Another season has drawn to a close, and I'm happy to report that "No lives were lost" at South Port while we patrolled the beach. This season our Club Captain decided to start our patrols 2 weeks earlier to tie in with the commencement of the Junior activities on the beach. It was a good move and I applaud his foresight. This also ties in nicely with the SLSC policy of "Beyond the Flags" to extend our patrols both in time and area.

As usual there are a great many people to thank for their efforts through the season and I'm not going to attempt to name you all, because there is a real danger of missing someone out and that's not a good thing. I would like to thank all the members of both committees for their commitment throughout the year; it's a big job regardless of what role you have taken on.

This year Sharmyn Campbell and Anita Johns played a huge role in the Bronze and Surf Rescue squad training and had fantastic results for the season. This is an area that we as a group need to focus on for the coming seasons and try to encourage as many people to do their awards to ensure the sustainability of the future of this Club.

The bar takings and trade started out poorly during the winter, but as the season got underway with the influx of new members this soon turned around and finished well up on last season, this is an essential part of the financial existence of the Club and thanks to Shaun Thompson for his efforts on Saturday afternoons. The canteen has also become a great source of income for the Club thanks to the efforts of Vornie Olesinski. These two sources of income coupled with grants and various sponsorships are the reason we can exist as a Surf Life Saving Club and supply the equipment to members to be able to compete and patrol.

This year the Club had many members involved in State representative teams and this was a credit to their disciplined dedication to training.

During this season our 50th celebrations started with the Club hosting a senior carnival in February. This was an excellent carnival with a great many of the past members taking the opportunity to come back to the Club and help kick off the 50th year.

Lease Agreement

I've included a quote from my report from last year and I think this says it all in regard to our lease agreement.

"At the 2005 Annual General Meeting we had discussions on the tenure of our position in the current location, mind you this process has been ongoing for many years now, thanks mainly to Chris Ford and past committees. This long and drawn out process has almost come to completion and by the time this report is read we should be able to say that we have now signed a long term lease with the City of Onkaparinga, with a maintenance agreement similar to the other Mir Coast Clubs. Keeping in mind that the way this works does not mean we stop doing things to our premises, it just means that items of capital could be taken care of by the Council, financially that will be of great benefit to us. Part of this process was the Building Audit undertaken by PMS at the direction of the Council and that presented us with an estimated \$200,000 worth of repairs and maintenance to undertake before the Council would consider giving us the maintenance lease."

I can report that we have signed a long term agreement with the City of Onkaparinga, but there are still many things to be done to honour our part of the agreement, so over the next few months we will be asking for help to resolve these issues. The work on our Club has continued and is ongoing, regardless of the fact that the City of Onkaparinga is now officially the custodian of our building; it's still our responsibility to do things around the place if we want to improve it for our comfort. It's not in South Port's nature to sit back and wait for someone else to get things done, I guess that comes from having to look after our own for the past fifty years and not rest on our laurels and wait for the Council to come and fix it. We still have a great deal of work to do inside the clubhouse and we would appreciate any assistance you feel you can offer at any time. We will need a concerted effort to get things in shape for the 50th celebration now that it's being held here on Saturday 3rd and Sunday 4th October.

President's Report

John Devitt

This year we formed an EcoSurf Committee formed around Dick Olesinski as the head of the group. There are many things happening around Australia with the official recognition of the EcoSurf program by Surf Life Saving Australia. City has been a driving force behind this initiative. Next season we are looking at having an Eco Officer appointed by the BOM from expressions of interest from persons within the Club to help move this program on.

The City of Onkaparinga again has been of great financial assistance to us and I thank them for that, in particular the support of our local councillors Rex Manson, Arlie Ferguson, Bill Jamieson and Neil Swan.

Due to the good diligence and financial management by Surf Life Saving SA they have been able to pass onto Clubs a total of \$27,500; made up from the SLSSA Trust Fund \$9,500 and cash reserves \$18,000. This was a great bonus for the Club. However due to the global financial downturn and the push to get Surf Life Saving SA into a new facility at West Beach this is a very unlikely scenario this season. The State Government has already committed in excess of \$1 million to the completion of a storage facility for the Lifesaver 3 and Jet Skis, incorporating a communication centre to be built on the Barcoo Road site at West Beach.

This season we had the use of the Yamaha Rhino ATV again and it proved its worth time and time again. I would like to thank Shane Daw the State Manager for all the work he did in obtaining the four Rhinos for this state. We would find it very difficult to patrol without it now, and it must be looked after and used on patrol as an outpost at the river mouth at every given opportunity.

The Mid Coast Group of Surf Life Saving Clubs continues to meet on a monthly basis, looking at any issues that we can support one another in. It also gives us a lot stronger representation with the City of Onkaparinga simply because they are dealing with a single entity.

