## NOTICE OF 46<sup>TH</sup> ANNUAL GENERAL MEETING.

Notice is hereby given that the 46<sup>th</sup> Annual General meeting of South Port Surf Life Saving Club Incorporated will be held at the Clubhouse on Sunday 26<sup>th</sup> June 2005 at 11:30 am.

### **AGENDA**

1. Notice of meeting.
2. Apologies and proxies.
3. Confirmation of minutes of the 45<sup>th</sup> Annual General Meeting of 6<sup>th</sup> June 2004.
4. Business arising from the minutes.
5. Correspondence relating to the 46<sup>th</sup> Annual General Meeting.
6. Presentation, consideration and adoption of the 45<sup>th</sup> Annual Report.
7. Presentation, consideration and adoption of the 45<sup>th</sup> Annual Financial Statement.
8. Notices of motion:
  1. Presentation of updated club constitution.
  2. Nominations for Life Membership – Robin Atkinson and Beau Lyons
  3. Notice of other motions of which due notice has been given.
9. Declaration of all positions vacant.
10. Election of club officers for season 2005/2006
11. Consideration and adoption of subscriptions for and other amounts payable by Members and Officers for season 2005/2006.
12. Determine the maximum amount that the Board of Management may expend on any one item for season 2005/2006.
13. Election of Fundraising Committee. Eight members in addition to the Secretary, Treasurer and delegate from the Junior Development Committee.
14. General business.

### **Procedures of note:**

- Members who are eligible to vote and are unable to attend the Annual General Meeting may in writing appoint a proxy to act on their behalf. Such written proxy must be signed and dated by that member.
- Any member wishing to nominate for a position on the Board of Management or Club Officer position and who is unable to attend the Annual General Meeting must have their written nomination presented at the Annual General Meeting. Nominations in absentia are to be on the prescribed form and received by the Secretary prior to commencement of the Annual General Meeting. The prescribed form must be nominated and seconded by a current Foundation, Life or General Member.

For South Port Surf Life Saving Club Board Of Management.

**John Smith**  
**Hon. Secretary**  
**15<sup>th</sup> April 2005**

**Mission Statement:** To maintain South Port Beach as a safe and enjoyable environment for the public and our Members.

**Forward Plan:** Season 1995/96 saw the Board of Management adopt a Forward Plan to provide guidance for their and future committees' direction. The broad goals of the Plan are as follows:

- To maintain high safety standards of South Port Patrols
- To encourage competition as a means to attract and retain Members
- To create and maintain a friendly social atmosphere within the Club
- To create and maintain a friendly environment in which our Members can grow and learn
- To maintain an organisational structure conducive to the smooth operation of the Club
- To maintain good links with local Government and the community
- To raise community awareness of South Port Surf Life Saving Club
- To create and maintain a good working relationship with Surf Life Saving South Australia

**Name:** South Port Surf Life Saving Club Incorporated.

**Affiliation:** The Club is affiliated with Surf Life Saving South Australia.

## Objectives

- To minimise the loss of life from drowning by providing patrols and life saving equipment
- To adopt the gear, drill and handbooks of Surf Life Saving Australia
- To patrol that portion of Port Noarlunga beach, south of the reef, to the mouth of the Onkaparinga River.
- To be on call within the City of Onkaparinga on such days and for such periods as Surf

Life Saving South Australia shall from time to time determine

- To promote demonstrations and arrange classes of instruction of life saving
- To obtain facilities for life saving and to assist the City of Onkaparinga and other public bodies in improving facilities for bathers
- To encourage the physical and social welfare of Members
- To purchase, lease, exchange, hire or otherwise acquire and deal with any real or personal property, rights and privileges
- To raise funds and borrow money for the purpose and benefit of the Club upon such terms and conditions as may be determined.

**Colours:** The Club colours are navy blue, white and green. The Club badge is a green silhouette of the side elevation of a standard reel with the words "South Port" above and "SLSC" below in white lettering superimposed on a navy background.

Surf Life Saving South Australia has developed a program called Nipper Safe, which is a program designed to protect the younger members of our organisation.

Nipper Safe is a joint initiative between the SA Police and SLSSA and it has gone about training some of our members in such things as:

- what is a paedophile, how do you recognise one, what are their characteristics?
- what you should do if you are suspicious about anything you have seen;
- how to keep yourself away from any suspicion;
- what your personal responsibilities are as a mandated Reporting Officer.

Each Club has had carefully selected members complete a mandated reporting training course, as well as a short training course developed by SA Police and the Child Youth and Family Services, specifically for SLSSA. These people are called Club Reporting Officers (CROs).

If you, as a parent, member, age group leader, or whatever, have the slightest suspicion about any of the children you see at nippers, then you are encouraged to speak to one of our CROs. You are encouraged to speak to any of these people if you have any concerns about child abuse of any form.

