PRESIDENT'S REPORT

Richard 'Olly' Olesinski OAM

It is with much pleasure I present this report after another COVID-19 impacted, but highly successful record-breaking season, where again importantly no lives were lost on our beach.

In fact, 17 lives were saved by our members, 454 preventative actions, this being persons stopped from endangering themselves and 48 first aid cases administered.

Many thanks to all our patrolling members that continued to ensure our high standard of patrolling and keeping South Port Beach safe for all swimmers, surfers and visitors.

As reported in previous seasons, our patrols continue to be challenged with increased local population growth. It's certainly more than evident that many more community members are already making South Port their beach to enjoy with beach visitation numbers greatly increasing.

Our patrol statistics continue to substantiate the need for us to be where we are and for ALL of us, managing the challenges to ensure that we remain sustainable into the future.

With many highlights and milestones this year none of this would have been achieved if it was not for our numerous volunteers.

For me, major highlights included:

- Achieving record-breaking membership numbers with almost 600 members, which includes 170 Junior members, also a club record.
- Launching the Club's Sporting Hall of Fame that recognises members' contribution to surf sports.
- Hosting the state's only Open Surf Carnival and the highly successful State Championships.
- Club's toilets and changerooms scheduled for redevelopment.
- Wearing Street gym, emergency services and training area facility nearing final sign off for construction.
- Successful introduction of the Club's BarFlies, a hardy group of mostly retired members who work behind the scenes to keep the Club neat and tidy, etc.
- Introduction of the successful Surf Babies and Little Lifesavers program.

Congratulations to our new bronze medallion recipients and our Juniors continuing their surf life saving journey and completing their Surf Resuscitation Certificates. The Juniors are our future, and we look forward to assisting you in what you want to achieve as a member of South Port, particularly through the transition area, well coordinated by Aaron Oliver and his happy helpers.

Thanks also to the Board of Management and to all members who took on Committee positions the past season. We desperately need more members to volunteer to help share the workload and I look forward to some new faces getting involved as with new members, new ideas naturally evolve.

Congratulations to all of our competitors, Juniors, Seniors and Masters who wore the South Port cap proudly and did their best to represent the Club. To all our coaches, thank you for your commitment to helping South Port be a well-recognised competitive Club throughout the nation.

Thanks again to Junior Chairperson, Danni Hansen, and her team of assistants together with Age Group Managers and Assistants that guided our Juniors throughout another busy season.

PRESIDENT'S REPORT... CONT

Richard 'Olly' Olesinski OAM

Huge thanks to our officials who continue to take on more responsibility to ensure our members are able to compete. I encourage any of our members, in particular Junior parents, to put their hands up to help.

Thank you to all our partners, sponsors and supporters, in particular Kahini Pty Ltd (SLSSA Trust Fund), the City of Onkaparinga, the State Government, through SAFECOM, the Federal Government and major sponsor, KFC Seaford Rise. A list of Club sponsors is listed within this report. Many thanks for your commitment to all our essential rescue and competitive activities.

Thanks again to past member Michael Keelan for his ongoing support through a weekly surf report, a 'What's happening at South Port' segment and a safety tip on 5AA each Saturday morning through the summer.

The Club's Sunday Sessions continue to be a great opportunity for members and the broader community to be able to enjoy great live music, meals and refreshments and the Club generating much needed funds, particularly during the 'off-season'. Thanks to all our volunteers who make these afternoons run so well. This activity was put on hold due to the COVID-19 situation, but recent reopening has proven to again be a great success and major fundraiser for the Club.

In conclusion, I would suggest, at South Port, we offer more to all by the way of personal development and social inclusion. I believe that our culture is the feature that will ensure you achieve the impossible and guarantee sustainability at any level. Culture is what our past, present and future all have in common and at South Port, we have a very unique culture that is more than worthy preserving.

Thanks again to all of our members and sponsors for your support. As a Club, I believe we are well placed to continue to grow and to keep South Port Beach safe for all and for us to enjoy good times at South Port SLSC.

Wow! What another fantastic record-breaking season it has been for our magnificent and rapidly expanding Club!

We continue to be dominated by the COVID-19 pandemic, but if nothing else, it has taught us to be masters of resilience and flexibility as we navigate through uncertain times that can change at the flick of a switch. It has brought us closer together, despite the physical social distancing requirements and restricted number limits and membership numbers can attest to that.

Last season we broke our membership record to have 487 registered members. In 2020/21 we have completely obliterated that record and have 597 members fully registered! We welcomed many new families this season. Our junior membership also achieved a club record with 170 Nippers registered, up from 142 last year. The breakdown of membership numbers are as follows:

	2020/21	2019/20	2018/19
Juniors (Nippers aged 5-12)	170	142	113
Under 14-15 (Youth)	22	25	15
Under 17's	12	9	17
Under 19's	18	16	16
Under 21's	12	8	11
21 and up	363	287	287
Total	597	487	459

We also continue to have a strong following on our social media platforms.

Club Website	117	114	95
Team App	256	202	202
Facebook (main group)	497	457	434
Instagram	894	N/A	210

We were also very excited to finally be able to host the Surf Babies and Little Lifesaver program at South Port SLSC for the very first time! It was held for 6 weeks on a Saturday morning between February and March. This has been a couple of years in the planning, so it was brilliant to finally see it happen. We had fantastic numbers across all four age groups which ranged from 0-2 years, 2-3 years, 3-4 years and 4-5 years of age. We were lucky to have Gabrielle Botha, Sally-Ann Botha, Alex Gettie and Ruby Thomas as our instructors. Despite a few hiccups with mother nature on the first and last week of the program, the kids all had a ball, although I am not sure what the kids enjoyed more – the beach or hanging together afterwards to enjoy a babycino up at the Club. They were all SO cute in their rashies, our future surf life savers. This wonderful program would not have been possible without the help of some special members who gave up their time super early on Saturday mornings to open the canteen and run the coffee machines. To Issy Berry, Tracy and Izzy Kille, Deb Sinclair and Wendy Matthews, a massive thank you! Special thanks to Sally-Ann Botha for her involvement in the program.