In closing I would like to thank our sponsors for their help this season. Mr Addie Yeung and Top Level Industrial from Hong Kong, City of Onkaparinga Council, Surf Life Saving South Australia, Coopers Brewery, Colonnades Tavern, Brian "Zee" Johns from Sunbeam, Mark "Spider" and Carol Webster and Southern Powder Coaters, Michael "Munchie" and Sharyn Campbell and MS Campbell Plumbing and Gas, Warren "Wazza" Edmonds at A1 Steering and Suspension, South Port Shivering Shags, Siggie Giebel and GHR Motors, Grant Cameron and the ABC891, John Hall, Seychell Constructions, Michael Keelan and SAA, Daniel Schroeder from Schromaw Pty Ltd, Grader and Roller Hire and Surf Life Savings major sponsors - DHL, Telstra, and Westpac. Quite simply put, without them we would struggle financially.

I wish all the incoming committee the best possible wishes for the coming season and to our competitors, may you achieve your goals and reap the rewards that your input deserves.

Secretary's Report

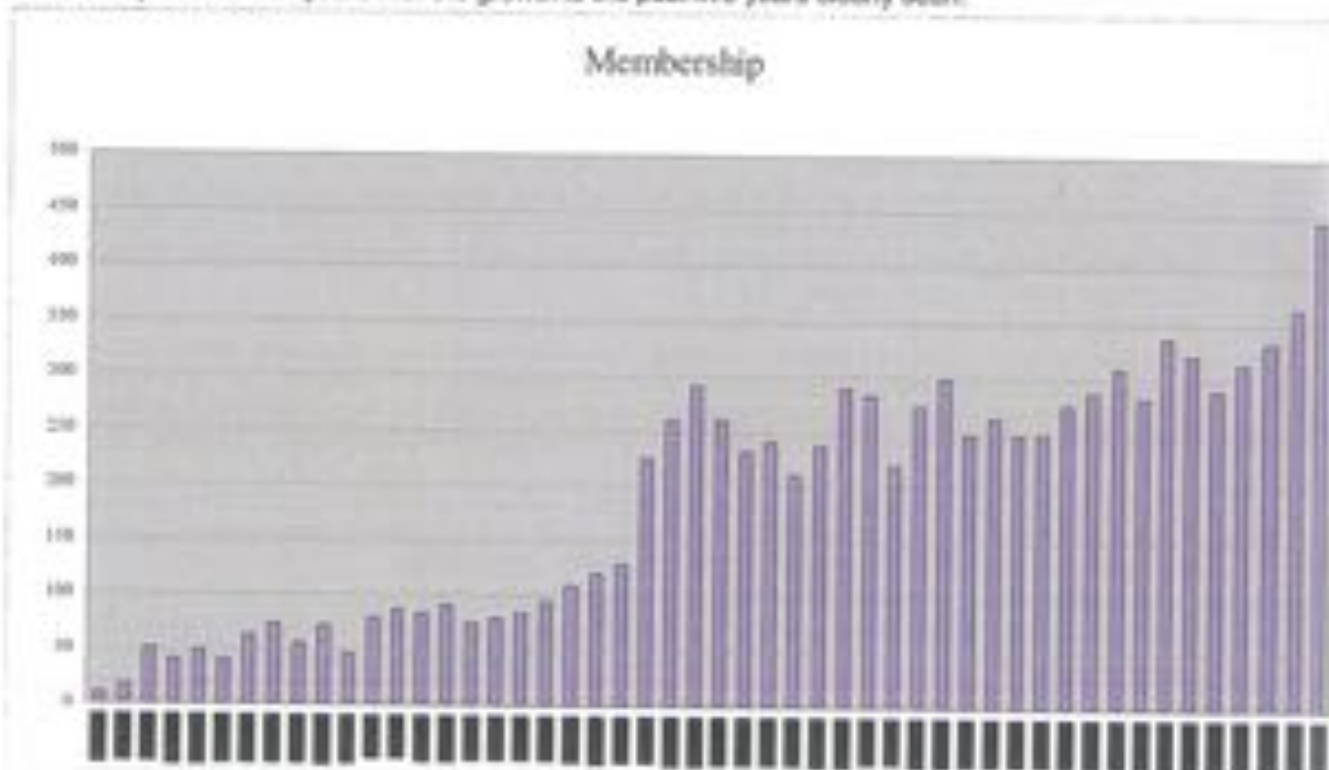

John "Schmidt" Smith

The Board of Management of the South Port Surf Life Saving Company Inc. has pleasure in presenting the 49th Annual Report and Financial Statement.

Membership

This season we had a massive increase in membership from 364 in 07/08 to 444 this season. This is the largest membership the club has ever had and an increase of 22% over last season. There were 150 juniors which equals our highest number of juniors ever in 1983-84. The graph below shows membership over our 50 years with the growth in the past five years clearly seen.

Communication

Our weekly email newsletter has continued as has the Club website at southportslsc.org.au. These outlets depend on contributions from you so it is essential that news, upcoming dates, training sessions, celebrations of success are conveyed to the Secretary so he can include them each week. It is also important that members regularly check their emails to keep up with what is happening. If you change addresses or email addresses, don't just tell someone at the Club – let the Secretary know!!!