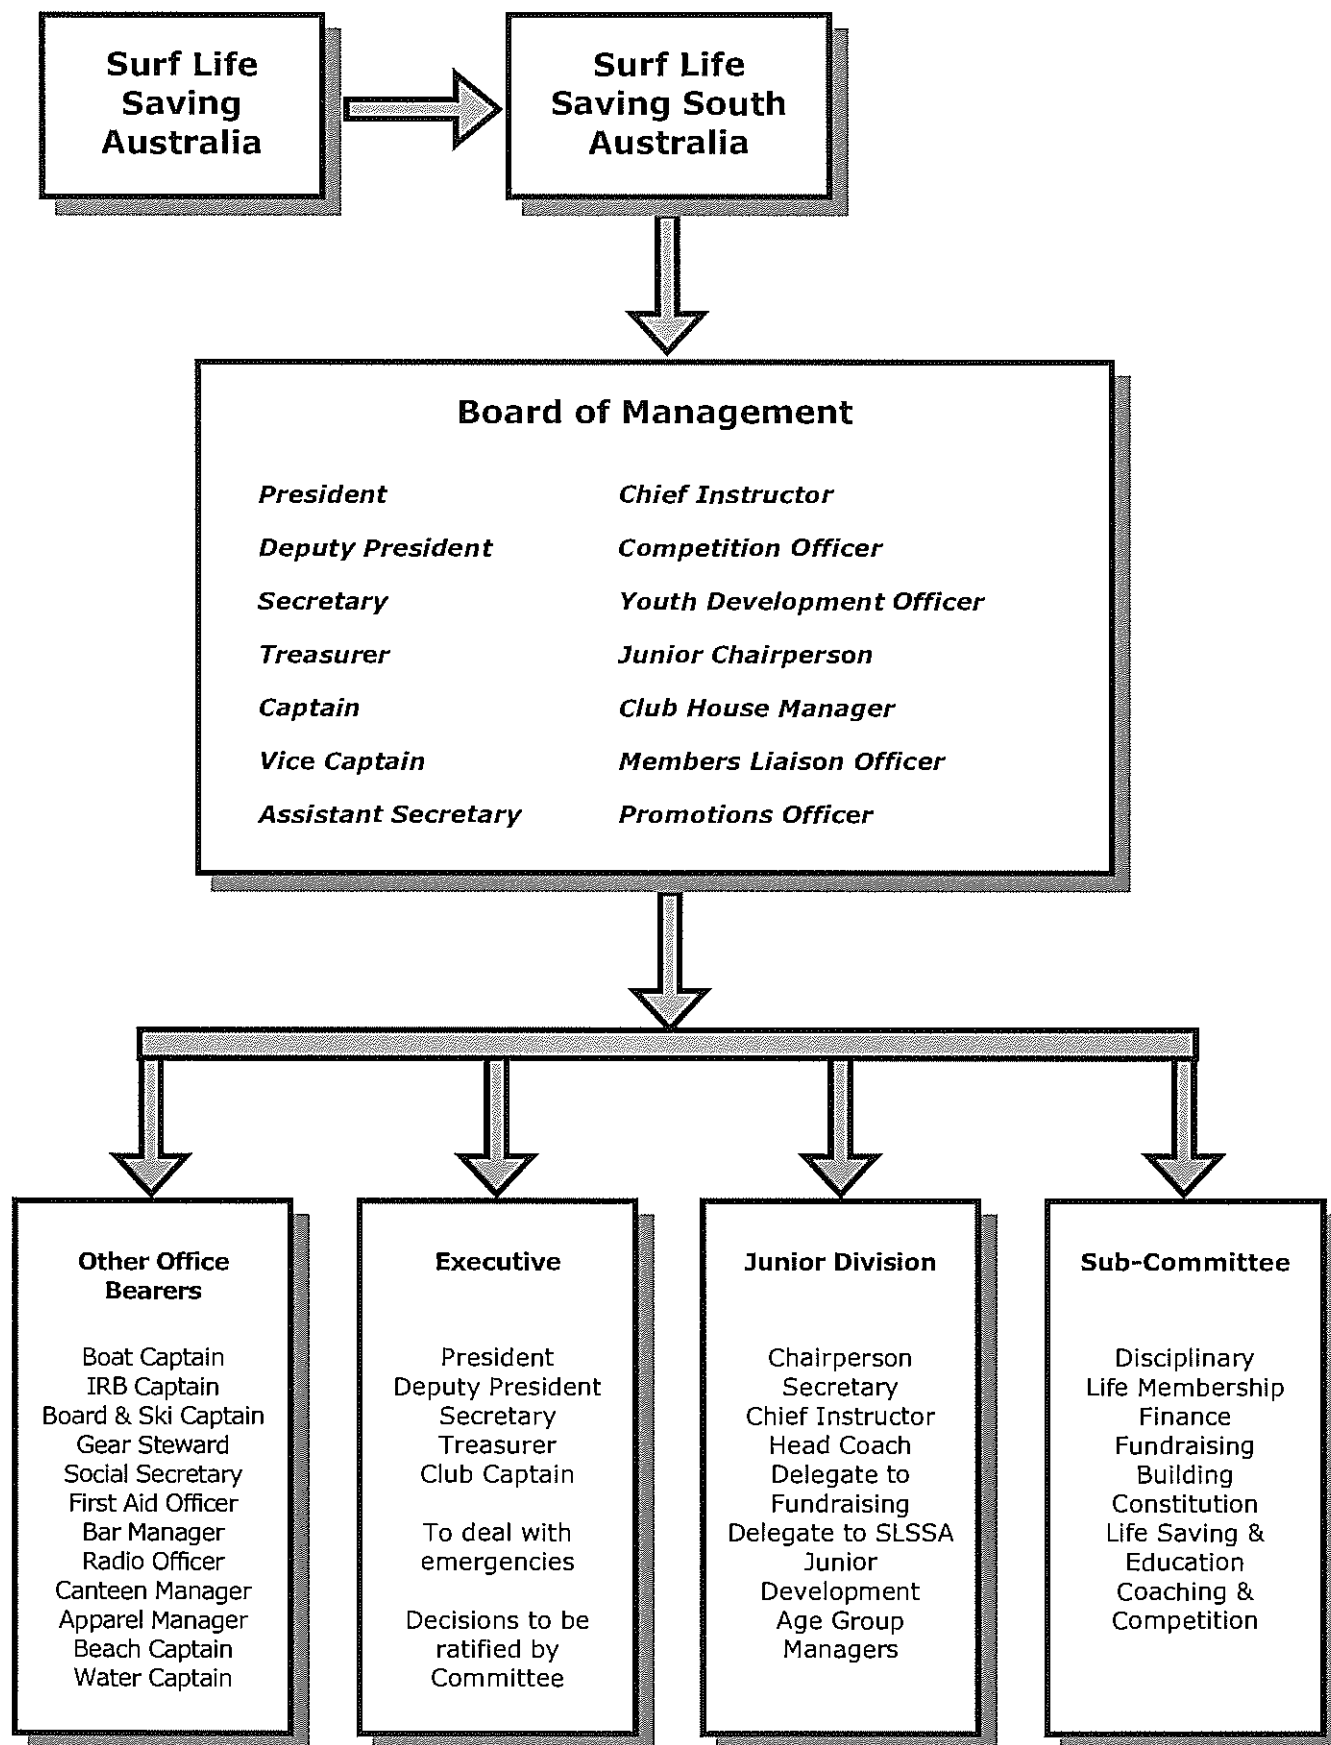

The abuse could be:

- Physical:** physical injury resulting from practices such as hitting, punching, beating or otherwise harming the child/young person.
- Emotional:** damage to a child's self esteem or social competence through chronic negative behaviour directed at them.
- Sexual:** when someone in a position of power to the child or young person uses their power to involve the child/young person in sexual activity of any nature.
- Neglect:** if you fail to provide for the child/young person's basic needs, including safety.

All reports are strictly confidential.

The Management Committee of the South Port Surf Life Saving Club Inc encourages everyone to report any suspicion of child abuse either to the Child Abuse Report Line direct on 13 14 78 or to one of the CROs. Patrolling surf lifesavers are mandated by law to report. However, all other members of our Club also have a moral obligation to report.

## Management Structure

## Office Bearers – Season 2004/2005

### Senior Committee

Position	Holder
Patron	Mayor, City of Onkaparinga, Ray Gilbert, John Hill, David Cox
Vice Patrons	Bill Jamieson, Richard Peat
President	John Devitt
Vice President	Brian Johns
Captain	Jeff Hegarty
Vice Captain	Richard Byrne
Secretary	John Smith
Assistant Secretary	Ray Martin Jnr
Treasurer	Don Alexander
Chief Instructor	Mike Etheridge
Competition Officer	Andy Higgs
Club House Manager	Martin Chilman
Promotion Officer	Matt Clohesy
Members Liaison Officer	Greg Fotia
Youth Development Officer	Matthew Clohesy
Boat Captain	Brian Johns
Board Captain	Steve Clohesy
Ski Captain	Alex Botha
IRB Captain	John Charles
Gear Steward	Dennis Ferrett
First Aid Officer	Ray Martin Snr
Bar Manager	Karen Lyons and Beau Lyons
Canteen Manager	Yvonne Olesinski
Apparel Manager	Karyn Kelly
Auditor	Ashby Roma & Co

## Junior Committee

Position	Holder
Junior Chairperson	Michael Lohse
Junior Secretary	Penny McKenzie
Junior Chief Instructor	Anita Johns
Junior Head Coach	Jason McGaffin, Michael Goldfinch
Junior Promotions Officer	Greg Adams
Policy Officer	Anita Johns
Parent Liaison	Sue Goldfinch
Fundraising	Sharon Lohse, Debbie Farmer
Delegate to the SLSSA Junior Development Panel	Siggie Giebel
Head Board Coach	Michael Goldfinch
Head Swim Coach	Michael Lohse
Beach Sprint Coach	Peter Farmer
Beach Flags Coach	Rob Zinnoegger
March Past Coach	Anita Johns
Wades Coach	Michael Lohse
Water Cover Co-ordinator	Jon Wright
Nipperthon Co-ordinator	Michael Lohse
March Past Uniforms Co-ordinator	Michelle Copley
Apparel Officer	Sharon Lohse

## Age Group Leaders

Position	Age Group Managers	Age Group Assistants
Tiny Tot	Mary Carr, Lyndon Mills	Clare Wright
Under 8	Tony McKenzie	Jon Wright
Under 9	Phil Cook	David Stagg
Under 10	Steve Clohesy	Rob Zinnoegger
Under 11	Siggie Giebel	Greg Adams
Under 12	Steve Smith	Peter Farmer, Lauren Etheridge
Under 13	Gina Mills	
Under 14	Anita Johns	Sharryn Campbell

## President's Report

**John Devitt**

Well another season comes to a close, and I'm glad to report no lives lost at our beach whilst we patrolled. This year has been a learning curve for me in this position, there has been marked and wholesale changes to the way our State Centre functions. Some of these changes will affect the everyday running of the movement, but changes that were required, not for the sake of it. This amounted to a lot of behind the scenes work to try and gain the best outcomes for Surf Life Saving SA. I think at this point in time this has been achieved. There is still a lot of work to do and hopefully the new State Board of Management will be capable of doing so.

The Mid Coast Group is still working hard with the support of the Onkaparinga City Council to get the off site storage facility up and completed. There have been a few problems with this project that are not easy to overcome, but with due diligence by the group and Andy Furman from the Onkaparinga City Council I'm sure these will be resolved in the short term. Another issue that the MCG is looking into is the lease agreements (or lack thereof) for the Mid Coast Clubs, we at this stage are not included in this scheme for various reasons. The other four Clubs are pushing to have us included in this deal. At this point I would like to thank Chris Foord for his continued attendance as South Port's delegate to the MCG. Chris was involved with the initial formation of the Mid Coast Group over 10 years ago. This group plays such an important role in the liaison with the City Council and other elements within our area.

I don't know if all members are aware of the fact that we are responsible for all our own maintenance and repairs to the building and site we occupy. The other four Clubs are maintained by the City Council. This is another example of expense that we incur and the money comes from whatever funds we raise: membership; donations; sponsorship; canteen; and bar.

The Club Board of Management has looked into the installation of a maceration pump and rising-main to take our effluent offsite from our antiquated septic and into the sewerage system across the road. With the cost of this project estimated at the time to be around \$20,000 we decided to proceed to the design stage. At the time of writing this report we are currently looking at others ways to achieve a simple more environmentally acceptable result, we have to be very careful because of our location, with the

beach one side and the river on the other and being right in a sensitive dune area. We can't have the enviro-cycle system because of our location but there is another system that could be acceptable. We were a bit concerned at a cost blow-out with the rising-main: it's going to cost around \$7,000 just to get to the first plan drawing stage, with no assurance that SA Water will accept this. Their concerns are spillage, in the event of a problem, going into the dunes and or river/beach systems. So we are looking at an environmental system. I should be able to report more during the AGM.

