For and on behalf of, the South Port Surf Life Saving Club Board of Management

**Mission Statement:** To maintain South Port Beach as a safe and enjoyable environment for the public and our Members.

**Forward Plan:** Season 1995/96 saw the Board of Management adopt a Forward Plan to provide guidance, for their and future committee's direction. The broad goals of the Plan are as follows:

- To maintain high safety standards of South Port Patrols
- To encourage competition as a means to attract and retain Members
- To create and maintain a friendly social atmosphere within the Club
- To create and maintain a friendly environment in which our Members can grow and learn
- To maintain an organisational structure conducive to the smooth operation of the Club
- To maintain good links with local government and the community
- To raise community awareness of South Port Surf Life Saving Club
- To create and maintain a good working relationship with Surf Life Saving South Australia

**Name:** South Port Surf Life Saving Club Incorporated.

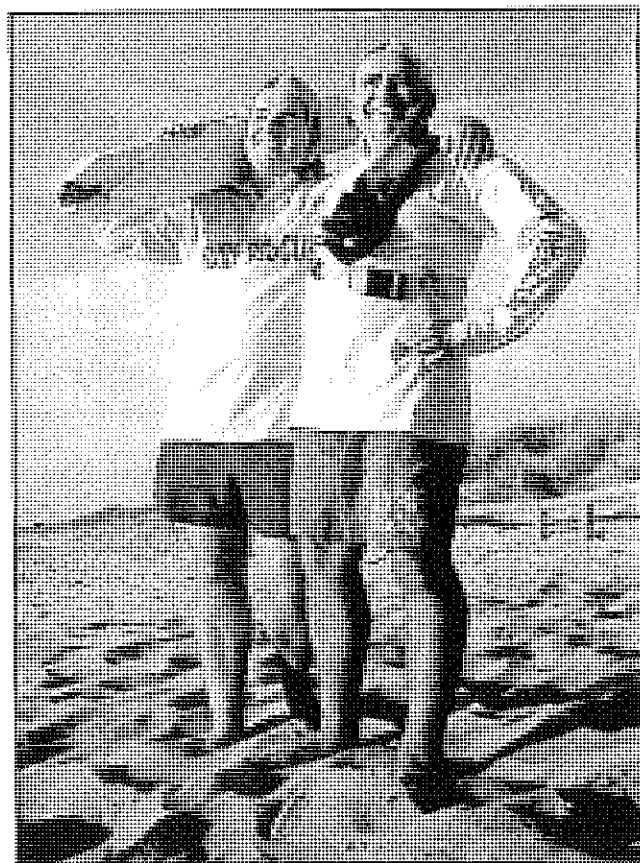

**Affiliation:** The Club is affiliated with Surf Life Saving South Australia.

### Objectives

- To minimise the loss of life from drowning by providing patrols and life saving equipment
- To adopt the gear, drill and handbooks of Surf Life Saving Australia
- To patrol that portion of Port Noarlunga beach, south of the reef, to the mouth of the Onkaparinga River.
- To be on call within the City of Onkaparinga on such days and for such periods as Surf Life Saving SA shall from time to time determine

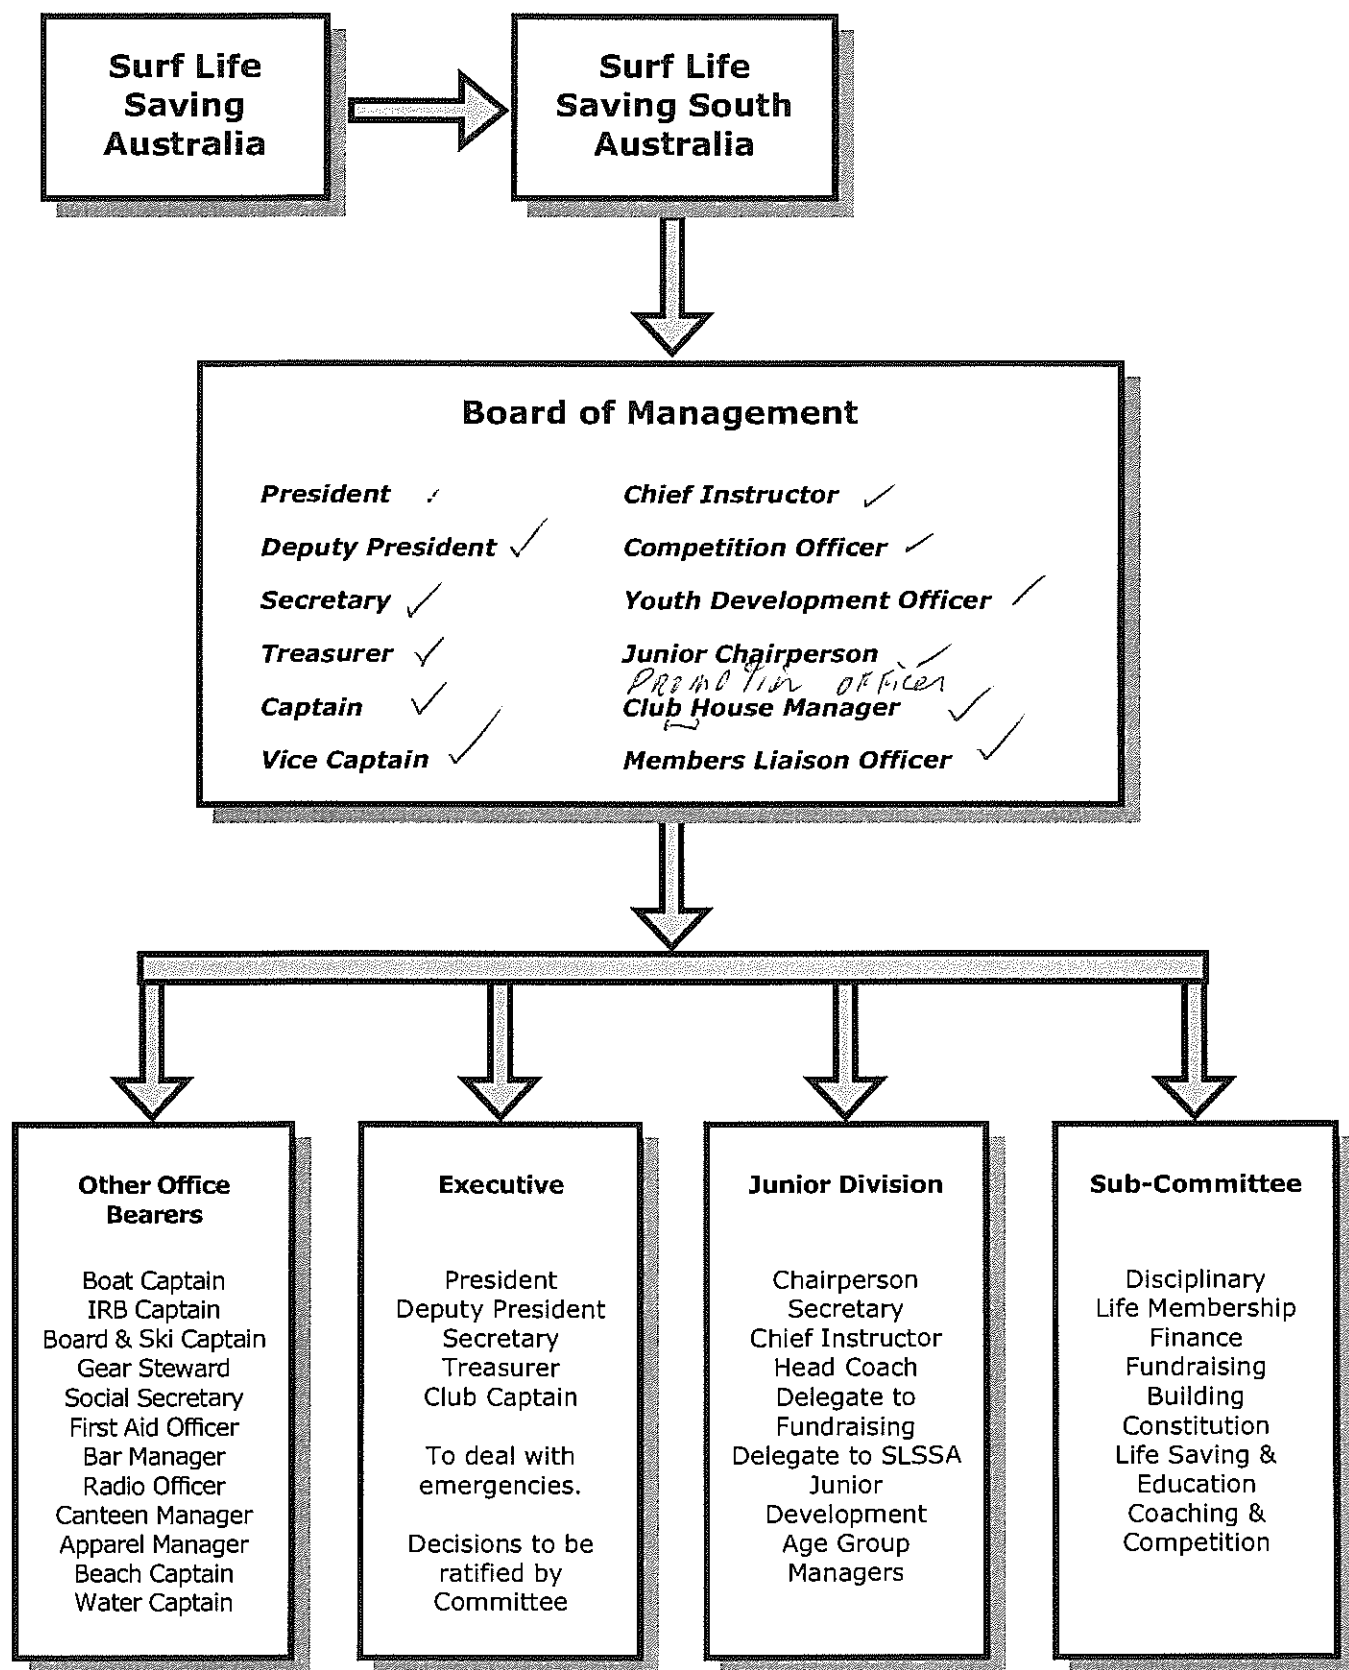

- To promote demonstrations and arrange classes of instruction of life saving
- To obtain facilities for life saving and to assist the City of Onkaparinga and other public bodies in improving facilities for bathers
- To encourage the physical and social welfare of Members
- To purchase, lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges
- To raise funds and borrow money for the purpose and benefit of the Club upon such terms and conditions as may be determined

**Colours:** The Club colours are navy blue, white and green. The Club badge is a green silhouette of the side elevation of a standard reel with the words "South Port" above and "SLSC" below in white lettering superimposed on a navy background.

## President's Report

**Chris 'Dollar' Foord**

In reporting to you on 2002-3 season, I must say how quickly the season went, but "Oh! What a beautiful warm summer we had, what a difference from the previous season!"

