

**SEASON 1998-1999**

**40<sup>TH</sup> ANNUAL REPORT & FINANCIAL STATEMENT**

The Editor reserves the right to make  
any mistakes (spelling or otherwise)  
that he deems appropriate!

**NOTICE OF MEETING**

**SOUTH PORT SURF LIFE SAVING CLUB INC.**

**40th. ANNUAL GENERAL MEETING**

Notice is hereby given that the Fortieth (40th.) Annual General Meeting of the South Port Surf Life Saving Club Incorporated to be held at the Club House on Sunday, 20th. June 1999 at 11. 00 am.

**AGENDA**

1. Notice of meeting.
2. Apologies and proxies.
3. Confirmation of the minutes of the 39<sup>th</sup> Annual General Meeting of the 7th. June 1998.
4. Business arising from the minutes.
5. Correspondence relating to the Annual General Meeting.
6. Presentation, Consideration and adoption of the Thirty Ninth Annual Report.
7. Presentation, consideration and adoption of the Thirty Ninth Annual Financial Statement and Treasurer's report.
8. Notice of Motions:
  - 8.i. Presentation and Adoption of the New Club Constitution - By-Laws and Club Officers Duties/Job Descriptions
  - (ii) Nominations of candidate(s) for Life Membership of the Club.
  - (iii) Notice of other motions of which due notice has been given.
9. Declaration of all positions vacant.
10. Election of Club Officers for Season 1999 - 2000
11. Election of Fundraising Committee.
12. Election of Building Committee.
13. Consideration and adoption of subscriptions and other amounts payable by Members and Officers for Season 1999 - 2000
14. Determine the maximum amount that the Committee may expend on any one (1) item for Season 1999 - 2000
15. General Business.

**PROCEDURES TO NOTE.-**

- A. Members acting as a proxy on behalf of other Members must have the Member's permission in writing.
- B. Members wishing to accept a nomination for a position on the Management Committee or a Club Officer's position and are not present at the Annual General Meeting must have their acceptance of the nomination in writing presented to the meeting.

For and on behalf of the Committee,

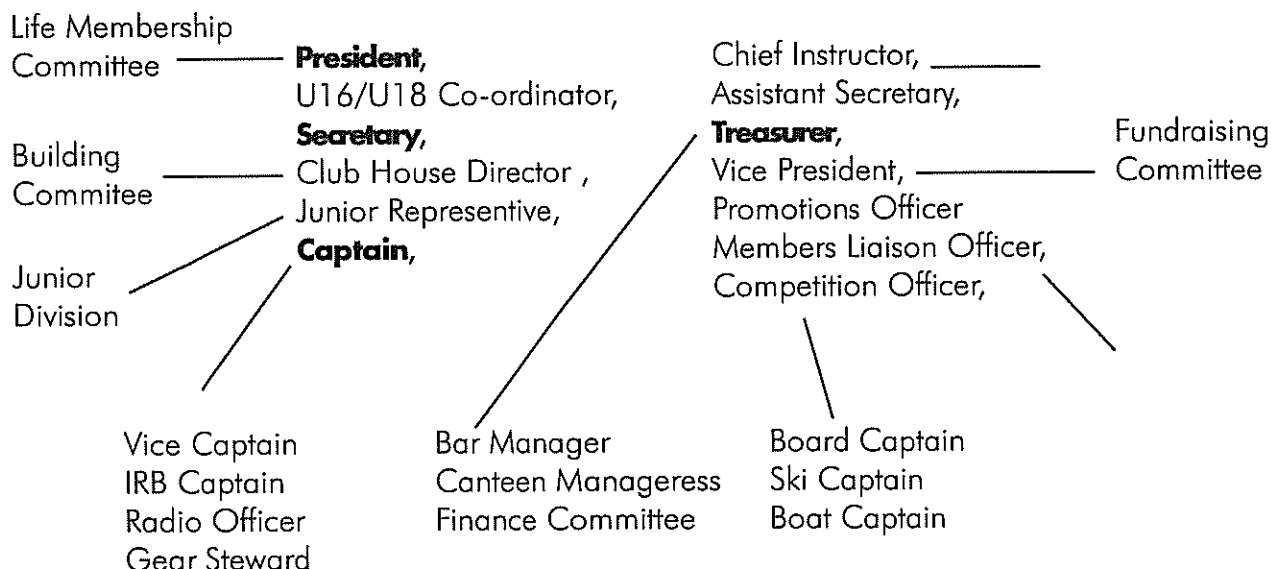

**Christopher Mullins  
HON. SECRETARY**

# MANAGEMENT STRUCTURE

Management of the club is vested in the general committee and its structure is as follows

## MANAGEMENT

## COMMITTEE

### **Executive Committee (in bold)**

To deal with emergencies.

Decisions to be ratified by committee

# MISSION STATEMENT

**To maintain South Port Beach as a safe and enjoyable environment for the public and our members**

# FORWARD PLAN

**Season 1995/96 saw the introduction of a forward plan. Copies of the plan can be obtained from the Hon Secretary. The broad goals of the plan are:**

- **To maintain high safety standards of South Port patrols.**
- **To encourage competition as a means to attract and retain members.**
- **To create and maintain a friendly social atmosphere within the club.**
- **To create and maintain an environment in which our members (of all ages) can grow and learn.**
- **To maintain an organisational structure conducive to the smooth on-going operation of club activities.**
- **To maintain good links with local government and the community.**
- **To raise community awareness about the value of South Port Surf Life Saving Club.**
- **To create and maintain a good working relationship with State Centre.**

# NAME, AFFILIATION, OBJECTIVES, COLOURS

## NAME

to time determine.

The name of the Club is:  
"SOUTH PORT SURF LIFESAVING  
CLUB INCORPORATED"

- (c) To promote demonstrations and arrange classes of instruction in lifesaving.

## AFFILIATION

The Club is affiliated with the Surf Life Saving South Australia Incorporated.

- (d) To obtain facilities for lifesaving and to assist the City of Onkaparinga and other public bodies in improving facilities for bathers.

## OBJECTIVES

The objectives of the Club are:

- (a) To minimise the loss of life from drowning by providing patrols and apparatus.
- (b) To adopt the gear, drill and handbooks of the Surf Life Saving Australia, to patrol that portion of Port Noarlunga Beach, south of the reef to the mouth of the Onkaparinga River, or to be on call within the City of Onkaparinga on such days and for such periods as Surf Lifesaving SA shall from time

- (c) To encourage the physical and social welfare of its members.

- (f) To purchase, take on lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges.

- (g) To raise funds and borrow monies for the purposes and benefit of the Club upon such terms and such conditions as may be determined.

## COLOURS

Club Colours - Navy Blue, White and Green.

Club Badge - A green silhouette of the side elevation of the Standard Reel, the words "South Port" above and "S.L.S.C." below in white lettering, superimposed on a navy blue background.

		Hon. Auditors:	Tilley, Murphy & Hughes

Chair:	Fred Curren	Head Coach:	Mike Etheridge
Secretary:	Jackie Eastham	Chief Instructor:	Andy Whitford

# P R E S I D E N T

**C**hange, sometimes it's hard to accept. In 1998-1999 we as well as everyone else must be prepared to change. A Surf Life Saving Club is not just a Surf Life Saving Club anymore, we are a community based service club and if we do not accept this we will not survive. As you all know this year the Onkaparinga Council upgraded our annual grant from \$2,000 to \$7,000. Thanks I might add to Geof Moffat from South Port and Ronda Cunningham from Pt. Noarlunga for submitting a detailed costing of placing a patrol on the beach. This submission was forcefully placed before council by Councillor Bill Jamison who was the driving force for the whole submission. I am extremely grateful to Bill and Councillor Arty Ferguson for supporting and pushing this increase in our, and all Mid coast surf club annual grants. The whole of the \$7,000 grant went towards purchasing a new I.R.B.

The Onkaparinga Councils attitude to Surf clubs in the Mid coast has been nothing but positive and I congratulate them for finally appreciating what these clubs do for the beach going public. The Council also has engaged Consultant Woods & Baget to draw up and price the optimum surf clubhouse. This clubs sub committee spent many hours attending meetings with these consultants and came up with what we believe is a clubhouse to take us well into the 2,000's. Now we will have to do the real work and come up with an affordable building, but if your not in it, nothing happens.