Our Club would not run without the many dedicated and hard-working volunteers we have who give their time to ensure everything runs efficiently. To EVERY office bearer, patrolling member and member who took on a role or helped out around the Club, a huge heartfelt thank you for your time and commitment. You are a huge part of what makes South Port SLSC so special. Everybody leads busy lives as we juggle work

and family life, so to donate any spare time volunteering to help the Club is very much appreciated. We cannot run without volunteers.

So much goes on behind the scenes from a communication and administrative perspective right across the whole year that most people would have no idea about. Things don't always run like clockwork, and we often have to scramble. I must give a special thanks to a few members who make my job so much easier. What they do for our Club goes way above and beyond the roles they hold. Laura Odell, Richard Olesinski, Kylie Cederblad, Olivia Harsing, Tracey McAvaney, Deb Oliver, Kat Foster, Maggie Botha and to anyone I may have missed – thank you so much for your unwavering support. I could not do what I do without you. I must also thank the Board of Management and the Junior Development Panel for the amazing job they have done this season.

The saying many hands make light work rings so true, especially in our environment and with a rapidly growing membership. We still need more volunteers. It doesn't matter how much or how little time you can give. Every little bit helps. If you would like to get involved but are not sure how or what you would like to do, please contact mail@southportslsc.org.au and we will provide you with the information and support you need.

Here's to a fantastic 2020/21 season! Congratulations to everyone who achieved success in competition and who gained new awards. We are getting bigger and better every season and cannot wait to see what 2021/22 brings!

Much love!

Secretary

It has been a good year financially for the Club all things considered. Audited financials are based on 1 May 2020 to 30 April 2021.

Cash and cash equivalents increased FY20 \$228,062 to FY21 289,830. I expect a large portion of these funds to be utilised next financial year towards the Wearing Street and Club building projects.

This season, with the help of Anna Fisher, we changed to Xero accounting software and online BAS lodgements. The Chart of Accounts has been tweaked as well as the Auditor changing the allocation of accounts into the financials. I expect next financial year all the accounts will 'line up' nicely.

In particular, a few highlights:

1. Sales: more detailed analysis of income is now provided using Xero, which demonstrates the importance of Bar Revenue.
 - a. Bar: whilst sales were down once again mainly due to Covid-19 restrictions (\$79,452), the bar still made a healthy profit of \$40,428. Thank you to Marsha Smith, the Bar Flies and all the volunteers for making this possible.
 - b. Apparel: Sally Botha has once again done an amazing job of decking out our members in South Port gear to the tune of \$18,933 in sales. Whilst a small loss was made this year (\$1,746), this can be solely attributed to the adjustment of closing stock now being based on cost value rather than sale value. Had we not adjusted this figure there would have been a clear profit. Great job Sally!
 - c. Canteen: another great year for the canteen with sales of \$9,753 and a profit of \$5,572. Well done Donna Logan and Rose Orr!
 - d. Carnivals: The Club hosted a senior carnival as well as Senior State Championships days 2 & 3 Profit from these events were approximately \$13,500. Please note that the carnival/bar/canteen/carnival BBQ figures may be a little skewed as some expenses/profits/stock was shared.
2. Revaluation of Assets [current year balance sheet adjustment]: between August and December 2019 a full audit of Assets was undertaken, thanks to all those who assisted in working through gear, boat and gym sheds. As a result, an update to our insurable values and market value of all assets was achieved. In particular:
 - a. Wearing Street – write down from \$82,671 to \$20,000 – noting that with the approval of the Wearing Street development this will incur a further write down in next financial year.
 - b. Property, Plant and Equipment – write up from \$314,073 to \$464,262.97 – to align SurfGuard/insurable value and to provide a full record of assets it was agreed that a Revaluation of Assets, with no tax impact, was appropriate. Xero is set-up to undertake monthly depreciation and all future assets will be able to be tracked.
3. Fundraising: income for FY21 \$40,629 less COGS \$20,473 – previous years separated income and expenses. The net position is similar. Well done to all involved.
4. Grants: as expected, we did not receive as many Grants but still fared well.
5. Sponsorship and donations: were down this season, however it has been challenging year for many clubs with less opportunity to hold events and functions. Thanks Rebecca Brook and those who were able to support.
 - a. Large sponsors, donations, grants:
 - City of Onkaparinga Council Grant \$13,000
 - Festival Foods Pty Ltd (KFC) \$10,000
 - Boaties Supporters Club (ASF Grant) \$6,100

TREASURER'S REPORT CONT...

Cassandra Stoodley

- SAFECOM Grant \$5,500
 - Beach Safety Equipment Fund Grant \$5,500
 - Kanini \$5,500
6. Sundry Revenue: adjustment to Trade Debtors as at 30 June 2020 to align with known monies owed.
7. Operating Expenses: with the change to Chart of Accounts there is a significant amount of realignment:
- a. Competition: includes Tour Team Expenses, Training and State Team Subsidies and Travelling Expenses, and Carnival Entry Fees (including Juniors)
FY21 \$14,759 FY20 \$19,512
 - b. Equipment: includes Board & Ski Maintenance, Surf Boat Maintenance
FY21 \$5,289 FY20 \$6,698
 - c. Finance Expenses: increase in merchant fees is a direct result of a 30% increase in the use of card transactions at the Club. An average of 2% merchant fee this would be \$600.
FY21 \$2,320 FY20 \$1,612
Note: Merchant Fees were recorded under General Administration in FY20 \$1,452
 - d. General Administration: includes General Administration, Audit Fees, Trophies
FY21 \$22,364 FY20 \$21,326
Note: \$11,564 in FY21 carried forward adjustment for GST and bank reconciliations
 - e. Insurance: previously included under subsections including premises (\$3,451) vehicle, registration & insurance (\$1,894) and lifesaving (\$2,576)
FY21 \$8,017 FY20 \$7,921
 - f. Junior Division: as part of the review, Junior Activities have been separated into Fundraising (where they made a \$6,000 profit), Carnival Entry costs moved to Competition, Clothing is now in Apparel.
 - g. Life Saving: includes life saving, IRB and patrol less insurance
FY21 \$13,254 FY20 \$20,745
 - h. Premises and Facilities: in addition to the reallocation of insurance, a thank you the City of Onkaparinga for providing a discount on our premises costs.
FY21 \$26,094 FY20 \$32,312
8. Profit: \$122,404 less revaluation of asset \$102,843 = \$19,561
FY20 \$116,000 comparison:
- Gross profit for Trading down \$21,800
 - Grant Revenue down \$36,000
 - Sponsorship and Donations down \$25,000
 - Carried Forward adjustments \$11,500
 - Net Variation down \$95,700
9. Non-Current Assets: we continue to turn over our equipment with several nugget, nipper, mal and rescue boards purchased this season. We have also paid a deposit for a new IRB to be delivered next season. The largest single adjustment to these accounts was the decision to revalue assets as mentioned previously.