No lives lost at our beach while we patrolled and we all can be proud of that feat. We have fulfilled our obligations to the beach going public who visited South Port. Not only during patrol hours, but unofficially every night while members are training we are very aware of situations that can arise and respond accordingly. How many first aid cases do we perform out of hours?

This club of ours is growing and with it comes challenges that we have to face. I am sure we are prepared for this challenge, and I look forward to the day we have a membership of 450. Will our club be able to afford the equipment for our members to compete? Will our Management structure be able to manage this new club? I have no doubt it will.

Our increased membership, means more members participating in all aspects of Surf Life Saving.

To our patrols, congratulations, I am pleased to see that our younger members are taking on the responsibilities of Patrol Captain, Youth Development Committee and Junior coaching positions. It has always been my belief to encourage our younger members to take a more active role in club management.

At this point I must thank John Devitt and Jason McGaffin for their organisation of our patrol section. Our Life Saving and Education panel have worked well conducting proficiency and training new members in gaining awards. Congratulations to Anita Johns for achieving our Service to Life Saving Trophy.

Competition this season has seen a great improvement in our Board and Ski area. The purchase of this equipment over the past few years and the professional coaching from Jason McGaffin is showing improved results. We still have a long way to go but we are on our way. Well done to all the Board and Ski competitors, with some great individual results. The joy I saw in Greg Fotia's face in making the Iron man final was fantastic. In Andy's report I am sure he will identify all who performed well. Euan Currie's great effort on the Beach, Boat crews, March Past

Teams, (State Champions and bronze winners at the Australian Championships), R&R team and all who competed for the club this season.

This year we conducted several carnivals including a Junior and the State Champs, hard work, but extremely successful. Congratulation to all that participated! The work party and the catering group a magnificent effort.

The Mid Coast Group has been meeting regularly to promote Surf Life Saving in our community. This season we held an information day at Moana, inviting Councilors and local business people to a display showcasing a Junior Training Day. Thank you to all clubs junior division for their effort on this day. A successful day and I am confident we will benefit in the future from this type of exposure. The Mid Coast Group are working closely with the Onkaparinga council to our mutual benefit. We are confident that the new Off Site Storage facility which will house Christie's, Port Noarlunga, South Port and Moana trailers and competition equipment will be built in 2003-4.

Like all clubs a small band of dedicated members do more than their share. I thank them and encourage more members to make more of their time available. Vonnie Olesinski, our Canteen Manager, a great effort again this year. Our Carnival catering group worked extremely hard, hopefully we will not have as many carnivals next season. To the Working Party who performed brilliantly at all of the carnivals, another great effort, and to Andy Higgs and John Smith for running our inter-club competition, a great effort.

I must congratulate Michelle Mitchell and her Junior committee for an excellent year. This position can be daunting even with a history in surf. Michelle has been elected again for season 2003-4, I wish her and her committee well.

To all of our sponsors, especially, Mobil, Onkaparinga Council and Emergency Services, without your assistance our club would not be able to do what we do. Thank You.

On closing I must congratulate the Management Committee for their dedication to the running of the club. I look forward to season 2003-4 with enthusiasm and I am confident this clubs forward planning will take us to a bigger and better future.

## **Deputy President's Report**

**David G Gardner**

Once again, another year has passed and to the frustrations of the meagre few people who assisted in the fundraising of this year.

I feel like repeating myself in my report this year as it is the same old thing. Come the Annual General Meeting you get everybody keen to help for the forthcoming season, but, when the crunch comes there is virtually nobody to help.

The support for fundraising this year literally fell on deaf ears once again and the fundraising efforts were that of social events only, and virtually no "Fundraising" goals were achieved by this committee.

Apart from the usual events of the 100club, BBQ's and the after carnival events, and the Xmas and New Years Eve shows, there was no outstanding event that could be produced as a major fundraiser.

I would like to thank those that did assist during the season especially Mary Carr and Chris and Diana Foord.

Late in the season my commitments were stretched and I would like to thank Sue Goldfinch for taking the reigns in perusing the clubs annual dinner and Mary for assisting in running of the Raffles.

Without the assistance of Gary and Jackie Eastham and family in the kitchen, it would have made it very difficult to run what shows we had and I would like to thank them for their efforts that they had put in.

I would also like to thank all of the members that pitched in to help for the carnivals and especially the State Titles. It seems that when the club really needs support people come out of the woodwork to help. So I am at a loss as to why we can't get a fundraising committee together to raise the much needed funds for the club.

Without the support of our sponsors we would be finding it very difficult to buy the craft and equipment that the club need to run its day to day operations. I urge you all to come up with some ideas and seriously think about how we as a club can raise \$20,000.00 next year.

I know we can't expect the members to pay for funds all the time so we need to come up with some ideas that could target the community and raise the funds that the club so desperately need. So don't be backward in coming forward with any idea you may have, all options will be considered for future fundraising by the next incoming Fundraising Chairperson.

I would like to thank our sponsors of the club this year for their much appreciated donations.

I would also like to take this opportunity to congratulate all medal winners in both State and National Titles and congratulations to our new IRON MAN Alex Botha.

**David George Gardner**

**Brian "Zee" Johns**

Ladies and gentlemen of South Port Surf Life saving Club and interested parties, it is with pleasure the Board of Management of South Port Surf Life Saving Club Incorporated presents the 44th Annual Report and Financial Statement.

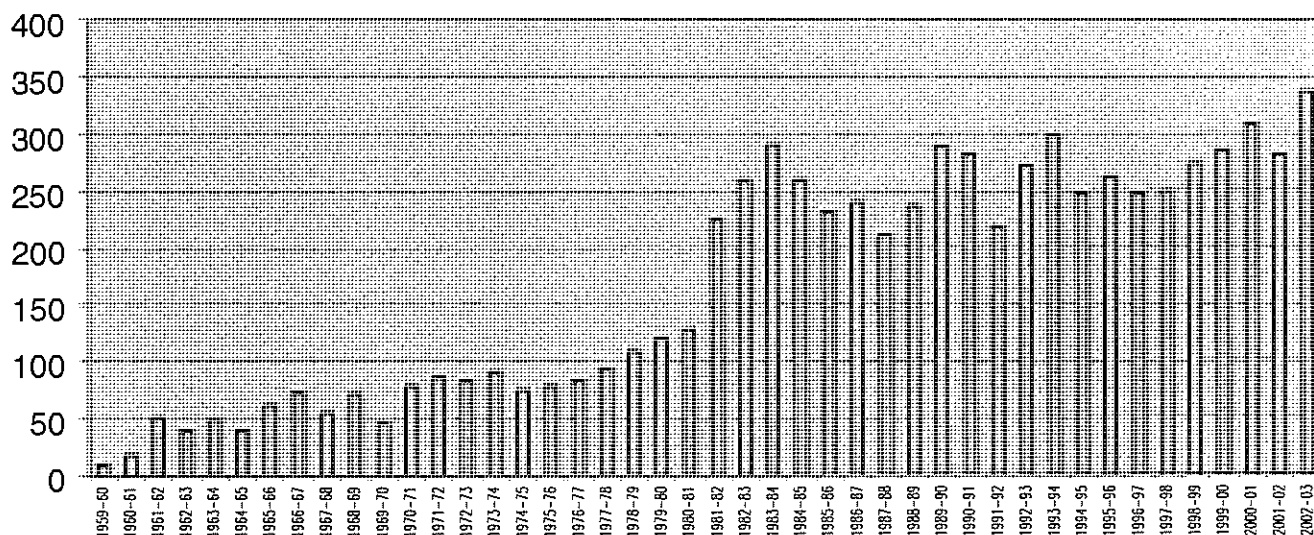

Normally the Secretary would give a brief synopsis of the events that took place throughout the season. This year I leave that to those who know their respective areas better than I, knowing they will convey all that is required.

I considered that this year I would look back over the last 44 seasons and show how our club has progressed. I trust this will give an appreciation to those new members recently joined and bring some memories back to those who contributed to making these statistics.

Since our beginnings in the late 1950s when those "breakaway" members from Port Noarlunga and Glenelg recognised the need for their services down South Port way, we have grown from those 10 visionary members to a now thriving throng of 337 registered members.

Our numbers grew slowly through the sixties and seventies to then climb steadily upwards through the eighties until today. The rise in numbers through the seventies and early eighties is attributed to our increased Junior membership and the follow on of their parents joining. Then in the nineties and until today those 70's Junior's now returning and bringing with them their own children. We now have generations of families involved in this great club.