This season again no lives were lost during patrol hours and I thank all patrol captains and their patrol members for their vigilance and support. This is what it's all about and I would hope you all are back next season. This season we ran only 6 patrols. I feel we have plenty of members to have 10 patrols but we need the appropriate number of patrol captains and I.R.B. drivers. I know Jackie Rawson our Vice Captain until work commitments vested her from continuing had great problems in getting members to fill these positions, so put your hands up you younger members, it's your turn.

To those who gained awards, well done. To the new Bronze and Qually holders, congratulations it was a long process, but I thank you for your patience. Our chief instructor Andy Whitford, I feel has done an excellent job under difficult circumstances and I thank him. As always we had a few problems in our education section but I am pleased to hear this section are preparing themselves for the forthcoming season.

To the competition side of our club, what a marvellous improvement, we are starting to show our potential. I congratulate the competition Panel chaired by Olle, 4 years ago we competed in 15 events out of 95 at the state championships. This year over 60 events carried the South Port hat. I am sure Olle's report will be very large and interesting.

Our Junior Division, all looks well but I can see we need to recruit, our numbers are down as are all clubs in the Mid Coast, the clubs in the Gulf, are not having this problem and we must address this in the winter.

As you read through this annual report you will see many people contribute their time and knowledge to make our club successful. One division which spends a lot of time is our Fundraising Committee chaired by John Smith. John lives at Prospect but still finds time to attend 3-4 meetings monthly, plus his State Centre duties. I thank John and his committee for the magnificent job they have done. Again Johns report should be interesting reading.

To our sponsors, I thank you, without your support we would be unable to place a patrol on the beach. Our competition would suffer. I must remind you that no competition equipment is purchased until all life saving equipment is replaced and updated for the coming season.

# PRESIDENT *still*

To Chris Clohesy our Canteen Manager, a great job, thank you and I hope more members volunteer there services to help next season.

Firee our Bar Manager, Well done, A lot of work in this job and Mark performed well under difficult circumstances at times. Thanks mate and give up smoking!

To our Catering Officer, CHEF and I'm happy to say our Most Outstanding Member a great job. Emu must be enjoying the break since the 40th party where he did an outstanding job.

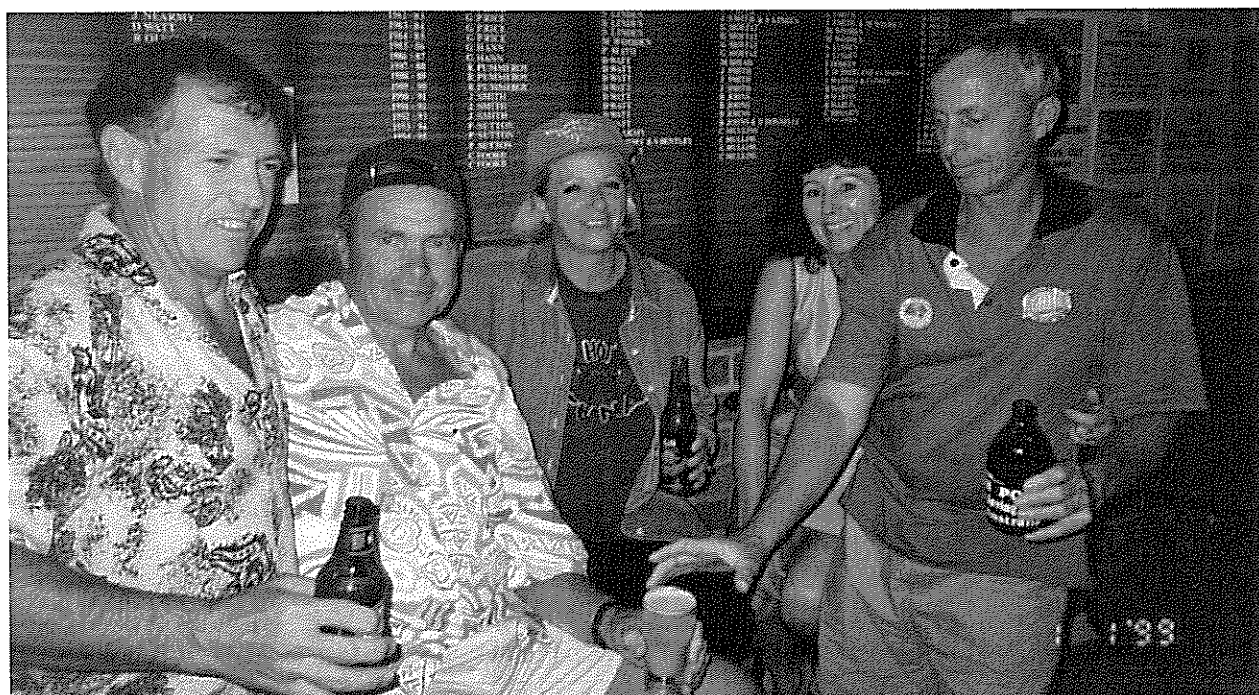

To Vonnie Ollie our apparel officer, a fair bit of mucking around in this job and I thank you. Everyone appreciates your effort.

Our 40th Anniversary Celebration in April. What a week, Wednesday at Dawn and Dennis Ferret's home for the cocktail party was truly a fabulous evening. Saturday and 250 past and present members had a great time reliving all their past exploits. And again on Sunday for the recovery Roast, not as many people but just as much fun. Don't forget the whole forthcoming season is still our 40th Year, so be prepared for more entertainment. To the 40th committee, Bristles certainly showed his organising ability and with his committee certainly produced the goods.

Finally, I would like to take this opportunity to remind all members that our Club is run by volunteers and I implore all of you to make an effort to participate in the running of the club. It is time for a lot of you to stand up and make a greater commitment and lesson the load on the few that do more than their share.

In closing, thank you all.

*Chris (\$) Foord*  
President

# SECRETARY

**F**ellow Members and interested persons of the South Port Surf Life Saving Club Incorporated it gives me great pleasure to present to you the Fortieth Annual Report and Financial Statement.

## PATROLS..

South Port Patrols performed well again this season including a good turn out on Christmas Day by some very dedicated Members. Well done to those involved. It was unfortunate that Jackie Rawson had to resign her position as Club Vice-Captain due to a new career move. Greg Higgs took on both roles as Captain and Vice-Captain for a time with David Watt filling the position of Vice-Captain later in the season.

Well done to everyone.

## AWARDS..

Surf Lifesaving awards were up slightly compared to last season but still a long way from the accomplishments of 1996-97 season with nearly one hundred awards completed including twenty four (24) Bronze Medallions! The Club "Forward Plan" needs to be revisited on a regular basis to ensure its on target to achieve the goals set for each season and not just pay the document "Lip Service".

## COMPETITION..

Again both the Juniors and Seniors finished mid-field at their respective State Championships this season. Congratulations to the Senior and Under 21 March Past Teams on winning Gold Medals at the Senior State Championships and on their accomplishments at the 1999 National Championships. Congratulations and well done to all competitors and coaches for their efforts. Also well done to Andy Higgs on conducting the internal Club Champs days - Weekly Swims and Club Long Swim, ably assisted by John Smith. The amount of data Andy has produced on individual performances at these events is incredible and an invaluable record.

## FUNDRAISING..

Congratulations to the Fundraising Committee on its great efforts during the season especially John Smith as Chairperson for his tireless efforts and new innovative ideas for fundraising. Well done to the Fundraising Committee for its positive efforts during the season and hopefully the incoming committee will keep up the high standard.

## 40th. ANNIVERSARY CELEBRATION..

Well done and congratulations to everyone involved in organising the 40th Celebrations

# SECRETARY

of the Club. Especially Don Alexander, Chris Foord and the other hard working members of the Organising Committee. The number of people who attended the Saturday Night Function at the Club was outstanding. Well Done everyone!

## REGISTRATIONS..

Registrations were up compared to last season from 253 to 285 an increase of 32 Registered Members.

## COMMITTEE..

The Committee worked reasonably well this season with the usual "change over" of personnel during the year. As well as the usual sub-committees, we had small committee who worked very hard in re-writing and bringing up to date the Club Constitution-By-Laws and Club Officers Duties. Thanks to John Smith - Chris Foord - Brian Johns who worked with myself to achieve the Changes.

It is very disappointing to see "tried and true" and "fail safe" structures and systems

discarded so that certain personalities can put their own personal little stamp on things and then sadly everything goes array.

