In my first year as Club President, it is with great pleasure I present this report after a season where no lives were lost on our beach, enabling us to again fulfil our Mission: 'To maintain South Port Beach as a safe and enjoyable environment for the general public and our members.'

There are numerous highlights over the past season, however, none of this would have been achieved if it was not for the many hours put in by our numerous volunteers – to all, thank you for your commitment to our/your Club.

Our purpose is to save lives and create a safe environment for the community at South Port. I suggest that we as a Club, offer more to all by the way of personal advancement, social inclusion and life skill development.

As our younger members progress through Surf Life Saving, they will become better members of society, be able to react calmly under pressure, communicate across a wide spectrum of the community and understand the need to give back to our community.

Many thanks to all our patrolling members who ensured our high standard of patrolling and keeping South Port Beach safe for all swimmers, surfers and visitors.

Our patrols will continue to be challenged in the future with increased local population growth and it's plain to see that many more community members are already making South Port their beach to visit and enjoy.

I'd like to highlight the major increases in our rescue figures - 24 lives saved compared to 4 the season before, 713 preventative actions compared to 352 and 78 first aid cases compared to 51 the previous season. These statistics further prove the need for us to be where we are to ensure that we remain sustainable into the future.

Congratulations to our new Bronze Medallion members and our Nippers continuing their Surf Life Saving journey and completing their Surf Rescue Certificates – you are our future and we wish you all the best in what you want to achieve at South Port.

I'd also like to forward thanks to the Board of Management (BOM) who have been very patient in helping me to become familiar with the job of Chairman. In particular, special thanks to Michelle Copley and Nicole Berry, who have made the learning curve a lot easier to manage.

Many members are not aware of what happens behind the scenes, and I'd like to recognise the unbelievable workload that David 'Wal' Watt undertakes throughout the year in managing the bar and functions area. This is our Club's major fund generator, and without Wal's commitment, we would not be in as good a position as we are.

Thanks to Don 'Bristles' Alexander, our Treasurer for guiding us into a very positive financial direction, Club Captain Lyndon Mills for his commitment to leading us forward, Adam 'Douggy' Parkinson for his continued counsel, Carla Zeitz for her countless hours in ensuring our competitors are entered in events, Cass Stoodley for her great coordinating role in fundraising and events, Vonnice Olesinski for her dual roles as Canteen Manager and Apparel Officer and to members who took on Office Bearer roles the past season – a huge thanks to all.

PRESIDENT'S REPORT... CONT

Richard 'Olly' Olesinski

Congratulations to all of our competitors, Juniors, Seniors and Masters who pulled on the South Port cap proudly and did their best locally, as well as interstate. To all our coaches, in particular, David Clayton, Richard Cunningham, Simon Linden and Jason McGaffin – thank you for your huge commitment to keeping South Port a more than competitive Club.

Well done to Junior Chairperson, Stephen Nahlous and his talented team of Age Group Managers and Assistants who guided our Juniors throughout another busy season. Major highlight was the successful hosting of the inaugural Junior Branch Championships - the first Junior carnival held at South Port for many years. Thanks to our great workforce, who again ensured the day was a success with minimal issues.

One area that deserves accolades for their dedication, is our ever-reliable band of officials – to all, a huge thanks. Our officials have taken on more responsibility to ensure our members are able to compete. I would encourage any of our members, in particular Junior parents to put their hand up and help. No experience is required, as Surf Life Saving has a great mentoring system in place while you grow in confidence.

Thank you to all our supporters and sponsors, in particular Kahini Pty Ltd (SLSSA Trust Fund), the City of Onkaparinga, the State Government, through the Office of Recreation and Sport and the Federal Government through their continuing support of Surf Life Saving across the nation. A list of Club sponsors can be found within this report - thanks for your commitment to our Surf Rescue and competitive activities.

I'd like to thank past member Michael Keelan for his ongoing support through a weekly surf report, what's happening at South Port segment and a safety tip on 5AA each Saturday morning through the summer. This provides extensive promotional exposure for not only our Club, but for Surf Life Saving in general – many thanks Michael.

The Club has been heavily involved in planning for the redevelopment of our gym as part of the Wearing Street project. The concept includes not only our gym being upgraded, but includes toilets, showers, a meeting area, together with emergency equipment storage being included. A building sub-committee will be formed to oversee the project – an exciting upgrade of a facility that is used regularly by many of our members.

