## President's Report

---

John Devitt

Another season has come to a close it's time to reflect on things that transpired during the year. We can report that "No lives lost on our beach while we patrolled". There were a number of rescues performed and many first aid cases attended to. Thanks must go to our patrolling members once again for a job well performed. The popularity of our beach is increasing and no doubt our patrols will continue to play their role on the beach. While thanking these members we must be mindful of the many members of our club that are involved in the Jet Boat, Jet Ski and Helicopter rescue services provided by SLSSA. These members also perform their Club their Club patrolling obligations.

This season our membership decreased slightly over last season which is disappointing and is something that collectively we need to work on, our sustainability is so dependent on increasing our membership. A few years ago Olly initiated a "Bring a mate" campaign that proved to be very successful, maybe this should be implemented in the coming season. It was interesting as a member of the Surf Sports Standing Committee to witness the selection for the venue for the Senior State titles, the Club had not put in an expression of interest to host the event, in fact we rarely do, but to a member of that committee it was a unanimous decision that we have the best venue to conduct the Senior States and duly asked to do so, and we accepted. Once again the surf was up and the conditions perfect and I take this opportunity to thank all our members that took on a role in the conduct of these titles, we received many glowing reports from Officials on the overall conduct of the event.

I would like to thank Ian Boys and Tony McKenzie for their tireless work and efforts throughout the season. Ian also picked up the bottles and cans from the Coast View Motel on a regular basis and it netted quite a deal of money. I wish Karyn Kelly all the best for the coming season as the new Junior Chairperson, Karyn will need all of our support and help to keep the momentum going within the junior ranks. There are several initiatives being mooted by the Youth Development panel at a state level that we need to address and keep up with.

There are many members that I would like to express my appreciation to for their efforts throughout the season, Anita Johns, Shamyn Campbell, award training and the conduct of the proficiency's for all patrolling members, March Past and R & R training and competing, just a quiet season really. Drew Bedford our Club Captain for his efforts this season made especially difficult with his employment taking him to Roxby Downs on a rotating shift basis. Drew was always there when needed managing the patrols and IRB commitments, I thank Adrian Votino and Bernie Tanner because they were always on hand when asked. Vonnies Olesinski again this season did an outstanding job in the canteen, besides the hours Von puts in, in the canteen there are many hours spent shopping for bargains. To the Board of Management of South Port my sincere thanks for your work throughout the year, I'm not sure if people really know the workload that is taken on when getting involved in the management of the Club.

The Mid Coast Group of clubs continues to function as a working entity and makes dealing with the City of Onkaparinga a lot easier as they prefer to work through this group. This season the Mid Coast Group has again provided \$5000 to go towards IRB equipment and this season it was our turn. This is done on a draw basis and we were third on the list. Next season the group is looking to change the format of the Nipperthon and involve only the Mid Coast Clubs, and running a team type event for senior competitors as well alongside the junior event. We will need the input of the groups Sports Managers to facilitate this event. The hosting of this event will be to South Port, Port Noarlunga and Christies due to the crowds and vehicle situation at Aldinga and Moana. Another initiative from the group is the support and sponsorship from the Seaford Central Shopping centre, organised by Dick Olesinski through his association with Brian Wadham the centre GM. The centre pays for the monthly page for the Mid Coast clubs in the Southern Times for the summer season.

## President's Report

John Devitt

The Club is indebted to our sponsors that support us financially, and we would like to thank, in no particular order, Coopers, Mobil, Colonnades Tavern, (Kingsley Smith) Seaford Central, Coast View Motor Inn, South Port Shivering Shags, Seychell Constructions, Idea01, (Zee & Anita Johns) Southern Powder Coaters, (Spider and Carol Webster) Topline Promotions, Sign Centre, (Lee Cooper) GHK Motors, (Siggi Glebel) Duckrepairs, (Drew Bedford), Daniel Schroeder, Fred & Vicki Blatchford, Surf Life Saving SA, Kahini Investments, City Of Onkaparinga, M & S Campbell and Gas, (Muncha and Shaz Campbell) Woodpend Hardware, and of course the national and state sponsors, DHL, Woodside Petroleum, Telstra, Westpac, Adelaide Shores, Anderson Solicitors and Sports Centre.

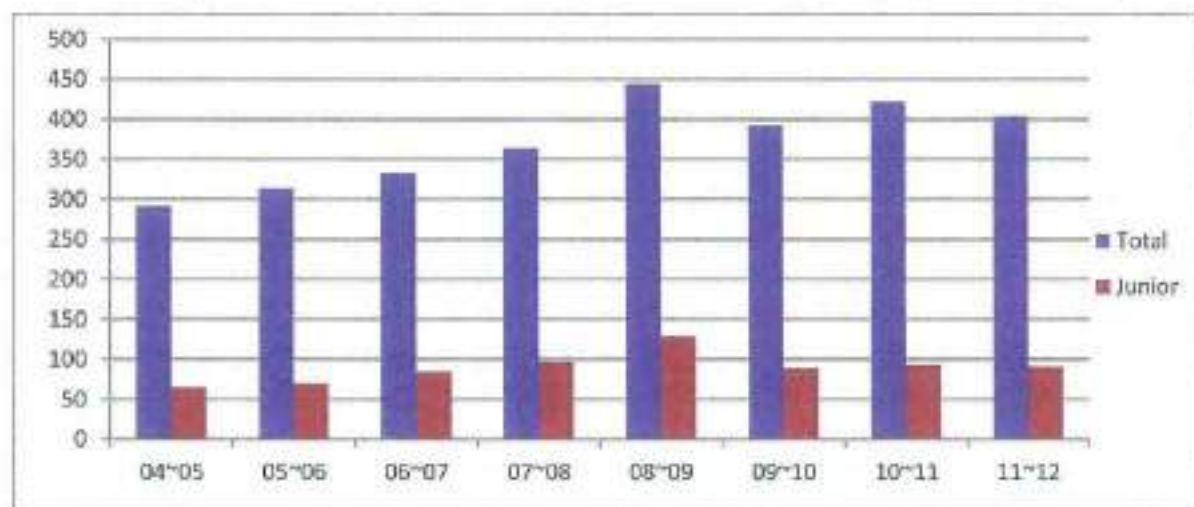

## Secretary's Report

John "Schmidt" Smith

### Membership

This season, our total membership showed a 3.8% decrease from 421 of the previous season to 405. The numbers in the junior area were maintained. The graph below shows membership over the last 8 years.