Why try and fix something that is not broken and is fail proof? It takes real character for a person to admit they are wrong or don't know and ask for help

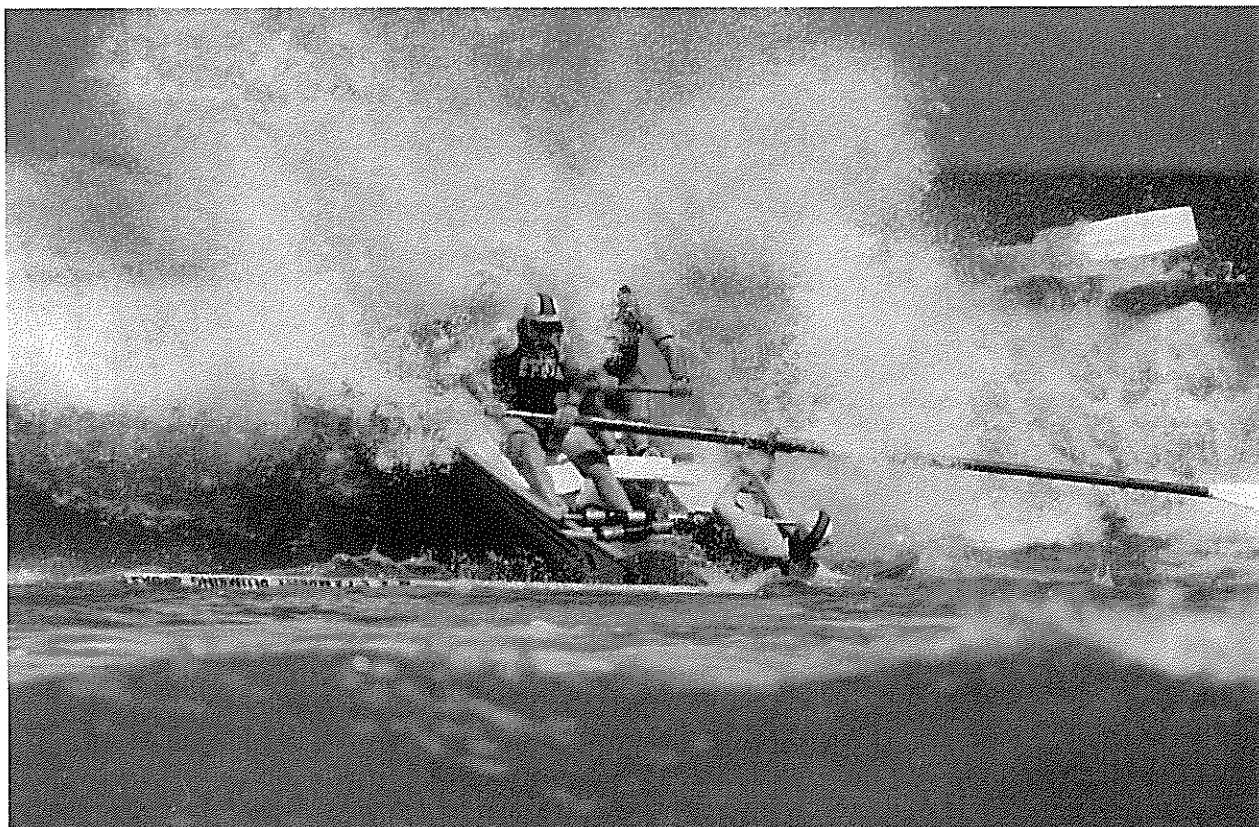

## IN CLOSING..

On a personal note I would sincerely like to thank those kind people who have assisted me during the season while I have been immobilised - especially John Smith and Geoff Moffat who have constantly transported me to and from the Clubrooms and carried my gear for me. Thanks a lot guys.

I would also like to wish the incoming Committee all the best for the coming season and hope they stand by their convictions and move forward into the future and not back into the past.

*Christopher Mullins*

HON. SECRETARY

# VICE-PRESIDENT

**A**s in all seasons, fundraising has been very hard work and the members of the fundraising committee have worked extremely hard. I must however mention the efforts of Liz Edge, Diana Foord and Pam Etheridge who have made outstanding contributions to the Club's fundraising this season. Without their ideas, enthusiasm and tireless work, we could not have achieved the results we did this season. I do not intend to list the sponsors and grants as these will be mentioned else where in this annual report but 'I will give the results of some of the more successful Club fundraising events.

• Wine sales	\$1039
• Chocolate sales	\$1200
• Garage sales	\$1108
• 100 Club	\$1050
• Beer raffle	\$1923
• Shave Off	\$286
• Long swim	\$270

Several social functions were run at the Club Golf Day, Seventies Night, Shave Off, and New Years Eve Show, and although those attending had a great time, these events were poorly supported by the vast majority of club members. It is also disappointing that at the end of the season we still have members who have not paid in money owed to the Club.

Chocolate money of over \$200, shave off sponsorship of over \$800, together with wine and 100 club money means that over \$1 000 of much needed funds is not available to the Club.

Another disappointing factor this season has been the lack of Snippets. It is impossible to efficiently run fundraising events if there is a lack of publicity and I hope this matter is addressed quickly to ensure future fundraising committees are not severely hamstrung as we were.

One function, which was an outstanding success both socially and financially, was the 40th Birthday Celebrations and to Don Alexander and his committee, I extend congratulations on a job well done. The celebrations were greatly enjoyed and will be long remembered by all those who attended.

Members must realise that fundraising is a team event and must not be left to a few or they will be quickly become worn out or jaded and the Club will suffer from lack of suitable amenities. I must quote a club member's reply when asked to take a box of chocolates to sell. This surely must be the most pathetic thing I have heard from a member in my time at the Club and surely we do not want members of this type. He said, "I won't sell any because I don't like what the Club spends its money on." This was of course just after using a club board, having a hot shower and sitting in the Clubhouse with a drink.

I must however close this report on a positive note and pay tribute to Gary and Jackie Eastham and their family for the way that they have supported the fundraising ventures this year. Emu has cooked for the Friday night teas, the 40th celebrations, the Shave Off and many other events that have been run this year and Jackie and the girls have helped him on most of these occasions. The value of Emu and his family to this Club can not be over emphasised. Fantastic effort, Emu, The fundraising committee salutes you

*J.W. Smith*

# CLUB CAPTAIN

**A**fter a few problems at the start of season 98/99. South Port is moving ahead in all areas, but this is no reason to rest on our laurels. With no major carnivals being run on our beach this season for the first time in my memory it was left to the social functions Saturday Arvo. Surf races, patrols and training etc... to bring the club together this year. The proficiency testing in November started us off well with good weather and the help of Bob Menhennett.

South Port SLSC in it's 40<sup>th</sup> year has celebrated a milestone in fine style. Our club spirit and tradition shone through at recent celebrations. We can be proud of our short history and the basis we have for a great future.

Administration, training, patrolling, competition and social events can only function when everyone is doing their bit. It is a team effort that makes South Port what it is, a great club to be a part of.

Patrols have worked again at a very high standard with few major incidents worth reporting. Christmas day was not a problem this season. Andy Whitford, Andy Higgs, Mike Etheridge and John Smith kept patrols on their toes with a number of helpers during

internal patrol inspections. All patrolling members can be satisfied with a job well done.

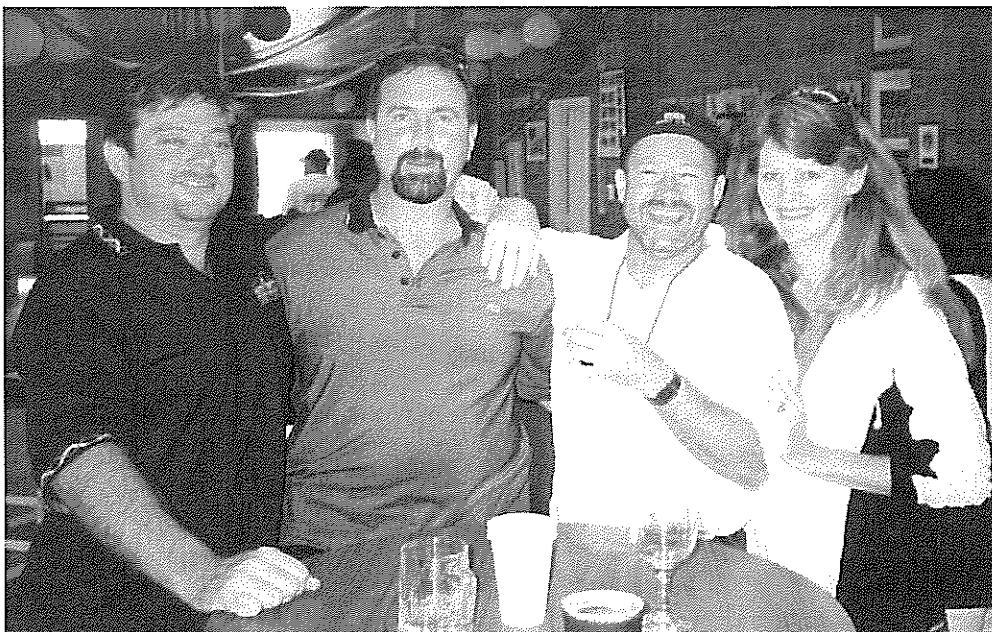

I would also like to thank Jackie Rawson and David Watt as vice captains. David Yates and Beau Lyons as IRB captains, Janet Puppel first aid officer, Dave Jolly radio officer and Frank Drake gear steward. Who kept the life saving operating of the club running smoothly, thanks guys.