Social events are an important part of any successful Club's fabric. Member support is encouraged for the Club's Sunday Sessions, where members and the broader community can enjoy great live music, meals, and refreshments and importantly, the Club can generate much needed funds, particularly during the 'off-season'. Put the first Sunday of each month in your diary.

I'd like to finish by quoting Surf Life Saving Australia's Values and suggest to all of us, that we strongly align with these and ensure we use them as the basis of how we continue to successfully operate in order to be a sustainable Club into the future.

It is critical within Surf Life Saving in Australia, that values drive behaviours and conduct. There are some key principles that drive conduct and behaviour that are common across Surf Life Saving.

These are:

INTEGRITY and RESPECT

Recognising the contribution that people make to Surf Life Saving, treating them with dignity and consideration, as well as caring for the property and equipment they use. Fairness should be employed in decision-making out of respect to all.

PRESIDENT'S REPORT... CONT

Richard 'Olly' Olesinski

TEAMWORK

Collaboration and working together to achieve outcomes and resolve issues. Supporting one another on and off the beach is essential.

FUN AND ENJOYMENT

Surf Life Saving should be enjoyable for all those participating in it. Efforts should be recognised and rewarded so as to fuel the passion for everyone in Surf Life Saving and have fun along the way.

EXCELLENCE

Surf Lifesavers strive for best practice in everything they do - seeking the highest of standards in order to achieve the best possible outcomes for themselves, their Club and Surf Life Saving.

Best wishes to all of our members for the coming season, and I trust that your expectations are met as part of your exciting journey at South Port SLSC.

TREASURER’S REPORT
Don ‘Bristles’ Alexander

The summarised report on income, expenditure and trading for the season 2017-18 has been taken from the 2018 Audit conducted by PCS Accountants, which is included as Annexure “A”.

Richard Olesinski has made a great start in his first year as Club President and there have been many initiatives already taken with more to come by him in the future. The Board of Management had many contributors during the season that impacted not only on their own areas but also to our income and profit.

Once again David “Wal” Watt, led the way with a fantastic effort in his role of Club House Manager, not only with management of the bar but with organising functions and special events that led to bar trading producing a gross profit of \$55,181. As a matter of interest David has been bar manager of the Club nine times and during that period he has been responsible for making a trading profit of over \$370,000. Of course, many members contribute to this success, as David would acknowledge, but there is no doubt in my mind that his contribution has been outstanding.

Our total income increased by \$30,217 over the previous period, due to a number of factors and individual efforts over a range of portfolios.

The Club received Grants from:

• City of Onkaparinga Council	\$13,682
• Kanini Pty Ltd (SLSSA Trust Fund)	\$11,000
• SLSSA Beach Safety Equipment	\$10,000
• SLSSA	\$4,545
• SA Government-Rec and Sport	\$4,250

Total \$44,477

Sponsorship funding came from Telstra, Babcock Pty Ltd and Oliver Concrete Construction and Bernie Lewis Home Loans who continue to donate funds in support of the Club.

Surf Boat Fundraising contributed \$8,424, mainly through the efforts of Jason McGaffin in his position as Surf Boat Captain, by introducing a number of new initiatives, especially in using the resources of the Australian Sports Foundation.

In general, our expenses have been kept in check, although the costs passed on to the members from SLSSA continue to rise and amount to around 30% of our total expenditure of \$182,113.

Cash and Cash Equivalents improved by 35% to \$130,492 of which \$97,000 has been invested in term deposits at the ANZ Bank and Peoples Choice Credit Union.

Three years ago, the Board of Management was convinced by the City of Onkaparinga that the Wearing Street Proposal was finally going to go ahead and that the Club’s contribution could be around \$100,000. With this in mind we decided that we needed to put aside around \$30,000 per year for us to fund the redevelopment of the gym with additions including, change rooms, training room and emergency services area with IRB and associated equipment to strengthen our lifesaving capabilities. I’m happy to say that we have achieved that goal and can see no reason why we cannot continue to put aside a similar amount over the next few seasons.

A special thanks to all members who donated their time to help contribute to the financial growth of the Club.

I am pleased to report that the Club is solvent.