Statistics

The tables below show the statistics for the 5 decades that our Club has been in existence. The number of rescues exceeds 750 and this is an average of 15 - 16 rescues per year. This is truly an outstanding record. Add to this the average of 45 first aid cases and in excess of 100 preventative actions per year and you can see our patrols do much more than just sit on the beach. I must thank a past Secretary Brian Johns as much of these statistics have been lifted from his work. Thanks Zee.

Competition

Only a brief word on Competition as this will be covered in detail, but I must congratulate our competitors on the enthusiasm, dedication and effort throughout the WHOLE year. Winter time is now a time of major activity at the Club with Boats, Skis, Board and IRB training going on every week end and together with the Shivering Shags, there is often more than 50 members at the Club on Saturdays and Sundays. Our improved showing in the State titles 3rd overall and winning of the 2008 IRB State Titles is a testament to our fantastic competitors, coaches and supporters. I have made a number of trips away with our competitors and can say they certainly do South Port proud.

South Port Club House

Over the past 18 months much work has been done in making our Clubhouse a safer place in which to work and much more member friendly. These improvements will continue and hopefully we will have everything finished to celebrate our 50th on the long weekend in October. Many members have been involved in the work but I must pay tribute to Don Alexander, Beau Lyons, Mike Etheridge and John Devitt in particular and to the many workers involved in tiling, painting, bricking, plumbing, carpentry, gyprocking, etc.

Mid Coast Group of Clubs

The Mid Coast Group of Clubs has continued to work together throughout the year with Shaun O'Sullivan from Port Noarlunga the president this year, Don Alexander the treasurer, John Smith as secretary, and John Devitt and Chris Foord as South Port Club reps. It is an opportune time to again look at the achievements of this group over the years.

- Formation of Constitution and incorporation of MCG.
- Negotiation with City of Onkaparinga for annual grant of \$7000 (indexed) for running costs.
- Establishing a sound working relationship with the City of Onkaparinga.
- Securing leases for the 5 Clubs
- Redevelopment of the Moana and Christies Clubhouses
- Mobil sponsorship which has resulted in the purchase of 5 surf boats and Nipperthon prizes (2008 & 2009)
- Working with the City of Onkaparinga to achieve the shared storage facility at Hunt park
- Colonnades sponsorship
- Gaining of a number of Rec & Sports grants
- The impetus for a number of SLSSA projects has come from pressure from the MCG presidents e.g. The Facilities Management Group, Jet Skis, Defibrillators, Scrutiny of SLSSA finances.

The MCG is something our club must always support as it gives life saving a much greater voice both in our community and surf life saving.

A tribute to the hard workers of South Port

I must congratulate all Club members who were involved in patrolling, competing, coaching, working with the Juniors, helping with gear, working in the Canteen and behind the bar, cooking the weekly barbecue, helping with touring teams, cleaning the club, working on the club etc. The list is so long and I am sure individuals will be covered later in this report.

WELL DONE TO THE WHOLE CLUB FOR SUCH A HARMONIOUS, SUCCESSFUL AND ENJOYABLE SEASON - ROLL ON 2009/10

Treasurer's Report

Don "Bristles" Alexander

Income Statement

The consolidated net profit from ordinary activities shows a loss of \$33,847.34; this includes an expense amount of \$39,558.07, which relates to the adjustment made to exclude the Club Premises from the asset register, due to the new long term lease arrangements with the City of Onkaparinga. The correct profit is \$5,710.73. This had the effect of reducing the total member's funds to \$311,614.62 compared to \$345,461.96 last financial year.

Trading Income

Trading income was \$38,137 a big increase from the previous season of \$26,874. Bar profit was \$29,866 which is the highest the Club has ever had. Thanks to the many members who turned up for their rostered days to help behind the bar. It certainly helped to share the load and we will have a new roster out at the start of the season. Thanks to the Coronades Tavern for their support over the past few years in supplying product and merchandise to the Club.

Vonnie Olesinski has again provided us with a valuable donation of \$7,107. While she does get some support from members during the season it would be appreciated if more members offered to put some time in the canteen to ease her work load. Even if only ten percent of the members gave one day each it would make a big difference and remember the money goes back to the help run the Club and your area.

Mary Carr again look care of the clothing for the seniors and returned a profit of \$1,164, a big thanks to Mary, who doesn't have a lot of time on her hands these days but always manages to make herself available whenever she can.

Grants-Financial Dependency

The Club is dependent on the receipt of significant grants to maintain its cash flows in operating activities and we sincerely appreciate the support of these organisations.

City of Onkaparinga	\$11,552
SLSSA	\$18,000
SLSSA Trust Fund	\$9,500
Total	\$39,052

Many companies and members also provide significant assistance to the Club. These have already been mentioned in the President's Report, and I would like to express my thanks to everyone who has contributed over the past year, your involvement is appreciated.

Club members also donated a total of \$721 to the Victorian Bushfire Appeal.

Michael "Bones" Etheridge

What a nice season, everything went well. It's been our best in years for training numbers, having quite a few members gain their Bronze Medallion, ARC, IRB Crew, and IRB Drivers. I believe the two ladies that obtained their IRB drivers are the first for many years, so well done to all.