The result of Bronze and Qualie squads that boosted patrol numbers at the end of the season speak for themselves, Surf life saving is what we are all about and that is what we should be putting first. Well done to Andy Whitford and all his helpers this season.

Our competitors have done us proud again at the Masters, Senior and Junior Level. Our touring team to Kurrawa for the Aussie Titles performed well, but our state title results were outstanding. There were a few competitors taking the biblical message to go forth a bit literally, but with hard training and a bit of luck there will be plenty more medals next year.

Thanks to all management committee and competition panel members.

*Greg Higgs*  
CLUB CAPTAIN

# CHIEF INSTRUCTOR

**A**s Chief Instructor for this season, I found it fairly difficult at first, but as the season progressed I was quite overwhelmed by the people who came forward to help me.

Due to the resignation of the elected Chief Instructor for season 1998/99, I took on the position in October which left little time for preparation of Club Proficiencies, Bronze squads, a Resus group, and a Surf Rescue Certificate group, as well as my duties as Junior Chief Instructor.

I found it comforting to be able to rely on people to the extent I could. You will have to forgive me if you are not mentioned personally, but I would like to thank all those who rallied round and helped me in any way this season.

There are a few people I must name. Firstly, many thanks to Mike Etheridge for his tireless efforts with the Resus Group and the Bronze squad. Well done Mike in gaining your Training Officers certificate.

Thanks also to David Yates and Brad Foord, who were always there to help the candidates of the Surf Rescue and bronze squads. Without their help we would not have made it through to such a successful examination result.

I am particularly proud to say that all the candidates worked hard and also had fun being in a team environment, Well done to all.

The following gained their Bronze Medallions:  
- Matthew Burgess, Darren Curran, Alexander Dobrovolskis, Nicholas Fox, Jonathan McKay, Matthew Clohesy, Deborah McKewen, Rachel Vandersluys, Renee Scott, Dale South, Alex Botha.

AND

These people gained their Surf Rescue Certificate: - Marguerite Botha, Dale Brewster, Jennifer Drake, Dwayne Foord, Laura Greer, Michael McKewen, Renee Ruthenberg, Heather Wright.

I would like to thank Janet Puppeltt for her assistance as an examiner and without her co-operation we would have found things even harder.

Thanks to Chris Mullins, Dollar Foord, Greg Higgs, Andy Higgs and everyone else who gave their assistance unselfishly throughout the season.

We had an eventful season with successful participation at both Junior and Senior Carnivals. Once again our fundraising committee has done a fantastic job. The season ended on a high note with our 40<sup>th</sup> year celebrations.

Thank you to all those who were patient with me during this season as there was so much to learn about the new role I had taken on. The faith you had in me helped me to foil this important role. We have a great Club, so let's all work together to keep it that way.

*Andy Whitford*

# TOURING TEAM MANAGER

This season saw one of the biggest touring teams participating in the Australian Titles for many seasons. Thirty four members proudly pulled on the white, navy and green hat to battle the sand and surf at Kurrawa Beach on Queensland's Gold Coast.

Besides the competitors, over 20 parents and supporters also made the trek to Queensland making this one of the club's biggest touring teams. I am proud to report that the whole team performed and behaved admirably and it was a pleasure to represent them as manager.

Competitively, the team performed well with the Open March Past team gaining a bronze medal, which must make this combination the March Past team of the 90's in Australia. No other team has shown such consistency in gaining medals throughout the nation. Congratulations must go again the coach Bob 'RJ' Mayo, assistant coach George 'Biffo' Hann and all members involved.

The Under 21 team also performed admirably and after qualifying equal first on the Friday, marched their best ever and gained a fourth place. Even though the team was disappointed with expectations raised from the Friday's results, in was a great learning experience for all involved. This experience has provided the team with the resolve to have another go next season and go for that elusive National Title.

The club's lone representative boat crew, the 180 plus Masters crew also had a go in quite large surf conditions. The crew swept by Don 'Bristles' Alexander skillfully negotiated the course and only narrowly missed out in qualifying for the next round. Numerous 'shouts' were purchased after the event due to indiscretions performed by ALL members in the act of 'survival in the surf!'

Brad 'Louie' Foord was also the club's lone competitor in the Open Boardriding competition. Unfortunately he drew two of last year's placegetters in the first heat and was eliminated. Well done 'Louie' for giving it a go and representing the club well.

Aisha Olesinski gained a personal best in the Open Flag event and a great group of junior members had their first taste of representing the club in a National Title. To see this great example of youth bravely battling fairly large surf conditions made everyone present so proud of their determination. Congratulations to everyone who gave it a go.

Thanks again to our Rhys and Joan Morris, our hosts at Viscount Towers for their hospitality. With this type of accommodation and the alternative caravan park style used by a few families, members looking to tour next year have an alternative choice to meet their needs.

Thanks to everyone who supported the team, in particular to the club committee who again was able to provide support the team's successful competitors. Congratulations to all participants and supporters of this great touring team.

*Richard Olesinski*

# SKI CAPTAIN

Over the past season, I myself have seen progress in the ski area.

Form Individuals including Scott Armstrong, as a first year ski competitor he had a solid season.

Gavin Steel also had a strong season making it to the open ski final along with myself, gaining a bronze medal.

Through the duration of the season there has been three allocated skis going to Ashley Pitcher, Scott Armstrong and myself, Thankyou to South Port S.L.S.C.

Also great to see a few juniors starting to paddle ski's, keep it up!

Thanks to everyone that has helped to tow the ski trailer over the season. Especially to Ashley for ripping the rear quarter off of a Holden Gemini that was parked in a "no standing" zone down at Goolwa.

Looking forward to seeing more paddlers on the water in the coming season.

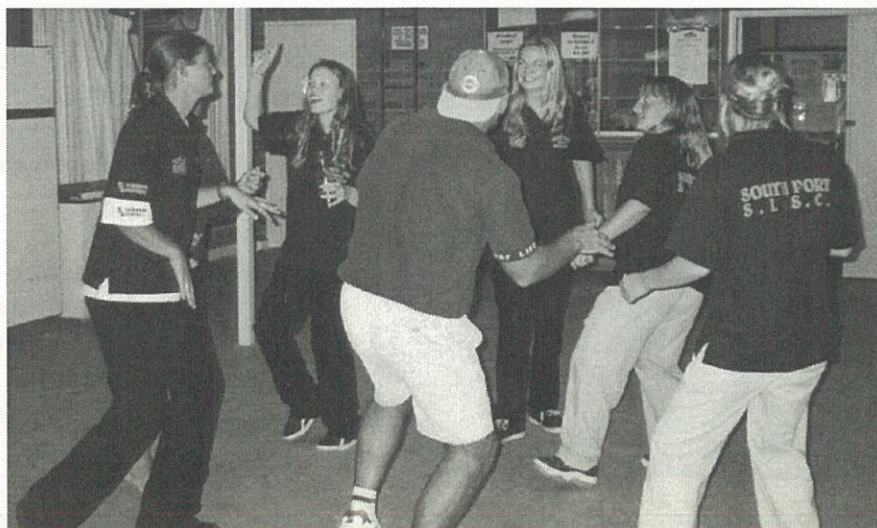

*Brett Harvey*  
Ski Captain

# MEMBERS LIAISON

What a perfect summer we've had. There was a lot of action within the club this season, some of it having to do with it being the clubs 40<sup>th</sup> year. It's been another great season. Liz Colgate did a great job as members rep I couldn't fill those shoes. As members rep there has been a few issues that have had to be delt with. I hope the people concerned have been satisfied with the outcomes. Next season is a new season and a fresh start, as is every season. There will be plenty happening in the "Off Peak", I hope to see everyone out and about. I would like to take this opportunity to remind members that the member's rep is their voice on the committee. It is an opportunity to pass on any communication. As the cliché suggests, the club is only as good as it's members.