Thank you to all for a great year of saving lives and raising funds.

I am pleased to report South Port Surf Life Saving Club Inc. is solvent.

Cassandra Stoodley
Treasurer

I do need to say it again, our beach, South Port, is the best in the state.

We all know the Club would not be the success it is without the contribution of our volunteers and family's. We all appreciate your generous donation of commitment and effort to the Club.

This was another successful season due to the commitment of our volunteer lifesavers.

The Club again this year has made a concerted effort to upgrade all of our equipment not only for patrol but for competition as well. There is still more to come!

Thankfully no lives lost, however we still need to be vigilant.

This season we achieved our core objective to ensure zero preventable drownings in our waters. We did this by performing 17 rescues, responding to 48 first aid incidents and undertaking 454 preventative actions. This is a considerable undertaking for our Club and meant that beach goers were able to enjoy our beach and return home safely to their families at the end of the day. Each year the river and river mouth are becoming more popular and for the coming season we will need to adjust the way we patrol by increasing surveillance to these areas.

Each season we see new SRC and Bronze Medallion holders begin patrolling. It is also pleasing to see the commitment and diversity that they bring not only to patrol but the Club in general.

I would like to thank the patrol captains for continuing to lead their teams in challenging circumstances in the face of COVID-19. Thanks also to those who committed to additional patrols. This season again presented some unique challenges.

Again, State Centre came to us to hold Senior State titles. State Centre continually say we do it the best and that competitors prefer South Port. We accepted the challenge, with the Club coming together to hold the Senior States Championships, and what a success it was. Not only did we have some great results across all ages and areas of competition we also made a reasonable profit. Without you, none of this is possible. It was pleasing to see Juniors numbers increasing again this year. This is largely due to the great Junior Committee Panel and the family environment that South Port offers.

Junior States saw some magnificent results with personal bests achieved by all. Along with a bag of medals for the Club.

Juniors are our future and without them no club can survive.

I would also like to acknowledge the commitment of my fellow committee members who have worked tirelessly this season to lay the foundations for the future.

Remember swim between the flags, if we can't see you, we can't save you!

Lyndon Mills
Club Captain

SURF SPORTS MANAGER

Alex Botha

A very big congratulations to everyone who braved the 'new normal' to be part of Surf Sports and lifesaving in general during the 20/21 season. We faced a brand new set of challenges this season, that meant the conditions (not just the surf) were always changing. As a Club I feel South Port handled these ever-changing conditions, restrictions, lockdowns and COVID related issues as well as anyone and gave our members the best opportunities we could.

I would like to start with some important thankyou's to the people that help keep Surf Sports going at South Port, assist our athletes in being the best they can and help everyone compete and enjoy Surf Life Saving.

In the Board and Ski area we had Richie Cunningham, Dale Thomson and myself offering their time and expertise to help our young group grow and improve. This has been a challenge due to the restrictions placed on everyone during this global pandemic. Through this time these coaches have managed to pull our athletes together and come away with a successful season.

In the boat area our coaches/sweeps included Jason McGaffin, Brad Vogt, Keith Mills and Ben West. Without these guys there would not be any boat crews on the water, so thank you for all your time and hard work.

On the beach we had our March Past teams, Opens coached by Bob Mayo and U/23 by Vonnie Olesinski, both these coaches giving up their time to help our teams hone in on their skills and be victorious at States. Also, on the beach we had the addition of Clayton Jones helping out with the sprints and flags, mostly on the Nipper side of things but we look forward to using his experience and vast array of knowledge again next season and growing our quality beach athlete group.

We also had a large number of volunteers behind the scenes and on race days, who put in huge amounts of time and effort to help our athletes to be able to compete and do the best they can. These include our Competition Officer, Kylie Cederblad doing all the entries for all the carnivals and events throughout the season. Without her work we would not be entered for anything therefore would be unable to compete. Along with Kylie thanks to Shaun James for taking on the race day Team Managers roles in the female and male areas respectively. These two have worked well together this season to ensure all the board and ski athletes on the beach are well informed and ready for each and every event they wish to compete in.

Another crucial part of being able to compete in our volunteer organisation is filling our official's quotas for carnivals. These people put their hands up to do these jobs and help out on a regular basis and their efforts do not go unnoticed. A big thanks to Paul Zeitz, Murray Cederblad, Sarah Thomas, Donna Logan, Rachel Costello, Deb Oliver, Shaun James as well as all the parents who have helped out as officials at the Nippers carnivals.

At the start of each season there are some U14's who haven't completed their SRC before the first carnivals, so they need some extra watercover to be provided. Thank you to Steve Proctor and Brett Fisher for covering this for South Port.

One of the fantastic things to go with all of this is the wonderful photos to help us remember all those

great days on the beach. We are lucky to have had a few photographers in the Club who are able to take lots of photos for us. These include Chloe James, Tracy McAvaney, Tania Cunningham, Danni Hansen, Deb Sinclair, Brad Vogt, Simon Munn and Vanda- Lee Giebel. Without these people we wouldn't have all those amazing photos after carnivals to look back on and reminisce.

On Saturdays this season we have some extra trainings run with the intention of extra practice as well as introducing new events for our younger seniors to prepare them for the years to come. These sessions have been run by a number of parents offering their time to give the younger kids some extra opportunities to practice events they might not get to practice/train regularly. Thanks Mel and Joe Thomas for your effort with these sessions, as well as Aaron Oliver for his work to help with these sessions and his role as Transition Officer, looking after our 'Squids'.

The season began back in October with the Kozii Enduro, a new event to help kick off the season and challenge everyone's fitness and stamina. We had 4 people competing last season, they were, Leigh Chirgwin, Amy Feldman, James Burrows and Zalika Cederblad. We had a number of great results including Zalika 2nd in the U15 Enduro Gold (combination of the board and swim events), James 3rd in the 30-44yr 3km swim and Leigh 3rd in the 45-59 3km swim, a fantastic way to start the season.