### Communication

Our weekly email newsletter has continued as has the Club website at [southportslsc.org.au](http://southportslsc.org.au).

South Port has a number of Facebook pages. South Port SLSC with 231 members, South Port Nippers with 42 members and South Ports development group with 43 members. This has greatly increased the communication among the younger members in the Club.

These outlets depend on contributions from you so it is essential that news, upcoming dates, training sessions, celebrations of success are conveyed to the Secretary so he can include them each week. It is also important that members regularly check their emails to keep up with what is happening.

If you change addresses or email addresses, don't just tell someone down the Club – let the Secretary know!!!

### Competition

I must congratulate the total Club for the manner in which South Port conducted the State titles on our beach. With the surf conditions being good all week end, the Titles were memorable. The Club function on Sunday night of the titles was a great night when the Club got together to celebrate our athletes efforts and the club's overall success.

I must again congratulate Ray Burnett our Surf Sports Manager the way in which he has organised our teams this year; South Port finished 4th in the Senior State Titles behind Grange. As team manager of our touring team to Kurrawa I must commend the team for the manner in which they competed and behaved.

## Secretary's Report

---

**John "Schmidt" Smith**

Congratulations to Jake McKenzie for his Silver medal, Salomae Haselgrove and Shani Copley for their Bronze Medals and to the 240 Men's Boat crew on their Masters Silver Medal. Well done to all who competed under the conditions at Kurrawa and Kirra. Thanks also to the Copley family for towing up the Board & Ski trailer and to Devo & Andy Higgs who joined me in towing the boat. To finish 37<sup>th</sup> in Australia at these Championships with over 200 teams competing was an excellent effort. SA TEAM POINTS AT AUSSIES Grange 41 25th, South Port 23 37th, Brighton 22 38th, Glenelg 21 39th, West Beach 19, Moana 9, Semaphore 5, Port Noarlunga 3, Somerton 2 (Southport QLD 5)

### Rescues

With another 19 rescues this season, our total numbers of rescues exceeds 800 and this is an average of 16 rescues per year. This is truly an outstanding record. The patrol statistics detailed later in this report show how busy our members have been again this season. Well done to all our Patrols.

### South Port is a 12 months of the year club

Once surf lifesaving was a summer activity and the club saw no action from April to October. Now during the winter there are Friday night sippers (Make the Club your Pub), Footy on the big screen throughout the weekend, board training, IRB training and competition, the Shags and functions such as the Sea & Vines at South Port, the AFL finals culminating in the Grand Final Day and the Anzac Day celebrations. I must give credit to Steve Clohesy, Laura (Loggy) Greer and Steph Baggalley for their efforts to get members down the Club during the winter. Well done Guys, you certainly liven up the place. With Shags having a membership of over 40 including a goodly number of Nipper parents, Sunday morning is a busy time.

### A tribute to the hard workers of South Port

I must again congratulate all Club members who were involved in patrolling, competing, coaching, working with the Juniors, helping with gear, working in the Canteen and behind the bar, cooking the weekly bar-b-que, helping with touring teams, cleaning the club, working on the club etc.

I must mention a number of members for the work they have put in over the Season.

- Vonnie Olesinski for yet another year's service in the Canteen and our Bar Manager Graham Joyce for his work in the bar.
- Adrian Volino, Ian Boys, Bernie Tanner for all the work they do for the Club.
- Shaz Campbell, Anita Johns and Janet Puplett for their ongoing instruction – 19 Bronzies through this year, making 42 in the last 2 years.
- Andy Higgs for running the Long Swim and the Club Weekly swim.
- The Junior Committee and age group leaders – well done to you all.

**WELL DONE TO THE WHOLE CLUB FOR SUCH A HARMONIOUS, SUCCESSFUL AND ENJOYABLE SEASON - ROLL ON 2012/13**

Hon Secretary

## Treasurer's Report

Don "Bristles" Alexander

### Income Statement

The financial year finished with very similar result to the previous year in spite of some rather large increases in some areas of our expenditure. Over the past five years our electricity bill has risen from \$3,300 to just over \$9,000 for a full year. Water costs have also risen dramatically not only for regular use but this year due to a broken line we received an invoice for over \$6,300. We have been allowed a 50% reduction but when you consider that last year our payments for water amounted to \$772, you can see that water and electricity are now a major drain on our finances. While membership income improved over last year, over the last five years our fees have increased by approximately 35%, nowhere near enough to cover our costs. Which makes us extremely dependant on the income from trading particularly the bar and canteen.

Thanks to Graham Joyce and all others who helped him from time to time behind the bar and to Vonnie Olesinski for her great contributions once again in the canteen. Unfortunately Anita John's efforts in the clothing area didn't allow a profitable year; she is not alone in that; the Club has not been able to turn this into an overall profit for the past fifteen years. Along the way there have been some wins but in the main we run at a loss, in fact the cumulative loss over that time has been over \$7,000. Clearly the time has come to take a new approach and I'll leave that up to the new committee to help arrive at a solution.