*Samantha Fox*

Members Liaison Officer

# BOAT CAPTAIN

**T**he past season has seen the rejuvenation of Surf Boats in the Club. It was great to go to carnivals and see 25 to 30 competitors waiting for their turn to compete. With the addition of our new boat we will now have two excellent Kelly boats and one old, but still going strong, Clymer, for us to train and compete in.

Throughout the year we had at any one time, Seniors, Ladies, Juniors and two master teams (in the 180 and 200 plus), training for competitions.

The annual event at Port Augusta saw the 180 plus crew come second and win the club a sweep oar for their effort.

The State Masters 180's team, comprising Richard "Olly" Olesinski, Paul "Howsie" Howse, Mark "Spider" Webster, Milton "Beau" Lyons and swept by David "Snake" Ferrett, finally took the Gold Medal and they did it easily. Not to be out done, the 200 plus crew of Don "Bristles" Alexander, Chris "Dollar" Foord, Ray "Hooray" Martin, John "Devo" Devitt and swept by Brian "Zee" Johns won the Gold Medal. Our Open crew comprising David "Wal" Watt, Paul Gray, Andy Lowry, Mark "Firey" Nieass and swept by Chris "Dollar" Foord, won the Silver in the 120 plus age event.

In the State Championships, our open crew comprising David "Wal" Watt, Paul Gray, David Yates, Mark "Firey" Nieass and swept by Chris "Dollar" Foord, made the semi finals and the 180 plus crew competed in the reserve grade making the finals but did not place in the top three.

The ladies crew comprising Sarah Martin, Emma Martin, Mel Keyser, Sam Fox, Michelle Simpson and swept by "Bristles" made the finals, but didn't place. With limited experience the crew performed very well throughout the year. With this first season behind them we look forward to bigger things next year.

The junior crew with Jono McKay, Justin Pitcher, Dan Edge, Matt Clohesy and swept by "Bristles" made the finals. However, due to some inept co-ordination and poor officiating, they were not allowed to compete due to the running of another junior event held at the same time as the junior boat final. Bad luck for the boys, but if they stick at it they will make amends next year.

Only one crew went to the Australian Championships this year to compete in the 180 plus event. The crew comprised "Olly", "Zee", "Spider", "Devo" and was swept by "Bristles". In a hard heat they just missed out on moving through to the next round. If all goes well during the coming season, at the next championships we should have a few more crews competing.

Finally, to all our sponsors who assisted throughout the year and in particular the sponsors who participated in the Surf Boat Super Draw, thank you for your support.

*David Yates*

Boat Captain

# FIRST AID REPORT

**W**ell another year has passed us by. This year there were 108 first aid cases where forms had been used.

During the year Kevin and Matthew Clohesy and Stan Novakowski received their first aid certificates with Liz and Dean Colegate, John and Travis Nearmy, David Pummeroy and Janet Puplett updating their's.

Kevin Clohesy has been an asset to the club attending a wide range of the first aid cases. He attended these case as both first aid patrol member (John Nearmy's patrol) and when he is helping in the canteen. I would like to thank him for his help in this area, he has made my job a lot easier.

I would like to thank John Nearmy, Dean and Elizabeth Colegate for their help and assistance with the 30 aboriginal girls that visited this year. We all had a great time and made \$50 for the club (donation). The help with water cover was invaluable,

I would also like to thank the people who donated blankets earlier in the year, these have been invaluable.

I will be passing the first aid officer position over to someone else next season and hope that they receive as much help as I have over the last two years.

*Janet Puplett*  
First Aid Officer

# GEAR STEWARD REPORT

**A**nother season has come to an end. Gear wise, it all stood up pretty well. I endeavoured to get all patrol boards repaired at a minimal cost and repaint patrol flagpoles and tent poles.

It was pleasing to see how well the rescue boards were looked after, considering they were also used by the bronze and quallie squads, no doubt they will last a little longer with a bit of TLC.

My thanks to Mike Etheridge for building a mobile patrol rack, enabling members easier access to the patrolling equipment.

More racks are required for skies, boards etc, hopefully that can be a priority job during winter.

A special thanks to Dave Jolly for maintaining the tractor.

My thanks to all  
*Frank Drake*  
Gear Steward

# SOCIAL SECRETARY

**T**he social and fundraising committee's worked well this season, resulting in some fun day's ie Golf Day and many successful ventures. From our Friday night

monthly dinners, to the 40<sup>th</sup> celebrations in particular. Thanks to all that helped in the success of these events, including the members attending.

*Diana Foord*  
Social Secretary

# PROMOTIONS OFFICER

**S**outh Port continued to receive excellent media coverage in the local press during the past season due to Richard "Olly" Olesinski's continuing efforts with the Southern Times. While on the subject of "Olly", our special thanks to him for co-ordinating the South Port Snippets. This publication goes out to our mailing list most months and provides a valuable link from the officers of the Club to the members, on general items of interest, carnival performances and future fund-raising events.

The Club also gave "Olly" permission to organise a Surf Boat Super Draw, with the object of seeking sponsors to assist with the purchase of a new Surf Boat. "Olly" and John "Devo" Devitt worked extremely hard at this task and we are happy to report that the Club managed to purchase a second hand boat from the Metropolitan Caloundra Surf Club. A full list of these generous supporters follows.

George Wortman

Fred Blatchford

Finally, I would like to thank "Olly" for all his help this year and trust that he will continue to be involved in the promotion of the Club during the coming season.

*Don Alexander*

Promotions Officer

# 40<sup>TH</sup> CELEBRATIONS

**A**ctivities to celebrate the 40<sup>th</sup> anniversary of the founding of our Club in 1959 proved to be the outstanding social events that were held during the season of 1998/99.

The committee asked me to chair an organising group and the first meeting was held at David "Snake" Ferrett's home on 8 September 1998. Monthly and finally fortnightly meetings were subsequently held to formulate all activities. Initially an Official Dinner was to be the only event, but then Dennis "Congo" Ferrett offered his home for a cocktail party and we reasoned that a Recovery Roast in the form of a "Shags" meeting would be the ideal way to finish the weekend.

## **Congo's Classic Cocktail Party Wednesday 14 April 1999**

Dennis and Dawn Ferrett are to be congratulated for not only the very kind offer of hosting the evening but for organising all the fabulous food, drinks, staff, Jazz band and decorations which really made this a memorable night. After covering all costs we still managed to make \$1,000 which went toward the Surf Boat Super Draw. Our special thanks to Dennis and Dawn.

## **Official Dinner Saturday 17 April 1999**

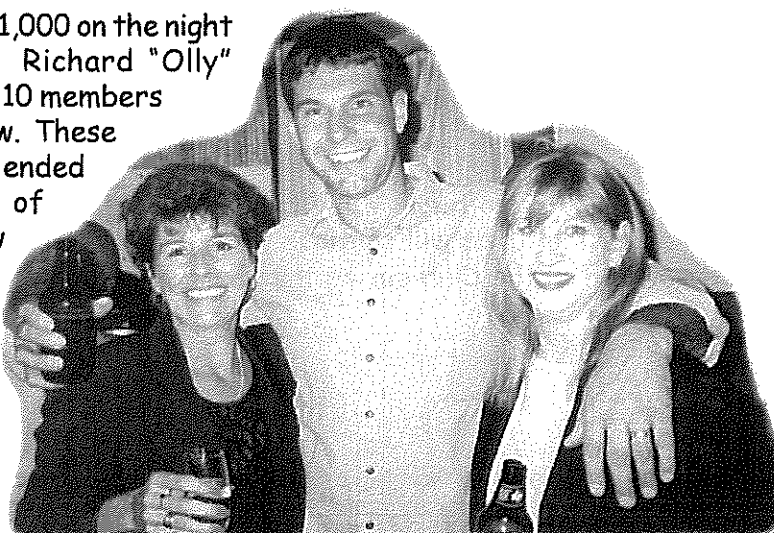

The Official Dinner held at the Club was a special night for many reasons but perhaps the most commonly heard phrase used was "It's just great to catch up with all the old faces once again". 240 members and 20 official guests turned up for the night, which started at 6.00pm and, we are reliably told, ended around 5.00am the next day.