Competition this year was excellent again, with great results right through to the Australian Surf Lifesaving Titles in Perth. We are also sending a crew to the IRB Australian Titles in Queensland in July; we wish them all the best. I am glad the Australian Titles have moved back to the East Coast, it makes the trip so much easier for us. I would hate to think how many kilometres John Devitt, John Smith and Paul Gray have travelled towing our competitors gear to carnivals around this country. Thank you.

The time taken to finish proficiencies each year is getting longer and more difficult to complete as Surf Lifesaving is adding more areas of proficiency that need to be trained and assessed. As a Club, we need more Assessors to take the pressure of the few active Assessors we have, so if you are interested, please contact a Club Officer for more information.

Patrols this season all ran very well with no problems. We started 2 weekends earlier as a trial to see if the extra patrols were warranted. I don't believe they are, due to the weather being mild and the water too cold. It may be better to extend patrols at the other end of the season by two weekends when the water and days are warmer.

Patrol inspections, which were arranged and run by John Smith and Sue Wevill, were made fun and when I looked at the results, patrols were doing OK, which was great to see. (even though I reckon my patrol should have won, it was great fun). Thank you, Sue and John.

As a Club, we are going in the right direction, but as always, we still need to keep improving and changing. So to all – Great work and thank you for your efforts this season.

Rhino on Patrol on Australia Day

Australia Day Patrol

South Port Club

It has been an excellent year, with South Port finishing third overall which was a tremendous effort for all of those involved. Well done.

Special thanks

To those who did water cover, without you people our club would not have been able to compete. Those people of you who assisted our competitors during training and putting up tent at carnivals it made life more enjoyable. The other coaches need a mention as well, as their input was most welcome. Thanks people it made this year a lot easier.

State Titles

It's been a hard slog this year with training in the Ski, Board and Beach area as the competition seems to be getting a lot harder. Most of South Port's competitors won some sort of medals to one individual who won as many as 21 medals at the state titles

Aussie titles

Almost every competitor in the board ski & beach areas made it through to the semi finals and finals, well done to you all.

Looking forward

With the positive attitudes coming from the competitors I believe that next season will be even better. So everyone keep up the good work, well done.

This season was very interesting; it had its ups and downs as surf guard had changed their format for state entries which wasn't as easy as previous years. If a competitor was not put in a race by their name they could not compete which caused some upsetting moments with a few competitors as names were forgotten. I even forgot Thomas in his U19 swim event (that went down well, like not). But besides this little complication the season once again went extremely well. We placed overall 3rd which was terrific as in the senior division we don't have as many competitors as some of the other clubs. We defiantly held our own.

I would like to have the exact results of the Senior and Junior States but with the combined competitors it becomes very difficult. All competitors competed very well as the club result showed.

I have enclosed some Aussie Results

Open March Past Team
Thomas Gray & Zac Ryan
Caitlyn Gray
Samantha Mills
Jake McKenzie
Shari Copley
Lauren Etheridge
Aaron Lohse and Tayce Fry

3rd

4th U15 surf race, Final U15 Iron Person.
4th U15 Women's Champion Life Saver
Semi Finals Open Iron Person and Boards
1st Aussie appearance and competed very well.

The boats competed extremely well

The juniors did very well at their States, also making South Port very proud.

Pat O'Keefe

The Club was extremely fortunate at the start of the season to have Pat O'Keefe, the Head Coach of the powerful Northcliffe Club visit the Mid Coast. Pat joined Northcliffe in 1985 and at that time was involved in coaching track star, kayakers, boxers and even jockeys, before he started to concentrate on coaching Karla Gilbert. In 2003 he took over the role of Head Coach and since that time Northcliffe has won the best performing club at the Australian Championships six times.

An open day was organised at South Port with the Mid Coast Group and we had over 50 athletes and coaches in attendance. About 15 athletes were put through their paces on a very cold and windy day on the beach, followed by a gym session where around 30 tried one of Pat's circuit training programs.

Pat did say that our Club's facilities, equipment and the gym were as good as any of the best Clubs so there should be no excuses for poor performances. He thought the main reason area for improvement was the lack of time allocated for training and the intensity of the training sessions. Everyone agreed that the visit provided a suitable stimulus for the start of the season and hopefully we will have Pat with us again in the near future.

Gym

The gym has been extended a little more this year with the introduction of some new equipment, including a new dumbbell rack and benches, and consequently the numbers working out are increasing substantially. There are many times in the evenings when over 20 are working out and on some occasions even the mornings are busy. Let's hope that everyone stays enthusiastic during the summer months.

Insurance issues are forcing us to introduce some new procedures for the new season, which are not onerous but the Club has to comply with, we have no choice. The beginning of August will see these changes take place.

Boat Rower Sweep and Rowers Course

During winter the surf rowers organised for Jack Pattison, Austimmer SLSC and Lara Raymond South Curl Curl SLSC, to assist with a sweep and rowers course at South Port. Both presenters were fantastic not only with the theory but spent many hours rowing and sweeping with all the crews on another cold and windy day.