### Grants

The Club generally is dependent on Grants and this year is no exception. The City of Onkaparinga continues to support our Club and the other surf clubs in their council zone through the Mid Coast Surf Lifesaving Clubs Group. SLSSA passed on \$10,000 through their listed company Kahini Pty Ltd (for those unfamiliar with Kahini it is the SLSSA Trust Fund). SLSSA paid a distribution to all Clubs \$4,000.

City of Onkaparinga	\$11,484
SLSSA Trust Fund	\$10,000
SLSSA	\$4,000

The Aquatics continues to provide a valuable source of funds for the use of the Club to conduct the training and education of school pupils throughout Adelaide.

There are also a number of current members, who either make donations or arrange for sponsorships from business that they are associated with, that make a big difference to our revenue, many thanks for the support.

It should be noted that the Shivering Shags contributed \$2,500 this year for Club improvements and we hope that the new Patron can continue or better this.

A special thanks to Laura Greer and her group for organising many fundraising events throughout the year that were well supported by the members. Laura is starting to turn Fundraising into a serious contributor to our funding and efforts are much appreciated.

## Captain's Report

Andrew Bedford

Well another season run and won. It seems like only yesterday we were doing proficiencies and formatting the 10<sup>th</sup> draft of the patrol roster.

South Port has had another successful season on the beach culminating in the running of the SLSSA State Titles.

During the season South Port members performed 19 rescues, 594 preventative actions and 84 first aid cases. Thanks must go to all our patrol captains and to my vice-captain, Shani Copley, for all their help through the season. Thanks to all who assisted with the radio room roster this season, I'm sure the club radio officer appreciated your help.

What can I say about Bernie Tanner & Adrian Volino that has not been said, they seemed to be everywhere and just doing anything they could to help.

Thanks must also go to our Chief Instructor and her team of helpers without whom proficiencies could not be competed and new awards could not be gained. It's a tough gig and the more help we can all give in this area the better the club will be.

Thanks to the committee for their support throughout the season.

My report is not a long one, it doesn't have to be everything we do at the club is towards that one goal of making sure South Port is the safest place in SA to swim and surf, all our members contribute to this whether its cooking the barbecue on a Saturday, training a group of nippers, patrolling the beach. Everyone contributes what they can when they can, it doesn't have to be a lot, the hour you spend cooking that barbecue is an hour someone else can spend patrolling the beach or training nippers (who knew cooking a barbeque could save a life).

In closing, thanks to my girls – Mandi, Kiara, Natasha & Kristi for putting up with the meetings, data entry and fun administration stuff that the club captains role entails.

See you all on the beach.

Andrew Bedford.

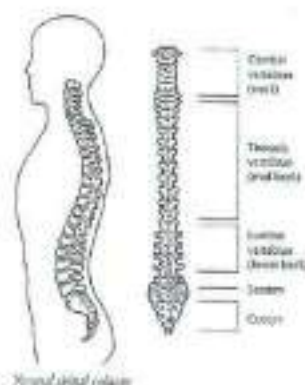

## Senior Chief Instructor's Report

Sharryn Campbell

Once again the new season started with an Advance Resuscitation Course where we had 5 members go through. We had in total 18 Bronze for the Season this was done in three groups. Thanks to Janet Puplett, Dean and Liz Colgate for taking through a group of mature candidates.

A Group of 5 in the Spinal Course proved interesting as after organising the Course and work books, this group was put through with the new Spinal Pilot Course – 4 candidates have gone through with one to organise RPL. Andrew, Adrian and Bernie, pottered along with putting candidates through for their IRB Crew and Drivers, so thanks goes to these small band of men whose work with IRB's is tireless.

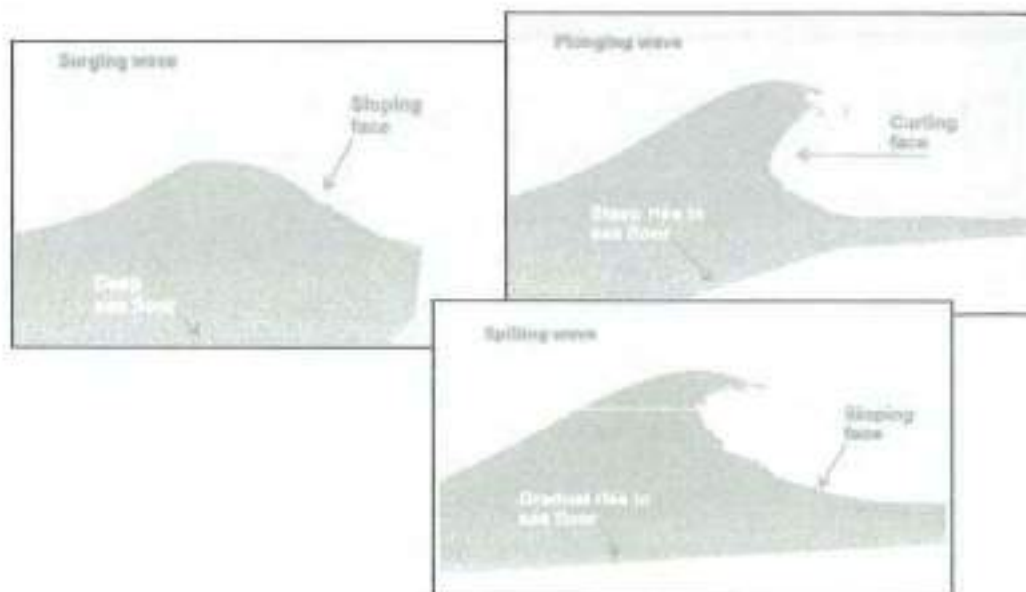

A Senior First Aid Course was organised and held at the club which made it easier for members. This was run by Gareth from State Centre. Anita had the job of organising the under 14 Qualie's and one Bronze member. A two day course was run during the school holidays, with Lyndon helping with the water component.

This year too, the proficiencies were run with the help of the assessors we have at the club and with all the feed-back, it worked extremely well, which will continue for seasons to come.