CAPTAIN'S REPORT
Lyndon Mills

Well, where do I start? I guess, most importantly, congratulations members. We have achieved another season with no lives lost between our flags. It is no mean feat to achieve this, and whilst we expect it each year, hats off to all that made it possible to return such great and positive rescue and prevention numbers again this year.

I would like to thank all the patrolling members for another season of commitment, training and fun.

A big thank you also goes to all the families of our patrolling members who also sacrifice seeing each other.

We have had many new members join the Club this year, I would like to congratulate and welcome you all. The feedback from the Patrol Captains is extremely positive. You have all become strong assets to your patrols and to the Club in general. We hope to see you all back in the next year for another great season, where you will be able to consolidate on what you have achieved this season and start considering the many development opportunities that are available to you for being a member of this great Club.

On a more serious note, our patrols have suffered this year from a decline in patrolling members and patrol non-attendance. Non-attendance puts pressure on the remaining members of the patrol and on those handful of volunteers who are frequently called upon to relieve the pressure in these situations.

The 44th Annual Club swim was excellently run - big thank you to everyone who helped on the day. We had 53 swimmers in total. 30 swimmers participating in the long swim and another 23 swimmers doing the half swim.

For the upcoming season, I would like to see us fill the role of Chief Instructor , which will become Life Saving Education Officer as of season 2018-19. We are in desperate need of more active patrolling members.

Also, members need to be able to extend their knowledge of skills and surf awareness at their own Club as we all have busy lives and are unable to travel to other venues. We must remember that surf lifesaving is a voluntary service and we need to make education more convenient for members to access. I know there is a willing group of kids wanting to do their SRC and extend on their Bronze Medallion, IRB etc.

I'd like to reiterate my thanks to all of you for the incredible work you put in for the Club and the community. Without your service, we'd be unable to carry out South Port core business, saving lives.

To maintain a "healthy Club", we rely on the many volunteers each year who share their time, talent, hard work and commitment, all without any compensation. It's crucial that we acknowledge all of them from patrolling members, to working the bar, cooking the BBQ, coffee machine and canteen and thank them for the important part they play in our Surf Life Saving organisation.

Volunteers create a platform that sustains our Club's viability into the future.

Lyndon Mills
Club Captain

SURF SPORTS MANAGER & SENIOR COACH'S REPORT *David Clayton*

Well done to those who put in the time to train and compete for the Club this year and especially those who achieved their goals and won medals.

The mantra of 'All welcome' was still the model with regular numbers consistently at training. Although at times, it was extremely challenging for the coach to ensure the safety of the younger members, while being able to provide enough one on one time for everyone (including those wanting to excel at States and Aussies), due to the large variation in abilities and goals of athletes.

With the season being a month longer, influences from outside sporting interests and poor event programming led to a drop in numbers towards the end of the season. SLSSA is trying to address the retention in surf sports by conducting forums with the various stakeholders. The main topic so far is to address the program of events, venues and contingency plans so that there isn't a repeat of the State Championship cancellation/postponement like the season just passed.

Our juniors did well this year by maintaining their participation, with about 50% of our nippers having a go at competing at carnivals and Junior State Championships.

With strong support of the Club, the boat area continues to grow. Thanks to Jason McGaffin, they showed their rebuilding is still on track by winning a number of medals at Senior States and with the U19 Female crew dominating locally and doing well at both the ASRL Open in NSW and Aussies in Perth.

Our beach area had a great year by winning numerous medals in sprints and flags in both Seniors and Juniors.

Our youth competing in boards, swim, iron and beach area had a great year winning the majority of the points for the Club at carnivals throughout the year and at the Senior State Championships. Thanks to our coaches and open competitors for providing leadership and mentoring our younger members.

The interest in skis is growing steadily with the age of our youth transitioning to the older age groups where they need to be able to paddle skis for Iron events. For those who want to persevere and train hard, there are lots of opportunities in the ski area to provide success in the future.

Thank you to Richie Cunningham for assisting in taking board training when I couldn't be there and to Simon Linden for taking ski training for a small group throughout the season.

Also, thank you to the helpers for the efforts in conducting regular Tuesday night swimming for those who aren't in a swimming Club squad. Some of our swimmers also donned the Club cap to compete in the State Pool Rescue Championships.

Well done to our members who competed in Champion Lifesaver. Thanks to Michelle Copley for coaching and assistance.