Port Augusta

The season started once again with the traditional Port Augusta Outback Surfboat Series. Some good results with a 1st in the open men's, open women's and 180+ women's and a place in the relay, all together came away with over \$1,875 in prize money, a good start to the season and a great way for all the boaties and club members to get to know everyone a little better.

For the second year in a row we just missed out on winning the Pt Augusta Grand Prix Series; this year by 15 points, following up last season's loss by 4 points. When you consider that the winning club scored 388 points you can see how close the competition is. Not much over a season of seven events, considering that we had no U23 Women's crew at 22 points a round available to the winning crew. The winners, Glenelg, had an Under 23 Women's crew compete all year. The prize for winning this event is valued at \$4,000 in equipment, plus each division wins another \$600 x 6, so in total \$8,400; it's worth the effort and we need to put more crews on the beach other than the Men's and Women's Open Crews, not only for the equipment but to stamp our authority in the boat area.

Mollymook

The men's and women's open crews competed in a boats only carnival at Mollymook SLSC, on the South Coast of NSW, late November. The women's crew with Lisa Biggs, Alberta O'Leary, Jen Drake, Kate Kryz and Don Alexander, came third in the final and won \$500 and the men with Ben West, Matt Lee, Jason Cloonan, Gavin Craig and with Jeff Hegarty sweeping, made the fourth round.

Manly-Freshwater

The men's and women's open crews again made the trip to the Manly-Freshwater carnivals over the Australia Day weekend. At Manly under the repechage system the men's crew went out in the second round and the ladies in the third. At Freshwater the men made the fourth round and the ladies the semi finals, both crews competed well under the conditions, which don't favour interstate crews.

Navy Series and Australian Open

This year the Australian Surf Rowers League was successful in having the Australian Navy sponsor the boat rowers. A series was run to coincide with the City of Port Augusta Series and the Open Men, Women and Reserve crews won their divisions. The sponsorship provided enough funding to fly and pay most expenses for the trip to Broulee SLSC for 17 of our members and all crews performed really well.

State Titles

The Open Men's, with Ben West, Matt Lee, Jason Cloonan, Gavin Craig and Jeff Hegarty (sweep), the Open Women's with Lisa Biggs, Alberta O'Leary, Jen Drake, Kate Kryz and Don Alexander (sweep) and the Reserve Crew with Angus Boot, Adam Lyons, Chris Lowery, Justin Pitcher and Adam Parkinson (sweep) all won Gold Medals at the State Titles held at Moana.

The "boomerangs" consisting of Dave Guley, Peter Hihorst, Lee Roberson, Brett Fisher and Chris Foord (sweep) finished second in the open men's, a fantastic effort from the crew and a great result for the Club. The men's open crew also won a Gold Medal as part of the Club's team for the Champion Lifesaver event; this is the third year that the event has been held and we have won all three.

The U23 men's crew of Tristan Foord, Justin Campbell, David Clohesy, John Morgan and Chris Foord came third in the final, a good effort considering their stop start season.

Masters State Titles

In the Masters State Titles at Port Elliot we had a win in the 220 Men's, with Mark Webster, Norm Churchman, Paul Howse, Brian Johns and Michael Campbell (sweep), and our 180+ women's crew with Penny McKenzie, Bridgette Richardson, Gina Mills, Karyn Kelly and Andrew Bedford (sweep) came third. Unfortunately the ASRL Australian Open was held at the same time as the Masters, so a number of competitors were unable to compete in this event. Hopefully the dates won't clash next season.

Interstates at the Aussies

Both open crews were selected to represent the State in the Australian Interstates at Perth. A controversial format had been put together by SLSA that had a competition taking place on the Wednesday of the Aussies at the same time as the Masters.

Ben West had to drop out of the crew as he was due to become a father at the same time as the Aussies (bad move Ben), but for Ben and Tammy everything went well and to their joy their baby arrived safe and sound. Congratulations to you both. This allowed Angus Boot to join the men's crew and he did it with a minimum of fuss.

In what was the biggest surf of the competition, our ladies got hit by a large wave soon after the start, survived a "bum shoo" and managed to finish second. Only three crews completed the course and the photographers on the beach had some spectacular shots taken of the carnage. The sweep knew that Jen Drake was in trouble after the start but it wasn't until the boat returned to shore that the true extent of her injuries became apparent. Jen had fractured her sacrum (for the second time in three years) and was ambulated to hospital for an overnight stay. Jen's guts and determination to complete the race for the crew and the Club showed what a great competitor she is and indeed has been over a long period of time in surf boats.

The carnage wasn't quite as bad in the men's race and our boys came fourth, again a great effort and gave them a lot of confidence for the main competition.

Australian Championships

Due to Jen's injury the ladies crew was very fortunate that Gina Mills was on hand and eagerly stepped back into the bow (had she ever left?) allowing Kate to move to second bow. On the Friday both men's and ladies moved through the round robin. Unfortunately on Saturday the ladies went out in the fourth round and the boys in the fifth.