Anita Johns

## Surf Sport Manager's Report

Ray Burnett

Following up on last year's report, I have reviewed the points made then as per below.

- We haven't been able to maintain a level of excellence in all areas of competition due to the size of our club with the personnel willing to be involved. In order to move forward in some areas we will need help from people not currently involved.
- There has been a slight improvement in the lines of communication between the different areas of competition within the club but this still has a long way to go.
- In the areas we really specialised in, we generally excelled. A great example is the dominance shown by our water competitors at home during State Titles. This dominance in the water came at a cost. There were not enough coaching resources to also run a beach programme through the year resulting in a significant loss of points from this area.
- Much more time has been spent coaching I.L.S. pool competition at Seaford Pool sessions and is now just another part of that programme. This should really be introduced seriously at a junior level.
- Young coaches were mentioned also. Shaun, Alex, Brendan and Lauren in particular helped share the load. Thank you to those guys. They are the future.
- The junior area will need more coaching assistance this season.
- The craft area has been upgraded and the board area will be completed soon.
- As promised, there has been a season review completed. This document is before the Board of Management and will be attached to the newsletter in due course.

### Some observations from the season

- What a fantastic job the Club did in hosting State Titles.
- The Open Taplin Team Gold medal for the first time in the Club's history. In the order of events. Board paddlers Shaun Burnett and Brendan Dykes. Swimmers Jake and Tom McKenzie. Ski paddlers Zac Ryan and Alex Botha. 'AWESOME'.
- Gold Medals in the following 'Blue Ribbon' events as well as the Taplin. Open Male Board Rescue, Lifesaver Relay, Open Male Swim Team, Open Male Board Relay, Open Women Ski Relay, Open Belt Swim, Open Women Surf Boat, Open Male Surf Race, Under 19 Women Taplin, Under 19 Male Taplin and Under 17 Male Taplin. We won all Taplins except for the Open Women who got a Bronze.
- As mentioned above we won the Lifesaver Relay again led out by our Open Male Boat Crew who gave us a lead we never lost.
- Jake McKenzie, Shani Copley and Salomae Haselgrove all won Silver Medals at the Nationals. The Master's 240+ boat crew Silver Medal; that is also a great feat. Well done all.
- Esther Dudley, Brendan Dykes and Lauren Etheridge for their Silver Medal at the National IRB Championships. This was for the Open Tube Rescue and was a fantastic effort. The competition at this level is extreme.

Once again thanks to all involved and apologies to those not mentioned. There are just too many of you who deserve it.

Ray.

### SENIOR RESCUE AND RESUSITATION

The R & R States were held at Port Elliot in March – The Weather was freezing. At one stage South Port had the only tent on the beach.

The 5 Person Ladies team performed exceptionally well, especially in such harsh conditions. We came a convincing 1<sup>st</sup> once again.

We were unable to put in an under 19 team this year, we only needed one more.

Ladies Team: Ella McMahon, Anita Johns, Gina Mills, Sal Hazelgrove, Shani Copley. 6 Person Team as above including Chris Goldy.

The 6 person team event was held at Senior States. A disappointing result, we didn't medal.

With too many distractions on the day due to the Carnival being at South Port and members competing in other events.

The 6 person team is always hard to train for as it is a draw for positions, Anita did fantastic, two years in a row she pulled out Reel Man. She got the beltman and swimmer in second to the beach against the men. Go Girl.

Thanks to Chris Goldy, our only man (we are in the search for more) to put extra teams in next year.

*I am in talks with other clubs at the moment to try and organise a workshop for Competitors and Officials so that learning can be done at the same time, this is to try and resolve the interpretation of the rule being so open ended.*

## Surf Boat Report

Jason McGaffin

This year was an extremely busy season with plenty of success for our crews. We only had two crews compete interstate; their results still show South Port boat crews can mix it with the best in the country. The Navy Series was once again on the calendar this year providing our crews with good quality competition and the opportunity to gain assistance to travel interstate.

### Crews:

**The Shooters:** Lisa Biggs, Lauren Priest, Kate Liersch, Kate Krzys, Don Alexander (sweep)

This crew performed extremely well all season, firstly taking out the Navy series points which had the girls selected as the state team women's boat crew yet again. This year the selected state team boat crew competed at the ASRL in Wollongong with the girls obtaining a 3<sup>rd</sup> place overall over 3 races. The girls then competed in the ASRL open making it to the last 16 boats (quarter finals), the crew then moved its attention onto the Coopers classic where they made it to the final 8 crew overall before winning the sweep oar in the female final

After placing second last year at state titles the girls were on a mission this year and after a very close fight with Glenelg they were able to get the upper hand and take the gold medal in the final. The girls then moved their attention to the Aussies where once again they proved themselves against the best in the country by making it to the final 10 crews in Australia (semi-finals) for the second year in a row. The girls should be congratulated on a fantastic year. Credit must be given to Don Alexander for getting them up when they needed to at the pointy end of the season as always.

**The Supa-Nova:** Gina Mills, Samantha Leatherbarrow, Alberta O'Leary, Katherine Clohasy, Brian Johns (sweep)

This crew came together this year and had some great success considering the short amount of time they had been rowing together. They were more than competitive in the Navy series, often pushing the top crews. The crew then competed in the Cooper Classic making the girls final. After this the girls came to state titles full of confidence and after rowing well all day to make the final, they left their best race for last to finish 3<sup>rd</sup> in the final. The girls are rowing again this season together and I am sure they will only get better.

**The Sprocket's:** Donna Boal, Sarah Lane, Steph Baggalley, Laura Greer, Adam Parkinson (sweep)

Adam took over full duties this year both coaching the girls and sweeping them at carnivals. For the 3<sup>rd</sup> year running the girls were able to make the state open girls final which is a great achievement. I am sure next year with another year of rowing under their belt they will be pushing for a medal.