### ***Membership***

Brian "Zee" Johns

## Rescues and First Aid

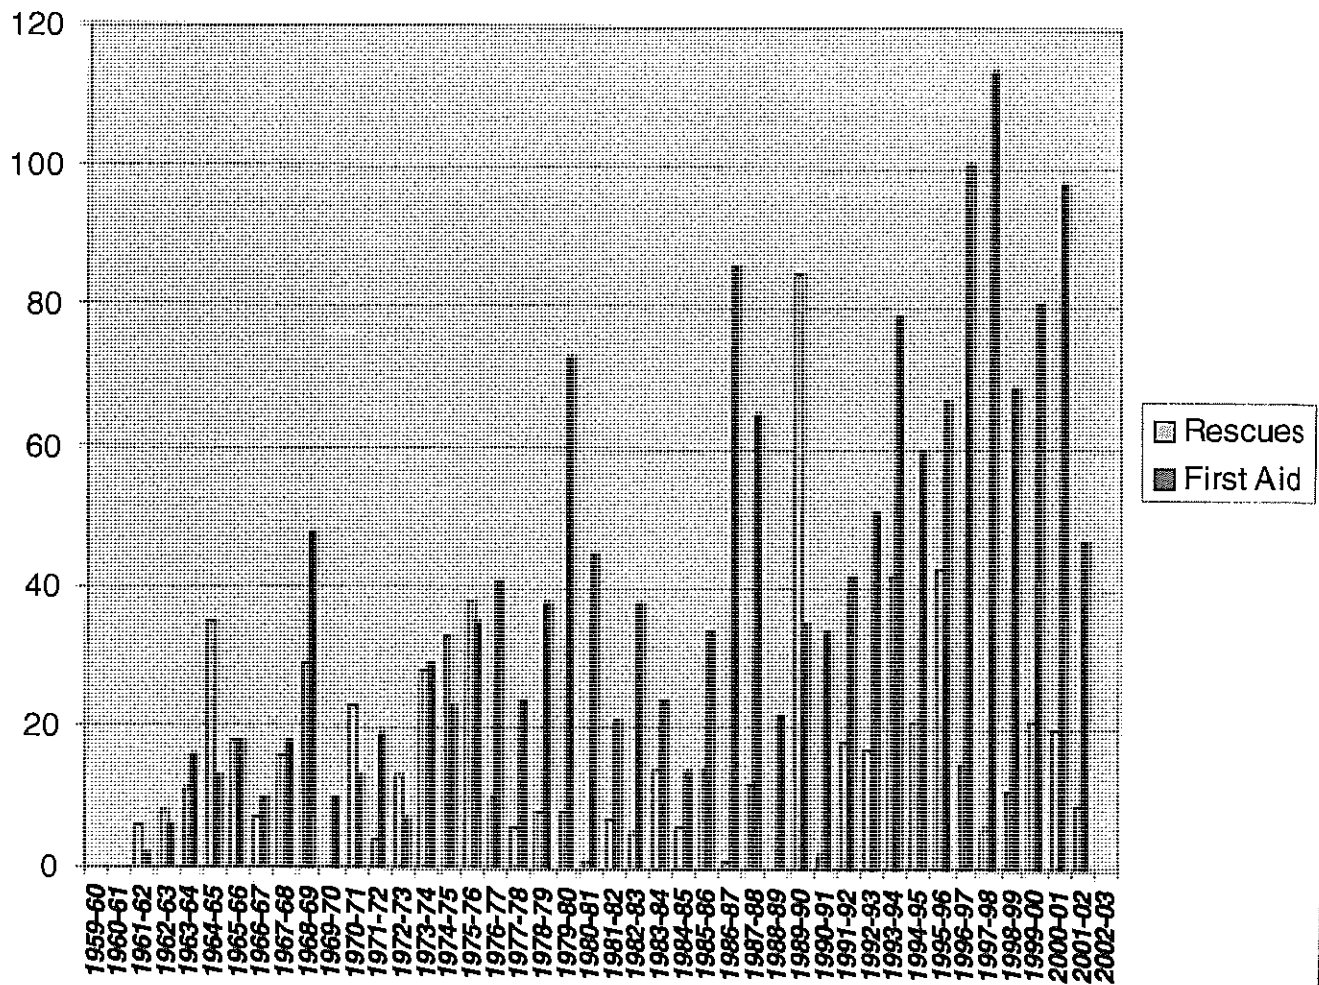

Over the years as our beach became known and was the place to be seen, our statistics in these two areas formed the basis of our objectives, have grown steadily. This increase shows how diligent we have become and how with our membership growth this was transferred into increased service to the community. It is still pleasing to note that as per our initial reason for being, "no lives have been lost on South Port Beach". It should also be noted that with our vigilance and service we have been called upon to conduct Resuscitation on only 5 occasions and all of these being in the 1960's.

Also many an older member will probably also tell you that the surf was always bigger in the olden

days. And if you are to believe the statistics it would hold true, as many a club member who was here in the 70's would attest that the surf seemed bigger those years. And yes we had a lot more rescues then that we do now. Or are we more vigilant and warn the public better today than we used to. I won't comment as I was here for both eras.

As to our First Aid statistics it is, as per our rescue numbers, ever increasing, as we continue to grow with the community. Again, we serve those who use our beach well and many a Patrolling member can give an account of a nasty gash or broken bone over the years.

## Rescues & First Aid

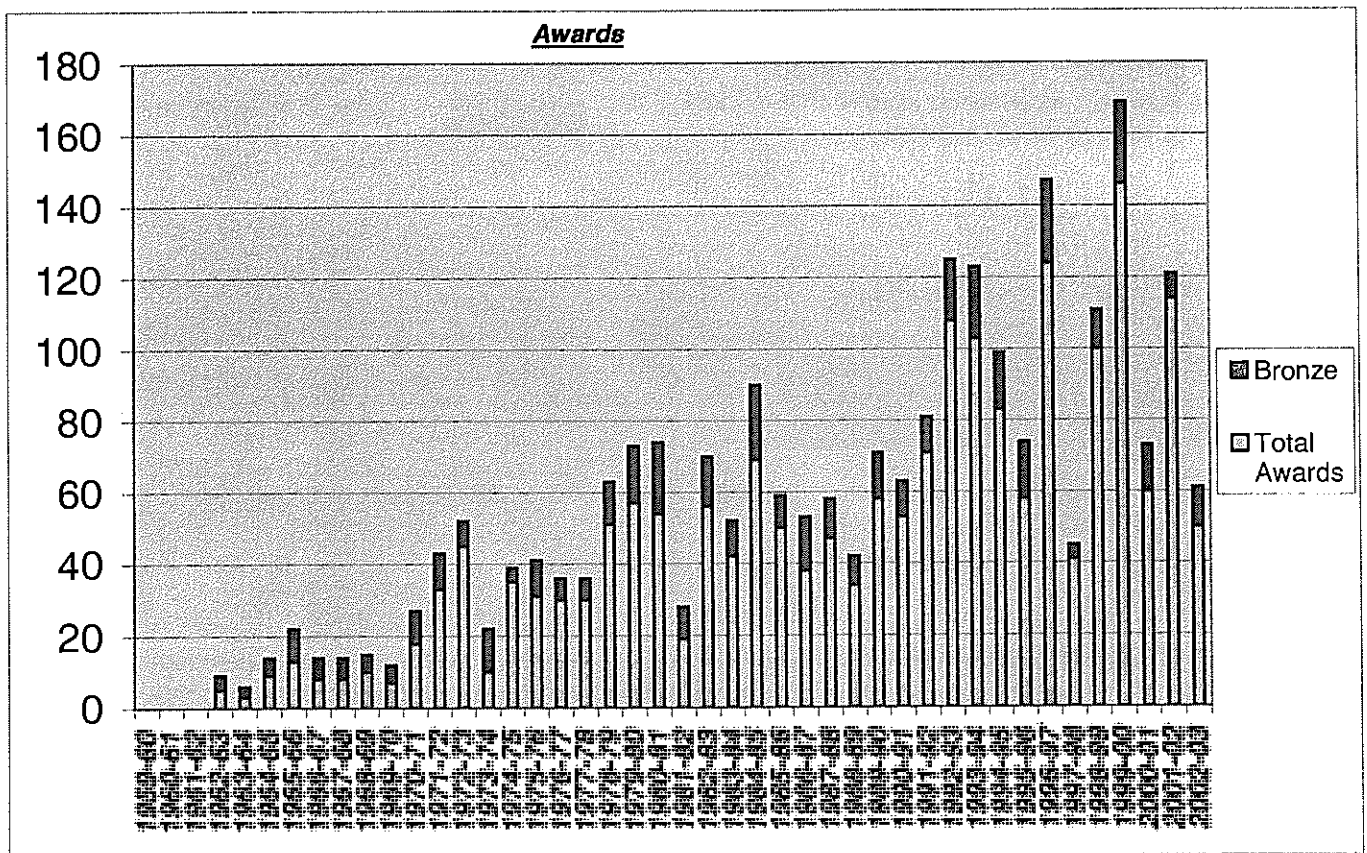

Brian "Zee" Johns

## Awards

Over time we have experienced an increase in awards gained and this, one should consider is to be expected. Why? As our membership increases the need for training increases and this then flows on into our overall statistics for First Aid, Preventative actions and finally, hopefully in reduced need for Surf Rescues.

Over the years we have had some varying types who have taken up the mantle of Chief Instructor. But a common thread has existed throughout. If you were to look at Mick Shead, Mike Etheridge or a John Nearnmy you would immediately know they were grumpy old gents.

But in real terms this was not the case. They just had a passion for getting it right and ensuring we produce the best lifesavers we can possibly produce. We must ensure we continue to train our Junior members to strive for excellence in Surf Rescue techniques. This will flow through to all aspects of our club and competition disciplines. An example is how over the last few years we have had success in the R&R area as well as Champion Lifesaver and First Aid competitions. It is these competitive areas that are a direct result of good technique and Life Saving training.

**Brian 'Zee' Johns**

### Summary

As a club South Port has a very proud tradition and is known across Australia. We have developed on both the home front in all facets of Surf Lifesaving and nationally as a strong competitor through March Past, Boats, Boards and Ski's. The time will come when we will also make a mark on the beach.

So what does this all mean to us?

Well since our beginnings back in the 50's our little club down south has:

- Registered 7,381 persons as members of South Port Surf Life Saving Club.
- Rescued 671 people from possible drowning.
- Given First Aid to 1,670 individuals.
- Trained individuals such that 1,981 awards have been given.

Also as a side issue, if you valued each person saved on today's dollar value, at say \$100,000 for insurance purposes, do you know we saved the economy or insurance companies \$67,000,000. Yes you read it right. Wouldn't it be nice just to get less than 1% of that to help surf life saving.

Not bad for a group of volunteers originally based around an old tin shed.

So have a read of our little report and look at the numbers contained within it and take time out to congratulate yourselves and the other members.

We have done it good for a long time. Let's keep doing it.

The overall financial position of the Club hasn't changed significantly during the past twelve months. One of the hardest parts of a Treasurers job is to have money in the bank to pay the bills. Even though we are turning over close to \$3,500 per week we never really seem to be able to get into a comfort zone with the finances.

Without Grants from the Government, Council and the Surf Life Saving Trust Fund, this year totalling \$21,681 we would find ourselves having to curtail many of our essential services. Donations from our members and supporters of \$24,401 make a very big contribution to our position and we are reliant on these two sources of funds.

There has been a change in some of our income supply this year over previous years, mainly in the area of Grants, Trading, Carnival Activities, Surf Boat Prize money and the expenditure of our Touring Teams.

### **Balance Sheet**

The Members equity increased again this year by \$20,157, mainly due to cash assets, receivables, slight increase in inventories and \$12,406 increase in property plant and equipment.

Our Liabilities increased by \$10,057 which is the balance of the loan that was used to purchase the Holden Rodeo.

### **Revenue**

Revenue increased to \$180,978, a marginal increase over the previous year, which allowed \$45,272 to be provided in investing activities.

### **Income & Expenditure**

Profit from ordinary activities fell over the previous period from \$34,450 to \$20,157 with increased expenditure on Motor Vehicles and Entry Fees..

### **Trading**

In last years report, I mentioned that Vonnie Olesinski produced a fantastic result with \$4,148 profit, well this year she has surpassed that to record a profit of \$8,135. It was a difficult season for Vonnie, at times she felt like giving it away but thankfully she didn't and with perseverance has brought about a financial result that in the past would have taken many years to accomplish.

To those members who helped Vonnie in the canteen, we thank you, however if Vonnie is to continue and we sincerely trust that she will, then more members will have to help, because it is a very demanding position on your own.

### **Clothing**

For the first time in a few years the responsibility of clothing was split between Vonnie, with the seniors and Sharon Lohse, the juniors.

We have found over many years that it is very hard to make a profit on clothing and this year was no different. Both ladies put in a lot of time and effort to ensure that the members were able to purchase clothing suitable for the beach and it is no fault of theirs that we didn't make a profit.

### **Bar**

David 'Wal' Watt took on the bar manager's role again this year. Sales were down on the previous period. However we managed to keep costs under control to produce a very creditable profit of \$20,111.