Jeff Hegarty

The surf boat trophy awarded to the Most Outstanding Competitor went to Jeff Hegarty. Jeff took over the job of sweeping the open men's crew at the beginning of the season and it is commonly agreed that it has been the best first year performance of sweeping that the Club or the State has seen. A few carbon sweep oars were broken, as usual on the way out and sometimes in small seas but that's what happens with the carbon; broken sweep oars when learning, go with the job. We can only hope that other young boaties can make the transition from rower to sweep in the next few years, because we are going to need them.

Gavin Cragg

Gavin won the most Dedicated Rower's Trophy this season, mainly because he decided to get fit by putting his car away for a six month period and ride to work and training. How could we go past that; except to say that he was always around to help, especially with setting rowlocks and general maintenance of the boat. In addition he has been involved with the boaties in setting up a Youth Program.

Club House Report

Michael Etheridge

I tried to slow things down this season and focus on just a few major jobs around the Club, because as in previous years, it is the same people working hard to maintain our Club.

This season we rendered to the front and side of the Club. I expected this to take a few days to do, but with Lyndon Mills, John Devitt and Don Alexander, we ripped through it in one day and I was rapped.

We know that we will have to recoat or paint the wall, which we are in the process of arranging.

The next major job was the gutting on the front of the Club House. And with the help of Jeff Hegarty, Paul Howse, John Devitt and Don Alexander again, it went up easily and has made the front look better.

Then, the new room by the Canteen; this will become the Patrol Area and stock room for the Canteen. I must thank Marlin Chlman and Brian Johns for the construction of this room.

You may notice the new lighting and switches around the Club. Thanks to Ben West for all his electrical work.

We still have much to do and it may take another season or two, so thanks to all that have helped and be prepared for more!

MIKE ETHERIDGE

IRB Report

Derek Wix & Andrew Bedford

Another season gone with the next one fast approaching, thanks to all the drivers and crew on patrol this season for the way the equipment has been looked after giving us another year where it's great to report that no major costs were out-laid for repairs, well done to all.

Thanks to all drivers and crew who were involved with IRB water cover this season.

Well done to all those who obtained their IRB Drivers or Crew Certificates, many thanks to all those involved with the training.

I wish all crews the best of luck in IRB States and to those who are travelling to the Nationals.

Derek Wix

IRB Coaches Report

Well I sit here and write this as once again we are in the middle of our IRB season. Firstly I must thank our IRB captain Candles for all his hard work over summer keeping the equipment up to scratch and ready to be used at all times.

It's great to see more IRB drivers and crew coming through the club and becoming involved not only in competition but also just being there to patrol. Bernie along with Mandi has been the driving force behind getting more drivers and crew qualified and it's great to see more of the girls getting involved.

The club has been great in the support of the IRB area with the purchase of a new (well almost new) IRB and new IRB Motor (both will be seen on patrol).

All the comp crew have been busy getting their gear ready for this season and with the IRB trailer rebuilt, motors serviced, boats polished and varnished and the new IRB storage area built over at the River Road sheds. Thanks to Bernie for all his help with the gear preparation. Without his help we would not be able to perform at the level we do.

The team has changed again this year with new faces and a focus on developing our U23 competitors. Great to see Troy Ross, Chris Lowery, Sarah Burnell, Bec Etheridge, Lauren Etheridge and Karl Giebel actively involved not only in the competition but also in preparing and maintaining the equipment. The open competitors have also improved this season with both Alex Botha and Mike Peel placing well at all the carnivals.

In the open women competition it's been great to see Mandi Bedford and Gina Mills being pushed along by the younger girls and with both teams being backed up by Brigitte Richardson.

With the team shortly to contest State Titles, hopefully we can defend our win from last year and improve on our performance at Nationals this year, the experience gained from last year will be invaluable.

This report wouldn't be complete without thanking John Charles for his input into the team and his assistance with training.

Once again I would like to thank the club and all its members for the support shown to the IRB team.

Andrew Bedford

IRB Touring Team, at Shell Harbour, NSW consisting of Drew and Mandi Bedford, Zee, Shaun Burnett, Donna Boal, Bernie Tanner, Chris Lowery, Adam Lyons, Brigitte Richardson, Sigg and Karl Glebel, Steve Clohesy and Michael Peel

"It's OK Drew & Charley I'll get it"

(Chris Lowery taking the plunge)

Another season is over and how fast it has gone, as they say time flies when you are having fun.

I would like to thank so many members, but where do I start?

Thank you to all the age group leaders for their assistance and all their hard work throughout the season, not only on Saturdays but also behind the scene work, which takes a lot of time.

Thank you for all the individual coaches, the knowledge that you have passed on to the children during the season has shown in their personal achievements.

Thank you Tony McKenzie for taking up the role as gear steward, as this position was not filled at the AGM. Tony, not only being an age group leader, then took up this position. We must realise that the importance of this position means that if we do not have a gear steward the children would not be able to compete at carnivals. So, thank you very much Tony.

Thank you to the coaches who look the children during the weekly training, your dedication has been very much appreciated by all.

Thank you to the parents without the children having your support we would not have nippers.

Thank you to the seniors for helping us when you could and to the board of management for the support that you have given us throughout the season.