Next was the board riding events held at Middleton. South Port only had a small crew but came away with two silvers, Daisy Proctor U15 short board and Mark Dobson in 55 years+ NGS Long Board. Great work guys.

As the season progressed, we welcomed some new faces into the senior ranks at South Port. This included a transfer, Denia Brenchley-Sheldon, from Moana. Who originally came to train with the South Port board and ski team and had such a good time and made good friends that she transferred over to become part of South Port for real. We also had all the progressing Nippers who had graduated into seniors. In recent years our retention rate of Nippers through to seniors has been really good and this season was another success on that front, having managed to keep all the U13's from last season. These include Daisy Proctor, Leo Oliver, Mali Gilligan, Pippi Costello and Summer Thomas, as well as Felicity Lee-Coates and Isabel Berry who may not compete but have done their SRC and are still around the Club patrolling and helping out. We also welcomed Swai Abbracciavento in from Southern Performance Swimming Club, where she knew a number of other South Port youth.

Surf Life Saving SA again ran a Youth High Performance Development program this season. With COVID restrictions, the session and opportunities were limited, but South Port had a large number of youth selected for this squad. They included Angus Logan, Will McAvaney, Leo Oliver, Damon James, Axel Cunningham, Daisy Proctor, Zalika Cederblad, Sadie Proctor, and Kenya Thomas. These athletes attended sessions learning about nutrition, motivation, importance of stretching and warming up as well as beach and water-based skill sessions. Finally, they also had a couple of zoom presentations from coaches and athletes such as Gavin Hill, Cory Hill, Ali Day and Harriet Brown.

As the season progressed, it was clear that the COVID pandemic was going to put a spanner in the works for a lot of larger scale events, gatherings and competitions. This led to the cancellation of the traditional state team competition for board, swim and ski disciplines. The ASRL open went ahead and in the boats area we had two crews make the state team, South Port Swell made the Open Women's state team, with

SURF SPORTS MANAGER... CONT

Alex Botha

Megan Syvertsen, Catherine Clohesy, Kate Burnett, Rachel Trowbridge and Bradley Vogt (sweep), and South Port Stormies made U19 Women's state team, with Jade Benn, Catherine Taylor, Ruby Thomas, Jessie Reynold Chapa and Jason McGaffin (sweep). Both crews competed well and were happy with their results, especially the boat relay where they placed 2nd. They then competed in the normal competition over at Mollymook with the Opens missing out on the points system, but the U19 Stormies rowed amazingly to bring home a silver medal.

This season South Port hosted one full carnival and State Titles. The work that goes on behind the scenes for these things to happen is immense and I would like to take this opportunity to thank everyone involved in making it possible for us to race at our home beach of South Port. All the competitors really appreciate such opportunities and the volunteers that help to make it happen. Thank you!

For a lot of competitors, the end of the season was the various State Titles. In terms of Senior/Open State Titles, it was great to have states at home and have a wave to mix things up. The Master's States was at Christies Beach and we had one of our biggest groups in recent years. The Masters competitors all did an amazing job coming away with a swag of medals, lots of fourths and smiles all round. At the Senior State Titles South Port had all areas well represented, coming away with medals in each area. Congratulations to all the medal winners and special mention to the 7 competitors in the board, ski, and swim who won a medal for the first time. A number of the athletes have come through Nippers and worked very hard to achieve these goals.

South Port had an amazing year in terms of results at State Titles, achieving top 10 finishes in the big three State Titles points scores.

Seniors: 8th

Nippers: 6th

Masters: 5th

For Aussies this year South Port had a sizeable number of competitors. We had 32 competitors wearing the South Port cap in QLD and also had three other South Port members who raced with other clubs to make up teams. These competitors made up 4 boat crews, a march past team and in the board, swim and ski area we had 2x U15's, 1x U17, 1x Open and 1x Master giving it their all against the best in Australia. Well done to all. Special mention has to go to the Master's 140 Women's boat crew, who won gold in their masters age group, Congratulations ladies and Brad on a fantastic effort and achievement.

To cap it off I'd like to again say thank you. To all the athletes who dedicate and commit themselves to training, to do their best competing for South Port. To all the parents, who help with all the behind the scenes organising, volunteering and help. To all the Club members lending a hand at carnivals and around the place. To the BOM for their continued support of all our athletes and teams. South Port is a special place and a special Club. We have proven this year that we can come together to overcome even the greatest obstacles and with that teamwork, support and spirit we are in a fantastic position moving forward to next season and beyond.

GO SOUTH PORT!

It is with great pleasure I write this report this year. I think it might be the first time in South Port's history every crew won a medal at Senior States and Masters State titles!

Highlights of the season has to be the 140 Female Masters crew "Swell" winning Gold at the Australian Masters Titles, a first for the Club and U19 Female boat crew "Stormies" winning a silver medal at the ASRL Open for the second year in a row.

We were also lucky enough to purchase a new set of oars this year to add to the other set purchased 3 years ago; this would not be possible without the fundraising achieved again with the support of KFC and the Boaties Supporters Club.

To all that supported me this year Chris Foord, John Devitt, Brad Vogt and Keith Mills, without your help in maintaining the boats, trailers and everything that makes the boat section what it is, thank you.

The Sweeps

Ben West, Keith Mills and Bradley Vogt without you none of the above and below would be possible.

The Towers

Steve Clohesy, John (Schmidt) Smith, John (Devo) Devitt and Craig (Clagus) Smith who again towed our boat around the country, a huge thank you.

The Sponsors

KFC – \$10k again this year, your support over the past 3 years has been amazing.

The Boaties Supporters Club which also fundraised over \$6000.

The above fundraising helps assist in the purchasing of the new set of oars, interstate travel support, maintenance and repairs of all equipment.

PUBLICITY/SOCIAL OFFICER'S REPORT

Rebecca Brook

The 2020/2021 Season was still a bit of a jumbled one in many ways. One day COVID will settle (we hope!). With a few delays in events such as the Quiz Night, I have had the goal of getting people together whenever we can in the off season (aka Wine Tour and some kids focused events for the new season I'd like to plan also).