Special thanks must go to Gary "Emu" Eastham for organising the food, kitchen and bar staff for the evening. Catering to a crowd as big as we had is difficult at the best of times but when you have the added logistical problem of getting everything to the Club, it was a great effort. Of course the bonus was that the presentation and quality was great, no-one went hungry and there were no complaints.

The evening was a big success for the Club in terms of money that the members contributed, not only over the bar (in excess of \$5,000) but in the purchasing of 40<sup>th</sup> anniversary merchandising: polo shirts, caps, port and glasses.

Frank and Jan Drake contributed \$1,000 on the night to the Surf Boat Super Draw. Richard "Olly" Olesinski organised a syndicate of 10 members at \$100 each to also enter the draw. These two contributions meant that we ended up with ten entries for a total of \$10,000, which is what the new Surf Boat cost.

Our thanks to all members who were able to attend and to those who didn't or couldn't, you missed a memorable evening.

# 40<sup>TH</sup> CELEBRATIONS

**Recovery Roast**  
**Sunday 18 April 1999**

The Recovery Roast was an event for those who could go the distance and had no consideration for their health, although it should be said that many families were there as well which helped to keep a modicum of decorum in the morning. Once again "Emu" provided the food (he had to put the roast on at 5.00am, just as he was going to bed) and again he did a fine job. John Smith was our Chairman and he conducted the meeting along the lines of the "Shags". As usual he didn't miss too many members and there were some extremely funny exchanges. A great morning was enjoyed by all and the weekend finished late Sunday afternoon.

## Conclusion

In conclusion, the members of the committee would like to thank all who attended the three events. Without your attendance the 40<sup>th</sup> celebrations would not have been a success.

Personally, I would like to thank the 40<sup>th</sup> Committee for their help and support in organising the events. Many of those on the Committee, whilst still active members, have not been on many recent committees and all have said how much they enjoyed the experience. When it comes to organising the 50<sup>th</sup> I'm sure that if we have like-minded people to help, then it too will be an outstanding success.

## Committee Members

John "Devo" Devitt  
Dennis "Congo" Ferrett  
Gavin "Steelo" Steel

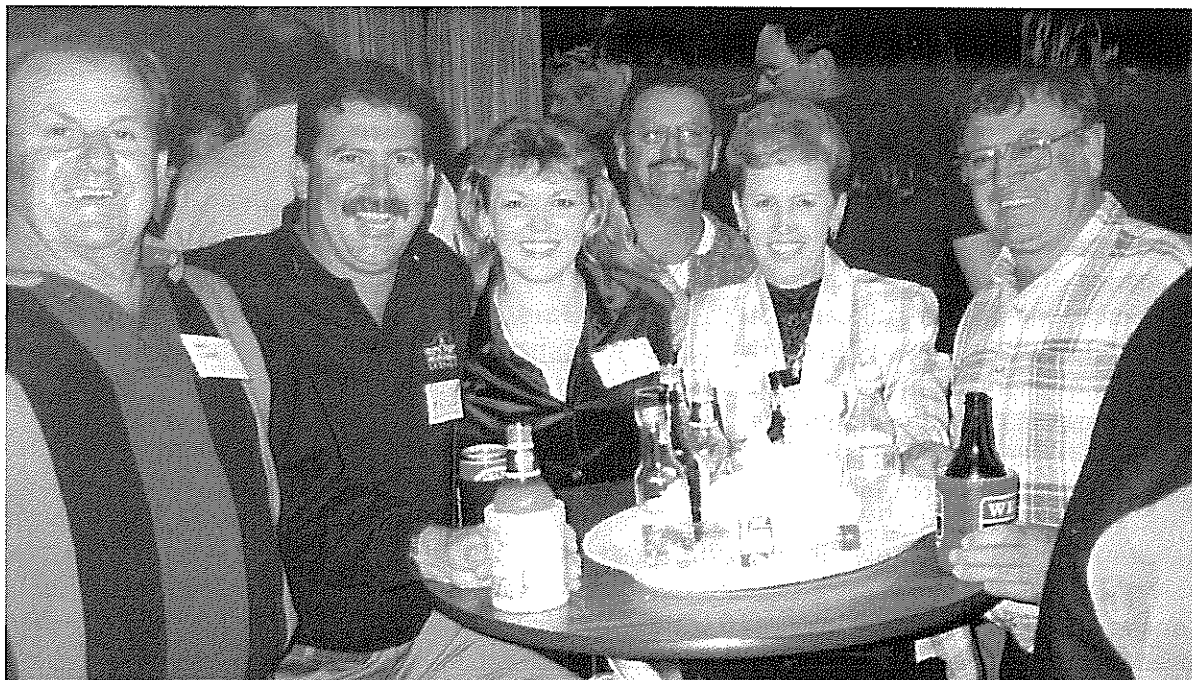

Brian "Dickos" Dixon  
Chris "Dollar" Foord  
David "Wal" Watt

David "Snake" Ferrett  
David "George/Mole" Gardiner

Thanks to you all

*Don "Bristles" Alexander*

**Chairman-40<sup>th</sup> Celebrations Committee**

# COMPETITION OFFICER

**O**n behalf of the club's Competition Panel, I have great pleasure in providing the following report regarding South Port SLSC's competition section.

The club has continued to use the slogan for competitive involvement being... **PARTICIPATION.**

After last season's thrust of improving our team and individual performances, that foundation provided an ideal opportunity to build on the successes achieved.

Those successes were achieved through various means besides individuals taking up the challenge and doing the hard work needed to achieve in not only state, but also national level. For the first time in many seasons, the club's beach relay teams gained gold medals as well as individuals again performing well. (See all results later). Thanks must go to Andy Higgs for his untiring commitment and dedication in coaching the beach running team(s), the results tell the story.

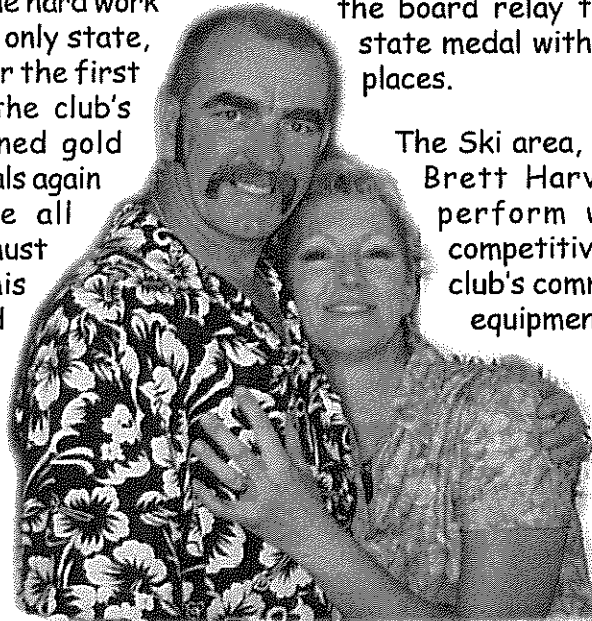

South Port's March Past teams continued to be the state's best with both Open and Under 21 teams winning gold at the State Titles. The Open team went on to win another medal at the nationals in gaining a bronze. The Under 21 team, after qualifying equal first to make the final, were just pipped for a medal and gained a fourth position. Congratulations to all coaches of the teams, in particular, Open team coach, one of Australia's greatest march past coaches, Bob Mayo A.M., with support from George Hann, as well as Andy and Greg Higgs for their roles in guiding the Under 21 team. The future looks bright for continued march past success for South Port.

The surf boat area saw unprecedented involvement with 3 Masters crews and Open, Reserve, Women's and Under 18 crews representing the club at the State Titles. This

has been a record number of crews rowing for South Port and we look forward to building on this area. Thanks must go to Don 'Bristles' Alexander's role in sweeping, coaching and guiding the Women's and Under 18 crews as well as Chris 'Dollar' Foord and David 'Snake' Ferret's continued commitment to surf boats at South Port.

The craft area also saw an improvement in participation numbers with Scott Armstrong doing a great job in the board paddling section. Scott's great guidance of our junior members saw a new breed emerging for South Port and we look forward to building on this great foundation. With a bit of luck, all of the board relay teams could have won a state medal with 3 teams gaining fourth places.