### **Audit**

Barry Edgecombe, who has contributed many hours to ensure that the Audit was in accordance with the Australian Auditing Standards, has been on the Audit team for three years. Of course no Club Audit could be finalised without the meticulous checking of Bob Mayo. Bob's contribution to the process is invaluable and his high standards should give all members confidence in the process.

Thanks to our Auditors, Fennell, Allen & Co. for the preparation and delivery of the Audit.

### **Conclusion**

Many people have contributed to the financial well being of the Club, not only over the past twelve months but for years.

In particular, those members who consistently support our social activities, provide donations, use the bar as their pub, run the canteen and clothing, assist at carnivals and repair and maintain the Clubhouse. Without these fantastic members we wouldn't be where we are today.

## Holden Surf Patrol Vehicle Program

The Holden Surf Patrol Vehicle Program is a National Initiative developed by Holden and Surf Life Saving Australia to enable Surf Life Saving Clubs, Branches and State Centres across Australia to purchase motor vehicles from a selection of the Holden 4x4 range on a discounted dollar for dollar subsidy basis. Our Club was successful in applying for a Rodeo LX 4x4 Single Cab Pick Up at a cost of \$13,545, plus on road costs of \$1,725, for a total of \$15,270.

Retail value \$31,460, donated value to the Club **\$15,740**

## Yamaha Surf Rescue Program

The Yamaha Surf Rescue Program is a national initiative developed by Yamaha and Surf Life Saving Australia to enable Surf Life Saving Clubs, Branches and State Centres across Australia to purchase discounted Yamaha surf rescue equipment. Our Club was successful in applying for a Yamaha Outboard Motor for \$1,480.

Retail Value \$3,300, donated value to the Club **\$1,820.**

## Junior Nipper Board

Mobil Refinery donates \$15,000 each year to the five Mid Coast Clubs, \$10,000 goes to one Club towards the cost of a new surf boat and the balance of \$1,250 is given to each of the other four clubs to purchase a Nipper Board and first aid equipment.

Value to the Club **\$1,250**

## Junior Nipperthon

The Mid Coast Clubs hold a Nipperthon each year and donate a Nipper Board to one of the Clubs. This year we were the lucky ones.

Value to the Club **\$891**

## Surf Boat Super Series

For the third year in a row South Port Boaties won the overall point score of the Port August Super Series to win a set of Croker oars valued at \$2,500. In addition we were placed first in three categories and won sweep oars valued at \$1,650 at Port Augusta. By coming first in the Super Series we also won another sweep oar at the Annual Australian Surf Boat Rowers League Luncheon, valued at \$550

Value to Club **\$4,700**

**Total \$24,401**

## Financial Dependency

The Club is dependent on the receipt significant grants to maintain its cash flows in operating activities:

State Government	\$8,050
Local Government	\$8,631
SLSSA Trust Fund	\$5,000
<b>Total</b>	<b>\$21,681</b>

**Notes to the Financial Statements  
For the Year Ended 30 April 2003**

**NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and the requirements of the Associations Incorporation Act (South Australia).

The financial report covers South Port SLSC as an individual entity. South Port SLSC is an association incorporated in South Australia under the Associations Incorporations Act.

The accounts have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**(a) Income Tax**

The Association is exempt from income tax under the provisions of Division 50 of the Income Tax Assessment Act 1997.

**(b) Inventories**

Inventories are valued at the lower of cost and net realisable value.

## Treasurer's Report

**Don 'Bristles' Alexander**

**(c) Property Plant and Equipment**

The Club's Board of Management re-assessed the value of its premises, plant and equipment as at 30 April 2000 and re-valued the Club's property, plant and equipment at \$223,526. After taking into consideration the realisable value of leasehold improvements in the event of the lease being terminated, the Board of Management ratified a further revaluation decrement of \$20,000 to the Club's premises as at 30 April 2002.

The value of the Club's non-current assets, are reviewed annually by the Board of Management and they are of the opinion that the book value, after allowance for the current year's depreciation charge, represents fairly their carrying values.

**(d) Cash**

For the purposes of the Statement of Cash Flows, cash includes cash on hand and at bank.

**(e) Revenue**

Revenue from the sale of goods is recognised upon the delivery of goods to customers  
interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets

Revenue from rendering of a service is recognised upon the delivery of a service to customers. All revenue is stated net of the amount of goods and services tax (GST).

**(f) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST

***South Port Surf Life Saving Club Inc.  
Statement by Committee Members***

In the opinion of the Committee the financial report as set out on pages 15 to 19:

- (a) presents fairly the financial position of the South Port Surf Life Saving Club Inc. as at 30 April 2003 for the year ended on that date in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- (b) at the date of this statement there are reasonable grounds to believe that the South Port Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Dated this       day of June 2003  
at Adelaide, South Australia.

..... Treasurer  
***Don Alexander***

**Auditor's Report  
To the Members of South Port Surf Life Saving Club Inc.**

**Scope**

We have audited the financial report being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements and the Statement by Members of the Committee of the South Port Surf Life Saving Club Inc. set out on pages 15 to 20 for the year ended 30 April 2003.

The Committee is responsible for the financial report. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Club.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements so as to present a view which is consistent with our understanding of the Club's financial position, the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

**Qualification**

Given the nature of the operations of the South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts recorded in the books of account of the Club.

**Audit Opinion**

In our opinion, subject to the above qualification, the financial report presents fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements the financial position of South Port Surf Life Saving Club Inc. as at 30 April 2003, and the results of its operations and cash flows for the year then ended.

**Compilation Report  
South Port Surf Life Saving Club Inc.**

On the basis of the information provided by the committee of South Port Surf Life Saving Club Inc., we have compiled, in accordance with APS 9: Statement of Compilation of Financial Reports the special purpose financial report of the Club for the year ended 30 April 2003 as set out on pages 23 to 24.

The committee is solely responsible for the information contained in the special purpose financial report.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the committee provided into a financial report. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

To the extent permitted by law, we do not accept liability for any loss or damage which any person other than that the Club may suffer arising from any negligence on our part. No person should rely on the special purpose financial report without having an audit or review conducted.

The special purpose financial report was prepared exclusively for the benefit of the Club. We do not accept responsibility to any other person for the contents of the special purpose financial report.

**Don Alexander**

Well that's this season over, and what a season. It tested the resolve of all our members, their friends and parents. It has been a giant effort for those members that are involved in the everyday running of the Club. Once again my job is made all the easier because of the support from many quarters within and outside the Club. This year we held three senior carnivals, one junior carnival and the senior state championships, the senior and junior double carnival in January tested our ability to function as a cohesive unit, and again in the lead up to and including the senior state titles. Just for good measure we also conducted the winter series boat events and two Pt Augusta Super Series surfboat events as well. There are many members I could thank for their efforts over these weekends, but there is always a huge risk that people will get left out, I just say simply thanks to all concerned for a huge effort. It did turn out to be of financial benefit for the club, which is a huge plus. Each year there seems to be a different set of challenges to meet, both in life and on the Club front, this one was no exception, and I would like to say that I am proud to be associated with this Club and its members.

The Junior club has been outstanding this year, their endeavors to coach and train the juniors in preparation for their State titles proved to be very successful and I wish them well in the coming season. They have already had their AGM and the Office holders are in place to keep the flow going, its good to see a few of the younger members of the Senior club, they were juniors once, step up and take on the role of Age Group Managers. This hopefully will help bridge the gap between junior and senior membership.

This season a few people might not realise that due to a special effort of Richard Olesinski we have been given the opportunity to hold the Australian Surf Rowers League Surfboat Open for season 2004. Richard enlisted the help of Kylie Lyons and Erin Veide, two media studies students from the Seaford High School. They put together a video presentation for the AGM of the ASRL held at Rainbow Bay in QLD last year. Not only was the bid successful but the video was highly acclaimed by the whole committee of the ASRL. This event is being held on the 7<sup>th</sup> and 8<sup>th</sup> of February 2004.

There are members I would like to thank for their efforts this season.

Firstly, Mike Etheridge, for his untiring work as Chief Instructor. The effort he puts into the running of the early season proficiencies, organising the training of new awards his involvement in the junior club as well. He also finds the time to be an Official at both Junior and Senior carnivals, there are 12 of those during the year, and as a State Examiner he is called on to attend different award examinations for various Clubs throughout the year. This is dedication.

Andy Higgs, the Competition Officer, again a great effort, the time and commitment he makes to do this job is amazing. He coach's the Under 21 March past team, trains the beach competitors, runs the weekly swim and the Club Long Swim then lodges the entries for Senior and National titles, and is the Chair of our Competition Panel. He also attends Senior carnivals as an Official, as I said last year, "when Andy gives it a way there some very big shoes to fill".

The Club Treasurer, Don Alexander has again been on top of all things financial and held the Club on a tight rein. The Club is never financially in front but with his guidance and control we seem to get through. Once again this season he is involved about 7 days a week for the season, being Boat Captain as well this season. He has trained two crews, one to a Silver medal at the State titles. Both the crews performed well in the Australian Titles, with the Under 19 crew getting to the fourth round and the Open Women's crew to the fifth round. He is also Treasurer of the South Australian Branch of the Australian Surf Rowers League, Treasurer of the Mid Coast Group of Surf Life Saving Clubs, and is an Official at Senior Carnivals. Just to keep himself occupied, he has been instrumental in the formation of the South Port River Rowing Club.

Club President, Chris Foord, has again been at the forefront, attending Senior Club meetings, State Council meetings, is Chairperson of the Mid Coast group. He has trained a couple of crews this season. One to a Gold medal at the State masters championships and the other to a Bronze medal at the Senior state championships. At the Australian Championships the Masters crew made the final. All this involved Chris about 6 days a week with the odd carnival thrown in for good measure every other Sunday. I appreciate his input, as always, in the overall function of the Club.

## Club Captain's Report

**John 'Devo' Devitt**

Jason McGaffin took on the role of Vice Captain, Board & Ski Captain; he was also the coach of the board and ski paddlers this year. This year they got the results to show for their efforts for the season: Gold & Bronze, in the Open Ironman and Silver and Bronze in the Under 16 board. Silver medal in the Under 16 board relay and Bronze medal in the Taplin relay, with many other pleasing results auguring well for the future in this area. To get a medal in the Taplin just shows the depth that the Club has gained in this area. At this point I make special mention of Dwayne Foord, one of the States leading Board Paddlers all season, and on the eve of the State Titles was taken to hospital with acute appendicitis, next year Dwayne.

At the time of writing this report we still don't know the results of the State run Patrol Competition. As part of Jason's job I would like to express my thanks to him for his efforts with the Patrols this season. We started out with 12 and due to work commitments these days with many of our members now working on the weekends, he found it necessary to reduce this to eleven patrols for the season. I feel we will have performed reasonably well in this Competition.

This season we had a new Secretary, Brian Johns, and he came in under a baptism of fire, with changes in the registration process from State Centre it has meant a big workload for Brian to take these changes on board. He has had to build a complete database of our members and keep this updated throughout the season. Brian also swept and trained our Open Boat crew that made the selection to be the State representative crew, a first for the Club. His crew gained a Gold medal at the Masters State Titles and Bronze at the Senior State titles. Brian was always on hand via phone or email to relay information to me as required. He is also involved in the Mid Coast Group as Secretary.