We saw a couple of new sponsors this season including The Coffee Factory who provided 500 printed cups for us for Masters in April. What an event! Thank you to those gurus on the coffee machine who provided around 680 coffees to those who attended! Needless to say, we may find some good revenue in our big ol' coffee machine in the future, I think. Fleurieu Milk Company also provided us with all the milk (which ran out fast!) and some 300ml bottles to sell to raise profits. Their continued support is appreciated.

Another new supporter was Battle of Bosworth Wines who gave us a dozen wines for the Christmas Wine Wall fundraiser. Another good event to raise much needed funds for the Club.

The annual 100 Club was topped off with a big win by Mark "Dobbo" Dobson. Congratulations Dobbo for the \$1000 prize, we hope you were able to indulge a little with it!

The addition of the pool table organised by Dobbo (and no this wasn't a trade-off) has been wonderful in creating another level of social engagement. Sadly, with the renovations going on from Aug, events at the Club aren't possible. Outsourcing some gatherings including wine tours will be fun additions to our social calendar until the new season starts.

Sunday Sessions re-commencing is a great sign things are on the up. With a terrific turnout, and some people-management, the first event went off without dramas. The 2021/2022 season will see more Sunday Sessions and hopefully a return to normal on all fronts.

Wendy's Saturday Nosh events were a hit too. Thank you to Wendy for her donations for raffles of fabulous Arnott's snacks, and to her unwavering support for the Club. The meals Wendy's Kitchen provides have been a welcome addition to weekends and we will see these continue in the next season. Yum yum!

I would like to thank all our current sponsors, who scroll through the TV screen in the bar area – without them we would be lost! Everyone from wine donations for the Wine Wall (thanks especially to Zontes Footstep and McLaren Vale III Associates). Make sure you have a look at the screen every now and again too, and if you're ever looking for a trade, service, wine, health provider or dining experience – there are plenty who support the Club who could use OUR support too.

Also, thanks to all members who have put their hand up to help out behind the bar, at events, and in setting/cleaning up whenever help is needed. It's when everyone can chip in and lend a hand (even just once in the season), that we find the load is lessened for the rest. I would also urge you to consider helping out in 2021/2022 for the Social Committee Panel, as I need extra pairs of hands... the more the merrier.

Enjoy the off season and see you in October.

MARCH PAST REPORT

Vonnie Olesinski

Open March Past Team

The Open March Past Team was coached by our wonderful, longstanding Club member, Bob Mayo AM. It was a pleasure for the Team to be coached by him, with the help of John Hall OAM and Frank Drake both Australian Title March Past Gold Medal holders. The Team trained hard during the Season marching through to Gold at the State Titles and competing at the Australian Championships coming in 8th.

Vonnie Olesinski

U23 March Past Team

We had a great fun year of training and competing this Season. The members of this team were all very dedicated and focused and they were proud to March together as well as competing in Surf Sports, etc. They were proud to wear the colours for our great Club. They came in first out of six teams bringing home Gold.

Special mention to Donna Logan for her help and assistance.

Work completed 2020

- The Onkaparinga council's maintenance team completed work. Thank you to Ian Bradshaw.
- Ladies changeroom new hot water system installed.
- Gear shed panel door is now motor driven.
- Extra LED lighting added to gear shed and toilets.
- Extra power points installed in the Club bar area for our House PA system
- New LED security lights on outside walls.
- Solar panels are now online and are monitored. The panels off set our power use during daytime, resulting in lower power bills.

Club funded works

- Installation of built in cupboards to store Club's first aid patrol ipads completed, thanks to Steve Nahlous, Marcus Syvertsen and Cassandra Stoodley who worked on this project.
- Test and tag completed for all electrical equipment completed. Thank you Steve Nahlous.

Work in progress and future 2020/2021

- Council upgrade of new changerooms and toilets to commence July/Aug.
- Major structural work with the both toilets extended by a metre wider (concept by Aaron Oliver) resulting in a new entrance to the club and the moving of the first aid room to the western wall. The canteen will become larger and have extra storage. The male and female changerooms will be swapped around with extra toilets in the new ladies change room.
- Dulux paints have donated 45 litres of exterior paint for the Club. The Council will paint the exterior of the building after the completion of the changerooms upgrade
- Security and alarms upgrade for boatshed.
- The Club will be investing in onsite battery storage.
- Restaurant guest paging system to be introduced for our popular Sunday blues sessions.
- Wendy's Kitchen catering for our meals on Sunday sessions and functions.

Thank you to all our volunteers who help out on the catering and serving at the 'Bristles bar'.

Our chemicals and cleaning products used supplied by Chemflo. Thank you to Chris Keegan.

Club is cleaned weekly. Thank you to Paul Catchpole.

Clubhouse Manager
Mark Dobson.

2020/21 saw the Club reducing waste, plastics and green, i.e., food waste. We now have a separate Food Waste Bin in the Club kitchen.

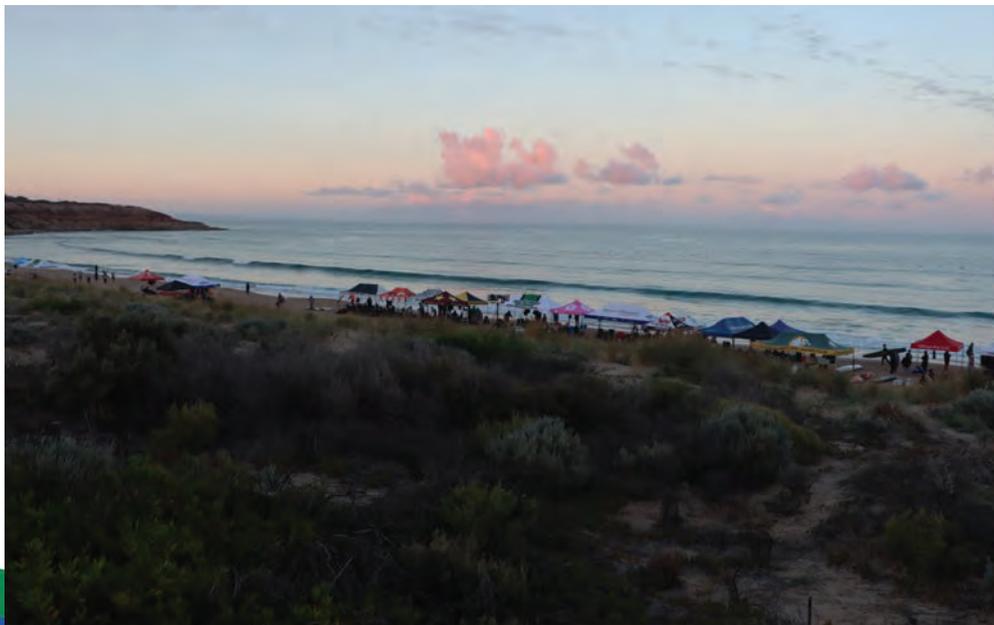

Single use drinks i.e., water in plastic bottles will no longer be available for purchase from our Club.