The Ski area, under the leadership of Brett Harvey also continued to perform well in an extremely competitive environment. With the club's commitment to providing top equipment, we also look forward to continued success in this arena.

For the first time in many seasons, South Port saw some success in the water area with Warwick Armstrong and Alex Botha being great competitors during the season. Alex's workload at the State Titles was a true indication of his dedication and commitment to PARTICIPATION and we congratulate him on his great achievements. Warwick's results at the State Titles also provided great joy for the club with him on the championship dais no less than three occasions. Congratulations to everyone who got involved in this extremely tough area.

The club's boardriders also continued to be leaders with Aisha Olesinski winning the Open Women's section for a record fourth time, Alex Botha gaining two silvers in the Under 16 and Under 18 area and Justin Pitcher just missing out for a medal in the Under 18 section.

# COMPETITION OFFICER

Finally, the club's Masters again paved the way at the State Titles in proudly representing and achieving success. All in all, 3 gold, 3 silver and 1 bronze were won by teams and 2 gold, 2 silver and 4 bronzes by individuals. We look forward to continued involvement in providing a great competitive environment for our club's 'elderly' members.

Overall, the club 4 golds in team events, 2 golds, 6 silvers and 2 bronzes in individual events and, would you believe, 9 fourths in

the State Titles - a great result. Congratulations to all participants.

All in all we can look back on the past season's achievements with great pride. However, we cannot ease off in ensuring the planning, coordinating and coaching commitment to continued improvement in this important element of being a proud member of South Port SLSC.

*Richard Olesinski*  
Competition Officer

## SHIVERING SHAGS

The Shivering shags encapsulated the spirit of surf lifesaving with their traditional dip in the icy brine every Sunday of the 1998 winter. Twenty five members would then meet in the clubrooms and over a stout or three test the very limits of the human imagination in concocting fines which added up to a \$720 donation towards the new roller door. It never ceased to mystify me that our pillars of the surf lifesaving community could be fined for such crimes as bribery, fraud, forgery, defamation, theft, wimpishness, showing off, assault, dummy spitting, crudeness and indecency. Sounds terrible but it is all in the spirit of good fun.

The highlight of the year was our end of season trip to Normanville. Badly behaved shags were Wal, Dodgy, Chalky, Tarzan and Milky but their merry antics paled into insignificance when Hooray tore up the dress, which we had chosen especially for him to wear. Shags were shocked and Hooray will have to be dealt with in the new season. Fines were excessive as always and the Shags in an outpouring of unprecedented generosity donated \$106 to the establishment fund of the Normanville SLSC.

### Major Award Winners:

Ollie	Girly Frock
Chill	Over the Top
Milky	Dummy Spit
Tarzan	Jock Strap
Wal	Golden Flipper

### The Committee:

Patrons	Dollar and Bristles (Chris Foord and Don Alexander)
Head Shag	Schmidt (John Smith)
Heavy Shag	Yetti (Janet Puplett)
Scribe Shag	Chalky (Larry Edge)
Social Shag	Ollie (Dick Olesinski)
Hospitality Shag	Emu (Gary Eastham)
Bar Shag	Firie (Mark Nieass)
Tower Shag	Randy - later Hooray (David Randall and Ray Martin)

*Larry (Chalky) Edge*

# YOUTH DEVELOPMENT

The central business of the Youth Development Panel in the winter of 1998 was to keep youth interested and to promote social interaction between the clubs. This was achieved by organising some exciting adventure activities on a monthly basis. Activities included dragon boat racing, rock climbing and paint ball skirmish. A core of South Port youth took part in these events. It is expected that the enthusiasm of these kids and those from other clubs will have an infectious effect on all surf lifesaving youth. Activities planned for the 99 winter include go karting, abseiling, skirmish and a youth dinner.

The Panel also promoted the Yorkes Endurance Weekend, the Portland Carnival and the Twilight Carnival. South Port youth were represented at each of these activities.

To give incentive and to assist new patrolling members the Panel is endeavouring to establish a 'Rookie of the Year' award. This involves new patrolling members in an educative process which ensures that they build up experience in all aspects of patrolling and are able to play a more significant role.

Tim Edge and Steven Clohesy are completing stage one of the Challenge Achievement and Pathways in Sport (C. A. P. S.) leadership award. It is hoped that more youth will become involved next season in this course designed to prepare future leaders and to assist youth with employment.

At a club level our youth have enjoyed pistol shooting, fitness testing, squash and drag racing. Many thanks to the Clohesy family and Mike Etheridge for organising these activities. A number of our youth also took on the sport of kayaking, recognising the relationship of this sport to surf skiing. It was great also to have a group train for and compete in the City Bay Fun Run. Trophies are being organised for youth for the first time this year in recognition of this important section of the Club.

Participation in carnivals improved steadily throughout the season with 26 youth competing in the state titles and a good contingent attending the nationals. Thanks to Liz Edge and her helpers in raising \$480 specifically to help youth get to the national championships. Don Alexander, Scott Armstrong and Andy Higgs as coaches in the respective disciplines of boats, boards, beach and march past are to be congratulated on their enthusiasm and efforts in supporting our youth. I believe that an attitude is developing amongst our youth that we compete because it is an exciting challenge to train, contest and be part of a team. With more youth striving to achieve personal bests and competing for the sheer joy of it I forecast a continual build up of South Port success.

Finally, I would like to thank the youth of South Port who have taken part in the activities, training and carnivals. Without their enthusiasm and support the development which is evolving would not be possible.

*Larry Edge*  
Youth Development Officer

# JUNIOR COMMITTEE

The season will have been one of the shortest ever, due to Junior States being brought forward to the end of February. This caused immense problems with pre exam and exam dates and awards to be completed within the time slot. However we still managed to fit in six carnivals, The Long Swim, Santa Lobs, The Nipperthon, two Development Camps, Red Patches, Yellow Patches, Surf Ed, Surf Rescue Awards, Twice a week board training, two sleepovers, our normal Saturday sessions, a great Junior Club Champs Day and then States at our neighbours Pt Noarlunga.

This season we had 72 registered juniors with 45 attending States. All carnivals were well attended and the Port Elliot Carnival / weekend away was a fabulous experience for many, even the children had a great time.

We were again fortunate to be able to buy four new Genesis boards, which with our previous stock were the best display of competition boards on the (New Board Rack) on the beach. Along with the new foamies we are well equipped to continue to grow in the very competitive area under the very competent eye of Gary (Emu) Eastham.

Well done to Captains Tanya Eastham and Dwayne Foord for their leadership of the Age Groups and for being selected as Junior Lifesavers of the Year.

Congratulations to Shamus Armstrong for being selected from a very competitive Age Group to be part of the South Australian State Team who competed at Torquay in February.

Although we were not as organised as we could have been with the Quales examinees, this did not stop anyone from having the chance of competing at States due to common sense been shown from Surf House, we came a respectable sixth (with 94 points). Gold medals were won by Rebecca Etheridge and Jackie Staples. Well done to all who attended, competed and supported and to those who were fortunate enough to walk away with medals over the weekend from many well attended Age Groups, you now know how hard it is to be in the top three. A special mention to the March Past Team who won silver and all their supporters.

A very big thank you to each and every person who has assisted our Age Challenged Members this season, from water cover, patrol members, the setting out of cans, coaching, age managers cooking snags, pool training, organising raffles, committee member or even mums and dads brothers and sisters. Without you we could not have the opportunity to allow our enthusiastic youthful members the chance to make the best patrolled surf beach in S.A. their own playground, much to the envy of the many metro clubs. On behalf of everyone from the Junior Division, we thank you for another great season.

*Fred (China) Curran*  
Junior Chairperson

# JUNIOR RESULTS

## 1999 Junior State Championships

### Gold

U9 Girls Flags Rebecca Etheridge  
U10 Girls Swim Jackie Staples

### Silver

All Age Event March Past Team

Overall Point Score 94 (6<sup>th</sup> Place)

# TREASURER

## Reporting

At the end of the season I prepared a report for the finance committee recommending a more coherent approach to our financial reporting. This will be brought forward to the new committee.

## Council Grant

The Onkaparinga Council has increased its overall grant from \$2500 to \$7000 effective from this season. This was a most generous gesture by the Council and is greatly appreciated.

## Canteen Account

The Canteen income has dropped sharply. The manager advises that this is due to difficulty in staffing, changing patterns of training, un-seasonable weather and lack of carnivals.