Our Senior and Under 21 March Past teams again performed well during the season, and both received Gold medals at the Senior State Titles. At the National Championships both finished third in their respective competitions. Well done again to them and their coach's Bob Mayo and Andy Higgs. This season we also had a Women's March Past team as a second Open Team and they achieved a creditable fourth in the States, this is also a first for the Club.

The Club was represented in the R&R State titles by Jenny Whitmee, Sharryn Campbell, Anita

Johns, Karina Watt and Kath Hobbs they received a Silver medal for their efforts, well done to the girls for this result. Unfortunately the State Titles for R&R are held at a different time of the year to the Senior State titles and it definitely takes a lot of the gloss off the result for these competitors. Hopefully next season the Club can do it's best to change this situation and get the R&R states moved to be held at the Senior State Championship where the competition belongs.

The Canteen Manager Vonnie Olesinski has done it again. Vonnie spent many hours throughout the season, locked away in the canteen, serving her toasted sandwiches and pies and pasties etc. The canteen has made a sizeable profit again this year because of her efforts all season.

The Boat area has continued gaining many medals and also much needed finance through prizes during the season. The advent this year of a National Woodstock series with prize monies paid on a national and State basis was of benefit to us. We finished well up in the National rankings overall and well in front overall in the State. In the Masters/Senior State titles we gained medals in 11 out of 13 categories, we contested 10 of these events.

I would like to make special mention of the catering team of the Club, they worked long and hard prior to and at carnivals held at our beach this year. Once again there are a few standouts, but a big thanks to you for your efforts in making this a success.

Last but by no means least, this year at the Club presentation night I gave the Club Captains trophy to John Smith. This season, he conducted the Club internal Patrol competition, was the Workforce co-ordinator at the carnivals. Still does his Patrols, (as a Life Member has no requirement too) has taken on the job of Secretary of the 2004 Aussie Open Surfboat event organising committee. He is involved in the conduct of our Club Championships, and is always there when advice is sort on different issues. Thanks Schmidt, I really appreciated your input this season. I might add that I had a couple of choices this year, John Charles, IRB Captain, once again at the carnivals and throughout the season his efforts have been tremendous, all this in amongst becoming a father, and driving interstate for a living.

## Club Captain's Report

**John 'Devo' Devitt**

The other was John Nearmy, over fifty patrol hours again this season, and his work in conducting and running the Patrol during the carnivals is second to none, something I don't have to even think about, it's just done. I thank you both.

Our Club is continuing to grow, and to keep this growth going we must all try and coerce people to come down and join. We need more members to keep the viability of our club moving in the right direction.

They don't all have to have aspirations to be competitors or patrol we just need numbers to help us in the general running and working in, as well as around the Club.

To the incoming committee I wish you every success for the year ahead, may you also continue to grow with our Club, all the best.

## Vice Captain's Report

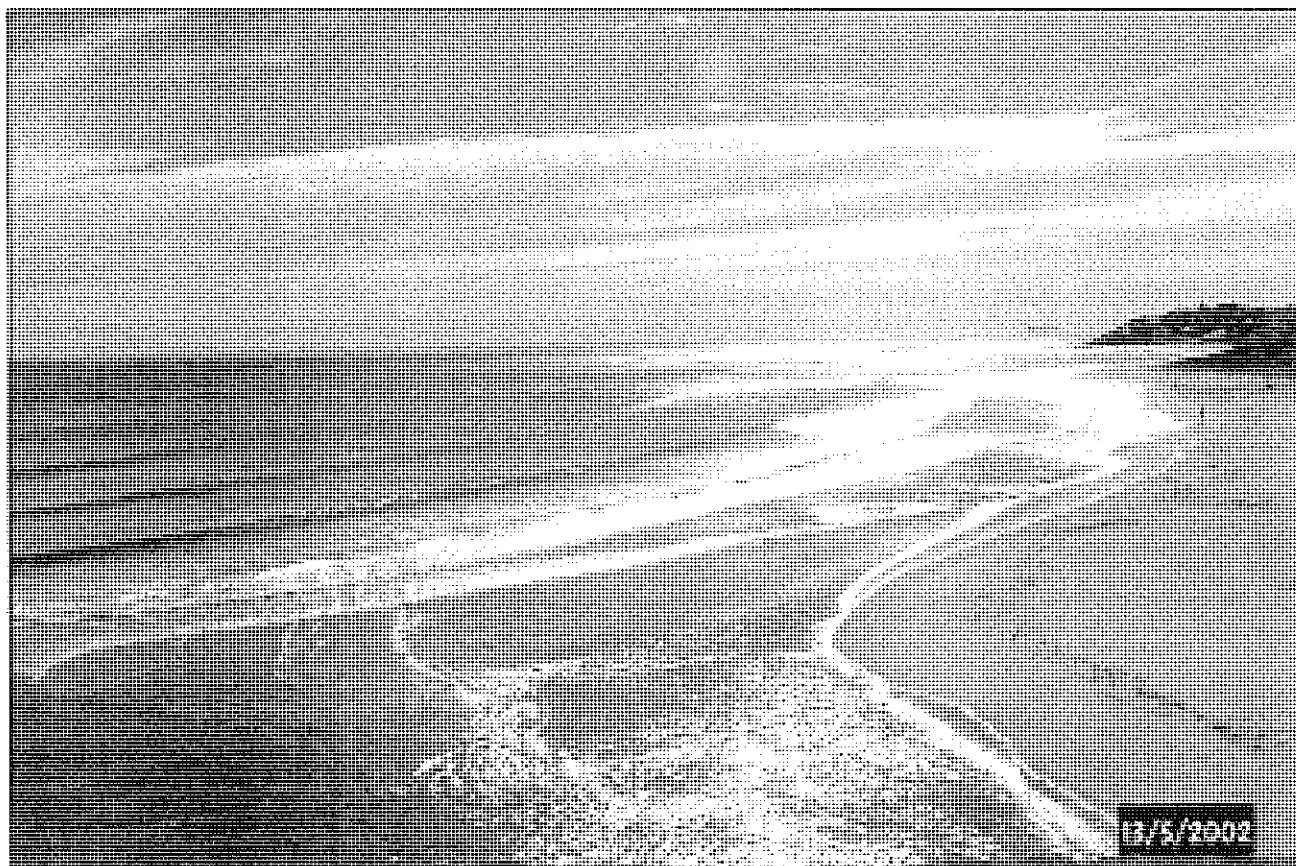

**Jason McGaffin**

Well what a year, I think with out a doubt this has to be the busiest year the club has had in its history. We conducted three senior carnivals, one junior carnival, numerous boat carnivals, interstate competitions and let's not forget senior state titles. For all those people who gave up their time to help out I thank you very much, there are too many people to thank individually but those people know who they are and how important to the club. I will thank John Devitt, John Charles & John Nearmy for their efforts on the beach, as per usual everything ran smoothly with out any major hiccups.

Patrols were excellent, the patrol captains did their jobs extremely well especially seeing we have a lot of young captains. Most people are finding fill-ins for their patrols but there is still some people who don't seem to bother at all. Many thanks must go to Mike Etheridge for putting all the long hours into getting us proficient I know how much a head ache this can be, with out it we can not patrol our beach season, unfortunately one had to be dismantled mid season.

We extended our hours this year to start at 12pm with mixed response which I will take on board for next year, also the club had more patrols with 12 at the start of the As for next year I will be hoping to see new faces on patrols with a couple of new young captains along with the older guys giving their experience to the qualies coming through. At this stage the club has a great gel between the older and younger people, this needs to continue so that patrol does not seem like a jail term but more enjoyable for everybody.

## Chief Instructor's Report

**Mike 'Bones' Etheridge**

What a season, wasn't it a busy one. I am proud to belong to the South Port S.L.S.C. we have something that most other Clubs in this State long for. We work hard, play hard and enjoy ourselves but we still need to work harder and to be involved in all areas of Surf Lifesaving if we are to achieve the number one Club in this state.

Patrol Inspections this season were conducted by John Smith, I thought my mind was devious but John's mind. He checked that all the require equipment was on the beach, that all log books were filled out correctly. Then he would spring a scenario on the Patrol and after all of this he would make two members of the Patrol perform CPR with the Patrols ARC operator on the child manikin. The Patrols performed better than last season which is great to see it means that we are moving in the right direction. Thank you John for running the Inspections it made John Devitt and my positions easier.

Proficiencies were easier this season because we gave the pink form the flick and used six master sheets which where handed back to me to collate the results. Also John Devitt and I developed a electronic proficiency form which State Centre altered to suit their PC system this made it even easier to return the proficiency results. I believe that we need to change the time period for proficiencies. We need to extend the time to the

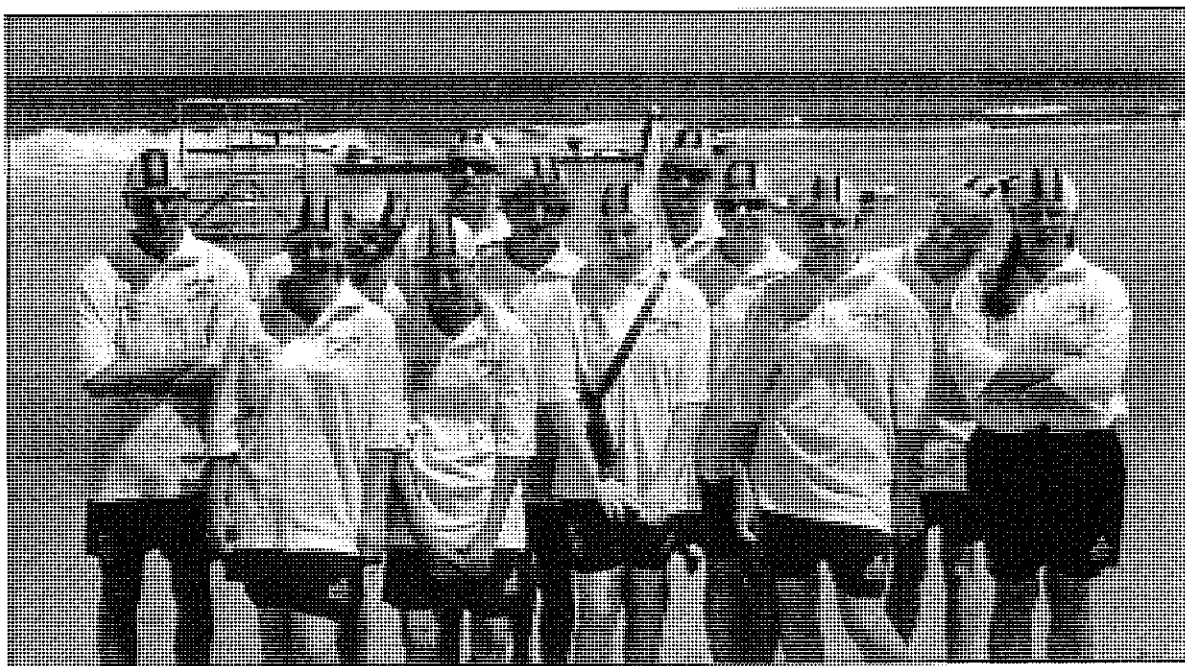

end of December for two reasons (1) because most students are sitting their end of year exams in November (2) the water temperature is still to cold in November. Point one is my main reason for extending the time frame, we need to make it as easy as possible for our youth because with out them we have no future.