Next season we will be aiming higher.

It's great to see our Juniors taking part in the Beach Clean-up, keeping litter out of our pristine marine environment.

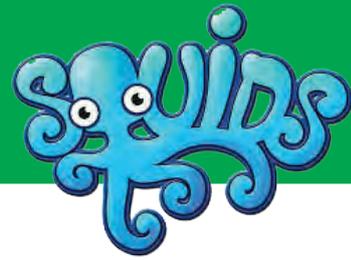

I look forward to eager members wanting to join the Environmental Committee Panel next season.

TRANSITION OFFICER'S REPORT

Aaron Oliver

Starting off this season new to the Transition Officer role I was a little unsure of what to expect and what the SQUIDS would need to help them with their transition into the senior competition. Looking back, I feel that this season has been successful, not only in competition but all aspects. We have grown from strength to strength including the strong South Port camaraderie we now have between all the SQUIDS.

Our team building started with our first gathering of the season. We had a small brazier fire with plenty of pizza followed by marshmallows at the Club. We had a great turn out with 19 coming along and during this catchup we brainstormed lots of other ideas the squids would like to do. We still have many ideas we were not able to get to this year, due to COVID-19 restrictions, but they are still on the list for the seasons to come.

Our next event was the South Port Amazing Mid Coast Race. After months of planning from Mel Thomas we were able to pull off a fantastic puzzle solving race that included a number of activities up and down the South Port Esplanade. We had a great number of SQUIDS come out with five U13's joining us for the day to help them with the transition next season.

As the surf months rolled on, we were able to introduce Saturday Squids. This season, Saturday Squids was adapted due to unfortunately not having a Saturday Youth Coordinator to fill the role. Mel and Joe Thomas along with myself and many other parent helpers organised the days program, set cans and recorded 4 -5 surf and beach events finishing with the Club swim, this was a great way for the SQUIDS to gain more fitness in all disciplines and once again another opportunity to form stronger friendships.

This would pave the way for one of our last SQUIDS event for the season - South Port Games. Of course, South Port's weather put on a show for us. We had 30km SW winds and sideways rain, but in true South Port spirit we persisted and altered our events to suit. We finished the day off with a yiros in the gear shed, and plenty of laughs.

I'm looking forward to another season with the South Port Squids, and already have a few winter events and catchups in the planning. We are looking forward to the new U14's joining us and working on getting our SQUID numbers strong again.

Thanks for everyone's support this year,
Aaron Oliver
Transition Officer

SENIOR LIFESAVING EDUCATION OFFICER'S REPORT *Noelene Lee*

What an interesting start to the season COVID 19 brought upon us, gave many twists to what we used to call normal.

At the beginning of the season, we conducted an SRC and Bronze Medallion course with 17 members involved, with the multiple challenges of COVID 19 lockdowns, social distancing and many other rules and requirements, lots of educational elements were changed. South Port finally welcomed 6 new Bronze Medallion members, 9 new Surf Rescue Certificates and 3 returning members who re-sat their Bronze Medallion Award.

Keith Mills ,an instructor in training, helped with taking this squad. It is not an easy task and very time consuming without the added extras of what COVID 19 brought.

Many thanks go to:

Maggie Botha who showed up to 99.9% of each training session to provide water cover and extra directional education and experience to the squad.

Brett Fisher and Sharryn Campbell for assessing the SRC squad and conducting the primary assessment on the Bronze Medallion squad. Thank you for your time; paperwork is the most painful part of an assessment.

I would like to thank the surrounding clubs for helping our members in gaining their awards, allowing them to be part of their training and being able to sit their awards.

Unfortunately, with the lockdowns it brought an IRB crew award during the off season to a halt and was not able to be finished due to time and season starting. We will endeavour to re-hold this award.

With all the restrictions and time issues COVID 19 placed on the season, Surf Central conducted multiple courses that members could register for to gain these awards; South Port had 4 members gain their Advanced Resuscitation Technique Certificate and 2 members gain their Inflatable Rescue Boat Crew award. Well done and great work.

Proficiencies this season were very peculiar, left everyone scratching their heads, with no manikin use and minimal body (close) contact. Proficiencies were very bare and basic except for 2 elements that have been brought back, the use of tourniquets and deep-water spinal.

Thank you for everyone's support.

JUNIOR DEVELOPMENT CHAIRPERSON'S REPORT

Danni Hansen

2020/2021 - A record breaking season at South Port!

This was my first season as Junior Development Chairperson. I am extremely grateful to my incredible Junior Panel made up of Deb Oliver, Chloe James, Tracy McAvaney, Alex Botha, Anna Fisher, Olivia Harsing and Kylie Hogarth, for all of their support, guidance and encouragement as I continue to learn and find my feet.

As well as the above, I cannot thank enough both Cass Stoodley and Nicole Berry for sharing their wealth of knowledge and experience with me as well as answering my countless questions! BOM, thank you for your support and trust, as we tweaked and streamlined our processes.

To the ever-growing team of Age Group Managers and Assistants, thank you for volunteering your time and for adapting to every change we made weekly to comply with COVID life.

Surf life saving can be a big commitment with not only Saturday Nippers but also board training, swim training and this year March Past and run training and I thank the parents who supported their children's enthusiasm and commitment week in, week out. COVID also meant that many parents were called upon on both Saturdays and at carnivals to fill new roles. Thank you to those who were able to step up, without you there would have been limited training and no carnivals.