Another issue we are currently pursuing is turning the Club into being solar powered. Currently one of our hot water systems is worn out and we looked at solar replacement for this. On consultation with M&S Campbell Plumbing & Gas, Mick suggested going solar. So to take this one step further we are investigating the options available to us in the form of State or Federal funding to facilitate this happening. With this in mind we need to look at what grants and funding are available and seek the assistance of any member who has the desire to help out.

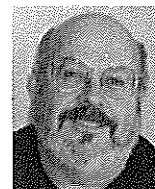

Changing the subject completely now, this year we did not have the luxury of falling back on carnivals for revenue, so this year our turnover is down on previous years, but be warned next season the Club will have to look to conducting several carnivals in order to keep our much needed funds on the improve, so please consider, *"what can I do to help"*. Don't leave it to others when we conduct these carnivals. They are extremely hard work, but a good revenue raiser, and can be a lot of fun if many members help out.

Some members might wonder at the Board of Management's reluctance to purchase as much new equipment for all of our competitors this season, after consultation with them we worked out what was needed with the understanding the Club was up for some major capital works expenditure and decided they could do with the absolute minimum this season.

Thanks to the following:

Mike Etheridge, the Club's Chief Instructor - Mike again has put so much time and effort into his job that it's not easy to pay homage to his efforts. Bones, a simple thank you never seems enough.

## President's Report

**John Devitt**

Matthew Clohesy - for his involvement in the open forums at State Centre on the governance review to put a younger member's perspective on this issue and his efforts as Club Youth Development Officer and Promotions Officer.

Canteen Manager - Vonnice Olesinski for her work in the Club canteen a brilliant effort again this year with the canteen making a good profit.

To the Bar Managers, Karen and Beau Lyons for managing the bar so well this season thank you. Karen's effort in particular because of Beau's commitment with the Open Boat Crew was outstanding. Ren was always there on Saturdays and cleaning up during the week, time not seen by many.

Karyn Kelly deserves a special mention for her efforts with the clothing for the Club this season. This is an onerous task that always cops criticism from some quarters or another. Karyn has carried out the task very well and I thank her for her time and efforts.

Mary Carr for conducting and hosting the very successful wine night, (and current raffle) for those that missed it, you missed a very good evening.

John Smith Senior Club Secretary, many hours spent at registration time to ensure all the necessary paperwork is dealt with. He is always on tap for problems that arise during the season and follows through every time.

Don Alexander, Club Treasurer, this job is so important to the wellbeing of the Club. Don has once again put us in very good stead for the future in his management of things financial, and his consistent work with coaching the Open Men's boat crew and sweeping/coaching the Open Women's boat crew.

Andy Higgs, once again took on the role as Competition Officer. Andy had heart surgery this

season, and still has been his usual inspirational self in his approach to the job. Thanks Andy, glad to see you back and at it again. In the competition area, I'm sure Andy will elaborate more in his report about the results this season, I say thanks to all the competitors that represented the Club this season. Congratulations to Chris (wrong can) Lowery for gaining Silver in his age group at the Aussie Titles at Kurrawa. Brian Johns stepped into the job of Team Manager at the Aussies in Andy's absence.

David and Karina Watt for the work they put into our internal patrol inspections, the job is never easy and requires a great deal of effort. They found some deficiencies in our patrols this season that will need to be addressed by the incoming committee, as I'm sure they will be.

Mike Lohse and the Junior Committee a job extremely well done, Mike sought to make a few changes to the way his committee functions and after some considerations and alterations the changes have been made and should make things run smoother for the coming season. I wish them well. Michael Goldfinch stepped up to be Junior Head Coach as well as Board coach in the junior area this season and the results speak for themselves.

Last and by no means least, Anita Johns, this year's Most Valuable Member. Anita's work with our Juniors is incredible, and indeed in the Senior Club as well, working with the kids to gain proficiencies, swim patches and training the new group of qualies, the Fab 5.

I would in closing my report wish to sincerely thank Mobil for continued support of our Club and the Mid Coast Group and Telstra for the supply of our Club's new IRB for use in the coming season. I wish all the incumbent Junior Committee and the incoming Senior Committee all the very best for the coming season, I hope things turn out as planned.

**John "Schmidt" Smith**

### **Membership**

This season we had a decrease in membership from 321 last season to 290 this season. It is interesting to note that the number of members who patrolled rose from 82 last season to 109 this season. Maybe the words written by last year's secretary had some effect. You do not become a member of the Club for the season until you have filled out or signed a membership form. If you are not a member of the Club then you cannot use the facilities or equipment.

### **Board of Management**

I was disappointed, having returned to the Board after a number of years, to see the low attendance at Board meetings. On a number of occasions we needed to wait for members to arrive before we had the necessary quorum. Members who are elected to the Board must be prepared to attend these meetings so decision making can be effective.

### **Communication**

The Snippets were sent out regularly at the start of the season but with our publicity officer changing jobs, communications in the second half of the season were very ad hoc. This is one area we must improve this coming season. Our current e-mail list is 111 and our snail mail list is 90 so we should be reaching all members. Please remember to contact the secretary if you change

address or email address. Don't just tell someone down the Club – let the Secretary know!!!

### **Health of members**

We had a scare with Andy Higgs having a triple by-pass operation and Mark Gluis having a stroke but it is great to report both have recovered well and getting on with their lives. Andy was down at the Club running the Club Championships in early April and Gluey is back to being the pest he always was. Good health and long lives to both of you.

### **Thank you**

I must thank the past secretary Brian Johns for handing over such comprehensive records and computer programmes which made my job so much easier. The job has certainly grown in complexity and time requirement since I last did it and to have all the material Brian provided ensured a smooth transition. I must also thank him for the work he has done on the Club Constitution over a number of years. I wish him and his family all the best in their move to Sydney. They will be sorely missed.

I look forward to season 2005-06 and the further progression of our fantastic Surf Club.

John Smith

Hon Secretary

Don "Bristles" Alexander

### Statement of Financial Performance

The consolidated net profit from ordinary activities was a loss of \$2,879 this season compared to a profit of \$10,198 in 2003/04. This is a decrease of \$13,077 brought about by an increase in cost of sales, depreciation, borrowing costs, other expenses from ordinary activities.

### Statement of Financial Position

The net assets of the Club have decreased slightly from \$278,503 in 2003/04 to \$275,624 this year. There was a minor decrease in total assets whilst total liabilities increased by \$1,215 due to a small increase in payables.

### Statement of Cash Flow

The Club had \$47,121 in the bank at the end of the financial year, an increase of \$30,924 compared to the previous year. Cash provided by and used in investing activities was \$5,231 in 2004/05. Net cash provided from financing activities was \$5,362. This was for the repayment of the loan which we have with the SLSSA Trust Fund.

### Income

Revenue decreased by \$18,657 compared to the previous season, mainly caused by the extra revenue gained by holding the Australian Open in February 2004 and in part to the lack of carnival activities on our beach. Considering the above comments, Beau and Karen Lyons have done a fantastic job with running the Bar this season. Vonnie Olesinski once again had the same problem as Beau and Karen with a lack of activities but has once again done a wonderful job providing income to the Club. Karyn Kelly, provided the Club Members with some great clothing this season. The income was the best for years. We are left with more stock than we would normally require and some outstanding accounts, but I'm sure that it will all even out shortly.

### Donations and Sponsorship

Donations to the Club are down again this past season to \$3,300.

Mobil Refinery has once again provided \$10,000 to go towards the purchase of a new surf boat. This is the third time in five years they have

supported the Club with such a large Sponsorship and we are indebted to them for their continuing support.

### Grants-Financial Dependency

The Club is dependent on the receipt of significant grants to maintain its cash flows in operating activities:

City of Onkaparinga	\$8,472
Facilities Management Group	\$1,636
SLSSA	\$11,000
SLSSA Trust Fund	\$6,000
Recreation & Sport	\$5,500
<b>Total</b>	<b>\$32,608</b>

We sincerely appreciate the support of these organisations; when you look at the Detailed Statement of Income and Expenditure it is not hard to see how dependent the Club is on this income stream.

### Conclusion

At the start of the season, after consultation with the competitors, the Club decided that the replacement schedule for craft would be slowed and that we would put some funds into maintaining our facilities. We have been having continuing discussions with the City of Onkaparinga on two proposals: to improve our septic system; and the development of the joint storage facility with the Mid Coast Clubs.