With out the help from John Devitt, Craig Whitmee, Anita Johns, Andy Higgs, John Smith, John Charles and Janet Puplett I could not finish the proficiencies within the required time. Thanks guys.

Awards where down this year we had only eight achieve their Bronze Medallion, twelve achieve their Surf Rescue Certificate, three achieve their ARC and two achieve their Training Officers Certificate. If we are to become the number one Club this is one area that we need to improve in. It is not only the competition area but all area we need to improve in. I must thank Anita Johns, Tara Puplett, Craig Whitmee, Rob Morgan and Tanya Eastham for their help well done.

See you on the beach next season.

## First Aid Officer's Report

**Ray Martin Snr**

Again we were kept very busy with first aid treatment given to the public.

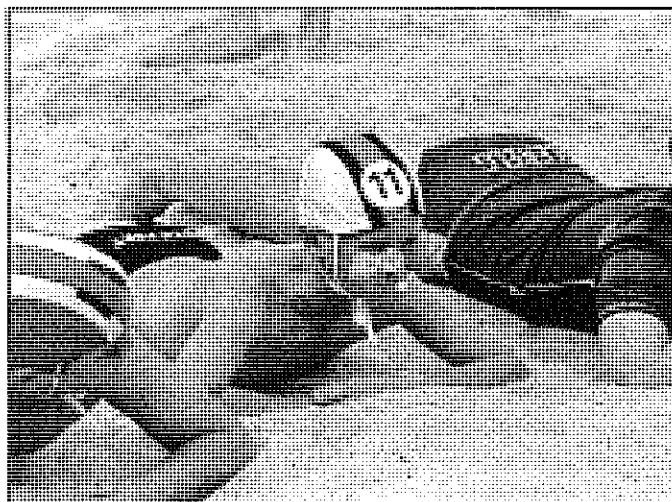

There were 106 reported preventatives, five rescues, two searches, one lost child, who was found safe and well, a wind surfer who got into trouble and was given assistance and 64 reported first aid cases. In addition we treated people who had cuts, soft tissue injuries and a fracture.

Many bandages, ice packs and band-aids were used during the season, therefore I am assuming that a number of first aid cases have not been documented. All members are urged to report all

first aid cases no matter how minor, this is very important as records must be kept for all first aid cases.

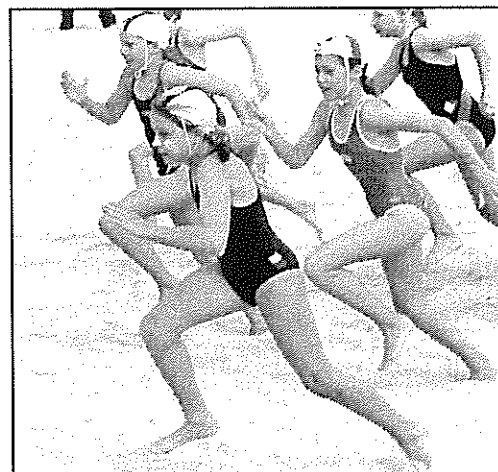

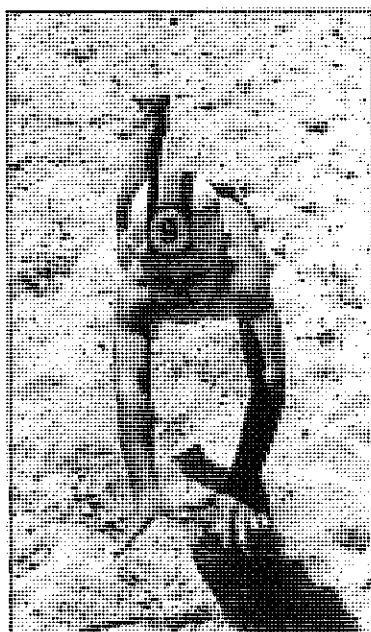

Those members wishing to do their senior first aid please contact me for details, also those members who would like to do their update can also contact me.

I take this opportunity to congratulate the patrols on their ready assistance to the public at all times.

## Competition Officer's Report

**Andy Higgs**

This report is a summary of the completion of work set out by the Competition Committee for the Season 2002-03.

It has been a strenuous season with our membership growing to over 300 members. This then related to the increase in the competition arena where we entered in excess of 100 competitors in the **Senior & Masters State Titles**.

The Club attained 5<sup>th</sup> position in the overall point score for the Champion Club and also attained 2<sup>nd</sup> in the handicap section, for Champion Club.

This is an improvement from last season's results so congratulations to everyone involved.

There is a separate list compiled with all the results down to sixth place. This is extensive & displays the enormous depth of competition our members trained for and excelled in. To all the people who have worked hard over the past two or three season's congratulations and well done but our job is not done and won't be until we are again the Premier Club.

There were many creditable efforts at the State Titles but I would like to say the most pleasing team result to me was the 3<sup>rd</sup> in the Taplin Relay. I am not forgetting all the Gold medals we gained but I am just pleased for the young lads as their work ethic lifted this season.

Three young men stood out this season in their respective disciplines as individual competitors.

Alex Botha – Open Iron Man Champion.

Shamus Armstrong - Under 19 Champion Lifesaver 2<sup>nd</sup>.

Euan Currie – Open & Under 19 Beach Events 2<sup>nd</sup>

These young men if you check out the list of events they competed and were successful in you will be astounded.

It is pleasing to see the R&R, Boat, Board & Ski, Swimming & Beach event areas whose athletes trained hard also reaped the results. Although some feel strongly they could have done better. I am sure that is the feeling of majority of our competitors, which is very healthy for our Club.

### **Australian Titles**

The Club gained 33<sup>rd</sup> place against all the clubs in Australia at the Australian Titles at Kurrawa Queensland for the 2003 season. We were again the highest placed South Australian Club. Well Done!

The March Past teams both Open and Under 21 teams came home with Bronze Medallions. The club entered nine boat crews who performed to a very high standard. The ladies crew of Gina Mills, Mary Carr, Tracey Dohnt, Melinda Wood & Don Alexander (Sweep) made it through to the 5<sup>th</sup> round of their competition.

The 200+ crew of, Beau Lyons, Mark Webster, Paul Howse, Dick Olesinski Chris Foord (Sweep) came 5<sup>th</sup> overall in the Masters.

To all the other competitors who did compete and their support that made the Titles such a success the Competition Committee thanks you all very much for an excellent job.

We again learn & gain confidences at the Australian Titles by witnessing professional Clubs compete. It is our aim to grow, learn and pass on to our younger members these aspirations of success.

### **State Team - National Competition**

Congratulations to this seasons South Port Open (A) Boat crew who consisted of Brain Johns (Sweep), David Guley, Peter Hilhorst, Lee Roberson & Paul Gray as they represented South Australia at the Interstate Carnival in Tasmania.

This season also saw the introduction of the Woodstock Series for Boat Crews throughout Australia and our crews won the Woodstock Interstate Premiership Points Competition.

The Club ended the season on a high level at the National Titles with the highest point score for a South Australian club. Well done!

### **Junior Club**

Congratulations to our Junior Club competitors as all your hard work have paid off! This is reflected on the improvement at the Junior State Titles.

## Competition Officer's Report

**Andy Higgs**

The Junior Committee has worked hard and stepped into assist the senior members constantly throughout the season.

### ***Internal Club Competition***

The Long Swim once again went on without any major problems. We had perfect swimming conditions. Congratulations to Tristan Foord who was 1<sup>st</sup> over the line. Alex Botha was the fastest swimmer in 18 minutes 11 seconds and Caitlin Hodgen the fastest for a female in 27 minutes 8 seconds.

Shamus Armstrong won the Weekly Swim aggregate for Males and Emma Eastham the Females. The Club had 74 competitors battle it out for these honours.

The Club Championships were competed the week after the Australian Titles and tied in with the last patrol of the season. This was a great day for everyone.

The season ended with many great memories from the past summers competition. With many members saying we have greater prospects for next summer.

Thank you especially to the above Committee, the Committee of Management, all club members, the Staff & Officials of Surf Life Saving SA for your help and tolerance, which made for a great season.

## Board & Ski Captain's Report

**Jason McGaffin**

As I think the results will show we grew as a group again this year. There would have been 15 to 20 paddlers out as board training with 4 or 5 junior paddlers joining us this year. As coach what a learning experience it has been to coach young kids along with having our first couple of female paddlers in a long time. It has been extremely enjoyable coaching all of them, hopefully they will all be out again next year. The rest of the guys improved throughout the season, we had one competitor at least in every male final. Lauren and Emma paddled extremely well in the u/16 girls and expect big things from them in the future.

As you all are probably aware Dwayne Foord went down with appendicitis two days before states, it was extremely disappointing for him we as a group knew what he was capable of and I am sure there were many rival clubs glad he was ill. The rest of the squad pulled together and tried to fill the loss, I was proud of the way they went about their business with such a huge loss guys stepped up a level and performed to the highest of their potential.

A special mention has to be for Alex Botha who won the open iron man, it has been a long time since we

had a iron man champion. Hopefully this trend will continue this year with a few guys with in the club hunting him down. It has been close to ten years since we won a medal in the taplin, which we succeeded in doing this year gaining a bronze. To be a part of that team was an experience I will never forget as it tests the depth of the squad especially when you lose people through injury.

To improve again next year the club needs the junior to keep on coming through, our true test is to better our results again next year and not to go backwards. We will all always have our champions but it is the people who bust their guts out and gain points for the club is how we obtain our goal of number 1.

Thank you to all of the people who helped me out this year with advice or a different point of view, to the parents at carnivals thank you for looking after the younger kids. As for next year lets make it bigger and better, it will be a long cold winter but I am sure but just remember the club slogan

**IF NOT NOW, WHEN? IF NOT YOU, WHO?**

**Don 'Bristles' Alexander**

### **Sweeps**

This year we were fortunate to have three new sweeps step up and take on crews for training and competition throughout the year. Beau Lyons took on a 160+ crew, consisting of Lyndon Mills, Dave Richardson, Derek Wix and David Valente. Michael Campbell, a Ladies crew of Sharon Guley, Kate Liersch, Karen Kelly and Emma Thompson, and Brad Long, with Megan Rawson, Melissa Keyser, Mary Carr, Mary-Anne Ingham. In addition, Brian Johns who has been sweeping for some years took over the Open Men's Crew.