## Income

### a. Grants

State Government Grants have been included in State Centre income

### b. Premises Hire

Increase due to additional use by Pt Noarlunga Primary School

### c. Social Functions

Included the fund raising activities

## Expenditure

### a. Boat

Main expenditure on oars, rowlocks and repairs

### b. Insurance

Building insurance now paid monthly

### c. Renovations

Main expenditure for bricks for Boat Shed floor

## Thankyou

I would like to thank the following people for their assistance this year.

Chris Mullins

Mark Nieass

Vonnie Olesinski

John Smith

Chris Clohesy

Simon Linden

*Geoff Moffat*  
Hon. Treasurer

# INDEPENDANT AUDIT REPORT

TO THE MEMBERS OF  
SOUTH PORT SURF LIFE SAVING CLUB

## Scope

We have audited the financial statements of South Port Surf Life Saving Club Inc. for the year ended 30th April 1999, being the Balance Sheet and Statement of Income and Expenditure. The Committee are responsible for the preparation and presentation of the financial statements and the information contained therein. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the accounts are free of material Misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements. These procedures have been undertaken to form an opinion whether, in all material respects, the financial statements are presented fairly so as to present a view of South Port Surf Life Saving Club Inc. which is consistent with our understanding of its financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

## Qualification

Given the nature of the operations of South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts so recorded in the books of account of the Club.

## Audit Opinion

In our opinion, subject to the above qualification, the financial statements present fairly the financial position of South Port Surf Life Saving Club Inc. as at 30th April 1999 and the results of its operations for the year then ended.

.....

Partner: Dean Spencer

Signed at Adelaide this 15th day of June 1999

# SWIMMING REPORT

Establishing a swimming squad during this season has been a struggle. We have the nucleus for a squad of 8-10 swimmers. These athletes may not be state champions but they would do us proud if only they would allow themselves to prove it. We must encourage these younger members to train and compete in team competitions

At the State Titles Warwick Armstrong, Alex Botha and David Yates all competed in the swimming arena. Warwick and Alex were successful. Warwick 2<sup>nd</sup> in the Open Belt and the Open Tube race. Alex in the Tube and the Taplin Relay. David swam in the open belt and if we had a better reel he may have been better placed.

Next season should see this nucleus plus our younger group from the juniors work together at carnivals competing in Taplin relays, Tube races, Belt races, Board rescues and Swim team events.

The weekly surf races were again hotly contested which is pleasing. Each age group other than the U/18's had many personal competitions within them. (We do not have many U/18's)

It is my belief that a Surf Club is not a Surf Club without good swimmers. The weekly surf

racers and the Annual Long Swim are essentials qualities for all members of our Surf Club. We must therefore encourage all members to complete or just compete in as many swims throughout the season as possible.

## Swimming Statistics

A total of 65 individual competitors contested the Weekly Surf Races. A total of 30 individuals competed in 4 or more Surf Races throughout the season.

O/50 - 7 Completed	O/40 - 14 Completed
O/30 - 12 Completed	
Open - 16 Completed	U/18 - 2 Completed
U/16 - 14 Completed	

The Annual Long Swim was again a great day with 56 people competing in excellent conditions.

I would like to congratulate everyone who competed or assisted with water cover. This is both a club level and at any of the carnivals. A special thanks to those who assisted me with the administration of the races. In particular I would like to thank Janet Puplett, Larry Edge, John Smith and Ray Martin Snr.

*Andy Higgs*  
Surf Race Steward

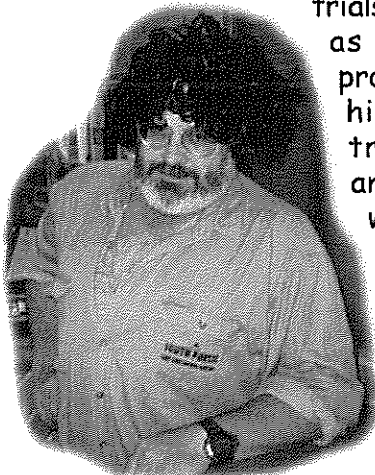

# RUNNING REPORT

It is with great pleasure to present this report. It was one of the most productive seasons for results produced at the State Titles by our Running Squad.

The season began with the preparation for the annual City to the Bay Fun Run back in July 1998. What began as a fitness adventure ended with eight to ten dedicated people training twice a week. The idea was to Run - Walk - Talk and enjoy! Everyone did enjoy! We had 10 people complete the 12 kilometre course. For next season everyone is welcome! You don't have to run, you can walk. This is another way to improve your aerobic capacity.

From this pre-season training we developed a programme which included some distance training up to Christmas and beyond. The squad grew as the season progressed. Sprint training venues were tried and tested with Port Noarlunga Primary School Oval being used in the later part of the season. It was central to most runners and has a good grassed surface. The Club thanks the staff and parents of Port Noarlunga Primary School for allowing our squad to train at their venue.

There were four sessions per week. Saturday mornings hill/step training at the river mouth. Saturday afternoons where relay training was developed in front of the Club House. Monday evenings for distance/endurance work, which was converted to beach flag training in the latter part of the season. Wednesday evenings sprint/speed and time trials. What happened

as the season progressed was the hill and endurance training reduced and was replaced with speed/reflex training.

Through this system of training we discovered we had some very

talented young athletes both male & female. Aisha Olesinski & Laura Greer ran the 100m under 14 sec. even though Aisha has ran quicker it shows that she is back on track. Brad Long ran the 100m under 12 sec. and Danny Edge in the low 12's. If they continue and the other runners that support and work them hard. All should go well for them and the Clubs future.

The most consistent performers for the season were Aisha Olesinski and Danny Edge.

The Champion Relay teams for the season were the U18 Male and U16 Female. Both teams won convincingly at the State Titles. The most consistent Masters competitors were Paul Edwards and Larry Edge.

The most outstanding competitor in the Running Squad at the State Tiles was Laura Greer with two Gold Medals. Just three weeks prior to the State Titles she was one many young athletes who attained their Surf Life Saving Certificate. Well done!

At the Australian Titles on Kurawa Beach Queensland we had five athletes compete. Aisha was the best of the individual competitors lasting three rounds of the Womens Open Beach Flags. Shamus Armstrong fifth in his heat of the U/16 Male Beach Sprint along with Steve Clohesy and Euin Currie who ran valiantly. The U/16 Male Beach Relay progressed to the Semi Finals.

I would like to thank Larry Edge for his tireless support throughout the season.

Congratulations to all who participated throughout the season, as your efforts made my job very enjoyable.

In hindsight as the Coach I must develop a tougher training schedule for the mature athletes of the squad. It has been a learning curve for all athletes and they are now ready to take the next step in making our Club one of the strongest Running Squads in the State.

*Andy Higgs*  
Running Coach

# U/21 MARCH PAST

Our under 21's March past Team remained undefeated throughout the season in South Australia including the State Titles. I began managing them around the Christmas break. They were having difficulty in establishing a team even though they had a strong core group. They adopted me or I adopted them I am not sure how it happened. Later I was told I was their Coach and must say it was very enjoyable.

I wish to express how proud I was of our Under 21 March Past Team whilst on tour. This deals with their attitude toward training, competition and as representatives of our Club. Their personal behaviour was excellent both in the competition arena and during their free time.

We had the joy of success from competition on Friday 26th when there were 15 teams competing. We came equal first but lost on a count back and ended up second with a score of 7.01 deductions. The team that beat us was Tugan on 7 points, Semaphore came third on 8 points.

This gave the team a high expectation for Sunday's competition. They continued training with dedication and looked very sharp.

The results from the competition on Sunday 28th were as follows. The field was reduced to 11 teams of which we came fourth with a score of 7 points. Whilst we were all disappointed this is the best score this team has ever drilled. I was very proud of them in the manner in which they excelled and in their Sportsmanship.

The teams that beat us were Collaroy 3 points, Semaphore 6 points, Coogee 6.01 points and then us South Port on 7 points.

I feel the tour has given our team an insight into how much work, methods and dedication is required to be successful at the National Titles.

They are young Women and Men whom I have had great pleasure working with over the past season. I now hope they will continue next season in setting our goal at 1 or 2 point deduction and bringing home "Gold".

Thanks again for entrusting me in coaching South Port S.L.S.C. Under 21 March Past Team.

*Andy Higgs*

Under 21 March Past Coach

# RESULTS

## Carlton & United State Titles Results Moana Beach March 1999

### Open State Titles

#### Gold medals

Open March past team