Lastly, I would like to say thank you to the children for making 2008/09 a very enjoyable season. The laughter, smiles and the friendship that were made this season was lovely to see every Saturday.

Thank you for the experience.

The Shivering Shags were conceived in 1985.

2008 saw another stellar season with Sister Yes! being inaugurated as a Life Member having completed 15 years at the end of 2008.

2008 opened with Schmidt (Head) occasionally taking leave, which put the Brothers Sisters in a spin. Who would fill the void, and thus allowing for a mystery draw! Nervous anticipation, who would be filling Head's shoes this week? Alas Stubbs & Howsey found the hot seat too hot. Luckily for the Shags, Schmidt found his feet and bounced back with characteristic glee and so we were saved. Or at least that's what we thought until Dibber Dobber. Equally daunting, Season 2008 saw many a Shag confronted with "The Constitutional Quiz" which if you are a true Shag you would think it's a walk in the park, but then interpretation is only a state of mind as are the written – unwritten by-laws & rules that even lawyers could not fathom, and who pick the colour? One Shag has been declared a vacuumless vessel while another Milky once again nominated his Top 10 Shags. This caused much debate and a history lesson for some (after all 24 years of Shags has provided some 118 different shag names), some of which have not been heard in public for quite a while. 2008 also saw the intrepid band Maxed @ Mannum sponsored by Total Tools. According to all who attended another enjoyable end of year trip. A Fine Season all round.

Shags donation to the Club

As at end of Season 2008 and pending resolution of discussions with the Club, Shags have earmarked \$1,800 towards purchase of a special item.

Season 2009 will culminate 25th Years for this unique group.

Success at the 2008 Championships presented the opportunity for the team to win its 10th Australian Championship in 2009 (its 4th consecutive). It was resolved that the best way to approach this was with the same team members. It was realised that by so doing would require changes to our preparation. Jenny Whitmee had moved permanently to Queensland, work commitments and other personal issues of team members needed to be accommodated.

The dedication and application shown by Jenny must be acknowledged as outstanding. She travelled from QLD regularly to train and compete, a truly commendable contribution. The team benefited substantially with Anita Johns joining the group and her application to training and assisting the team is appreciated by all.

After much discussion and many telephone calls to Perth new accommodation for the team was booked at East Perth, and which proved satisfactory.

The team again dominated the domestic competition and it was most satisfying to see 19 teams compete at the state championships. South Port won its 25th state title (the last 20 consecutive).

Unfortunately we were not successful in achieving our main goal (a 10th Australian Championship), fortunately however, the team did still place winning a Bronze medal. This brought the total Australian championship medals won by the team to 19 (9 Gold, 10 Bronze) an outstanding long term achievement. The team agrees that the performance at the Australians this year was not as good as it could have been perhaps contributed to by some physical and psychological issues raised by me during the season.

It is time for transition and the rejuvenation of the team with some new personnel which I hope will be led by Anita Johns and I offer myself to assist in any way required.

Terry Smallwood

27.8.1945 – 13.4.2009

Club Life Member Terry Smallwood passed away on Monday morning 13th April this year just one week after his wife Chris. Terry and Chris had been married for 42 years.

Terry obtained his Bronze Medallion back in 1962 at West Beach and after transferring was member of South Port for over 45 years. He was made a Life Member of the Club in 1999.

Terry filled a number of positions in the Club and he competed fiercely in all areas. He was a long time member of the Open March Past Team winning 5 Aussie Gold Medals and 7 Aussie Bronze Medals.

Terry was a flamboyant character and he will be missed by all Club members who knew him. The last time Terry came to the Club was for our 50th celebration carnival in February this year and he was able to catch up with many of his mates from the early years of the Club.

The Memorial Service for Terry and Chris held at the Morphett Vale Football Club was attended by a very large crowd with many friends from Surf Life Saving from a number of different Clubs present. Farewell Swalla from all present and past South Port members.

Promotion Officer's Report

Richard Oleasinski

With the club celebrating its 50th anniversary, this season provided some great opportunities to promote the club and our achievements, currently and also in the past.

We once again had great exposure through Michael Keelan's weekly radio show where we provided a surf report and an update on what was happening at South Port. Sincere thanks to Michael and SAA for allowing the club and surf life saving in general to raise community awareness of issues associated with beach and surf safety.

Media exposure was again gained through Grant Cameron's ABC Drive Show where club activities were promoted regularly. Thanks again to Grant for continued support.

Members continued to be kept up to date with Smithy's weekly e-news. This medium is an essential method of keeping members and supporters in tune with everything happening in the club as well as through State Centre. Thanks Schmidt.

The club's website www.southportslsc.org.au also continued to be another powerful medium where members are able to access information on club activities. Past members, living interstate and overseas, have indicated that they use the website to keep in touch with everything happening at South Port.

The website is certainly something worth nurturing and further developing as an easy access for all to anything to do with promotions, membership, recruiting, etc.