SURF SPORTS MANAGER &
SENIOR COACH'S REPORT... CONT
David Clayton

The resurgence of interest in IRB competition is still growing and will be great in providing another avenue of competition for those who aren't as adept in other areas of surf sports.

To the future – the main challenge I see for surf sports within the Club will be providing adequate coaching and support for younger members transitioning to the Senior Club from nippers and also providing specialised coaching and support for the more experienced competitors aspiring to succeed at both States and National level. Areas of competition that the Club could aim at improving participation and point's tally towards the State Championships are R&R, Champion Patrol, First Aid and Board Riding.

Finally, the biggest thank you goes to Carla Zeitz for her assistance as the Competition Officer. Without her, our competition entries wouldn't happen and my job would have been impossible!

SENIOR STATE TITLES & CARNIVALS

Another season done and dusted. This year the boat section built again on last season with 5-6 crews consistently competing at carnivals, new rowers being introduced to surf boats and some outstanding results interstate.

Sweeps

Without these guys none of this would be possible - Adam (Douggee) Parkinson, Chris (Dolla) Foord, Malcom (Rambo) Rudd, Jarad Savage, Gavin Cragg and Bradley Vogt have all spent a lot of time in the back of the boat this season.

Special mentions to Gavin Cragg who has started getting some young boys going again which is very exciting for the Surf Club and Bradley Vogt who spent a lot time this year with the Open and Reserve Women boat crews.

Rowers

Thank you for all the time you spent training and putting up with us grumpy sweeps. I know at times this year you were wondering why we do this, but just remember the laughs and great results we have had during the year.

Other

I would also like to thank the people behind the scenes. To all the parents, families and partners of all the rowers and sweeps, a massive thank you. I know my wife can attest to all the time I spend away from home and without you guys supporting us, none of the below would be possible.

To Don (Bristles) Alexander, John (Schmidt) Smith and John (Devo) Devitt who once again towed our boats around the country, a massive thank you. I hope seeing the young girls compete interstate made it worth your time and effort. I know John Smith enjoyed getting a photo with the girls next to the boat with his name (Schmidt) on it.

Australian Titles

- U/19 Women – Jason McGaffin, Megan Sinclair, Amber Smith, Emily Bennet, Emily Goldy
- 5th Minor Semi Final (Top 10)

The U/19 Female Boat Crew (Sallywags) had a very successful year. The girls made their first state team, were in the final at the ASRL Open which is the first South Port boat crew to make a national event final and finished in the top 10 at the Australian Titles. As their sweep, I could not be more impressed with their results, which come from a massive amount of work they did last winter and throughout the season.

To all rowers, sweeps and supporters, let’s make sure we build on this season again next year, with Worlds in our backyard and Aussies back on the Gold Coast it would be great to see South Port’s name once again up there on the national scale.

Sponsors

To all of the sponsors who help us travel and purchase equipment thankyou once again for your support. This year we started the Boaties Supporters Club which fundraised over \$3500, hopefully moving forward this year we can build on this with support from ex rowers and sweeps.

Remember – It not what the Club can do for you but what you can do for the Club!

Jason McGaffin
Boat Captain

Another busy season!

Carnivals:

Two or three for the year: Boat Carnivals/ State Titles/ Junior & Senior Presentations. Compared to previous years, the State Titles were quieter than usual for the bar and kitchen as the water events were cancelled on the Sunday due to bad weather... resulting in a lot of left-over food & reduced takings at the bar.

Private Functions:

A very busy year with Birthdays/ Engagements/ Weddings and more being held at the Club. The Deep South Blues Festival was a big, successful weekend for the bar and for the kitchen and a credit to all who helped on the weekend. The organisers of the festival were very impressed with the Oasis in the Sand Dunes and are hoping to deal with us again.

Sunday Sessions:

Fun, busy, successful.

Saturday night dinner:

Well catered and enjoyed.

Thanks to the following:

- Nicole Berry for her help with the rosters.
- Bar rostered members for their great help on Saturday afternoons.
- Members who helped with the private functions.
- Wine sponsors - many thanks for your donated wine.
- Paul (Club cleaner) who always a great job.
- Bristles for looking after the kitchen and the financial side of things with the bar.
- Coopers Brewery
- President Olly who is always happy to help with getting stock to the Club or sorting out cans and bottles.