I would like to take this opportunity to make special mention for the first time not only in South Port's history but in the State's history, we had 3 girls in the State Open final, a fantastic result for the club and the crews with two of the crews winning medals and the third crew not far behind at all. Well done girls!

## Surf Boat Report

Jason McGaffin

**The Snipers:** Angus Bock, Lee Roberson, Keith Mills, Jason McGaffin, Chris Foord (sweep)

Once again we started a little later than most crews, as per our last couple of years we built up our training towards the pointy end of season. We had a new member, Keith who joined the crew this year from Aldinga. The Snipers made it down to the final 4 boats again at the Cooper Classic coming 2<sup>nd</sup> in the Classic final than backing it up to place 1<sup>st</sup> in the plate final winning a wooden sweep oar for the club. The boys competed in the life saver relay on the Saturday at state titles, winning a gold medal with the board and ski team. On Sunday the boys competed in the open men's making it to the semi-finals before being a little unlucky with the surf bringing crews from behind pipping them on the line.

**The Snappers:** Adam Lyons, Chris Lowery, Tom Drought, Gavin Cragg, Jeff Hegarty (sweep)

The boys started of the season very well in the Navy Series competing in the Open Men's. The boys were not able to row the whole season out but hopefully they will compete again next year having enjoyed themselves (especially at Robe).

### Masters State titles:

**120 Women:** Lisa Biggs, Sarah Lane, Kate Liersch, Alberta O'Leary, Jeff Hegarty (sweep)

**140 Men:** Lee Roberson, Jason McGaffin, Keith Mills, Jeff Hegarty, Chris Foord (sweep)

**160 Women:** Karyn Kelly, Penny McKenzie, Gina Mills, Bridgette Richardson, Jeff Hegarty (sweep)

**240 Men:** Chris Foord, Mark Webster, Richard Olesinski, Norm Churchman, Jeff Hegarty (sweep)

A fantastic effort by the boat crews at Master states, 5 crews were entered with 4 of them winning gold, the only thing that stopped the 180 Men (Orthotics) was the fact they broke an oar just after the start which ended their race prematurely.

A special mention must be made of the 240 men, after winning the state title again they went up to the Australian master titles full of confidence, once again they made the final in trying conditions before coming 2<sup>nd</sup> in the final. A great effort for the boys, who are hoping to go one better at this year's World Titles.

I would like to take this time to thank everybody who has helped me this year especially during the season when I did not have a lot of time. A special thank you must go to John Devitt, Don Alexander and Adam Parkinson who did a lot of work to the boats to allow all crews had the best equipment possible. The boat section definitely needs to work on recruiting more junior rowers in the next couple of years to ensure the continued success of the club in upcoming years.

I look forward to seeing everybody row again next year and hopefully a few new crews!

## March Past Report

Anita Johns

Well to say that this season was full of ups and downs (unfortunately more downs) would be an understatement!!!!

Once again, we found it hard to hold on to the Bronze Medal team from the previous year, and saw 3 team members leave to pursue other areas around the club. So with that, came the task of trying to recruit new members and to start the season where we left off, with a medal win at Aussies and full of confidence.

Early on in the season clubs got word from State Centre that March Past was to be held at Junior Carnivals as there were a shortage of judges at senior level and never enough teams on the beach to warrant other events being held-up. There were a few problems along the way (boy, never enough car-parks) but on a whole, it was good to be a role model to the junior teams. After only our second carnival though we lost Vonnie and had no reserve, so I had to step down as coaching and marching, allowing Bob Mayo and Andy Higgs to step in as joint coaches and help the team out. A big thank you to those two gentlemen.

Then after State Titles we lost Kath (due to her ever-growing belly) and had to call on Shani for Aussies, but wait.....one week later Tracey did her ankle, really did her ankle.....moon boot and crutches. Along comes Steven to save the day, another new comer for Aussies. Then the tragic news that Gina and Brigitte lost their mum 2 days before leaving for the Championships, so in steps Vonnie and Penny.

I think you get the idea. There were only two positions that weren't changed in the team those of the front handles, Greg and Frank.

All in all, through all our adversities I would like to thank the team and the stand in coaches for all their dedication and hard work. Unfortunately, we could only manage a Bronze at States (the first non-gold medal for 21 years I think), and 11<sup>th</sup> at the Australian Championships.

Once again thank you to all those who helped the team out, without you we couldn't have overcome all that we did.

Looking forward to next season, one I hope with a lot more stability.

Anita Johns

## Junior Chairperson's Report

Ian Boys

Season 2011/12 was the best season that I have been involved in with the Nippers, and I can only put that down to one thing which is the people that I have had around me to get things done. We had a new committee with people that were willing to go the extra mile, to do things that little bit better and to do the job they had volunteered for. When the committee runs smoothly everything else will fall into place and that's what happened this season. The season got off to a start early in May with the Nippers turn to do the Christies Beach Markets BBQ on a cold and rainy day. Thanks to the Jenny, Rachel, Tony McKenzie, the Joyce's, the Goldy's, Craig Smith and Adrian Votino for your help. An early resignation from our coaching group made way for Lauren Etheridge to take on the position of Board Coach again, with help from Tony, Steve Clohesy and myself while she went on holidays. The Nippers also received sponsorship from Seychell Constructions and the Solar Depot which bought us 5 new competition Nipper Boards. Bakers Delight at Colonnades, thanks to Shani Copley, came on board to supply us with bread each week for the Junior BBQ which made a healthy profit this year. Costa Vista Restaurant was again terrific, thanks to Dawn and Colin.

We decided to have a pre-season get together at Kuiplo Forest, with 49 junior parents and Nippers attending on a perfect sunny day. Everyone had a great time and hopefully another one can be organised for next season.

When the season finally came around we averaged 60+ Nippers each week and had good results from our Come n Try Days with new families joining up and there were still people wanting to join late in the season.

