South Port Nippers are Rippers

SOUTH PORT SURF LIFE SAVING CLUB INC

South Port SLSC would like to invite you to our Season Launch.

Our Club" would like to be "Your Club" for you and your family as members to enjoy. As with anything new, it will take a while to get to know who's who, but given time, you will become part of a fantastic Club environment with an emphasis on family and fun. Surf Life Saving brings people and their families together to have fun, meet new friends and learn to live healthy active lives. Most importantly it teaches the necessary life-saving skills and surf awareness required to be safe when using the beach.

Whether you decide to join or not, it is entirely up to you, but as a Club we encourage participation and assistance. Hopefully, like many before you, you will be part of this wonderful surf lifesaving Club and its culture for years to come. Membership is also a great way to develop new skills, even as far as attaining your Bronze Medallion (Life Saving), becoming an Age Group Manager, an Official or even the next future Ironman or Ironwoman.

South Port Season Launch:

12 October 2019

Come down to the Club from 1pm to see what we are all about.

Registrations* will be available from 1pm, in the Clubhouse.

Can't make our Season Launch?

No worries! Every Saturday is Come 'n' Try at South Port SLSC!!

What to bring to the beach

South Port has a Sun Smart policy, so children need to bring the following with them, as well as a change of clothes for afterwards:

- Wide brimmed hat
- Bathers
- Thongs/ sandals
- Goggles (optional)
- Shorts/ Boardies/ Rashy/ Long-sleeved top
- Towel
- Water Bottle (clearly named)
- Sunscreen (also to be applied prior to coming to Nippers)
- Jumper/tracksuit pants if cold weather

Please contact us at mail@southportslsc.org.au for further information

**For your child to register for Nippers, they must be at least 5 years old and no older than 12 years as of 30th September.*