I will be stepping down as Club House/Bar/Function manager at the close of Season 2018-19, so I am hoping a member will step up and take this position on.

I am happy to help, so if you are keen, come forward this coming season, so I can run you through things.

Hope to see a few members down for the Sunday Sessions during the off season.

Cheers
Wal

PUBLICITY/ SOCIAL OFFICER 'S REPORT
Cassandra Stoodley

Wow the season just flew by! And what a time we had!

We held many of the usual events with some great turn outs. Live bands were quite a feature at the Club this season with The Blues Festival and Sunday Sessions making their debut.

Santa Lobs and the Long/Short Swim was a hit and fun was had by all. The big man in red arrived in a Jet Boat then IRB and the kids followed him in droves up to the Club to sit on his knee and receive a present. Special thanks to all that generously donated prizes and wine to the raffles on the day. A whopping \$1600+ was raised and our cooks prepared over 120 delicious meals.

Who can forget this year's unofficial BBQ Co-ordinator James Burrows scamming free bread from a random bakery only to return the following week and be refused! Thanks for all your efforts this season James, it was greatly appreciated! With a new BBQ donated by Gas Works, we raised approx.\$1700 (net) for the season. Thanks to all those that donned an apron and pitched in to help the Club and feed the Juniors.

Weekly meat trays, seafood trays and wine raffles raised approx. \$3000. Thanks to all who donated!

This was my first year co-ordinating the BBQ at Senior States. A huge thank you to all the volunteers that help set up, cook and serve, keep up the good work. Our Bacon and Egg Sangers sold out and our South Port Burgers got rave reviews!

Toward the end of the season, we welcomed Darren and Karren Bonham of 'Oasis in the Dunes' to our kitchen. Please make sure you stay around next season and sample some of their yummy meals if you haven't already.

I can't thank all of our new and existing sponsors enough, including newbies Oliver Concrete Construction (Aaron and Deb Oliver) and Babcock (Gordon Benn).Thanks to WB Drilling Pty Ltd (David 'Wal' Watt) for the awesome new tent, Bernie Lewis (Cass and Andrew Stoodley) for our new event flags and Ian (Lats) and Gerry Rowling for our amazing brand new ski! Once again Dave Clayton helped to promote our Club by providing and displaying awesome new 'Come N Try' banners, which would have been seen by thousands of local community members.

And whilst I'm mentioning promotions, how good were Richard Olesinski and Micheal Keelan's weekly Surf Reports and Tips on Saturdays on 5AA!! Keep up the good work guys!!!

The Senior Awards of Excellence was a very successful night with many worthy winners. Thanks to all those who made it happen!

This Club runs on passionate (unpaid) volunteers, generous sponsors and celebrating our achievements. I'd love to thank you all personally but a) I'd hate to miss someone and b) I'd take up too many pages of this book! But I will make special mention of those I especially couldn't have done this role without...Laura Odell, Bobbie-Jean Stevens, Anna Fisher and ALL on the Board of Management.

Keep it up Team!

APPAREL OFFICER'S REPORT
Yvonne 'Vonnie' Olesinski

The apparel was a success this season, with a broad variety of stock readily available.

An initial outlay was made on bathers and compulsory hi-vis vests etc, therefore making it available for competitors and members this season and for the coming season.

South Port is aiming for competing members to wear our Club bathers/uniform this coming season as shown in the display in place at the Club.

Looking forward to members promoting our Club through badged items readily available.

Thanks Von

CANTEEN MANAGERS REPORT
Yvonne 'Vonnie' Olesinski

As we are starting to move into a cashless society with customers only carrying card and a lot of trade going to coffee machine and bar, the canteen takings were disappointing compared to previous seasons. The State Titles takings were disappointing also due to weather conditions.

We acquired a fantastic new Coke fridge from Amatil Coca Cola, thus having to purchase Coke products from them.

A profit was made of around	\$4600
Minus Coke bills around	\$1000

ENVIRONMENT (ECOSURF) REPORT

Angel Johnson & Richard ‘Olly’ Olesinski

South Port members continue to be encouraged to look after the environment and recognise the need to maintain and preserve the area around the Club.

The Club’s Junior members, as well as our patrols regularly and informally are involved in beach clean ups to prevent injuries associated with fisher debris and other litter items.