## Junior Chairperson's Report

Ian Boys

### *People to thank this season include*

- **Tony McKenzie** our Head Coach, who did an amazing job again this season. Tony always gave more than 100% in this role to make the season run so smooth and help the Nippers develop their skills.
- **Lauren Etheridge** our Board Coach who yet again pushed the Nippers to their full potential and had the total support and respect from the kids. Lauren you're a gem!
- **Karyn Kelly** is one person taking on too many roles again but continues to amaze us just how she does it. Swim Coach, Competition Officer, Apparel and March Past Coach, you deserve a rest!
- **Jenny Boys and Michelle Copley** for doing the administration side of things on the committee. You both did an amazing job again, a lot of it behind the scenes and very time consuming. Thank you both so much for your efforts, you will be hard to replace.
- **Graham Joyce** as your role as Parent Liaison Officer. This was his first season in this role and hope he will continue this position. Always approachable and welcoming.
- **Amanda Cushing** took on one of the hardest and time consuming positions on the committee, but did an incredible job. Coming up with new and exciting ways to raise money and to promote the Club isn't easy but Amanda managed to do it very well. The whole Club is grateful for all of your efforts this season. Thank you.
- **Anita Johns and Sharryn Campbell** for your dedication towards this group in training and developing
- **Adrian Votino** for taking on the position of Gear Steward. Making sure all of the gear gets down to carnivals in one piece, setting up tents, reloading the trailer and getting it all back again, cleaned and ready to go again is a mammoth and sometimes arduous job. We all thank you for your efforts
- **Taylah Eastwood and Jordan Cushing** our Club Captains for this season. Both of you have shown leadership and helped out around the Club. Taylah is also to be congratulated for her Gold medal in Champion Lifesaver and making the State Development Team along with Tiffany Copley.
- **Deb Sinclair** our AGM Rep, and Age Group Manager and organised the BBQ order each week. Thanks for all of your efforts.
- **Andrew "Bear" Goldy** for taking photos of the Nippers at all of the Carnivals, training days and State Titles.
- **Lyndon Mills, Carla Begg, Andrew Bedford, Mark Cakebread, Tony and Adrian.** Our Officials that were on the beach for Carnivals. Without you giving up your time the Nippers can't compete so we thank you all.
- **Dave Stagg, Bernie Tanner, Lyndon, Steve Jaggard, Wal, Zee, Steve Kille and others** for providing water-cover each week and at carnivals.

## Junior Chairperson's Report

---

Ian Boys

- **Jeanette Goldy** for taking care of the March Past uniforms
- **Pete McCurrach and Paul Zeitz** were our regular BBQ Cooks amongst others, but were always there to lend a hand to help feed the young Nippers and parents each Saturday.
- **Devo, Bristles, Schmidt and Andy.** Thanks to you all for your support and tireless work in helping the Junior Division get through another successful season. The amount of "behind the scenes" work that is done by you all is amazing!! The Nippers appreciate everything that you have done for them including building the new gear trailer.

I must thank is the **Nippers** and the **Parents** who show up each week to trainings and carnivals. Some of you have made huge improvements in your skills, while others come down for a more social thing. Nippers provide the perfect environment for families to enjoy the beach and learn valuable life skills, meet new people and develop lifelong friendships. I can't think of a better place to be than South Port. I encourage you all if you think you have something to offer in the Junior Development please get on board and help out. I have had a great time being involved with the Nippers and hope to see you all on the beach next season.

Laura Greer

Well it's been a very busy and fast year,

We received quite a few mentions in the local rag 'The Southern Times Messenger' at the start of the 2011-2012 season including articles:

- 'Juniors hit the surf' featuring Taylah, Ben, Jack, Emily, Tiffany and Talon,
- 'Green Aid grant – surfing energy wave', featuring Stephanie Baggailey,
- 'Young Guns Lead Way – South Port Juniors to lead 2011-12 charge' featuring South Port Nippers Kiara, Natasha & Kristi Bedford,
- 'Our Coastline – Run into adventure' Owen, Holly, Sydney, Megan and Che,
- 'Warning on River Mouth Danger' featuring Club Captain Andrew Bedford,
- 'Rowing to Gold' featuring the South Port Shooters,
- 'South Port Makes Waves – Surf clubs gear up for carnival' featuring South Port Sprockets,
- 'Southern crews in good form' featuring South Port SLSC.

We'd like to thank Seaford central for their support with the surf safety & beach news articles that we put in monthly. This allows us to keep the community up to date with what's been happening at not only our surf club, but the whole med coast. Great write ups and fantastic exposure for our club!

Of course we once again had the weekly e-news. This is always a significant way of keeping members and supporters up to date with everything that's happening in the club. Thanks John 'Schmidt' Smith for another year of organising this. As well as the e-news the club's website [www.southportslsc.org.au](http://www.southportslsc.org.au) also continued to be another means to promoting the club; a great way for past and present members who are living interstate or overseas to get the latest news on the club. Look forward to this medium being updated in the near future.

Great exposure again through Michael Keelan's weekly radio show, with surf reports and updates on what's happening at South Port are aired.

The South Port Annual Art Show held on the last weekend in November was another success with a focus this year on Photography by Roger 'Lumpy' Foster and acrylic by Vonnice Olesinski. Thanks to donated wines from McLaren Vale III Associates, Olivers Taranga, Leconfield Wines and Haselgrove Wines,

South Port also held two very successful events at the club in early 2012, the South Port Coopers Classic Rowing Carnival on Feb 19<sup>th</sup> and State Titles on the March long weekend. Both these events were run extremely well and raised excellent funds for the club. A huge thank you to all involved in the setting up, running and packing up of both of these events because without your help these events would not be possible.