This took the load off Chris Foord, Dave Cornish and I, for without them we wouldn't have been able to cope. To have seven competing sweeps, far more than any other Club, allows us to put more crews on the water. We trust that another one or two more rowers will give sweeping a try in the new season.

### **Super Series**

Our win in the Super Series this year made it three in a row and clearly makes us the leading boat club in the State. Once again we won the main prize of four Croker oars and by coming first in Open Men, Reserve and U/19 Male, we also picked up three sweep oars. We performed extremely well in all divisions, with the exception of the U/21 division where we didn't have a crew, in a competition designed to give advantage to the Club who has the best crews performing in all categories and turning up to all events.

### **Buffalo**

The first year this event was held, on Proclamation Day, at Glenelg: only two divisions and we won both. Sponsored by the Buffalo Restaurant, a number of Clubs turned up and we were successful in the Men's Open, Women's Open.

### **State Titles**

Going into the State Titles there was the potential for the Club to equal last year's winning effort of

four Gold Medals. However, this was not to be and we came away with a very creditable two Gold, one Silver and two Bronze Medals.

The Women's Open Crew of Megan Rawson, Melissa Keyser, Mary Carr, Mary-Anne Ingham, swept by Brad Long in his first year, won Gold as did the Reserve Men's Crew of Brad Long, Jeff Hegarty, Ashley Pitcher, Justin Pitcher, with Dave Cornish sweeping.

The U/19 crew Mathew Whittmee, Mathew Burgess, David Clohesy, Peter Whitehorn and Don Alexander, had trouble beating the Grange Crew all year in flat water and had to be satisfied with a silver medal.

The Open Men's crew of Dave Guley, Peter Hillhorst, Andy Lowery, Paul Gray and swept by Brian Johns placed third in the Final, a good effort considering it was a long season for them. We also gained third place in the Men's Reserve with David Watt, Lee Roberson, Peter Edwards, Michael Goldfinch and Chris Foord.

### **Masters State Titles**

This year we won Gold in the Men's 120+, the Women's 140+ and the Men's 200+. In addition, a Silver in the Ladies 120+, and two third places in the Men's 140+ and 160+. A full list of name is in the competition report. Masters rowing is getting bigger and bigger at the Club and with a special event proposed for the Australian Surf Rowers league in 2004 for the 180+ we expect to see a strong crew or two coming from the Club.

### **State Team**

Our Open Men's Crew of Brian Johns, David Guley, Peter Hillhorst, Paul Gray and Lee Roberson, became the first South Port boat crew to represent the State in an Interstate competition at Clifton Beach, Tasmania. The crew thoroughly deserved their selection by putting in a lot of work over the winter and early spring to be ready for the selection trials. They were clearly the best crew during the year and we congratulate them on their achievement.

## **Boat Captain's Report**

**Don 'Bristles' Alexander**

### **Australian Titles**

Our 200 Masters crew, Chris Foord, Beau Lyons, Mark Webster, Paul Howse and Richard Olesinski, achieved another first for South Port by being the first South Port boat crew to make a final at the Aussies, in the 200+ Masters Boat final they came a very creditable fifth place and are heading back next year to do better.

We had another five crews there this year; Open Men, two Women's, a Reserve team and the U/19 Boys.

The Open Men's team of Brian Johns, David Guley, Peter Hilhorst, Paul Gray and Andy Lowery, unfortunately had to pull out after a serious rib injury to Andy in the warm up sent him off to hospital.

The Open Women's crew consisting of Tracey Dohnt, Melinda Wood, Mary Carr, Gina Mills and Don Alexander progressed through to the fifth round. Gina rowed in the last race with an injured rib as a result of a pile up of three boats and the finishing flag in the fourth round. This equalled the highest position of our crews at the Aussies in recent years and was a great result for a lot of hard work over a long season. In getting through to the fifth round the Club tied with the Somerton Men's Open Crew and the Grange U21 Men's Crew for the best performance from a South Australian boat crew. Their names will be on a shield presented by the South Australian Boat Rowers Association.

The second Women's Crew swept by Michael Campbell, with Megan Rawson, Sharon Guley, Karen Kelly and Emma Thompson, unfortunately had to pull out after the first round.

The Reserve crew, Chris Foord, Lyndon Mills, Dave Richardson, Peter Edwards and Michael Goldfinch, rowed in the first three round robin heats but didn't make it through to the next round.

However, they gained a lot of experience from the rowing and should be back next year.

The U19 Men's crew of Mathew Whitmee, Mathew Burgess, David Clohesy, Peter Whitehorn and Don Alexander made it through to the fourth round. Matt Whitmee rowed with a rib injury from the end of the second round, so it was a credit to Matt and the boys to get through as far as they did.

### **Lorne**

Four crews went to the Australian Surf Rowers League 2003 Australian Open, at Lorne.

The Open Men, David Watt, Michael Goldfinch, Peter Edwards, Lee Roberson and Chris Foord, made it through to the completion of the three round robin races as did the Reserves with, Jeff Hegarty, Brad Long, Justin Pitcher, Peter Surman and Beau Lyons sweeping.

The U19 Boys crew of Mathew Whitmee, Mathew Burgess, David Clohesy, Peter Whitehorn and Don Alexander, got through to the semi finals, an excellent effort against some top competition.

The Women's crew of Tracey Dohnt, Melinda Wood, Mary Carr, Gina Mills and Don Alexander made it through to the quarter finals. The crew performed extremely well and gained a lot of confidence rowing in the conditions, which at times were quite different from the surf we are used to at South Port.

### **Prize Money**

The Boat area won \$7,219 in Prize Money this season from the Buffalo, City of Port Augusta and Woodstock competitions. In addition we won \$4,700 worth of Oars, for a total of \$11,919. A fantastic fundraising effort there!

## Boat Captain's Report

Don 'Bristles' Alexander

### Conclusion

This year we had over 60 competitors rowing for us at one time or another and I would like to thank each and every one of you for your efforts throughout the season. No other Club comes close to us in surf boats in this State and I am sure that we can continue our dominance in the coming year.

Thanks to all who helped with the maintenance issues throughout the season. Rowers should all be encouraged in the future to take part in the total process of rowing by being proficient in maintenance, rigging, setting up training programs and goals. In river rowing, these issues are competently handled by the rowers themselves; we need to do the same. For too long now we have left this to the sweeps, in many cases to our detriment.

We are in the process of selling two boats, 'The Mayo' and 'The Spirit', for \$10,000 and it is proposed to put these funds towards a deposit on another new DKG, with delivery in October 2003. For the balance of the funds we will be approaching our major sponsors for donations. Funding for our past three boats has come from donations, at no cost to the Club, and we are indeed very fortunate that we have their support. Thanks to each and every one of you.

A special thanks to our Captain, John Devitt who is always ready and able to assist the boat area along with all of his other responsibilities. Without Devo's contribution we would not have had such a successful season and the boat area would not be as dominant as we are today.

Let me start this report by thanking all the people who have helped me throughout the year, as without your help this would have been a tough year.

The season kicked off for the IRB's by providing water cover for the Surf Boat Super Series and only got busier from there.

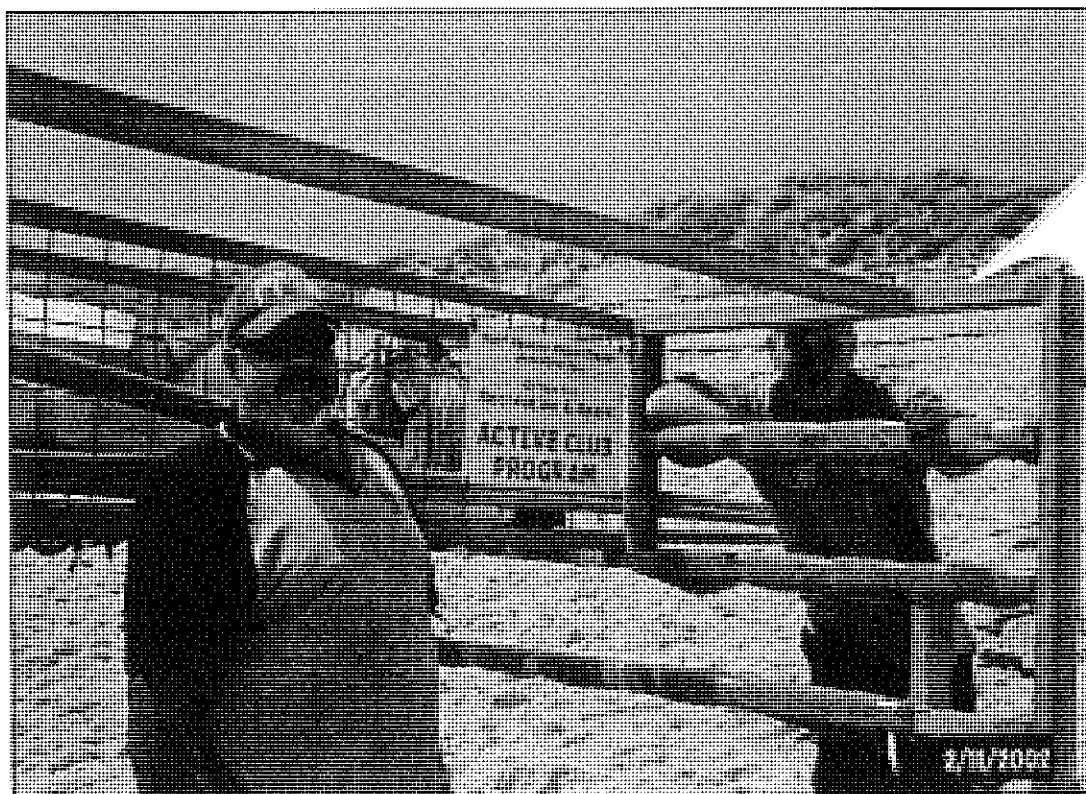

Once the season proper got under way we held a total of five carnivals at South Port, including three senior, one junior and the senior State Titles, all of which required all three of our boats to be used and manned. Two of these were conducted over the entire weekend and this means a hell of a lot of hours on the water for a few of the drivers and crew-first on the water and last off-and again I must thank those people who put up with me at 6.00am in the morning. As well as this busy schedule the Club provided a boat and crew for the Goolwa Carnival as well as both days of the Master States at Christies Beach.

The up side of all this work is that the IRB division were allocated \$2,900 from State Centre for their assistance at Carnivals. This has allowed the Club to purchase more equipment and we now have four motors and four boats which puts us in the best position the IRB area has ever been in.

Next season will see the reintroduction of the IRB competition from September, with the State Titles being held in mid October, so if you are interested in racing the new format come and see me.

The Australian Surf Rowers League "Australian Open" will be held on our beach in February 2004 and with the inevitable carnivals we may get this also promises to be another busy year for the Club.

## Swim Coach's Report

**Ray Martin Snr**

Another season has come to an end with everybody enjoying the activities of the Club, in complete safety.