This season saw the Club involved in providing bottle and can recycling assistance for the Fringe Festival at Saubieur House. Much needed funds were raised and signs promoted the benefits of effective recycling to the broader community.

Many thanks to the patrols that continued to set up the red and yellow top bins as part of the ‘Bins between the red and yellow flags’ initiative. This not only takes care of our own litter, but it also encourages the community to use the bins as well.

A major initiative this past season was the banning of plastic straws and the introduction of paper ones in the bar area and canteen. Plastics in the environment is a real hazard and at least we, at South Port have done our little bit to reduce this litter item.

More members are to be encouraged to get involved in the environment around our Club, so if interested please see Angel Johnson or Richard ‘Olly’ Olesinski.

Photo: Signs used to promote the benefits of effective recycling in and around South Port

Through winter, before the start of the season, the Squids met regularly once a month and we had some fun nights.

With good help in the kitchen from a few of the Squids, we had some nice meals and desserts served up, followed by fun, games and quizzes that were organised by Taylah Eastwood.

Jenny Taylor organised a dog walk, which happened on a wild windy day at Hallett Cove, but was very enjoyable for both Squids, families and the dogs. We look forward to many more.

Graham Joyce organised a hike, trying a different route which took us along a different stretch of the beach, it was a great day.

A group of adult helpers was formed, with two representatives from the Squids, Alex Taylor and Emily Goldy, who accepted an invitation to Adam Parkinson's property to scope out a potential site for future Squids camps. I took a few of the Squids down for a day and we explored the grounds. Hopefully this year will see the Squids setting up a good base to have lots of camps over the years to come.

As the Halloween night was unfortunately cancelled for the whole Club, the Squids decided to have their own fright night. Lots turned out in costume, we all had great food, fun and games, including making your own mummy, apple bobbing and then we split off into groups making up a dance routine to show to everyone.

The Squids camp was soon upon us (see separate report), with a new addition to the group 'SP Squid', the Mascot for the group. He hangs out around the Club, and even went away interstate with the competition touring team.

The season started, and it was a busy time. Lots of Squids helping at Saturday nippers, around the Club, kitchen, canteen and more. Lots of new friends were made, so let's keep growing this group.

A huge thank you to all that have helped and hopefully will continue to do so. I hope that everyone will look back and have great memories. SOUTH PORT SQUIDS ARE AWESOME!

Deb
Deborah Sinclair
Transition Officer

Squids camp tops were handed out (a huge thanks to Vonnie Olesinski for donating the shirts), Telstra caps picked, bags packed, and we were ready to go when:

My dog Marvel, escaped out the door, and ended up being rounded up by a group of teenagers. I am not sure who had the most fun! Amber Smith arrived and told us that Austin Smith would be delayed, as he had been out the day before at Bounce and had a bit of concussion after bumping his head. He was going to meet us on route somewhere. Then, Emily Goldy locked her keys in the car boot whilst loading the bags. The RAA man was called, and he asked if Emily's car had a boot pull. No one could find it so we had a wait of an extra 30 minutes for the RAA, only for the man to go into the glove box and find the boot pull hiding away!

Eventually, we set off on our Mystery tour which would end up at Narnu Farm.

First stop was the Big Buddha at Sellicks Beach. Unfortunately, we could not get too near, as lots of work was still being done. So, it was off to the next stop - Victor Harbour. I think that everyone thought they were going to walk Granite Island but instead, I had booked Mini Golf, which everyone enjoyed, including the camp helpers. Then it was off to the nearby park for a Subway lunch.

Next stop was Narnu Farm. We arrived just in time for the truck ride that had been organised, and with the Squids all loaded in the back of the truck, they were taken on a tour of the camp and fed the horses on their way around.

Nic and I went off to shop for food while the kids were on their farm tour.

Once they got back, they picked out their rooms, unpacked and could explore the grounds, including feeding the animals.

Evening arrived fast, and with pizza and garlic bread delivered Nic and Taylah then got into some serious bingo calling, games of Uno, table tennis, spot light around the camp and lighting a fire. Lots of evening fun was had before settling in for the night, and getting ready for the next day.

First up after breakfast, the group split into two, with one group going horse riding whilst the other group fed the animals, they then swapped activities. By then it was lunchtime.