We realised that we needed to be careful how and when we spent our money, because the cost of both the above items has escalated in recent times, to such an extent that we are seriously looking at the proposals to see if there are cheaper alternatives.

We have recently been successful with three Grants from the Office of Recreation and Sport (they don't show in these accounts), to assist with the offsite storage facility and equipment for our competitors, all of which will assist in lowering the burden on members in the coming season.

Thanks to all of our members who provided support to the Club over the past season. There are so many ways to contribute in reducing our expenditure that even the smallest contribution of money or your time will be of long term benefit to the Club.

## Treasurer's Report

Don "Bristles" Alexander

### Notes to the Financial Statements For the Year Ended 30 April 2005

#### NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and the requirements of the Associations Incorporation Act (South Australia).

The financial report covers South Port SLSC as an individual entity. South Port SLSC is an association incorporated in South Australia under the Associations Incorporations Act. The accounts have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

- (a) **Income Tax**  
The Association is exempt from income tax under the provisions of Division 50 of the Income Tax Assessment Act 1997.
- (b) **Inventories**  
Inventories consist of trading stock and are valued at the lower of cost and net realisable value.
- (c) **Property Plant and Equipment**  
The Club's Board of Management re-assessed the value of its premises, plant and equipment as at 30 April 2000 and re-valued the Club's property, plant and equipment at \$223,526. After taking into consideration the realisable value of leasehold improvements in the event of the lease being terminated, the Board of Management ratified a further revaluation decrement of \$20,000 to the Club's premises as at 30 April 2002.  
  
The value of the Club's non-current assets, are reviewed annually by the Board of Management and they are of the opinion that the book value, after allowance for the current year's depreciation charge, represents fairly their carrying values.
- (d) **Cash**  
For the purposes of the Statement of Cash Flows, cash includes cash on hand and at bank.
- (e) **Revenue**  
Revenue from the sale off goods is recognised upon the delivery of goods to customers.  
  
Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.
- (f) **Goods and Services Tax**  
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.
- (g) **Adoption of Australian Equivalents to International Financial Reporting Standards**  
Australia is currently preparing for the introduction of International Financial Reporting Standards (IFRS) effective for the financial years commencing 1 January 2005. This requires the production of accounting data for future comparative purposes at the end of the current financial year.

The Board of Management is assessing the significance of these changes and preparing for their implementation. A separate IFRS subcommittee has been established to oversee and manage the transition to IFRS.

The Board of Management is of the opinion that the key difference in the Club's accounting policies which will arise from the adoption of the IFRS are:

## Treasurer's Report

Don "Bristles" Alexander

### Impairment of Assets

The entity currently determines the recoverable amount of an asset on the basis of undiscounted net cash flows that will be received from the asset's use and subsequent disposal. In terms pending AASB 136 Impairment of Assets, the recoverable amount of an asset will be determined as the higher of fair value less costs to sell and value in use. It is likely that this change in accounting policy will lead to impairments being recognised more often than under the existing policy.

	NOTES	2005	2004
<b>NOTE 2 – REVENUE</b>			
<b>Operating Activities</b>			
Members subscriptions, fees, grants and fundraising		97,869	114,124
Trading revenue		67,616	71,382
Sundry income		<u>4,169</u>	<u>4,316</u>
		<u>169,654</u>	<u>189,822</u>
<b>Non-Operating Activities</b>			
Proceeds from the sale of assets		4,273	2,918
Interest received		<u>159</u>	<u>3</u>
		<u>4,432</u>	<u>2,921</u>
<b>Total Revenue</b>		<u>174,086</u>	<u>192,743</u>
<b>NOTE 3 – PROFIT FROM ORDINARY ACTIVITIES</b>			
Profit from ordinary activities before income tax expense has been determined after:			
<b>(a) Expenses:</b>			
Cost of sales from trading activities		41,861	38,933

## Treasurer's Report

Don "Bristles" Alexander

### **South Port Surf Life Saving Club Inc. Statement by Members of the Committee**

In the opinion of the Committee the financial report as set out on pages 1 to 6:

- 1      Presents a true and fair view of the financial position of the South Port Surf Life Saving Club Inc. and its performance as at 30 April 2005 for the year ended on that date in accordance with Australian Accounting Standards, other mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
- 2      At the date of this statement there are reasonable grounds to believe that the South Port Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Dated this 1<sup>st</sup> day of June 2005  
at South Port, South Australia.

.....Treasurer

## Auditor's Report To the Members of South Port Surf Life Saving Club Inc.

### Scope

We have audited the financial report being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows, Notes to the Financial Statements and the Statement by Members of the Committee of the South Port Surf Life Saving Club Inc. set out on pages 1 to 7 for the year ended 30 April 2005.

The Committee is responsible for the financial report. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Club.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements in Australia so as to present a view which is consistent with our understanding of the Club's financial position, the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

### Qualification

Given the nature of the operations of the South Port Surf Life Saving Club Inc. it is not practicable to establish accounting control over all amounts receivable prior to the issue of a cash receipt and therefore it is not possible to know whether all income due to the Club has been received by the Club and recorded in the books of account.

Accordingly, our audit has been limited to the amounts of cash receipts recorded in the books of account of the Club.

### Audit Opinion

In our opinion, subject to the above qualification, the financial report of South Port Surf Life Saving Club Inc. presents a true and fair view in accordance with applicable Australian Accounting Standards and other mandatory professional reporting requirements the financial position of South Port Surf Life Saving Club Inc. as at 30 April 2005, and the results of its operations and its cash flows for the year then ended.

**Compilation Report  
South Port Surf Life Saving Club Inc.**

On the basis of the information provided by the committee of South Port Surf Life Saving Club Inc., we have compiled, in accordance with APS 9: Statement of Compilation of Financial Reports the special purpose financial report of the Club for the year ended 30 April 2005 as set out on pages 10 to 11.

The specific purpose for which the specific purpose financial report has been prepared is to provide additional financial information to its members. Accounting standards and other mandatory professional reporting requirements have not been adopted in the preparation of the specific purpose financial report.

The committee is solely responsible for the information contained in the special purpose financial report.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the committee provided into a financial report. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

To the extent permitted by law, we do not accept liability for any loss or damage which any person other than that the Club may suffer arising from any negligence on our part. No person should rely on the special purpose financial report without having an audit or review conducted.

The special purpose financial report was prepared exclusively for the benefit of the Club. We do not accept responsibility to any other person for the contents of the special purpose financial report.

Don Alexander

## Patrol Competition

David "Wal" Watt

During season 2004/05, internal patrol inspections were conducted. The patrol inspections are an integral part of monitoring our Club's performance in a simulated emergency situation. Each patrol was assessed on the same scenario, which included 2 patients, one suffering from a spinal injury and the other patient found to be not breathing with pulse present.

As a result of the patrol inspections, I have concluded that there is considerable work to be done with the structure of the patrol roster.

The key areas that require urgent attention for the 2005/06 season are:

- considerable adjustments to the structure of the patrol roster
- mentoring and training of current and new Patrol Captains and Vice Captains
- more patrolling members completing awards such as ARC, IRB drivers prior to the patrolling season beginning

In regard to Patrol Captains, it is imperative that the appointed Patrol Captains have good leadership and communication skills. The patrols that scored highly in the inspections had captains that had these attributes.

Members need to be encouraged to do awards such as ARC and IRB Drivers. It does not take long to do the training and each patrol should have a minimum of 2 qualified ARC holders and at least 1 IRB Driver with an experienced and certified IRB crew. The ARC award is very important due to the recent introduction of the spinal board and understanding how to use the stiff neck collars.

There were outstanding performances by Patrols 4, 5 and 9. All of these patrols were under the

leadership of younger members of our club. Mathew Burgess, Marquerite Botha and Brad Long are all to be congratulated on the way they directed their patrols.

There were a couple of disappointing situations that occurred toward the end of the season which included two patrols being missed and requiring members from other patrols to step in. Unfortunately due to Patrol 9 misinterpreting a rostered patrol date, their good performance and result at the inspection was downgraded to a zero. Another patrol that was required to patrol over the Australian Titles weekend also resulted with a zero for the competition, only a few of their substitutes turned up, not a good result for the Club or the patrol.

The Champion Patrol for Season 2004/05 is Patrol Number 5. Members include: Captain – Matthew Burgess, Pam Etheridge, Lyndon Mills, Donna Boal, Brioni Oliver, Matt Whitmee, Peter Whitehorn, Michael Goldfinch and Garry Eastham. There were very good performances and efforts by the following patrols of who deserve a special mention - Patrol 4 captained by B. Long, Patrol 9 captained by M. Botha and Patrol 8 captained by John Nearmy.

Please note the individuals that were assessed on the day including substitutes are the award recipients.