I was very impressed with the enthusiasm of the children swimming in all conditions, their swimming skills improving from season to season. Congratulations to all those who completed at the Inter-Club Championships and State Championships.

Many thanks to Andy Higgs for his involvement in our activities at the Club, his untiring efforts are truly appreciated by all, also to the parents and helpers

who encourage our members to participate in all the Club activities.

It has been a pleasure to help out and to see the enjoyment of the children as they do the Club events each week.

Thank you for giving me the opportunity to help with the Juniors. Best luck, best wishes, keep up the training and I will see you next season.

Father Xmas (Bones), and Michelle Mitchell  
with their helpers attended the carols evening  
at the new playground, Port Noarlunga

This season we held two very successful come and try days. A lot of this was due to the fantastic posters and flyers put together by Greg Adams. These were distributed around various schools and shopping centres by many of our members. A little help from much kinder weather also enabled us to entice new families to our club.

We saw South Port setting a wonderful precedence in Surf Life Saving SA by sending some of our dedicated, (some would just say plain CRAZY), members into some of the local primary schools. The fundamentals of Surf Life Saving were demonstrated to over 1000 students. The efforts of members from both the senior and junior divisions of South Port came together wonderfully. So much so, that these people were recognised by both the schools involved and Surf House. Congratulations to all those involved on a job well done.

We again participated in a combined training day with Brighton and Seacliff at Seacliff. Unfortunately Brighton, for their own reasons, was unable to attend. None the less it was a great day. It was strongly suggested by both Brighton & Seacliff that South Port is the preferred venue for these days in future seasons.

Our children were fortunate enough to be a part of the launching of the "OLLY" and the way they were so eager to get a taste of the champagne, I believe there may be a few future boaties in our midst.

We were asked to participate in "Corporate Day" down at Moana with the objective being to heighten corporate interest in Surf Life Saving and more specifically South Port. Once again another hot day but our children conducted themselves really well with some outstanding performances. The highlight was naturally a Board that was kindly donated by Mobil Refineries.

December 21<sup>st</sup> was a very busy day and saw our qualies complete their final exams. Due to the very dedicated work of Anita Johns, Rob Morgan and Michael Etheridge (Bones), we had a perfect success rate. It was even more satisfying to then see these young people out in the water as water cover for the long swim. They offered encouragement to many of our younger members. This encouragement enabled many to swim further than they had thought possible.

This day also saw Santa take some time out of his busy schedule to visit our Nippers, for this we are very grateful.

On the Australia Day weekend we were fortunate enough to win a nipper board for the club. Needless to say the very loyal, (although small group) of children that attended were delighted.

In rather cool and trying conditions our children yet again represented themselves and our club well at the State Titles that were held at Moana. Achieving some fantastic results and a number of our children came home with individual or teams medals. This was shown by achieving a higher point score than the previous season. For anyone that may have ever questioned the future of our club on the competition arena, let me tell you, it is in safe hands. These children are as gutsy, determined and as proud to be a member of South Port as anyone that has ever put on a South Port scull cap.

I would like to thank all the age managers and specialist coaches for the many hours that you have given both our children and our club. Without each and every one of you we simply could not exist.

I must also thank the 2002 - 2003 committee. You are ALL to be congratulated on the way in which you have all contributed so passionately throughout the season to your club. There were many people on this committee that already have extremely busy lives and yet still found time to make sure that the needs and welfare of the club were met. For many of these people we are talking many hours of work. They really deserve to be congratulated.

It was reassuring to know that we had the support and encouragement of the other committees that make up South Port. I would like to encourage that we continue to work together as ONE club ensuring that South Port remains a place that people enjoy being involved in.

Thank you to all of those that have sponsored our club in any way at all. We are extremely grateful.

## Promotions Officer's Report

**Richard 'Olly' Olesinski**

Thank you for the opportunity of representing South Port as the club's Promotion's Officer. Due the club's great season competitively in both junior and senior divisions, as well as providing an effective beach and surf safety service to the community, it certainly provided an extensive range of information to share with the public and promote ourselves broadly.

We again received some great publicity through the 'Southern Times' Beach and Surf Safety column. Thanks again to Peter and Dorne Sutton's COMPLETE CYCLE for their continuing support of this column.

Thanks also again to Messenger Newspapers for their support in providing the space for this unique opportunity to raise community awareness of our club's profile in the competition scene (our shop front window) as well as beach and surf safety initiatives.

I'd also like to again pass on my thanks to Sharryn Campbell for the continuing and regular South Port 'Buzz' which kept the majority of our members up to date with club activities.

Our own and TRIPLE M's Grant Cameron continued to regularly give South Port beach and the club a 'plug' which keeps raising the profile of our club in a broad state wide audience. Thanks again Grant, the Morning Show and to TRIPLE M.

This season again saw continuing support from our sponsors and Vice-Presidents. The CITY OF ONKAPARINGA, MOBIL ADELAIDE REFINERY through their Employee Safety Scheme together with MOBIL SYNERGY FUEL SYSTEMS, CARLTON & UNITED BREWERIES, OFFICE OF RECREATION & SPORT - ACTIVE CLUB PROGRAM and COLONNADES SHOPPING CENTRE continued their major support as sponsors.

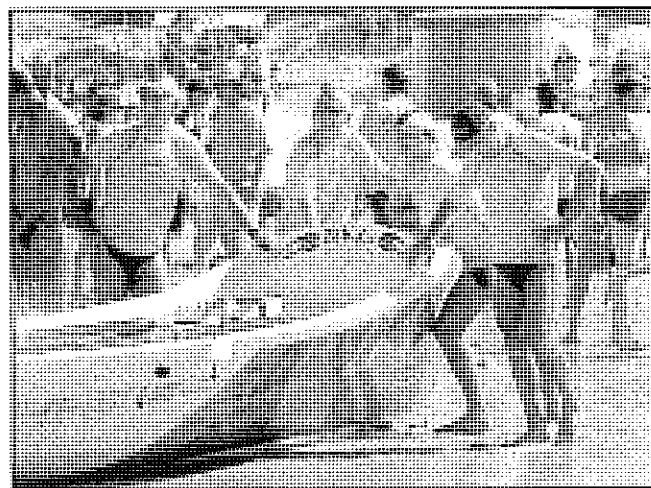

A refreshing approach the past season saw a number of our members introduce new and major sponsors to our club which I believe is the way to go in the future. Therefore on behalf of the club, sincere thanks go to Mary Carr for introducing FAMILYPET VET, Mel Woods for ZEST HEALTH CLUBS, Shamus Armstrong for BALFOURS, Lyndon Mills for HALLETT BRICKS, Rob Morgan for ROYAL & SUN ALLIANCE FOUNDATION, Tanya Eastham for SEAFORD CHICKEN SHOP, John Hall for YOUR SECURITY COMPANY, Muncha for TRADELINK PLUMBING as well as our own members who run their own businesses and provide support to the club. A BIG THANK YOU.

The Mid Coast Surf Clubs continued to be supported by MOBIL ADELAIDE REFINERY in providing junior Surf Rescue boards and First Aid equipment, which are a welcome addition equipment for the Club's Junior Development Programs. Thanks again to Glen Henson and Jo Revell.

The club sincerely appreciates the support of all our sponsors and Vice-Presidents and we look forward to continuing relationships for mutual benefit.

## Members Liaison Officer's Report

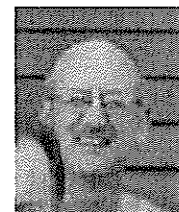

**Sue Goldfinch**

This year was a very busy one, lots of carnivals senior & junior. Not much though in the way of socialising, everyone was too busy organising their different areas. Lots of competitors went away to compete as well, so it was hard to get everyone together at the same time. The senior area did a great job of supporting the juniors at training & carnivals. This is what South Port is about all coming together as one. The new members also mentioned what a friendly club we are. So to the person who gets this position for the coming season, it is about keeping communication open & feed back to the committee.

**Sue Goldfinch**

## **Shivering Shags Report**

**Larry 'Chalky' Edge**

The Shivering Shags had a slightly quieter year with 27 registered members throwing themselves to the mercy of the elements every Sunday morning of the winter. How thankful we all are that stout was invented to take the numbness out of near frozen bodies. Despite the lower numbers the shags still contributed \$850 back to the club to help renew some of the old furnishings. The highlight of the year was our end of season Wrecked at Willunga tour followed by a breakfast of bacon and eggs and a barbecue lunch at the club next day. The unusual and historical significance of this event is that no one got hurt, spilt blood, broke bones, damaged property or got into a scrap – a first for the Shivering Shags.

### **Major Award Winners:**

Gecko	Girly Frock – upset at winning this award again he left the pub early pretending to be crook. Other shags took the opportunity to express their feminine side by taking turns to wear the dress.
Olly	Over the Top – 532 points, more than triple his nearest contender.
Milky	Dummy Spit – surprise, surprise
Wal	Golden Flipper – he really wanted to wear the girly frock with some really strange behaviour but he lacked Gecko's talent.

### **The Committee:**

Patrons	Chris & Sandy (Old Noarlunga publicans), Bristles (Don Alexander)
Head Shag	Schmidt (John Smith)
Heavy Shag	Yeti (Janet Puplett)
Scribe Shag	Chalky (Larry Edge)
Social Shag	Milky (Beau Lyons)
Hospitality Shag	Emu (Gary Eastham)
Bar Shag	Wal (David Watt)
Tower Shag	Randy (Dave Randall), Devo (John Devitt)

New members are always welcome. Just turn up at the Club at about 9:45 am on the first Sunday in June (1/06/03). You will be inducted from there.

**John Hall**

Season 2002/2003 was set in motion "without a team"! During the winter period a concerted effort was made to recruit the three marchers necessary for us to establish the team. Despite an announcement that signalled the end of our remarkable success story, and the ultimate lack of attendance at the opening carnival, the "feelers" remained actively in place.

Just prior to Christmas after much frustration and disappointment, the required three members were finally secured. The very welcome addition of the wily Peter Sutton (Dual Australian Champion), and the experienced Simon Simms along with his enthusiastic and youthful son Ray, saw the formation of a team on the 5<sup>th</sup> January 2003.

Due to the shorter training period available, the coach decreed that only dedicated quality training would possibly lift the team to potential Australian Championship level. The team dominated all carnivals in which it competed, including the State

Titles. This result has placed South Port clearly ahead of Seacliff with 19 victories to Seacliff's 17. In terms of consecutive titles, Seacliff have 15 to South Ports 14!

The team travelled to Queensland with some degree of confidence and this was transferred into our most clear-cut Friday victory ever achieved (daylight was second).

The Sunday Australian Championship performance in achieving a Bronze Medal from a position of "no team" in December was indeed very meritorious. In actual fact, the team was viewed by many qualified observers to be as good, if not better, than any previous South Port teams, and hence deserved a better result.

Finally, the efforts of Bob Mayo (Coach) and George Hann were invaluable