With our record number of competitors this year, came a record number of officials and water cover required. Thank you to existing officials and our newbies who jumped on board to lighten the load. Also, to water cover, thank you for ensuring that our kids can not only compete but get out on the boards on Monday and Wednesday night training.

To our growing photography crew, thank you for capturing so many amazing memories. Chloe James, thank you for organising the crew and for putting so much time and effort into creating our wonderful yearbook.

Alex, I am not sure how anyone could put into words an appropriate thank you for all that you do. Our kids are so very lucky to have such an incredible role model and your support of every single Nipper does not go unnoticed. Thank you to Sally-Ann, Grace and Austin for supporting Alex in his passion.

My season highlight was being part of my first State Titles. To see all of the training and effort come together with many medals and PB's, but most importantly giant smiles from all competitors, will stick with me forever. See you next season!

It's fair to say that 2020 was a tough year, with COVID restrictions cancelling so many of our plans early on. Our future was uncertain, and we were shuffled back to our homes to isolate. But though we may look weak (some more so than others) the Shivering Shags are strong. Through grit and determination, but mostly through the lifting of restrictions which were completely outside of our control, we shagged our way out of lockdown and were back on the slab for the first Sunday of June. With many a familiar face, albeit some a touch creepy, we enjoyed a bumper year of fundraising. The year was ended with a COVID safe trip to Morgan where special guest Chill dropped in to say hello and donate a further \$100 to our cause.

Shaggers for 2020 were Lyndon "Boonie" Mills, Larry "Chalky" Edge, Craig "Clagus" Smith, Gary "Emu" Eastham, Ray "Hooray" Martin Jnr, Paul "Howsey" Howse, Tim "I Don't Think So" Edge, Katherine "Kat" Foster, Anna "Lizard" Fisher, Richard "Olly" Olesinski, Tanya "Precious" Spaan, Matthew "Pubes" Burgess, Deb "Pussy" Philips, Maggie "Rod" Botha, John "Schmidt" Smith, Laura "Shortstack" Odell, Siegfried "Siggi" Giebel, Tibor "T-Bone" Szolnoki, Steven "Trippa" Clohesy, David "Wal" Watt, Mark "Weed"

Don 'Bristles' Alexander

17/11/1939 – 5/10/2020

Don 'Bristles' Alexander joined South Port in 1959/60, was a Foundation Member of the Club and awarded Life Membership in 1975.

Besides being Club Treasurer for 20 years, he also held numerous other positions including Boat Captain, Head Coach, Publicity Officer, Bar Manager and was a regular Patron of the Club's winter swimmers, the South Port Shivering Shags!

'Bristles' was a long time 'boatie' from mainly a sweeping perspective, but was also more than able to pull an oar being successful with Master's crews winning successive gold medals in the 220 Division in the SA State Champs.

He swept Junior, Open Women and Master's crews to numerous medals and in particular Open Women's State Champs in 2002, 2004, 2009 and 2012, with his crews making the last 10 at two Australian Championships.

He was a member the SA State Team on eight occasions, two being Manager.

Not known to many, 'Bristles' was also a committed March Past member winning two Australian Bronze medals for South Port in 1997 and 1998!

Don 'Bristes' Alexander's wisdom, humour, leadership and quiet demeanour will be sadly missed by all of us at South Port and beyond.

A Club and State send off will be arranged and members will be invited to say their goodbyes to an absolute legend of South Port Surf Club.

Jim Hodgen**4/8/1937 – 11/6/2021**

Jim Hodgen joined South Port in the early 70's and gained his Bronze Medallion in 1976.

Jim was an industrious, handy member and held the position of South Port Gear Steward, with he and Peter Wooden excelling at fibreglass ding repairs as a result of a very active and successful group of competitive members in the 1970's and 80's.

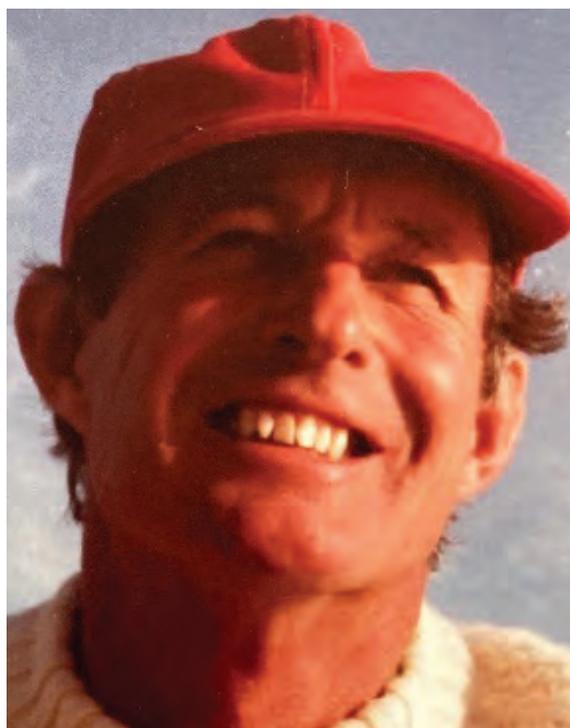

He was the Club Veteran Swim Champion in 1977/78 and was an active surf swimmer in numerous over 36 year old surf races at carnivals and State Championships.

Father of Club Life Member, Ian Hodgen, Jim was an active photographer with many of his images being used at Club Anniversary celebrations.

Jim's quiet and unassuming approach will be missed and condolences are forwarded to Jeanette, Elaine, Ian and families.

Surf Race and 47th Long Swim Report 2020

Thank you to Deborah Oliver and David 'Snake' Ferrett, for having them has made the operation much smoother. They devised a system that has the safety of the competitor paramount. We have introduced the registration of each competitors name before the start of each race. This has given us the name of each competitor plus the number of starters. We now know exactly who is competing, the number starting and the number finishing. If we have someone go missing we have that person's name which has in the past caused us a lot of heartache until resolved. We can now go immediately to parents or friends to quickly resolve the problem. I am sure because of this action, everyone knows, and it has not had to be activated.

I must thank our Club Captain Lyndon Mills for all his work and help plus every Patrol Captain for their cooperation and all the Patrols which has made a large contribution to the success of the races.

The Long Swim seems to run with great success and enthusiasm, everyone involved really works hard to bring along the "can do" attitude. Thank you all. Numbers of competitors are always high and the Junior Club seems to embrace this day every year. Keep up the good work.