To improve the quality of patrols we plan to hold internal inspections over the whole season instead of only in the second half. This will require extra volunteers to assist in the monitoring of patrols. If you wish to get involved in Patrol Inspections please do not hesitate to contact David Watt or Mike Etheridge.

### Total Points awarded out of a possible 1000

Patrol 1	913/1000
Patrol 2	660/800
Patrol 3	785/1000
Patrol 4	783/1000
Patrol 5	965/1000
Patrol 6	0/1000
Patrol 7	731/1000
Patrol 8	890/1000
Patrol 9	975/1000 – missed a patrol in February therefore not eligible. Final result 0
Patrol 10	665/1000

## Chief Instructor's Report

**Mike "Bones" Etheridge**

What a difficult year it has been. For the first time I had to deny seven new members access to a Bronze Medallion course because of the lack of Instructors. I only like our Instructors to take one squad per season because it takes about ten lessons for a candidate to gain their award, which is about half the season. We also had four members who had not completed their Bronze Medallion course due to their lack of commitment. The other problem which concerned me was club members saying to new members to contact myself and I will fit them in a squad only to find out that they can't swim and then having to tell them that they can't complete the course because they can not meet the pre-requisite swim.

The Awards this season were seven Bronze Medallions, six Surf Rescue Certificates, eleven Resuscitation and seven IRB Crew Awards.

A big thank must go to Anita Johns for taking two squads, Brian Johns, Adam Parkinson, Sharryn Campbell, John Charles and Bridget Richardson

for taking Squads and Derek Wix, Lyndon Mills, John Devitt and Gina Mills for driving and crewing the IRB on the Exam days.

### **Proficiencies**

This season I felt went quite well, with the addition of the Spinal Board and the lack of staff at State Centre things ran a lot better than I expected. The Club had one hundred and thirty four members sit their proficiency this season.

I must thank Andy Higgs, John Smith, John Devitt, Bridget Richardson, John Charles, Anita Johns and Brian Johns for their help because without their help I would never finish before December.

This is my last season as Chief Instructor I have enjoyed the position but I feel it's time to move on.

Thank you to all who have helped me over the past five seasons.

<b>Patrol Statistics</b>	
Major Rescue	4
Preventative Action	1,122

## Youth Development Officer

**Matt Clohesy**

An eventful season yet again, are we not lucky to be involved within such a great Club!

On behalf of the youth, again it is my pleasure to present this report outlining the Club's performance.

First I wish to thank our members and supporters who put in huge efforts to ensure a financially stable year and I offer sincere gratitude. As the strength of our Club has/is ever improving all members' contributions require true recognition and though awards reach some individuals, please pat yourself on the back knowing that you have helped achieved many successes. South Port is the Club to beat.

South Port is regarded as a strong competitor and displayed such on varied competition areas with talent across all levels. It is a good feeling to step into another State and have the name South Port and its achievements broadcasted to the masses. I am very proud, our competitors and coaches are focused and result orientated and they are to be commended. The skills that our young competitors have displayed have not gone

unnoticed, with many getting dais positions. All these competitors showed great vision in defending last season's achievements and creating new ones. Good work!

JAC members have done an excellent job this past season. It is encouraging that the team now endeavors to be competitive, unlike recent years. Welcome to all the new JAC members and their new appointments.

With numerous birthdays, weddings, tours and other social occasions bringing together our members it has been a busy and enjoyable time. I'm sure our memories of these experiences will last throughout times.

Finally I would like to thank the Management Committee and all who have helped me in the role of Youth Development Officer.

May next season be as prosperous as this one.

**Andy Higgs**

### Members

John Smith (Secretary), Don Alexander (Treasurer), Jeff Hegarty (Club Captain), Richard Byrne (Vice Captain), Andy Higgs Chairperson (Competition Officer & Beach Coach), Brian Johns (Boat Captain), Steve Clohesy (Board Captain), Greg Fotia (Swim Captain), Matthew Clohesy (Youth Development), Alex Botha (Ski Captain).

**Invited:** John Devitt (Club President), Bob Mayo or John Hall (March Past Rep.)

This report is a summary of the completion of work set out by the Competition Committee for the Season 2004-05.

### Summary

This season was disappointing for me as I was unable to complete the work for this season as I took ill. Thanks to everyone for the support & thoughts that you all shared with me during this time.

Up until the time of my illness I felt as a Club we had fallen behind in our overall performance. The Boat and the March Past areas were both working well toward their ultimate goal of the Australian Titles.

In the Board & Ski area, although some of our competitors were training hard, we had another group finding this difficult. Some had indicated that they were having a year off of real hard training. This did concern me! But I could understand the adjustment that young people have when they leave school to join work force or go onto tertiary education. It means their lives have changed and now have the added worry of finances and the social pressures are much greater. I do hope these younger members will focus back to where they left off a year ago. To my mind if they do they will be successful in their chosen athletic fields.

### Senior & Masters State Titles

The Club attained 7<sup>th</sup> position in the overall point score of 307.5 points for the Champion Club. This is the same position as last year but we have significantly increased our total points.

In the Masters State Titles we attained 9<sup>th</sup> position overall with a point score of 104. Congratulations

to all our competitors. To our Carnival Patrols, thank you all so much from all the competitors.

Even though our Club attained many medals both in team and individual events. As you look at all the events that are available to compete in, there are many that our Club does not even enter.

### Australian Titles

The highlight of the titles was our Silver Medalist in the Under 17 Male Board Championship of Australia. Chris Lowery has proved it was not a fluke with a repeat of last year's form in big seas. Chris has certainly worked hard to remain on the podium with a second position even after moving up an age group.

It was a disappointment for the Open Male March Past team who won gold last year and again won the Friday competition but then to be relegated to fifth position. If you take in what this team has achieved over the many years it is without hesitation that they can claim to be one of best March Past teams of all ages.

Then there is our Girls March Past team who came seventh overall with a three point deduction. This is their best ever performance.

Then there is our Open Male Boat Crew who made through to the first Semi final but broke an oar on the way out. Because of this we will never know their real ranking.

This was not our strongest Touring Team but they certainly performed above all expectations. This means every one who toured, as every person in this team is an important cog in the progress of our great Club.

### State Team - National Competition

Congratulations to this seasons South Port Open (Men's) A Boat crew who represented South Australia. It consisted of Beau Lyons (Sweep), Angus Boot, Matt Whitmee, Mark Wilsmore and Jeff Hegarty. They represented South Australia at the Interstate Carnivals at South Maroubra, Manly and Freshwater in New South Wales.

Chris Lowery also represented South Australia as a board competitor in the Under 17s. South Port congratulates you all on a job well done.

## Competition Officer's Report

**Andy Higgs**

### Junior Club

Our Junior Club achieved third place in the overall point score at the Junior State Titles! This has not been achieved since the 1980s. It would be very interesting to look this up, as to me this is a great achievement and places our Club well for the future. Well done to all our Junior Members and their Management Group.

### Internal Club Competition

The 30<sup>th</sup> Long Swim was postponed two or three times. Our duty of care to our members was our priority. Two days prior to the scheduled date for this event there was a horrific shark attack at West Beach. Surf Life Saving SA cancelled all competition within our coastal waters. It was conducted at the completion of the season in conjunction with the club championships. Because this took place so late in the season and the water temperatures were on the decline it was decided to be conducted over a shortened course. The competition was still of a very high standard with many great performances. Congratulations to the winner Jake McKenzie. Also congratulations Fastest Male Mike Hegarty and Caitlyn Gray the Fastest Female.

The Weekly Swim aggregate winners; for Males was Dale Thomson and Lauren Etheridge the

Females. The Club had only 39 competitors who took part in these weekly events. There was quite a decline in participants this season.

The Club Championships were competed after the Australian Titles again this season. John Smith and I conducted this event and 20 competitors battled for honours in good conditions. It was a great success. Thanks John!

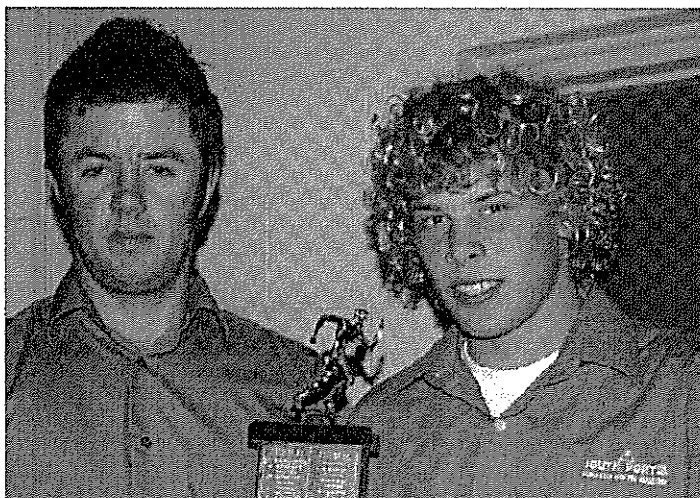

South Port Surf Club has excelled again in the field of competition.