The club again continued to gain great corporate and government support for our broad range of community service and sporting activities. Sincere thanks to: Addie Yeung of Top Level Industrial Ltd Hong Kong, courtesy of Brian 'Zee' Johns of Sunbeam, Kingsley Smith from the Colonnades Tavern, Joel Shean from Coopers Brewing, Mark 'Spider' and Carol Webster from Southern Powder Coaters, Norm Churchman from Concord Transport, Mobil Oil Refining, Seychell Constructions, and Daniel Schroeder from Schromaw Earthmoving as our corporate supporters.

From a government perspective sincere thanks also to the City of Onkaparinga, Department of Recreation & Sport as well as the Federal Attorney General Department for continued support of our A&T Terrain Vehicle.

The club is also indebted to Surf Life Saving SA together with national sponsors DHL, Westpac and Telstra.

The two Michaels doing their thing – Michael Keelan & Michael Angelakis

The Bark Canoe

Richard often gets the Club involved in marketing and promotions, most work but there are a few that go wrong and the Bark Canoe project was one of the latter ones. The idea was for the bark on the gum tree to simply peel off in one piece, however the technique for doing this was lost a long time ago and it ended up in many pieces. The bark was transported in the surf boat and we will update you on the floatability of the craft in the next report.

50th Anniversary Report

Richard Olesinski

A group of interested members have been meeting regularly for over 12 months in planning celebrations for the club's 50th Anniversary.

As a result, the following activities have assisted in celebrating this important milestone in the club's history.

A range of promotional banners, stickers, posters, etc have promoted our milestone and have also advised the community how proud we are in what we have achieved over 50 years.

The 50th Anniversary Commemoration carnival was held at South Port on Sunday, 15 February 2009. The club hosted a 'Back to South Port' Surf Carnival with members invited to kick off celebrations. A great roll up saw past and present members get together to commemorate the club's inception date.

A 50th Anniversary publication is currently being developed as a pictorial history of 50 years of sun, surf and good times at South Port. Old photos are still required and being gathered URGENTLY. Please contact Oly on 0413 750661 or email images to ecomarketing@senet.com.au

50th Anniversary functions are to be held over the October 2009 long weekend, so keep an eye on the club's website for more details.

As South Port is a 'beacon' club in Australia regarding ECOSurf initiatives, the club management committee saw the need to formalise and introduce an Environmental Committee and environmental policy to demonstrate the club's commitment to environmental legislation and principles.

The newly formed Environment Committee met on a couple of occasions during the season and its role was to deal with environmental issues connected with the club, and to make recommendations about the club's environmental policy.

The committee's aims were to:

- develop and actively manage the club's environmental policy to ensure that it fulfils its legal, social and corporate responsibilities;
- promote environmental awareness amongst members and the general public;
- encourage club members and stakeholders to comply with the club's developed environmental policy;
- work with stakeholders to promote energy and water conservation as well as improve waste separation and effective management;
- manage issues relating to general environmental best practice and to reduce the club's environmental impact; and
- ensure the club's environmental directions interface with SLSCA's ECOSurf policy and SLSSA's ECOSurf strategy.

The club's environmental policy has been developed to:

- comply with relevant environmental laws and standards;
- set and communicate environmental objectives and targets for club members and stakeholders to reduce natural resource use and reduce and prevent negative environmental impacts; and
- raise the environmental awareness in dealings with members, stakeholders and community networks.

Coastcare Group

Environmental actions

Through the season members were encouraged to actively support and participate in the club's ECOSurf commitment by:

- reducing waste and recycling materials by using correct bins and separation methods;
- conserving water, eg, reduced shower use, washing craft, etc;
- involving Nippers in local environmental issues, litter reduction and recycling;
- keeping area around surf club free of litter and maintaining plants;
- promoting environmental issues by using educational posters and other communication approaches;
- communicating the club's environmental commitment to new members, bronze/award groups, Aquatics, etc;
- investigating renewable energy use options, eg, solar and/or wind, and
- connecting with local environmental groups, eg, Coastcare, etc.

A couple of major highlights during the season were the support from the Balance Carbon organization in auditing the club's water, waste and energy use with the view to reduce our carbon footprint. This is seen as a high priority for the incoming Environment Committee as well as management group.

Another highlight was the ECOSurf Community Coastcare breakfast which was hosted by the club as a lead into Coastcare Week. Around 30 community, Council, government and surf club members attended the breakfast with almost 200 Nippers and their parents enjoying displays later in the day.

The breakfast was a 'green' event with all materials able to be composted rather than disposed to landfill.

We are one of the luckiest clubs in Australia to be in the position we are on a sand dune environment. The challenges now before us as club members is to work together to 'do our bit' in reducing the impact on 'our patch'.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2009

1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act SA. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act SA and the following Australian Accounting Standards:

AASB 110:	Events after the Balance Sheet Date
AASB 116:	Property, Plant and Equipment
AASB 1031:	Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on a first-in first-out basis.

Property

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers, less subsequent depreciation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2009

Fixed Assets

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets, excluding freehold land, is depreciated over the asset's useful life to the association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of SOUTH PORT S.L.S.C (the association) which comprises the balance sheet as at 30 April 2009, and the income statement, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporations Act SA 1985 and are appropriate to meet the needs of the members. The committee's responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act SA. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.
