingly. This will

TREASURER

be a base audit and will be updated in November of each year.

GEAR PURCHASES FOR MEMBERS

A new agreement is to be put in place next year varying the financial arrangements for repayment to the Club.

INSURANCES

The clubhouse was revalued for insurance purposes. The replacement cost is now estimated at \$540,000.

THANK YOU

I would like to thank the following people for their assistance this year:-

Kylie Christison of Tilley Murphy Hughes
Chris Mullins
David Watt
Chris Clohesy

Vonnie Olesinski

Reenie Watt

Chris Foord

All of the Fund Raising Committee

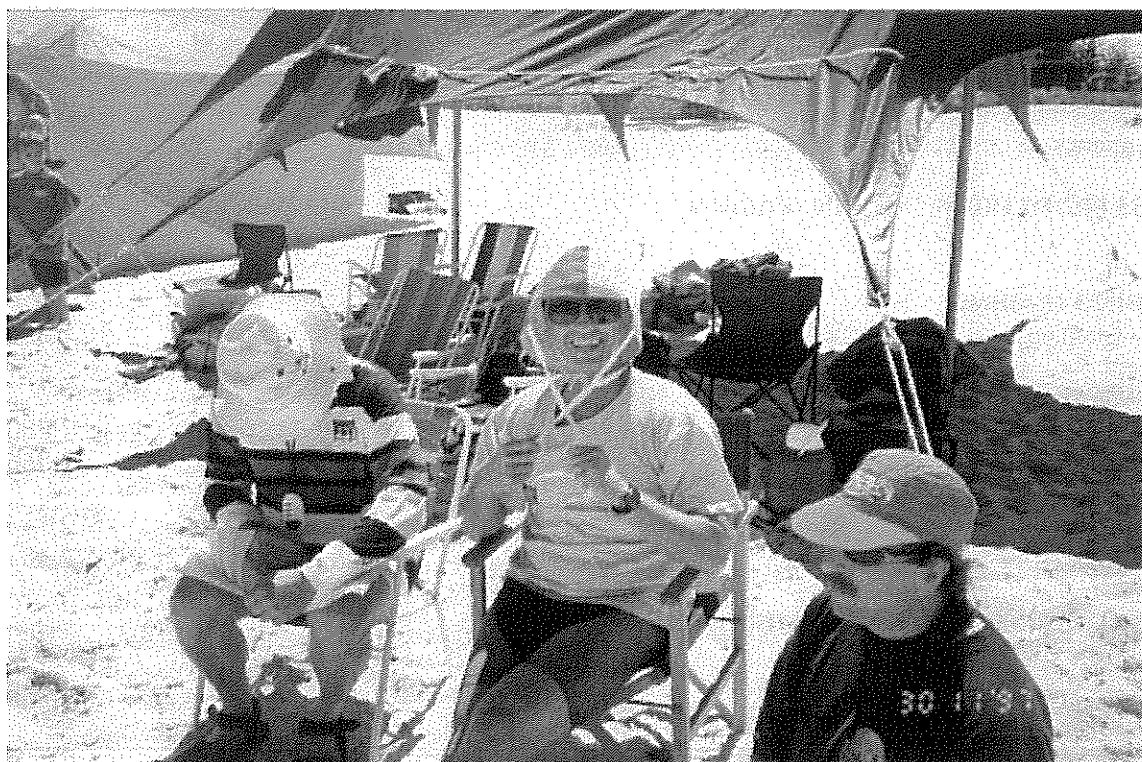

Bill Jamieson, Christies Beach SLSC

Rhonda Cunningham, Port Noarlunga SLSC

CONCLUSION

All jobs have their good and bad parts. The Treasurer's job is no different. I appreciated all the help that I got from many of the members this year, it made my job more enjoyable. The financial management of the Club is an area that I feel could become more dynamic and satisfying providing the Club and the incumbent Treasurer with greater worthwhile challenges. An increasing business like approach, as we have to some degree achieved this year, will guarantee this.

GEOFF MOFFAT
HON. TREASURER

INDEPENDANT AUDIT REPORT

TO THE MEMBERS OF
SOUTH PORT SURF LIFE SAVING CLUB

Scope

We have audited the financial statements of South Port Surf Life Saving Club Inc. for the year ended 30th April 1998, being the Balance Sheet and Statement of Income and Expenditure. The Committee are responsible for the preparation and presentation of the financial statements and the information contained therein. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free of material Misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements. These procedures have been undertaken to form an opinion whether, in all material respects, the financial statements are presented fairly so as to present a view of South Port Surf Life Saving Club Inc. which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

Given the nature of the operations of South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts so recorded in the books of account of the Club.

Audit Opinion

In our opinion, subject to the above qualification, the financial statements present fairly the financial position of South Port Surf Life Saving Club Inc. as at 30th April 1998 and the results of its operations for the year then ended.

Tilley Murphy Hughes

.....
Partner: Simon Linden

Signed at Adelaide this 29th day of May 1998