South Port Surf Club was lucky enough to have a major project sponsor the club late in the season this year. We recently partnered with Seaford Rail Extension project joint venture contractors, Thiess and McConnell Dowell in extending essential surf lifesaving programs at South Port beach. The partnership involved Thiess and McConnell Dowell and contractors contributing to purchase a new inflatable rescue boat (IRB) for South Port SLSC. The essential rescue craft will leave a longstanding legacy of Thiess and McConnell Dowell's involvement in the Seaford Rail Extension project and the club is sincerely thankful for their support. The new IRB will enable services to be expanded and allow visitors to enjoy the beach environment knowing that their safety and wellbeing is being catered for. The craft will also provide the South Port SLSC with specifically designed equipment allowing and immediate response to search and rescue actions outside of voluntary patrol hours with police callouts and emergency situations. The Thiess and McConnell Dowell IRB was recently officially presented to South Port Club Vice President, Brian 'Zee' Johns by Eric Richard, Project Director and Todd Cook, Delivery Manager at a function held onsite at the Seaford Rail Extension Project. Below are photos of the presentation of the cheque and IRB.

Club dinner was a great success this year with 124 attending. We held it at Jimmy Deans @ South Adelaide Football club and would like to thank them for their hospitality and for putting on a great night for us.

The bi-annual Surf & Vines (celebrating the Sea and Vines weekend) was again a great day for all who made it down. A few wines, music and some fantastic burgers made for a smashing day. Think we might have made an impression on some outsiders who joined in the fun and will be looking at joining the club next year as some new members!

Corporate and government sponsors continued for our huge range of community service and sporting activities. Major thanks to, George Wortman Trust, Thiess and McConnell Dowell, Kahini Pty Ltd (SLSSA Trust), Mobil, Kingsley Smith from the Colonnades Tavern, Office of Recreation & Sport, Michael & Sharyn Campbell from M&S Campbell Plumbing and Gas, Woodpend Hardware, Mark 'Spider' and Carol Webster Southern Powder Coaters, GHR Motors, Brian Johns from Idea 01 Project Management, Joel Shean from Coopers Brewing, Daniel Schroeder, Seychell Constructions, John Lewis Food Services, Seaford Central, Michael Keelan 5AA, Coastview Motor Inn, Topline Promotions, South Port Shivering Shags, Channel 7, Signcentre, Seaford Tavern & the Messenger Newspaper. Again sincere thanks to the City of Onkaparinga, Department of Recreation and Sport as well as the federal Attorney General's Department for their continued support of our All-terrain Vehicle (ATV). The club is also indebted to Surf Life Saving South Australia together with national sponsors DHL, Westpac and Telstra.

### Other projects on the go

In addition to those mentioned above, the state committee have been looking into many other projects including:

- Impacts of extreme weather events and climate change on surf lifesaving services
- More suitable ways to dispose of waste water after the IRB motors have been flushed
- Development activity booklets for nippers.
- Partnerships with Flinders University

### EcoSurf Club Committee level

The EcoSurf club committee met up at the start of the 2011/2012 season to discuss what could be done this year. We decided to continue on with the EcoSurf policy developed last season with recommended actions and responsibilities for each committee member. Some of these actions included:

- Promoting environmental issues
- Reducing waste and recycling
- Partnering
- Environmental grant programs
- Investigate renewable energy use
- Briefing Nippers

### Annual Emu Parade

In early 2012 (before the sand got too hot for our feet) we held our annual emu parade for the nippers. Our Nippers did another wonderful job of helping keep the beach clean. There was very little rubbish around the beach, which is great to see! Thanks to all involved.

### State Titles

Well done everyone! The beach was kept pretty clean during state titles; your efforts are much appreciated. So much so, that even the State EcoSurf committee applauded our efforts. Give yourselves a pat on the back and keep up the good work!

## Environment Officer's Report

---

Steph Baggalley

Well what a surprising season the EcoSurf group have had! The 2011/2012 season started rather quite on the club front, however it has been all systems go at the State committee level.

### EcoSurf State Committee level

#### Coastal Ambassadors Program

At the start of the season, the state EcoSurf committee successfully ran a Coastal Ambassadors program, which I was lucky to be a part of the development process. This coastal ambassadors program was run alongside the 18-25year old Leadership Development Camp in Kangaroo Island. A group of approximately 10 SLSSA members from Somerton, North Haven, Brighton, West Beach, Seadiff, Henley, Normanville, Moana, Port Elliot and Whyalla were entitled to professional talks and demonstrations from the Kangaroo Island (KI) and Adelaide Mount Lofty Ranges (AMLR) Natural Resources Management (NRM) boards. On completion, Coastal Ambassadors are encouraged to take on a role within their respective club to spread the EcoSurf message link to nipper surf education, Club leadership and management, environmental officer (similar to South Port). We have had encouraging feedback from the participants and we are currently evaluating the program with prospect of holding more coastal ambassador programs in the coming seasons. On behalf of the South Australian EcoSurf committee I would like to thank both KI NRM board and AMLR NRM board, in particular Tony Flaherty and Kristy Manning, for their efforts and contribution to this program.

#### Coastal Gardens Project

Several clubs along the Adelaide metro coastline have been carefully selected to be representatives for the AMLR NRM Coastal Gardens Project. Somerton, North Haven, Port Elliot, Normanville, Chiton Rocks, Aldinga Bay, Brighton and West Beach surf clubs, as well as Surf Central (SLSSA Headquarters) will be prototypes to new native gardens where planting guides will be put in to show how you can create your own coastal garden. You should be able to see these gardens start to take form in June 2012. If you would like to know more about how you can create your own coastal garden in your backyard please go to the following link to download a copy of the planting guide. <http://www.amlrnm.sa.gov.au>

#### Red and Yellow bins on patrol

You may have noticed on whilst down the beach this season those pesky red and yellow bins near the patrol tent....Well they have been such a success down our club that the State EcoSurf committee have decided it was about time other clubs followed our ways. The goal is to have them implemented into as many clubs as possible by next season. You should all be proud of yourselves and encouraged knowing that our awesome club is on the forefront of environmental initiatives.