Thank you especially to our Carnival Patrols, to the above Committee, the Committee of Management, all Club Members, the Staff and Officials of Surf Life Saving SA for your help and tolerance.

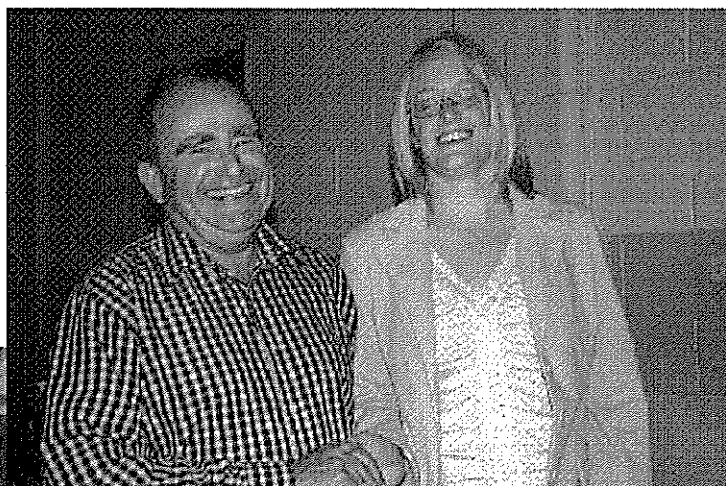

This completes another season.

Andy Higgs

Competition Officer

Club Award Winners: Alex Botha and Dale Thomson, and Andy Higgs congratulating Lauren Etheridge and Chris Lowery

Andy Higgs

This Season even though the squad was small again we had reasonable success.

The squad consisted of just three members who I must say were quite varied in their ability and age. This was because they aspired to compete in their principal event which was completely different from each other.

Justin Campbell's principal event was the 2k run.

Becky Etheridge's was definitely Beach Flags.

Euan Currie excelled in both the Open Male Beach Sprint and the Open Male Beach Flags. He would be the most successful South Australian competitor in both events over the whole season.

For the first time since the inception of the 2k runs we had someone compete in them seriously. Justin Campbell ran this event at most carnivals with success in the Under 15 males. He won his category at the Goolwa carnival which was fantastic. He trained with enthusiasm and it reflected on his face each time he completed the course at a carnival. Well done Justin!

Becky excelled in the Beach Flags at the West Beach, Christies Beach and Moana carnivals.

Becky attained top three placing at each of these venues. This shows that Becky has the ability to improve and excel in her chosen event.

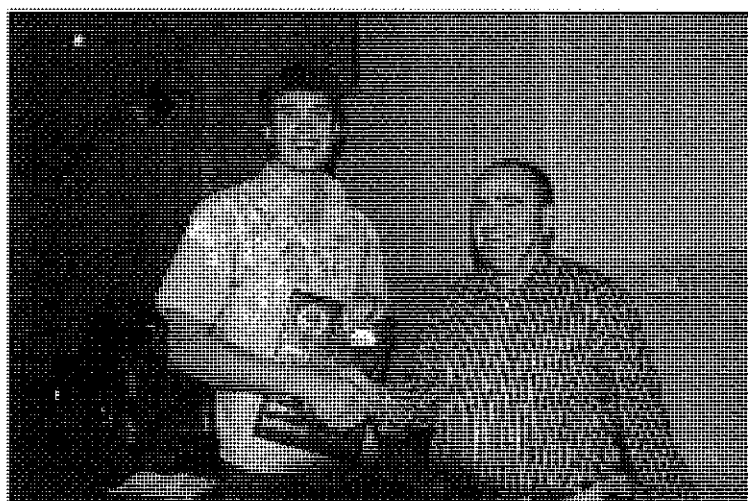

Again we failed to produce any consistency in the formation of Beach Relay teams in any of the age groups. This is because at present our members see that their priority is in other disciplines other than Beach Events.

I must mention that even though Megan Rawson was not a member of our training squad she produced a bronze medallion at the Sate Titles in the Open Women Beach Flags. Well done Megan an excellent result.

At the National Titles at Kurrawa Beach Euan Currie made it through to the Semi- Finals of the Open Male Beach Flags. An excellent result!

Euan Currie's consistency throughout the season has allowed me to select him again to be the 2004-05 Beach Events Athlete of the season for our Surf Club. Congratulations Euan! I wish you all the success for the future.

Andy Higgs

Andy Higgs with Euan Currie, South Australia's most successful competitor in carnivals for season 2004/05

## Boat Captain's Report

Brian "Zee" Johns

Another year of mixed fortunes, but starting from the beginning all crews did their bit and performed to their utmost as conditions allowed. The year started early with the Open crews both men and women getting pumped in the gym through the colder months and the Muncha's 180's getting into the river too.

As time approached for that sojourn to the far northern district of our state, Port Augusta, we had managed to scrape enough crews together to give it a go. A reasonably successful trip but not up to our usual standard and Grange walked away with the points. The Open Men's and Women's crews as the season progressed had planned to travel and that they did, with great results at the interstate carnivals. Beau's boys especially, making the other states look firmly in our direction and ask some questions.

As the season continued to wind on through, the level of training for all crews intensified and this was in no small part due to Devo and Bristles driving the Open crews and this endeavour was a key reason for the results obtained. The flow on effect was evident on all crews with the results to go with it.

So on to travelling again and the ASRL beckoned at Wollongong. Two crews attended: the Open Men's and the silently training 180s. The results were not quite as good as the previous year, with no medals, but the 180s again making the masters final and finishing a creditable 5<sup>th</sup>.

State titles now were approaching fast and crews coming out of the woodwork to compete for South Port. Of course our Open Men's crew did as was expected, trounced the opposition and really this year every crew in South Australia were also-rans compared to this crew. Well done to Beau and the boys. Our Women's crews, yes we ended up with two competitive crews, with both making the final and taking one medal. Not our preferred colour but a great result just the same. I must say the second crew did a marvellous job to get there, and the dedication shown by these young girls was terrific. A result due in no small part to Mary Carr who was the obvious choice for the Most Outstanding Boat Member due to her pushing of these girls whilst rowing herself in the other Open Women's crew.

The U/19 boys came home with a flurry, trained hard when it counted and rowed their butts out to

score a well deserved Gold and stiffed in the U21. I believe they may have won that too if not for some dubious sweeping by another club. But that's surfboat racing.

The reserves or as they prefer to be called, "The half-tonners" and that's being polite, made the final and had a creditable 6<sup>th</sup>, but valuable points for the Club. The Master's crews for the year did a great job. As I said before the 180s (Muncha's) made the ASRL final again and continued their form into the States to grab a medal. It was also great to see Captain America and his boys there too. Of course in the other age groups we had continued success and took home more gold in various grades with an outstanding effort from the "old ducks" (140 female) who grabbed a silver.

And so the "Aussies" beckoned. Two serious crews and a not so serious crew made the effort and put oars to water. The Open Men's crew had by their standard a poor return on their investment for the year and made the 5<sup>th</sup> round. This in itself is a great result but not what they were aiming for. The two Master's crews rowed out and back but the 180s were depleted before they started due to unforeseen problems of crew availability and will require regrouping for next year. The last crew had a couple of phantoms and I'm sure Mary had a great time and enjoyed "climbing the ladder".

But the highlight of the year was the Open Men's crew making the State Rep team. This continues the tradition as we have done so for the last two men's selections, so congrats to Beau, Jeff, Lurch, Matt and Angus.

The stand out athlete for the year in the boat area this year though needs a separate little push. Matt Whitmee deserved his win as the rower of the year because to be still so young and stroke an open crew in such fine style augers really well for our Club's future. We just need to find 3 more young guns to row with him.

A final note is to thank all those involved in the boat area this year for just being there. Special thanks to Bristles and Devo for their obvious help and Andy Lowery for the welding etc. So onward and upward for next season and all should be in the gym now. See you in Sydney.

Brian Johns  
Boat Captain

John Charles

This season was not as busy for the IRB drivers, due to the fact that the Club did not hold any carnivals at our beach. Having said that, the Club still hosted all the City of Port Augusta Super Series for the season, 13 in all, at whatever venue was chosen by the Boat Panel, as well as the State team trials, another 3 events so it kept me fairly busy. I would like to thank Derek Wix, Adrian Votino, Karyn Kelly, Adam Lyons and Siggie Giebel for their assistance with these events.