While the groups were doing their morning activities, the rest of the helpers assisted the Bennet family to set up The Amazing Race course. This was so well planned and organised. Dan Bennet had done a great job, and he has left me with what he had prepared for any future races we might like to do at the Club.

With the race under way, the wind picked up significantly, but everyone had a great time. We had 1st and 2nd place prizes with donations from South Coast Optometrists, Beaches, Bernie Lewis and Telstra. Thankyou letters have been sent to these businesses for their kind donations.

That evening, a Mexican night was planned, beef nachos, homemade salsa, chillies and tortillas were prepared and enjoyed. This was followed by more games, starting with pin the tail on the donkey, followed by blowing up a huge inflatable ball which ended up with the Squids inside it! More Bingo and table tennis was played and then we finished with a donkey piñata that ended up with the end of the broom breaking before the piñata did!

TRANSITIONS OFFICER REPORT - NARNU

Deborah Sinclair

Our final day was meant to include a visit to the Urimbirra wildlife park, but unfortunately due to the weather, and the park letting us down on entry costs, the plans changed. So, we stayed at Narnu farm and had lunch there, as we did not need to leave until 2pm.

More animal feeding and games indoors and out - tennis, volleyball and basketball to name a few. Camp feedback forms were given out, with the main feedback being that the venue and everything planned was brilliant, but next time could the camp be longer, and to do more horse riding and team games.

A huge thank you to those volunteers that helped, Nicole Berry, Taylah Eastwood, Emily Goldy, Dan, Natasha and Grace Bennet, and not forgetting Damien Taylor and Chris Goldy who both travelled down after they finished work and stayed the night to help.

Also, thanks to Hayley McDonald from South Coast Optometrists for making SP Squid the new mascot. She only wanted the money for the yarn. She spent countless hours making him, and you will see him around the Club, carnivals and camps.

Also thanks to Telstra, who gave us a generous grant to help sponsor the camp. Without that money we would not have been able to stay at Narnu Farm and do all the amazing things that we did.

JUNIOR DEVELOPMENT CHAIRPERSON'S REPORT

Steve Nahlous

This has been a magnificent season, with many highlights throughout the summer. It has been a very busy year, which has just flown by. The support throughout the season from many dedicated helpers has been wonderful. I felt very privileged to be part of the South Port Juniors this season and I sincerely appreciate all the help we received.

Throughout this season, it was great to see so many Nippers down on the beach. Due to the fantastic weather we had this year, there wasn't a single Saturday when the children didn't go into the water. It was brilliant to watch them grow in confidence and see how enjoyable the surf can be. This summer, there were so many new families that started with our come n try program. I hope you have all felt a warm welcome to our wonderful Club, South Port.

Well before the season started, we were very privileged to received support from our sponsors such as Graham Joyce from GR Joyce Roof Maintenance for purchasing the AGM shirts, David (Wal) & Ian Watt from WB Drilling for purchasing the Junior tent and Mark from Gasworks for purchasing the new Club BBQ. As the season got underway, we were supported by Cassandra and Andrew Stoodley and the team from Bernie Lewis in the purchase of new Junior flags. It addition to this we have been supported by Aaron and Debra Oliver from Oliver Constructions with the purchase of a new nipper board for board training. I sincerely thank all of our sponsors for their help throughout the summer.

Congratulations to all juniors that were involved this year. Overall, the juniors took part in 12 days of carnivals this season, with many brilliant results. With the introduction of a new carnival format, which saw the U8's participate in Junior State Titles, it was great to see one of our U8's, Grace McAvaney, receive a silver medal – a first U8 medal for South Port. In addition to this there were many medals won at Junior States (3 x Silver and 15 x Bronze). Overall South Port placed 10th at Junior State Titles.

Over this season, we had 99 Juniors register for the Nipper and Starfish programs. This resulted in 39 Juniors competing at Junior States. Great to see!

There are so many people that I would like to thank this year, but firstly I would like to thank the Board of Management, and especially our Club President Olly, for their support throughout the season. There was never a time when the juniors lacked any equipment or support & guidance this year – Thank You.