#### Rescue 2012

Yes, EcoSurf South Australia will have a presence at the World Life Saving Championships in November 2012. We are looking at have small red and yellow bins (like the ones we take on to patrol) scattered around the beaches to help promote good environmental waste management. In addition to that, the state branch is also looking at having a marquee to assist with the promotions. So please if notice any of our interstate or overseas visitors doing the wrong thing by the environment, point them in the right direction – to the red and yellow bins!

### South Port's Hooded Plovers!

South Port beach has become a preferred breeding ground for the Hooded Plovers, with two chicks spotted in 2011. Hooded plovers are small beach nesting birds which nest on the sand between the high-water mark and the base of the sand dunes during spring and summer, which is also the busiest time of the year on our beaches. Currently, only 750-800 birds remain in SA, with less than 70 on the Fleurieu coast. Hooded plovers are listed as vulnerable under the *National Parks and Wildlife Act*, chicks and eggs are at risk from disturbance and trampling when people and their pets visit the beach. Disturbance of nesting adults can also affect the survival of chicks and eggs. People and their pets can unknowingly be their greatest threat.

To help with increasing the awareness of these little birds, the EcoSurf committee arranged with Emma Stephens, Coast Estuary and Marine Officer at AMLR NRM Board, to come down to South Port and give a presentation to our nippers, nipper parents and anyone else who was willing to learn more about our little fluffy guests. The response

to this was great, both nippers and nipper parents really enjoyed it and we look forward to having more guest speaker presentations on other hot topics in the future.

If you would like to know more about Hooded Plovers or would like to help them out this year please contact Emma Stephens on 8229 9826 or 0417 081 695. Emma is working closely with a network of volunteers who are monitoring Hooded Plover pairs on the Fleurieu coast. Alternatively you can go to the following website. <http://www.amlrmm.sa.gov.au>

Well that's it for this season. Thanks again to everyone for all your support; we couldn't do this without you. Who knows what other exciting things next season will have for us.

## Vale - George (Biffo) Hann

---

George Hann passed away last Wednesday 20 June 2012, aged 79. George was a Foundation Member of South Port in 1959 and has been a member ever since. He was awarded Life Membership of South Port in 1969. In the 52 years George was involved with the Club, he was President for 2 years, Senior Vice President for 7 years, Chief Instructor for 6 years and involved in coaching the Open March Past team for many years. He was involved with the Nippers being Chief Instructor for 2 years and March Past Coach for 5 years. Biffo was a member of Shags from the beginning for 8 years including being Head Shag. George was also a Life Member of Surf Life Saving South Australia. George made a major contribution to South Port in many different areas over a long period of time. George was also a member of the South Adelaide Football Club and regularly attended their matches rain, hail or shine.

Our deepest sympathies go to his wife Alison and the family

## Vale - Tim Robins

---

5 September 1944 – 5 October 2011

Tim Robins passed away 5 October 2012 aged 67. He was a peoples' person-more specifically 'a ladies man.' He drew people in with his infectious love of life and his commitment to whatever it was that he undertook, whether it be surfing with his mates, driving his truck or raising a family. Tim was born and raised in Adelaide and attended Pultney Grammar School. Not a scholar, Tim was more of a surfer and spent most of his spare time at the beach. He was friends with a number of young guys who were involved with South Port, and as a result was a regular at the Club in the 60's obtaining his Bronze Medallion; his family's thoughts are that he was there more for the ladies and

the surfing, than for the lifesaving, as our picture above shows.

The family said a very private farewell to Tim, and once they had got to a point where they were strong enough to actually 'celebrate' his life a gathering was held at the Club, one of his all-time favourite places on Saturday 21 April, 2012.

Our deepest sympathies go to his wife Joy and daughters Delta and Lakota.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2012**

**1 Statement of Significant Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act SA. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**Income Tax**

The income tax expense (revenue) for the year comprises current income tax expense (income). The association does not apply deferred tax.

Current income tax expense charged to the profit or loss is the tax payable on taxable income. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

**Inventories**

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on a first-in first-out basis.

**Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**NOTES TO THE FINANCIAL STATEMENTS**

---

**Depreciation**

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

**Impairment of Assets**

At the end of each reporting period, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised immediately in the income and expenditure statement.

**Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term, highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

**Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and cessation of all involvement in those goods.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

**STATEMENT BY MEMBERS OF THE COMMITTEE**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial statements as set out on pages 1 to 6:

1. Presents a true and fair view of the financial position of SOUTH PORT S.L.S.C as at 30 April 2012 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that SOUTH PORT S.L.S.C will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:   
John Devitt

Treasurer:   
Don Alexander

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF SOUTH PORT S.L.S.C  
51 114 459 582**

**Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of SOUTH PORT S.L.S.C (the association), which comprises the balance sheet as at 30 April 2012, and the income statement, a summary of significant accounting policies, other explanatory information and the statement by members of the committee.

**Committee's Responsibility for the Financial Report**

The committee of SOUTH PORT S.L.S.C is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the SA 1985 and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF SOUTH PORT S.L.S.C  
51 114 459 582**

**Auditors' Opinion**

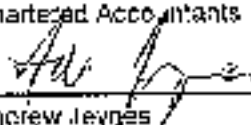

In our opinion, the financial report of SOUTH PORT S.L.S.C presents fairly, in all material respects the financial position of SOUTH PORT S.L.S.C as of 30 April 2012 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act SA 1985.

**Basis of Accounting and Restriction on Distribution**

Without modifying our opinion, we drew attention to Note 1 of the financial report which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the SA 1985. As a result, the financial report may not be suitable for another purpose.