The Club was also involved in a much extended Patrol on the weekend immediately following the tragic shark attack in December off West Beach. The Police requested Surf Life Saving SA's assistance with extended water cover from the IRBs as well as the beach patrols to give a form of high visibility to the public. I would like to thank all those members who helped out with the IRB duties during this time as I was committed to the Jet Boat area for this weekend. Some members spent many hours in the boats carrying out this duty. We also had two callouts during the season.

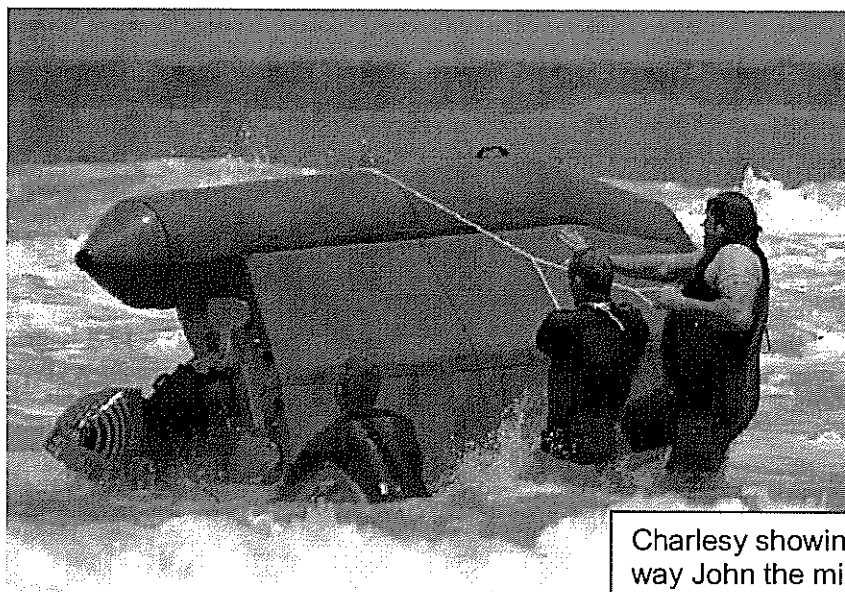

We had seven members gain their crew certificate, a good result for the Club. Congratulations to those members. We still need to get more members to do their IRB drivers and crew certificates, so please don't hold back, we

need your help. Thanks to Brigitte and Dave Richardson for their efforts in training these members.

IRB racing commenced again this season with limited crews competing. We got close to having a go, but delays with obtaining a 4 bladed propeller, one of the new standards, prohibited us from entering. We now have the necessary approved prop and are looking to next season to get back into the competition. It's all points for the Club. The Club applied through the SLSA Telstra gear grant for a new IRB and we were successful in gaining a new hull. More on this as the new season opens. We will have a launch of the new IRB to honour our commitment to Telstra. I would like to thank them on behalf of the Club for their generous assistance.

I would like to wish the incoming IRB Captain all the best for the coming season, I will not be standing again, as work commitments take me interstate every week, extending into weekends. I will however offer my full support and assistance to the incoming Captain where I can.

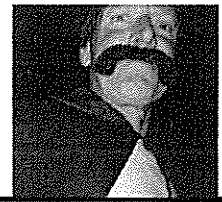

John Charles  
IRB Captain

Charlesy showing the way!! By the way John the milky bars are on you!!!

## Clubhouse Manager's Report

Martin Chilman

The season has come and gone before we seem to notice. This season we closed off what was the old Secretary's office and extended the Women's shower toilet area. It has provided much needed space in their area. The area that the Aquatics use to store their boards and equipment in the IRB area has been floor sealed to stop the water coming through the wall into the Male shower area. The BOM looked at putting in a concertina door system to close off the bar area for different functions, but proved too expensive at the time to proceed.

There are always many jobs to be completed around the Club. Mainly due to the environment we exist in, maintenance is an

ongoing problem. Over the next few years there are things that will need to be done to the Clubhouse to ensure its sustainability for the future, i.e. Septic waste, Hot Water system, electrical work, windows resealed, services across the footbridge maintained. The list goes on, it is a never ending problem for us and it requires a lot of our hard earned funds and time for a few to keep things operating. We have some big expenditure coming up so I think everyone should be prepared to help out whenever possible to reduce the cost factors.

All the best for the coming season.

One Wednesday in January 2005

**Michael Lohse**

When I returned to the Club in 2001, I realised there had been a change in the Club's culture during my absence. This change I felt was detrimental to the ability of the Club to provide a Junior Division able to facilitate the needs of its members, and allow them to maximise their personal potentials. It was apparent there had been a loss of perspective regarding our purpose of being which resulted in a 'going through the motions' attitude pervading through the Junior Division. The effects were a failure to maintain membership and poor results in carnivals. Boy how things have changed.

This season there was a change in attitude which had an enormous effect throughout the club. A new direction was adopted concerning the training of the children and the majority of the adults responsible for the training picked up the proverbial ball and ran with it. This saw a sense of purpose and direction develop amongst the adults, which was reflected in the attitude of the children. They seemed far happier and were willing to try harder to attain their personal best. Consequently we had the highest retention rate of existing members that anyone can remember and the results at State Titles were absolutely awesome to say the least.

To the many people who put in during the course of the season I wish to extend my personal thanks. Many accolades have been directed towards me about the results we achieved, but I am only one member of the large group of adults which is required to make it all happen, so I take this opportunity to pass these accolades on to you because each and everyone of you is deserving of them for the effort you put in.

During the course of the season I derived a great deal of personal satisfaction in seeing our children develop both as a group and as individuals far beyond my wildest expectations. To those children who achieved the success they were after, both in the area of competition and as people, I offer you my deepest and warmest congratulations – Well Done. To the Under 14s I wish you well in your futures. I have no doubts you will take the skills you have learned and apply them successfully in your lives.

To the parents of the children and other members of the Club, I would ask you to continue with your input into the development of our children. By assisting in the running of the Junior Division you will be facilitating this development of the group, which will in turn facilitate your own children's development by providing them with and enjoyable sporting and social environment. As a parent I feel you can derive no greater pleasure than assisting in providing your children and the children of your friends, with an environment in which they can learn the skills they need to develop into outstanding adults.

To me Surf Life Saving is not a sport but a lifestyle which is based on service to the public, sporting pleasure, the personal development of its members and having a really good time. It is far more than just competition, it is special, and I think we need to always maintain this perspective as we move forward into the coming seasons.

Again I would like to thank you all for your efforts which resulted in a really outstanding season.

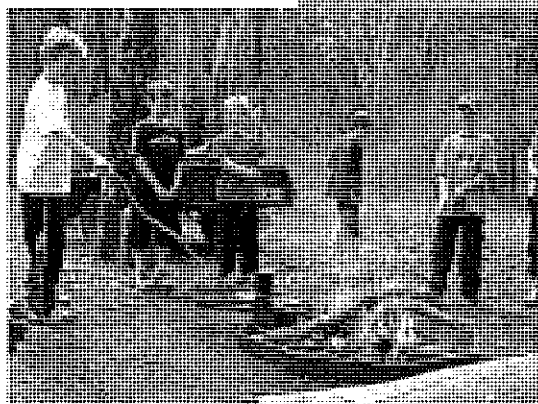

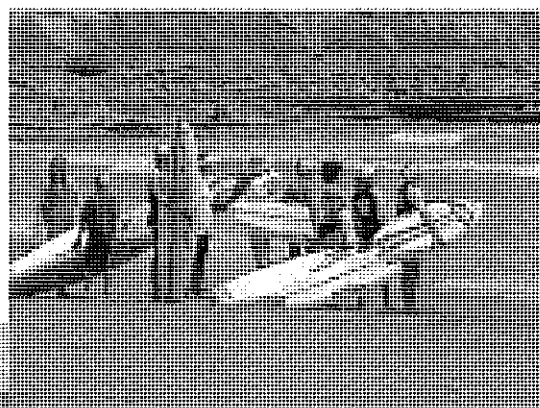

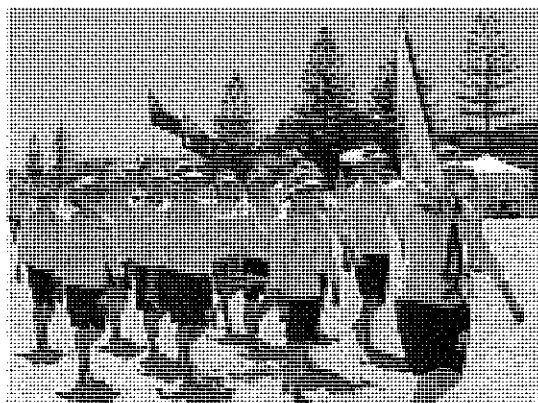

**Michael Lohse**

OFFICE FOR  
**RECREATION & SPORT**

Throughout this season, I've come into contact with many of you to express your concerns, successes, and views on all things related to South Port in the Board of Management meetings. It's been great to see the enthusiasm many of you have shown towards contributing to the evolution of our great club. During my time as the liaison officer, I've seen an extremely positive attitude from potential new members in joining our club, and attribute this to the image all members portray to the general public. I would also like to congratulate all competitors on their achievements during the competition season. With the closing of the 04/05 surf season I would like to take this opportunity to thank all of South Port's members for allowing me to represent you in our Board of Management. It's been a positive experience to assist in any way I can, and I encourage all members to continue to utilise the liaison officer in the future.