Thanks to all the superb Age Group Managers and assistants this year, (especially everyone new to the role). Your efforts have been magnificent. I would also like to say a special thank you to Antonine Stagg for 10 years of dedicated service in her role as U6/7 AGM. In addition to this – special thanks goes to Sarah Thomas and Alex Taylor for guiding the U13's and taking on the role of looking after all new U14's this summer. You took on the challenge and we appreciate your efforts.

Many thanks also go to everyone that has helped with water-cover during the week, on Saturdays and at Junior carnivals. Without your help we could not function. To all those that helped with the BBQ, to Tracy McAvaney and Tania Cunningham for taking all of the Junior photos this year, and all those that helped with the running of the two Junior carnivals at South Port – thank you.

CHAIRPERSON’S REPORT CONT...
Steve Nahlous

Throughout the season, there have been so many people that have helped ensure the Junior program can run efficiently and smoothly. Without this help from so many people, it is difficult to see how we could function. To all those that got involved and lent a hand – thank you.

Without going any further, I would like to thank Gill and Kylie Leadbeater and Donna Logan for taking on roles in the JDP this year. Your efforts have been simply wonderful, and we cannot thank you enough. There have been many challenges this year, but each and every one of you have provided invaluable assistance to our team – Thank you.

Finally, I would personally like to thank Carla Zeitz, Richie Cunningham and Lyndon Mills for all your support, guidance and efforts this year. You know more than most how much of a challenge this year has been. You have sacrificed precious time with your families and volunteered to help the Junior team without any reward. I cannot express enough how much gratitude I have for your support – thank you it has been a great season!

To everyone that has helped the Juniors this season, I hope you have enjoyed this year as much as I have – for I truly believe this has been a very rewarding year. It was great to be involved with such a wonderful family-oriented Club and contributing to Surf Lifesaving in South Australia.

All the best for next season...

VALE

JACQUELINE 'JAC' JOYCE

1972 - 2018

Jacqueline (Jac) Joyce passed away on Thursday 26th April, 2018, aged 45.

Jac joined South Port in October of 2008 with her husband Graham and their two (2) children, Holly and Owen. They were the next wave of 'Poms' to join after a big group went through in the 70's, 80's and 90's.

While Jac never got involved in the 'Nipper' scene, she was always their supporting and encouraging her family and the Club. Jac was also happy to help when it came to things needing to be done behind the scenes and it was truly appreciated.

On the 28th July, 2014 she finally became an Aussie and was so excited.

Jac worked for Discovery Holiday Parks from the time she moved to Australia. She was highly regarded and will be missed dearly by all staff.

Jac was also a very social person who enjoyed the get togethers' both at the Club and at their house with Clubbies. She lit up the room with her smile, made so many people laugh and was always in for a wee drink.

We will miss her happy demeanour and forever hear her laugh in our hearts.

There were over 300 people who came to Serafino's to celebrate Jac's wonderful life and then back to the Club for an evening full of dance, laughs and of course the 'Roo cha cha'.

Our deepest sympathies go out to Graham, Holly and Owen – Rest assured your surf Club family are by your side for whatever you need, now and in the future.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

The financial statements cover SOUTH PORT S.L.S.C as an individual entity. SOUTH PORT S.L.S.C is a not for profit Association incorporated in SA under the Associations Incorporation Act 1985.

The functional and presentation currency of SOUTH PORT S.L.S.C is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of Significant Accounting Policies
Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

SOUTH PORT S.L.S.C

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

Plant and Equipment

Plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses. Plant and equipment is depreciated on a straight line basis over the assets useful life to the Association, commencing when the asset is ready for use.

Depreciation

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Impairment of Non-Financial Assets

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

51 114 459 582

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2018

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Sale of goods

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SOUTH PORT S.L.S.C
51 114 459 582**

Report on the Audit of the Financial Report

Opinion

I have audited the accompanying financial report, being a special purpose financial report, of SOUTH PORT S.L.S.C (the association), which comprises the balance sheet as at 30 April 2018, and the income and expenditure statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information, and management's assertion statement.

In my opinion, the accompanying financial report of the association for the year ended 30 April 2018 is prepared, in all material respects, in accordance with the Associations Incorporation Act 1985.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter- Basis of Accounting

I draw attention to note 1 to the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting the requirements of the Associations Incorporation Act 1985 and regulations. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect to this matter.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 1985 and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SOUTH PORT S.L.S.C
51 114 459 582**

Auditor's Responsibility for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