I would just like to say I have done this job every season for a very long time but for some reason this one has something special about it. The competitors have just been great, parents and friends who come to watch and involve themselves in the competition. Competitor numbers are up at a guess for nearly the whole season we had 20 to 30 competitors each week.

It was very nice to be thanked for organising and conducting the weekly swims by a couple of young lads each week. They would come over to Debbie, David and myself as we were compiling the results.

It was a real pleasure.

SLSSA STATE AWARDS WINNER *Youth Member of the Year - Leo Oliver*

Congratulations to Leo Oliver who took out Youth Member of the Year at the Surf Life Saving State Awards!

Leo Oliver has been a member of South Port since joining in December 2014. He has come through the Nipper ranks as the only boy in his age group of only 6 members the whole way through right, up until under 13's where he finally had another lad join the group. He has a level of maturity and responsibility that far outweighs his 14 years and he has a kind and thoughtful nature and is respectful of everyone around him. It is these qualities that make him popular with his peers and was reflected in them choosing him as our Junior Club Captain last season. He is one of the first members to put his hand up when there is a call for help needed around the Club and although he is no longer a Nipper, he continues to provide mentorship and support to our junior members in many ways. Leo is also extremely helpful inside the Club and is a regular volunteer in our kitchen when we have meals on at the Club. Leo was keen to start patrolling that he completed his SRC training while he was still 12 and sat the exam as soon as he turned 13. He did his first patrol that same day. He completed 51.5 hours in 2020/21, with a number of those hours being water cover for Nippers most Saturdays. He also provided water cover at junior carnivals. He is also a keen competitor who competes in most surf sports disciplines and had a very successful Senior States Titles, winning a bronze medal in the U14 board race and was part of the Gold medal winning under 23 March Past team.

Leo's most important and significant achievement came in December 2020, when he and two other U15 members used the skills they had learnt at the Club to save the life of a snorkeler who had been dragged out to sea in dangerous windy conditions. The calm and controlled manner in which he risked his own life to save another with the support of his mates was extremely brave and was worthy of being deemed SLSSA's rescue of the month for December 2020. It is a gross understatement to say Leo's actions the day of the rescue saved this man's life in such perilous conditions. His commitment to patrolling and the skills he has learned gave him the confidence to handle the rescue in a manner that had a favourable outcome for all involved.

Leo's commitment to supporting our Nippers the way he does has a huge impact on our juniors. They look up to him as a leader of our Club and he is only 14 years of age. He provided fantastic assistance with water safety.

Leo's support around the Club in other areas besides patrols and Nippers is also highly commendable given what he already does at the Club. He is there helping carry equipment on and off the beach whenever it is required and as mentioned, he is a regular helper in the canteen and kitchen. His polite and respectful manner has seen the Club receive quite a bit of feedback from members of the public who cannot sing his praises highly enough for the outstanding service he provides. He is an invaluable asset to us.

CONGRATULATIONS AGAIN LEO!

SOUTH PORT SLSC LONG SERVICE AWARDS

Congratulations to five of our wonderful Life Members for achieving the prestigious awards of **60 year** and **50 year** Surf Life Saving Long Service in 2020/21.

John 'Hally' Hall O.A.M, Graham 'Andy' Higgs, and David 'Snake' Ferrett have reached the amazing pinnacle of 60 years long service. They join fellow Life Member, our March Past Coach Robert 'Bob' Mayo AM, as achieving the award and are now part of a very esteemed group of only 7 members in South Australia to hold this award - four of them being from South Port! Christopher 'Dolla' Foord and David 'Mole' Gardner both reach their 50 year long service milestone this season which is an incredible achievement.

Between these five great and committed members, they have collectively provided over 280 years service to our Club and to the Surf Life Saving Association - a truly astonishing and humbling fact. They form part of who we are as a Club, and their years of dedication and service allow us to enjoy the culture and success we have had in the past, that we do at present and that we will in the future.

On behalf of all members of South Port SLSC, we congratulate Hally, Andy, Snake, Dolla and Mole for achieving these long service awards and thank them for their years of service and unwavering support of the Club!

Notes to the financial statements

For the year ended 30 April 2021

The financial statements cover South Port SLSC as an individual entity. South Port SLSC is a not-for-profit association incorporated in South Australia under the Associations Incorporation Act 1985 ('the Act').

The principal activity of the association for the year ended 30 April 2021 is:

Surf Life Saving

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of preparation

In the opinion of the Committee of Management, the association is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of significant accounting policies

Income tax

The association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

South Port SLSC

ABN: 51 114 459 582

Notes to the financial statements

For the year ended 30 April 2021

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest revenue

Interest is recognised using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Leases

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Property, plant and equipment is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

South Port SLSC

ABN: 51 114 459 582

Notes to the financial statements

For the year ended 30 April 2021

Impairment of non-financial assets

At the end of each reporting period, the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Statement by members of committee

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

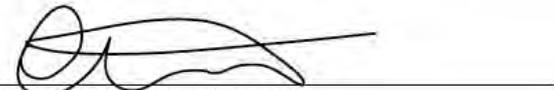

In the opinion of the committee the financial report:

1. Presents fairly the financial position of South Port SLSC as at 30 April 2021 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that South Port SLSC will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the committee by:

Independent audit report to the members of association, South Port SLSC

Report on the audit of the financial report

Opinion

I have audited the accompanying financial report, being a special purpose financial report, of South Port SLSC (the association), which comprises the balance sheet as at 30 April 2021, the income statement, and notes to the financial statements, including a summary of significant accounting policies and the statement by members of the committee.

In my opinion, the accompanying financial report of the association for the year ended 30 April 2021 is prepared, in all material respects, in accordance with the Associations Incorporation Act 1985.

Basis of opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial report section of my report. I am independent of the association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter - basis of accounting

I draw attention to note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the association in meeting the requirements of the Associations Incorporation Act 1985 and regulations. As a result, the financial report may not be suitable for another purpose. My report is intended solely for the association and should not be distributed to or used by parties other than the association. My opinion is not modified in respect of this matter.

Responsibility of management and those charged with governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act 1985, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Independent audit report to the members of association, South Port SLSC

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