The Club's Most Outstanding Member for season 2004/05, Anita Johns. with husband Brian, Anita with the winner's shield, Matt Clohesy congratulating Chris Lowery for winning the Most Outstanding Competitor's Award and Matt with Emma Eastham, the winner of the Youth Development-General Member's Award

## Board and Ski Captain's Report

### Ski Captain's Report

This season was an interesting one as far as the ski scene went. There didn't seem to be many paddlers around compared to previous years. This quieter year does help the craft to age better as there was next to no repairs to be carried out.

With regard to competition, we saw a few young guns step onto the scene and make some promising debuts. Chris Lowery had a dabble with mixed results, while the big boo man himself (sshhh you might scare him) Dale Thompson came out and showed us why he's proceeding so well in the kayaks, and hopefully these two will add to the revival of what was once the strongest ski club in the State and almost the nation. The Masters, well what can you say? A few social paddlers throughout the year then, as always, they came in droves and did us proud. Thanks guys and any tips with starts, waves and so on I know would be greatly appreciated by the younger ones.

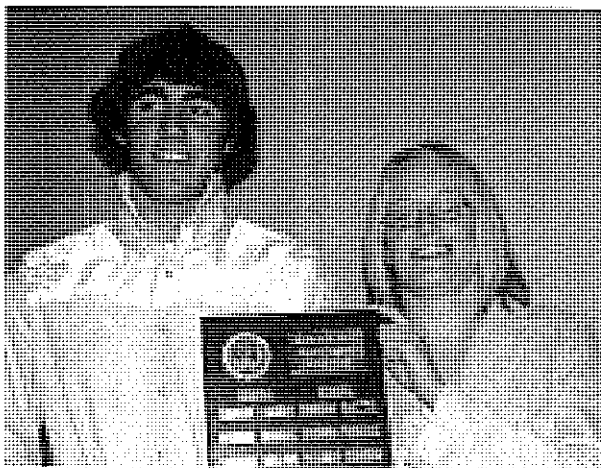

Hopefully this year can be built on next season and see if we can be on our way to the top again,

**Alex Botha**

### Board Captain's Report

Another season has come to a close and South Port has once again cemented the Club as one of the top board paddling teams in the state, thanks to the dedication of Jason McGaffin as coach and the tremendous effort put in by the squad in training and competing.

The team travelled to Victoria as well as Aussies and made lasting impressions on many people.

### Alex Botha and Steve Clohesy

These trips are vital to the squad as they can compare themselves to other clubs. There are also some memorable stories that come back from these trips and every time they're told they get better and better.

This season Chris Lowery was in a league of his own making the State team, winning medals at State's and also going up to Aussie's and having to defend his title as Australia's best board paddler in his age group. At everyone of these events there were people watching in ore of a 17 year old with the amount of speed on the water and the ability to handle anything that is dealt his way, whether it be a four hundred metre dead flat slog or an eight foot chomping wave. His skill is far greater than anyone else in this State or in Australia for his age. Congratulations on your achievements Chris.

South Port's board team has been a very close knit group for about the last four or so years now and I believe that with the new crew coming up and the Girls really showing they have what it takes, the board team at South Port is still looking as fresh as ever. Thanks to everyone who helped out with towing craft, holding towels or just supporting the team. It is much appreciated. An extra special thanks goes out to the little general Andy Higgs. Without you we wouldn't compete at all. The amount of time you put in behind the scenes is huge and we are very lucky to have someone like you in the club. Thanks heaps mate.

Congratulations to everyone who competed this season, good luck for the future seasons and we'll see you in the surf.

**Steve Clohesy**

## Shivering Shags Report

**Robert (One Line) Morgan**

The Shivering Shags were conceived in 1985 and up to 2003 had donated \$6,000 to the Club. Not bad for an off season activity. This past season the Shags have donated \$1,200 to the Club.

And so the Shivering Shags go on. Quote from the 92/93 Shags Annual Report by Mork

"It's 10 00am on a briskly cold winter Sunday. Great elephantine mass of flab and flesh herds from the South Port clubrooms and stampedes down towards the shore then along the waters edge heading south for the rivers mouth. A secret brutal game is played out on the pearly sands then onwards, surge the burly gents (brothers & sisters) into the polar brine in the true essence of this well rehearsed ritual. We are the legendary Shivering Shags. The brothers and sisters of this group are dedicated club members who believe in life, health and happiness. Though small in number, with

commitment, their efforts in revenue raising have resulted in a viable winter turnover for this club".

2004 was the Shivering Shags 20<sup>th</sup> Anniversary and it brought many of the original Shags out of hibernation. The 20th party was a hoot. Awards covering all kinds of special Shags skills were given out in recognition of commitment to being a Shivering Shag. Mork provided an insight into the life of a Shag and regaled us with stories of years gone by. Night became day and some Shags showed strong resolve to front up for a traditional Sunday morning ritual.

The end of season trip took us to Goolwa and full of song. Who'd have thought that the Shags would still be going as strong today as in the past. Our special brand of mateship, humour and fundraising endures.

### The 2004 Committee:

**Patron Shag,** Dennis (Congo) Ferrett  
**Head Shag,** John (Schmidt) Smith  
**Scribe Shag,** Robert (One Line) Morgan  
**Heavy Shag,** Janet (Yeti) Puplett  
**Tower Shags,** Dave (Randy) Randle /Kevin (Stubbs) Clohesy

Gary "Emu" Eastham, Life Member  
of the Club and Life member of  
The Shivering Shags

### Men's March Past

Another successful season and while not achieving the ultimate goal the Club had two teams compete at all competitions this season including State and National titles.

The traditional men's team won its 21<sup>st</sup> State title and in so doing created history with sixteen of these being consecutive (it made the 21<sup>st</sup> consecutive State title with Bob Mayo as coach). The Ladies team was placed third at the State titles having its preparation interrupted by the sudden illness of its coach, Andy Higgs, which required others to fill the breach, most particularly Craig Whitmee with some specialized sessions being provided by Bob Mayo.

Both teams competed prominently at the Australian titles with the men's team being a clear winner in the Friday elimination competition and the Ladies team placed ninth. Unfortunately on the day that it counts most, the men's team finished one deduction away from its seventh gold medal and whilst so close only achieved a fifth placing. The Ladies team continued its improvement and was placed seventh.

### Ladies March Past

The Ladies March Past team started the season off with renewed enthusiasm with our new Coach Andy Higgs. We started off well until; once again the team had a few hurdles to jump over, with finding new members for the team and unfortunately with Andy falling ill this left a huge gap to fill, that was until Craig Whitmee unselfishly stepped to the fore front and without hesitation he took the challenge of the women, which is by no means an easy task especially being 13 independent personalities and 13 different cycles in the team.

Throughout the season we fared well in competition and moved forward with each score card. With the help from Bob Mayo with what were well needed enlightening sessions to bring together the final missing pieces. Thanks also to the Men's March Past Team, especially Frank

I was again successful in receiving support for the men's march past team and expressed my appreciation to the following sponsors: Adelaide Insulation, Fleurieu Property Services and Energy Busters.

Bob Mayo contributed to the cost of new competition uniforms for the men's team.

Whilst I initially resisted it was most pleasing and well appreciated by the men's team to have Robert Perry associated with the team in addition to his most generous sponsorship. Robert, whilst pursuing his endeavour to become an active team member, also assisted greatly in assisting the coach.

Again I express my appreciation on behalf of the team to the following: Frankie Drake, Captain Harris and Pat, Brian Dixon, and Coach Bob Mayo, who was also honoured with the Australian Surf Life Saving 50 year Service Award.

We look forward to South Port featuring prominently at the World and Australian Championships in 2006.

### John Hall

Drake, Greg Higgs and Terry Smallwood for their continued support.

We would have to say that the States results were disappointing and disheartening coming third, however doing what was needed and having a few Champas, we took this on board and realigned our focus to have Kurrawa insight.

The Queensland results were surprising as secretly were where hoping to better last year's result, however due to the great competition that came out this year, we came away with a happy 7<sup>th</sup> in Australia, all in all we left Queensland with filled hearts ready to back it up again next year.

Thank you to our sponsor's – Rinnai Australia Pty Ltd, Toro and M & S Campbell Plumbing & Gas
